[00:00] Halkara

The skies are clear!

[00:02] Halkara

A day like this calls for...

[00:03] SFX

Ta-da!

[00:04] Halkara

A mushroom-grilling party!

[00:06] Halkara

Or for short, a shroompa!

[00:08] Falfa

A shroompa! That sounds fun!

[00:10] Flatorte

No meat, though?

[00:11] Azusa

These are all types I've never seen before.

[00:14] Azusa

Are you sure they're safe to eat?

[00:16] Halkara

Of course!

[00:18] Halkara

I made sure to only pick the edible ones!

[00:21] Halkara

I've perfectly memorized which mushrooms in the nearby forests

[00:25] Halkara

are edible and which ones aren't!

[00:27] Halkara

They're *definitely* safe!

[00:30] Azusa

You already have a bad record.

Why are you so confident?

[00:34] Azusa

Well, if you insist, I'll believe you.

[00:37] SFX

Click, click.

[00:37] Halkara

Now, let the shroompa begin!

[00:41] Halkara

We spread some butter on the grill
and toss the mushrooms on.

[00:44] Halkara

Then we drizzle on some elvin, and...

[00:47] SFX

Ta-da!

[00:48] Halkara

That's all it takes to
make them super tasty!

[00:50] SFX

Scoot, scoot...

[00:54] Halkara

What do you think?

[00:56] Azusa

Br...

[00:57] Azusa

Bring on the booze!

[01:00] Laika

This is quite good.

[01:01] Flatorte

It's not meat, but it's
good in its own way!

[01:04] Shalsha

Delicious.

[01:05] Falfa

I didn't know there were so many
different types of mushrooms!

[01:08] Falfa

Forests are amazing!

[01:09] Rosalie

Here you go, Sister.

[01:12] Azusa

Man, nothing beats the combo of grilled
mushrooms and butter with soy sauce!

[01:17] Halkara

Soy sauce?

[01:18] SFX

Pop!

[01:19] Azusa

What's this mushroom called?

[01:22] Halkara

They're black dwarf mushrooms.

[01:24] Halkara

I only picked the ones that
hadn't grown too big yet.

[01:26] SFX

Pop!

[01:28] Azusa

And this one?

[01:29] Halkara

Gnome's hideaways.

[01:30] Halkara

They don't grow in this area,
so I grow them in my room.

[01:33] Halkara

At their full size, they're big
enough for a gnome to hide under.

[01:37] SFX

Pop!

[01:38] Azusa

Is this the same kind?

[01:39] Halkara

Yes!

[01:40] Halkara

That's also a gnome's hideaway...

[01:41] Halkara

or rather, it's a gnome-maker mushroom.

[01:44] Halkara

It's what they call a poison mushroom.
Eating it makes you shrink!

[01:47] ---

Gulp.

[01:51] Azusa

Did you just say "poison"?
Did you really just say "poison"?

[01:55] Halkara

Master, your smile looks scary!

[01:58] SFX

Boom!

[01:58] Azusa

You said they were all
definitely safe to eat!

[02:02] Halkara

The ones I picked are perfectly fine!

[02:04] Halkara

This is one I've been growing in my room!

[02:07] Azusa

You think I care?!

[02:11] Halkara

Master?

[02:13] Shalsha

Mother!

[02:13] Falfa

Mama!

[02:14] Laika

Lady Azusa!

[02:15] Flatorte

Mistress!

[02:16] Rosalie

Sister!

[02:23] Azusa

Wh-What? What just happened?

[02:26] Laika

Lady Azusa...

[02:28] Falfa

Mama, you're so cute!

[02:29] Azusa

Cute? What?

[02:31] Azusa

Wait, what is this?! Don't tell me I...

[04:09] Azusa

I'm totally a child.

[04:11] Laika

You certainly look young enough.

[04:13] Halkara

I'm sorry! I'm sorry!

[04:15] Halkara

But don't worry! It doesn't do any
harm, other than making you shrink!

[04:17] Halkara

I'll find out how to turn you
back to normal in no time!

[04:20] ---

Hmph.

[04:21] Azusa

Do that.

[04:24] Azusa

I hope I can change back to normal soon...

[04:29] Laika

Um, Lady Azusa...

[04:31] Laika

This is very difficult
for me to say, but...

[04:34] SFX

Sparkle, sparkle...

[04:34] Laika

You're so cute!

[04:36] Azusa

You're crying?!

