Got It... Say Wassup!  
Got It... Oh My Goodness!  
Got It... All the world  
must grovel before us!

Got It... Say Wassup!  
Got It... We Want New World...  
Got It... Yo, Yo!  
Hammering in our Passion!  
Go ahead and laugh like mannequins  
Anytime we're ready to Start  
We'll show you who this belongs to  
Failure is a word for which we have No want  
Aside from victory We don't need  
Let's go on a wild rampage,  
no matter who screams about it

We won't let this go... We've  
been waiting for This Moment

We'll bring you down  
Got It Got It  
Once we take aim  
By the time you've noticed You Can't Move!  
You Can't Dance! You Can't Sing!  
We are Poisonous Gangster  
Now then... You lose  
We'll take you down once you taste our poison  
Got It Got It  
You don't belong here anymore  
In this new era We Can Move!  
We Can Dance! We Can Sing!  
We are Poisonous Gangster  
Now then... We Won  
Got It... Say Wassup!

Got It... Oh My Goodness!

Got It... All the world  
must grovel before us!

Got It... Say Wassup!

Got It... We Want New World...

Got It... Yo, Yo!

Hammering in our Passion!
