[00:08] Kotoko

Rikka-san is quite skilled.

[00:10] Kotoko

She'll present an argument on her own,
literally die for it on her own,

[00:14] Kotoko

then come back to life on
her own to retake the flow.

[00:18] Kotoko

But I'm not alone.

[00:21] Kotoko

Kuro-senpai and I won't
let you have your way.

[00:26] Saki

Right. Even if the third solution is rejected,

[00:30] Saki

it's not like all of them
have gone in that direction.

[00:33] Saki

Some percentage should've switched
over to the side that doesn't believe

[00:36] Saki

in the ghost named Steel Lady Nanase.

[00:38] Kotoko

And I'm not worried about a small
percentage that may have dissented.

[00:42] Saki

Huh?

[00:43] Kotoko

I'm sure there are some who've been
satisfied with the explanation thus far,

[00:47] Kotoko

but they aren't part of my calculations.

[00:49] Kotoko

Rikka-san is thinking the same thing as you

[00:52] Kotoko

and deciding her futures by selecting the ones with the fewest dissenters.

[00:57] Kotoko

She's assuming that I'm trying to chip away at her influence in stages.

[01:03] Kotoko

But that's where my trap begins.

[01:06] Kotoko

My solutions thus far have included the previous ones to some extent.

[01:12] Kotoko

Detective Terada investigating Steel Lady Nanase on his own.

[01:16] Kotoko

Nanase Karin's father leaving behind a damning handwritten note.

[01:21] Kotoko

Even if they reject the conclusions of each solution,

[01:23] Kotoko

the basic elements themselves have not been rejected.

[01:26] Kotoko

Even though our third solution was just rejected,

[01:29] Kotoko

as well as the portrait of the killer from it,

[01:31] Kotoko

no one has doubted the part where

[01:33] Kotoko

I said that Nanase Karin's sister was the one who gave the media the note.

[01:37] Kotoko

Rikka-san will be satisfied as long as the conclusion of

[01:40] Kotoko

"a ghost named Nanase Karin doesn't exist" isn't believed.

[01:45] Kotoko

So there's no reason to destroy my solutions at their roots.

[01:50] Kotoko

She can achieve her goal just by crushing the conclusions.

[01:54] Kotoko

If she tried to start destroying any other part besides the conclusion,

[01:57] Kotoko

she'd stand out more.

[01:59] Kotoko

Therefore, Rikka-san is forced to take the simplest option.

[02:03] Saki

B-But then...

[02:06] Saki

Is she saying that what Rikka-san is doing now...

[02:08] Saki

The futures she has chosen...

[02:10] Saki

are all part of her plan?

[02:13] Kotoko

All of the preparations have been made.

[02:15] Kotoko

All that's left is to unleash the final blow.

[02:28] Kotoko

Fiction is born within the fiction

[02:31] Kotoko

and inverts itself into truth.

[02:35] Kotoko

Then Steel Lady Nanase will disappear.

[02:43] Kotoko

Let us move on to the fourth solution!

[04:29] Kotoko

Even then, Steel Lady Nanase is fiction!

[04:33] Kotoko

The three solutions I've presented thus far

[04:35] Kotoko

were just the foundation to get to the actual truth.

[04:38] Kotoko

There is someone behind this.

[04:39] Kotoko

The one who created a ghost named Steel Lady Nanase and killed Detective Terada.

[04:44] Anon

We've been waiting for this!

[04:49] Kotoko

The one behind all this is
none other than Nanase Karin,

[04:52] Kotoko

Nanase Haruko herself.

[04:54] Kotoko

She's not dead!

[04:56] Kotoko

The one who died at the construction site

[04:59] Kotoko

was someone else made to look like Karin!

[05:02] Kotoko

If you have a faceless corpse, it's a given

[05:04] Kotoko

that they've actually been
switched out with someone else.

[05:07] Kotoko

The real Nanase Karin is still alive.

[05:10] Anon

But that was debunked earlier.

[05:13] Anon

*Come on. No one believes
that TV drama-esque story.*

[05:17] Anon

*But if Nanase Karin was alive,
there'd be no Steel Lady Nanase.*

[05:21] Kotoko

Nanase Karin lost her
family and was all alone.

[05:26] Karin

*If I just wait a while,
the rumors will settle down.*

[05:29] Karin

*I mean, I won't be able
to be an idol anymore...*

[05:32] Karin

But I'm still young.