[04:37] SFX

Scoot, scoot...

[04:38] Flatorte

Upsy-daisy!

[04:40] Azusa

That's not going to make me happy!
I'm not actually a child!

[04:43] Rosalie

Even though your body's smaller,
I guess your soul weighs the same.

[04:48] Azusa

What are you seeing, exactly?!

[04:52] Laika

I'm glad the village had clothes
like yours in children's sizes.

[04:56] Falfa

Here, Mama! Open wide!

[05:01] Azusa

Again, I'm not a child...

[05:02] Shalsha

*Memoirs, Volume 1: The Intrinsic Differences
Between Knowledge and Experience.*

[05:06] Azusa

What book is that?

[05:08] Shalsha

A literary masterpiece about
intuitive cognition.

[05:11] Azusa

That's not a book you'd read to
a child. Not that I'm a child.

[05:15] Shalsha

Listening to it will make you sleepy.

[05:17] Shalsha

It's great for getting babies to nap.

[05:24] Azusa

This is...

[05:25] Azusa

A kids' lunch...

[05:27] Laika

I tried making it fancy
to suit your appearance.

[05:31] Azusa

You're enjoying this...

[05:33] Azusa

Where's Halkara?

[05:34] Laika

She's secluded herself in her room to
search for a way to turn you back.

[05:37] Azusa

She'd better find it...

[05:39] Laika

Um, Lady Azusa... I have a favor to ask...

[05:43] Azusa

What is it?

[05:44] SFX

Floaty...

[05:45] Laika

Would you let me pet your head?

[05:50] Azusa

Okay, fine!

[05:52] Azusa

At this point, you might as
well coddle me all you want!

[05:54] Azusa

I've resigned myself!

[05:56] SFX

Pet, pet.

[05:58] Laika

Lady Azusa, you're so cute.

[06:00] Laika

Even your grumpy face is adorable.

[06:02] Flatorte

Hey! No fair getting her to yourself!

[06:04] SFX

Pet, pet, pet.

[06:06] Flatorte

I'm petting you more gently
than she did, aren't I?

[06:08] Flatorte

My petting is much softer
than hers, isn't it?

[06:11] Laika

That is not true!

[06:11] SFX

Pet, pet.

[06:12] Laika

I can pet her more gently!

[06:14] Flatorte

It's obvious that my way feels nicer!

[06:18] Azusa

Are you fighting or petting me?

Make up your minds.

[06:24] Azusa

Nope, I can't reach it.

[06:28] Rosalie

Here you go, Sister.

[06:29] Azusa

Thanks, Rosalie.

[06:31] Rosalie

Hey, Sister... if you want, um...

[06:34] Rosalie

I could comb your hair for you.

[06:36] Azusa

You, too?

[06:38] Azusa

Okay, go for it.

[06:41] Rosalie

Hmm... It's a very distant memory,

[06:44] Rosalie

but I think I played with dolls this way

[06:46] Rosalie

back when I lived in the mansion.

[06:49] Azusa

Dolls...

[06:52] Halkara

Sorry I took so long!

[06:54] Azusa

Oh, did you find a clue

to changing me back?

[06:56] Halkara

Yes!

[07:01] Halkara

I found nothing! I'm sorry!

[07:02] Azusa

Then why did you look

pleased with yourself?!

[07:04] Halkara

I decided to tell you the truth and

apologize, and this is what my face did!

[07:08] Halkara

All I can do is sincerely apologize!

[07:11] Azusa

This doesn't solve anything.

[07:13] Azusa

I have no choice but to ask the demons.

[07:17] Azusa

Vosanosanon ujishidau veyani enrila!

[07:22] Beelzebub

That was a nice bath.

[07:24] Azusa

You've gotten used to appearing
in the bathtub, huh?

[07:27] Beelzebub

Oh? Who is this?

[07:29] Beelzebub

You bear an uncanny resemblance to Azusa...

[07:31] SFX

Shoop.

[07:31] Beelzebub

Could you be her daughter?

[07:32] SFX

Shoop.

[07:33] Azusa

It's me. I'm Azusa.

[07:35] Azusa

I shrank because of a poison mushroom.

[07:38] Beelzebub

How cute! How adorable!

[07:40] Azusa

Hey! Don't treat me like a kid!

[07:42] Beelzebub

Resisting being treated like a
child makes you even cuter!

[07:47] Beelzebub

I see. So you decided to rely on
the knowledge of the demons.

