Shaking your heart (Say!)
Shaking your beat (Shout!)
Racing through time
Jump! (High!) Jump! (High!)
This vivid GENERATI^oN with you
(One, Two, Three, Four,
Five, Six, Seven, Jump!!!)

Even if it's a headwind Yes, We go!
Ignore it, raise your head, and advance
Drama greater than we can imagine
Goes on for Days
Let's escape the noise of the city
Match rhythms and Sing it! Wow wo
How far can we go tomorrow?
For example (Hey!)
Starry skies (Shoot!)
Even on nights when we can't see them (Fly! High! Fly)
Don't worry, this song
Will illuminate the way
(Alright! Here we go!)
Feel to the life! (Yeah!)
Feel to the live (Go!)
With the intense pounding of our hearts
Join! (Yes!) Join! (Yes!)
This light we created
Won't ever stop

Shaking your heart (Say!)
Shaking your beat (Shout!)
It's still not enough
Shoot! (High!) Shoot! (High!)
Pierce through, let's look
 for a Brand new WORLD!
Diving to dream! (Yeah!)
Diving to sky! (Flight!)
Past all others
Step, step we'll advance
The future is in our hands
Shaking your heart (Say!)
Shaking your beat (Shout!)
I will deliver
Jump! (High!) Jump! (High!)
This vivid GENERATION with you
(One, Two, Three, Four,
Five, Six, Seven, Let's go!!!)