[05:34] Karin

I still have time to start over.

[05:42] Karin

Excuse me!

[05:43] Girl A

Huh?

[05:43] Karin

I'm sorry, I know this is sudden.

[05:46] Karin

But I was just thinking...
that you look like me.

[05:52] Kotoko

And that was when she met her.

[05:54] Kotoko

Though their faces were different,
the length of her hair, her physique,

[05:58] Kotoko

and their ages were quite similar.

[06:00] Kotoko

Let's just call her A-san for now.

[06:04] Kotoko

No one knows what A-san's
circumstances were.

[06:07] Kotoko

Perhaps she didn't have any friends or family,
or she suffered from a mental illness.

[06:13] Kotoko

But unfortunately, Nanase Karin found her.

[06:18] Karin

*If I can leave Nanase Karin behind
and start over as a new person...*

[06:22] Kotoko

That temptation led her to commit a crime.

[06:26] Karin

Say...

[06:27] Karin

I have a favor to ask.

[06:30] Kotoko

Nanase Karin managed to cleverly
coax A-san into her hotel room,

[06:34] Kotoko

and had her touch her personal belongings.

[06:39] Kotoko

She made sure to get rid of her
own fingerprints around the room,

[06:42] Kotoko

ensuring that only A-san's would remain.

[06:46] Kotoko

I'm sure A-san had some reason
to want to help Nanase Karin out.

[06:51] Kotoko

After being depressed
and considering suicide,

[06:53] Kotoko

Nanase Karin coincidentally stopped her,

[06:55] Kotoko

making A-san dependent on her.

[06:59] Kotoko

One might also think she was
promised financial assistance,

[07:01] Kotoko

so she was willing to cooperate.

[07:04] Girl A

So I'm going to act as your
decoy and lead the media away.

[07:09] Girl A

Do you think it'll actually work?

[07:12] Girl A

They might figure it out right away,
and I might not be much help.

[07:17] Karin

You'll be fine.

[07:19] Karin

See? It's perfect. Don't worry.

[07:23] Karin

Look over there. See that construction site?

[07:25] Karin

The media won't come over there.
It's the perfect place to meet.

[07:31] Karin

Let's meet there tonight.

[07:35] Kotoko

If Nanase Karin hadn't met A-san,

[07:38] Kotoko

she probably would've let
the rumors run their course,

[07:41] Kotoko

and would've been able
to live a happy life.

[07:43] Kotoko

But while in the pit of despair,

[07:46] Kotoko

she had encountered a chance
to dramatically restart her life.

[08:16] Kotoko

A-san's face was crushed beyond
recognition by the steel beams.

[08:19] Kotoko

This would make it impossible
to identify her that way.

[08:22] Kotoko

And that would explain that mystery.

[08:27] Kotoko

Why did Nanase Karin let the steel beams hit her without any signs of struggle?

[08:35] Kotoko

That's because the body wasn't her own.

[08:38] Kotoko

It belonged to someone else

[08:40] Kotoko

who'd fallen unconscious and had the steel beams fall on her.

[08:46] Kotoko

Nanase Karin finished falsifying the scene and fled.

SIGN City Hall

[08:53] Kotoko

She then used A-san's identity to begin a new life.

[08:57] Kotoko

She was thus freed from her past.

[08:59] City Hall Employee

Thank you very much.
Here's your driver's license back.

[09:06] Kotoko

She would've had to change her appearance to make sure

[09:09] Kotoko

no one would recognize her, but that probably wasn't that difficult.

[09:12] Kotoko

Someone as gutsy and determined as her would've been able to do it.

[09:16] Kotoko

The body that was found at the construction site in Makurazaka City

[09:20] Kotoko

on January 30th of this year did not belong to Nanase Karin.

[09:23] Kotoko

She used the faceless corpse trick to fool us all.

[09:26] Kotoko

Nanase Karin is alive and well.

[09:28] Kotoko

Therefore, there could never be a ghost like Steel Lady Nanase!

[09:33] Anon

Karin made her up, right?*

solutions they were offered,*

[11:30] Saki

[11:36] Anon

So does that mean Nanase Karin

[11:39] Anon

*dressed up as Steel Lady
Nanase and attacked people?*

[11:42] Anon

I'm sure she did a couple times.