[07:51] Azusa

Please do something!

I can't stay like this forever!

[07:55] Beelzebub

Can't you?

[07:57] Beelzebub

Would it not be nice to live as the
most adorable child there is?

[08:01] Azusa

Fine. I'll tell everyone the great
demon Beelzebub lost to a little kid.

[08:05] Beelzebub

That's not fair!

[08:07] Beelzebub

Very well. I'll search Vanzeld
Castle for a way to restore you.

[08:11] Beelzebub

You'll need to come with me.

[08:13] Azusa

All right.

[08:14] Beelzebub

We'll bring Shalsha and Falfa, as well.

[08:17] Azusa

Why?

[08:18] Beelzebub

It makes me happy.

[08:34] Beelzebub

Ah, that was just like being in Heaven!

[08:37] Beelzebub

What an explosion of cuteness!

[08:39] Azusa

Um, please don't tell
Pecora about this, okay?

[08:43] Azusa

If she finds out,
it'll complicate things for sure.

[08:46] Pecora

Greetings, Dear Sister.

[08:48] Pecora

I've been waiting for you.

[08:51] Pecora

I can't have you underestimating
the Demon King's power.

[08:56] SFX

Shine!

[08:57] Pecora

I never dreamed you could look
so adorable, Dear Sister!

[09:00] Azusa

I want to go back to normal, though.

[09:02] Pecora

Oh, what a waste!

[09:04] Pecora

You should, at least, stay like
this until I get tired of it!

[09:07] Azusa

Pecora!

[09:08] Pecora

Then let's ask the members of your family.

[09:11] SFX

Scoot, scoot...

[09:12] Pecora

Falfa and Shalsha, do you prefer
your mama as she is now,

[09:15] Pecora

or do you want her the way she was before?

[09:17] Pecora

If you choose "as she is now,"
I'll give you all the candy you want.

[09:21] Falfa

Um, what should we say?

[09:22] Shalsha

The ultimate decision...

[09:24] Azusa

Don't be bought off with candy!
Mama wants to go back to normal!

[09:28] Both

Um...

[09:29] Pecora

All right, enough with the jokes.

[09:31] Azusa

Jokes?

[09:32] SFX

Fwip!

[09:32] Pecora

Allow me to suggest a way you
can change back to normal.

[09:36] Pecora

Within the demon realm, in a forest
far, far away from the castle,

[09:41] Pecora

there is a massive tree
known as the World Tree.

[09:45] Pecora

At its very top is a pharmacist who
deals in every medicine ever known.

[09:50] Azusa

The World Tree?

[09:51] Azusa

We have to go that far to fix this?

[09:54] Pecora

Slow and steady wins the race.

[09:56] Pecora

It's better than trying some shady
treatment method, don't you think?

[09:59] Azusa

All right. I'll try climbing
up this World Tree, then.

[10:03] Azusa

What's the place like?

[10:05] Pecora

The inside of the World Tree is hollow,

[10:07] Pecora

and it's laid out like a complex maze.

[10:09] Pecora

The top is the 108th floor,

[10:10] Pecora

and on the way there are many areas
inhabited by ferocious wild animals.

[10:15] Azusa

A dungeon with 108 floors is pretty big.

[10:18] Azusa

But still, I have to go.

[10:21] Pecora

In that case, Vania, please take
Dear Sister to the World Tree.

[10:26] Vania

So I really have to go, then?
I suppose I do...

[10:29] Fatla

Sending my younger sister alone
worries me. I will go, as well.

[10:32] Pecora

By the way, Beelzebub, you have plenty of
work to catch up on while they're away.

[10:37] Beelzebub

Understood.

[10:38] SFX

Gloom...

[10:39] Azusa

Well, I'll be back soon.

[10:41] Falfa

I want to go with you!

[10:43] Azusa

It might be dangerous.
You two need to stay here.

[10:47] Falfa

Okay...

[10:49] Shalsha

I know Mother will be fine.

[10:51] Azusa

All right!

[10:52] Azusa

Let's get going, Fatla, Vania!

SIGN I've Been Killing Slimes
for 300 Years and
Maxed Out My Level

SIGN World Tree

[11:03] Azusa

Wow...

[11:04] Azusa

Its size is pretty shocking
when I see it in person.

[11:07] Fatla

I haven't seen the World Tree in some time.

[11:10] Fatla

Since that school field trip, was it?

[11:11] Vania

I came here for a field trip, too!

[11:14] Azusa

Wow, you've both been here before?

[11:18] Azusa

Okay, let's go.

[11:21] Azusa

Even if it's a complex, mysterious dungeon,

[11:24] Azusa

I'm doing this to go back to normal.

[11:25] Azusa

I'll get through it, no matter what!

SIGN Elevator to 10th floor just over there!

1300 Coyns

[11:35] Azusa

What does this mean?

[11:36] Fatla

Coyns are demon currency.

[11:38] Azusa

Not that. The elevator part.

[11:40] Fatla

Many people want to go higher
and higher up the World Tree,

[11:44] Fatla

which led to the sale of elevator usage.

[11:47] Fatla

The higher you want to
go, the more it costs.

[11:49] Azusa

I thought it'd be more like a dungeon...

[11:53] Fatla

It does have aspects of one, of course.

[11:55] Fatla

The 11th and 12th floors are home to

[11:58] Fatla

wild World Tree 11th Floor Wolves
and World Tree 12th Floor Wolves,

[12:02] Fatla

so we'll need to be careful.

[12:04] Azusa

What a dumb way to name animal species...

[12:06] Azusa

Wait, where's Vania?

[12:08] Vania

I'm sorry!

[12:09] Vania

I went to buy deep-fried
buns from that shop!

[12:12] Vania

The deep-fried buns here are so
exquisite, they've become famous!

[12:15] Azusa

This is just a tourist trap!

[12:17] Azusa

That smells good...

[12:19] Azusa

Let me try a bit!

[12:21] Vania

Good thing they gave you the
children's price, isn't it, Azusa?

SIGN Floor 1 → Floor 10

[12:24] SFX

Step, step, step, step...

[12:28] Azusa

There's a lot I'd like to say here,
but let's head to floor 11.

[12:31] Azusa

We've got a long way to go.

[12:33] Azusa

They want 500 coyns per person
for wild animal conservation?

[12:37] Fatla

Incidentally, the 13th floor also has
a gate where you'll need to pay.

[12:42] Azusa

This seems like such a shoddy business...

SIGN Floor 11: Jungle Area

[12:44] Azusa

This definitely looks like a place

where scary animals would live.

[13:03] Azusa

What the heck?!

[13:04] Azusa

They're totally tame!

Where are the wild animals?!

[13:08] Fatla

Many visitors here are powerful demons,

[13:11] Fatla

so the animals are no longer hostile.

[13:13] Fatla

In fact, they learned to bow
their heads to beg for food.

SIGN Elevator to the 17th floor this way

2200 coyns per adult

[13:17] Azusa

Suddenly it costs more
to make less progress.

[13:20] Fatla

On the 18th floor, we can see
World Tree 18th Floor Wildcats

[13:23] SFX

Meow!

[13:24] Fatla

and a rare plant called the
World Tree 18th Floor Rose.

[13:25] SFX

Rose, rose!

[13:27] Azusa

And I bet there's another elevator
on the 19th floor, right?

[13:30] Fatla

Yes. I believe the fare is 3,000 coyns.

SIGN ~ Floor 19

SIGN ~ Floor 17

SIGN Floors 1~10

[13:36] Azusa

That's demonic business!
They really are demons!

[13:39] Vania

This brings back memories.

[13:41] Vania

When I came here on my field trip,

[13:42] Vania

I tried to see how far I
could get without paying,

[13:45] Vania

but I got lost and ended up
late to our meet-up time.

[13:49] Fatla

Life in this area relies
on the tourist industry,

[13:52] Fatla

so the maze here is more difficult.

[13:54] Fatla

They dig holes, add poisonous
swamps, and other things

[13:57] Fatla

to make sure visitors
will use the elevators.

[14:00] Azusa

They're building a dungeon...

SIGN Floor 11 → Floor 18

[14:02] SFX

Step, step, step...

[14:05] Roses

Rose, rose...

SIGN Floor 19 → Floor 38

[14:08] SFX

Step, step, step...

[14:09] Fatla

It's getting late.
Let's stay here for the night.

[14:13] SFX

Ka-tunk!

[14:15] Vania

This feels so nice.

[14:17] Azusa

It's nothing like the
World Tree I had imagined...

[14:21] Fatla

Yes, there was no stopping its
transition to a tourist stop.

[14:24] Fatla

That said, there are no elevators
after the eighth station.