[11:44] Anon

To make the rumor spread faster,

[11:45] Anon

*she wore that dress and bow,
and had a steel beam.*

[11:47] Anon

She made her boobs jiggle, too.

[11:49] Anon

*She didn't want anyone to
think it was an astral body,*

[11:51] Anon

*so she created a character named
Steel Lady Nanase that walked around*

[11:53] Anon

*with a smashed face and
carried a steel beam.*

[11:56] Saki

*This logic about why Steel
Lady Nanase was needed...*

[11:59] Saki

It's the same as the third solution.

[12:01] Saki

*Picking up pieces from that
solution will give you the answer.*

[12:05] Saki

She basically

[12:06] Saki

*showed them how fun it is to logically

[12:11] Saki

*So this was the real reason why
she gave multiple solutions.*

[16:41] Kotoko

Those boobs that reminded

[17:52] Terada

Nanase Karin...

[18:03] Kotoko

A person who was supposed to be dead was standing before him,

[18:06] Kotoko

Come to think of it, there have been some suspicious posts.

<624> Name: Anonymous 09/05 00:30 ID.po9sien
So Steel Lady Nanase's made up?

<625> Name: Anonymous 09/05 00:30 ID.6rsaomgu
Who's this poster? At first, I thought they were just coming up with theories for fun, but...

[19:54] Anon

So the killer really is Nanase Karin?

[19:54] Anon

I still don't believe it!

[19:54] Anon

If they're a ghost they'll probably appear again.

I still don't believe it!

There's no way she could've actually switched places with someone!

[19:55] Anon

No idea. How the hell are we supposed to know?

[19:55] Anon

There's no way she could've actually switched places with someone!

[19:55] Anon

There were so many sightings up until yesterday. Isn't this weird?

[19:55] Anon

But if it is true, we just

witnessed something insane!

[19:56] Anon

*Did we just witness a
case getting solved?*

[19:57] Anon

So is it true or a lie?

[19:58] Anon

*Oh, yeah. Did anyone actually
see Steel Lady Nanase today?*

[20:02] Saki

She pulled them all in.

[20:03] Saki

This website is part of the killer's plot.

[20:06] Saki

*And the reason the first three solutions
were rejected was also because of them.*

SIGN I'll say it again. Nanase Karin, you are the killer!

[20:11] Saki

*She just managed to
destroy Steel Lady Nanase*

[20:14] Saki

*by simply saying that
Nanase Karin's alive.*

[20:17] Saki

I can't believe you came up with all this!

[20:21] Saki

*But what if the actual admin
of the site, Rikka-san,*

[20:24] Saki

just says she's not Nanase Karin?

[20:28] Kotoko

And who would believe that?

[20:30] Kotoko

*The masses now believe that
Nanase Karin is the admin*

[20:33] Kotoko

*and love that idea so much
that they're running with it.*

[20:36] Kotoko

*Whether she decides to
admit to that or not,*

[20:38] Kotoko

*this wave of thought
isn't going to change.*

[20:41] Saki

*Iwanaga-san used the first three
solutions to feed them basic elements*

[20:45] Saki

*that would make them believe
her ultimate solution.*

[20:50] Saki

*She couldn't have done it had the future
not been predetermined excessively.*

[20:55] Saki

*Through his repeated deaths, he chose
future after future to destroy the monster.*

[21:05] Kotoko

Kuro-senpai has decided the future.

[21:10] Kotoko

Rikka-san won't be able to reach
any options to change this future.

[21:16] Kotoko

She won't be able to control Steel
Lady Nanase with that site anymore.

[21:25] Kotoko

Now, ladies and gentlemen
of the committee...

[21:29] Kotoko

It is time for the voting to begin.

[21:31] Kotoko

Does a ghost named Steel Lady
Nanase exist or doesn't she?

[21:37] Kotoko

You don't need to do anything special.

[21:39] Kotoko

Your votes will be cast automatically,
no matter what you choose.

[21:43] Kotoko

I just need you to freely make
your wish in your own mind,

[21:47] Kotoko

based on your own conscience.

[21:52] Kotoko

There are true spectres in this world,

[21:53] Kotoko

but there are also many false ones.

[21:57] Kotoko

Fiction reverts to fiction.

[22:01] Kotoko

The monster born from lies

[22:03] Kotoko

shall be destroyed by lies, as well.