[14:28] Azusa

What is this, Mount Fuji?

[14:29] Fatla

Azusa, it might be a strange
way to bring this up, but...

[14:34] Fatla

Thank you for giving me this opportunity.

[14:37] Fatla

It had been a long time since my sister and I took a trip together.

[14:41] Azusa

Yeah, I bet. You're both so busy with work, I'm sure you never had time.

[14:46] Fatla

I must apologize. This is part of our work, as well.

[14:49] Azusa

It's fine. Sorry for dragging you both into such a weird task.

[14:53] Fatla

Well, the floors will be more cramped from this point on,

[14:57] Fatla

so we'll be moving upward at a faster pace.

[14:59] Fatla

Tomorrow night, we'll lodge on the 84th floor.

[15:02] Vania

After that, it's a real dungeon, with no lodging.

[15:06] Azusa

Right! Let's do this thing!

SIGN Floor 38 → Floor 39

[15:08] SFX

Step, step, step...

SIGN Floor 39 → Floor 85

[15:24] Fatla

Please be careful.

[15:25] Fatla

This floor is home to drooling sloths and snot-nosed sloths.

[15:30] Sloth

Durr!

[15:31] Sloth

Durr!

[15:33] Fatla

They are ferocious, so they will attack.

[15:36] Sloth

Durr!

[15:37] Azusa

Kiddie Punch!

[15:39] Sloth

Durr!

[15:40] Azusa

As far as my stats go, I still

seem to be doing pretty well.

[15:43] Vania

Wow! That was amazing!

[15:46] Sloths

Durr!

[15:47] Vania

You can leave these to me!

[15:52] Sloths

Durr!

[15:53] Azusa

You two are pretty strong, too!

[15:55] Azusa

I guess you are Leviathans, huh?

[15:57] Vania

Yes!

[15:57] Sloths

Durr!

[15:59] Fatla

Now, let us hurry.

SIGN Floor 89

SIGN Floor 96

SIGN Floor 102

SIGN Floor 87 → Floor 107

SIGN Floor 107

[16:10] Azusa

We made it...

[16:26] Azusa

I didn't say anything yet.

[16:29] Fatla

I knew what you were going to say.

[16:30] Fatla

We've come this far together, after all.

[16:33] Azusa

I guess so.

[16:35] Vania

What's this? I feel kind of strange.

[16:39] Vania

I'm not normally the type to cry...

[16:42] Fatla

You mustn't.

[16:43] Fatla

We're still on the job.

[16:48] Fatla

When we were still children,

[16:49] Fatla

you nearly jumped off and fell
from here, didn't you, Vania?

[16:52] Vania

I didn't do anything that clumsy.

[16:55] Vania

You were the one who just started complaining more as we kept going.

[17:01] Vania

And then Father said we never should have brought you along.

[17:06] Fatla

Well, climbing that volcano really was exhausting.

[17:10] Fatla

And it took longer than we expected.

[17:12] Vania

As I always tell you, not everything works out exactly as scheduled.

[17:17] Fatla

Or maybe you're just too lazy.

SIGN Floor 108

[17:33] Azusa

Excuse me.

[17:34] Azusa

I ate a gnome-maker mushroom and became smaller.

[17:38] Azusa

Do you have any medicine that can change me back to normal?

[17:41] Pharmacist

Ah, yes, yes.

[17:42] Pharmacist

Until recently, that mushroom's effects were difficult to treat,

[17:46] Pharmacist

but I've since learned that a certain medicine works well against it.

[17:49] Azusa

Really?

[17:50] Pharmacist

Yes, it's become a huge hit.

[17:54] Pharmacist

Here it is.

[17:55] Azusa

Isn't this...

[17:57] Pharmacist

It's made by a witch named Eno who's well-known as the Witch of the Cave.

[18:00] Azusa

Ah, yeah. Right.

[18:02] Eno

Hello! It's the Witch of the Cave, Eno!

[18:06] Eno

I brought three more
cases of that medicine!

[18:09] Azusa

Eno!

[18:10] Azusa

What are you doing here?!

[18:12] Eno

Huh? Whose child are you?

[18:15] Eno

Wait, are you... the Witch
of the Highlands?!

[18:19] Eno

Wow! You actually walked
all the way up here?

[18:22] Azusa

Yeah...

[18:23] Eno

Dragons can't make it, but wyverns
can come straight to the top.

[18:27] Eno

They carry medicines and such.

[18:29] Eno

Also, it doesn't make sense.

[18:31] Eno

I deliver Mandragora Pills
to Vanzeld Castle, too.

[18:35] Eno

I'm certain the Demon King
knows I transport them there.

[18:38] Azusa

Wha—

[18:40] Pecora

I forgot that a wyvern could
fly straight to the top!

[18:43] Pecora

Oopsie!

[18:44] SFX

Tee-hee!

[18:45] Azusa

No, you totally knew. And you
knew about the medicine, too.

[18:49] Pecora

Whatever do you mean?

[18:51] Azusa

Never mind.

[18:53] Azusa

We were allowed to ride a wyvern
back to get here faster.

[18:56] Azusa

I just want to take that
medicine and have a bath.

[18:59] Azusa

I'm a mess after that crazy adventure.

[19:01] Pecora

Wait a moment!

[19:02] Pecora

You might as well return to
normal in front of everyone.

[19:06] Azusa

Well, we did work hard to get this.

[19:08] Azusa

Maybe that would be more moving.

[19:12] Beelzebub

Really? It was just Mandragora Pills?

[19:15] Beelzebub

You worked so hard for nothing.

[19:17] Azusa

All's well that ends well.

[19:19] Azusa

I'm going back to normal now.

[19:27] Azusa

Here it comes!

[19:29] Shalsha

I'm apprehensive about this.

[19:33] Shalsha

If she gets bigger,

[19:34] Shalsha

she won't fit in children's clothes.

[19:40] Pecora

Oh, Dear Sister! How scandalous!

[19:42] Pecora

As your little sister,
I can't bear to watch!

[19:44] Azusa

Pecora! You knew this would
happen and didn't tell me!

[19:48] Pecora

I don't know what you
mean. I haven't the foggiest!

[19:52] Azusa

At this point, we all might
as well take a bath!

[19:55] Azusa

We'll all be naked together,
including you! Got it?!

[19:58] Pecora

Huh?

[20:02] Azusa

There's nothing better than a big bath.

[20:05] Beelzebub

I hear you.

[20:07] Beelzebub

It hits even deeper when
you're exhausted from work.

[20:15] Azusa

Pecora.

[20:16] Pecora

D-Dear Sister!

[20:18] Azusa

Does being in the bath with
all of us embarrass you?

[20:21] Pecora

N-No, it's just... I-I'm not
used to this sort of thing...

[20:27] Azusa

Oh, yeah. Since you're the Demon King,

[20:30] Azusa

I guess you wouldn't take
baths with anyone.

[20:34] Azusa

But when you get me, I get you back.

[20:36] Azusa

I'm gonna get a good look at you naked!

[20:38] Pecora

Th-That's scandalous!

[20:42] Azusa

Being naked is the proper
attire for a bath.

[20:45] Azusa

Besides, it's not embarrassing when
everyone's in it together, right?

[20:49] Azusa

Still, you took your joke a
little too far this time.

[20:54] Azusa

Listen, Pecora.

[20:56] Azusa

No matter what your reason is,
I'm your older sister,

[21:00] Azusa

and if my little sister does
something bad, I'll scold her.

[21:06] Azusa

Understand?

[21:09] Pecora

I'm sorry.

[21:11] Azusa

Good girl.

[21:13] Azusa

No more hard feelings, right?

[21:15] Pecora

Um, Dear Sister...

[21:17] Azusa

What?

[21:19] Pecora

I always dreamed of getting a kiss
because of the books I read,

[21:25] Pecora

but nothing beyond that was
written in the books.

[21:28] Azusa

Ah. So that's the most
you could imagine, huh?

[21:32] Azusa

You're very pure.

[21:34] Pecora

So there's something I'd
like you to do for me.

[21:37] Azusa

Just name it.

[21:39] Pecora

May I... touch your breasts?

[21:43] Azusa

What?! What are you saying?!

[21:45] Pecora

I thought I should get used to it, too!

[21:48] Pecora

I hoped touching your chest
would get me more accustomed!

[21:51] Azusa

That is *not* allowed!

[21:54] Pecora

Why isn't it allowed, Dear Sister?!

[21:57] Azusa

If the Demon King had some weird awakening,
it'd cause irreversible damage!

[22:01] Azusa

I can't grant that favor!

[22:02] Pecora

Dear Sister!

[22:04] Azusa

For the sake of world peace,
you need to remain pure!
