**[00:05] Atar**

Emanate.

**[00:13] Atar**

Strange beast elimination task completed.

**[00:15] Loki**

Good job, Atar.

You work quickly.

**[00:19] Loki**

I'm sure the Emperor will be pleased.

**[00:22] Atar**

If the Emperor wills it.

We know we are not worthy

O great Lord Mitama

You who rule over all

the hills of Takaamahara

All our—

**[01:55] titl**

We know we are not worthy

**[01:56] titl**

O great Lord Mitama

**[01:57] titl**

You who rule over all

the hills of Takaamahara

**[01:59] titl**

All our—

**[02:01] Bertrand**

Open the gate!

**[02:03] Bertrand**

The knight Bertrand has returned.

**[02:06] Bertrand**

I have important news for the assembly

**[02:08] Bertrand**

regarding that dangerous isolation camp.

**[02:10] Bertrand**

Hurry up.

**[02:11] Bertrand**

Ow!

**[02:12] Bertrand**

Wh-What are you doing?

**[02:14] Guard**

Shut up! Who the hell do you think you are?

**[02:17] Bertrand**

I told you, I'm Bert—

**[02:17] Guard**

You're a cheap tart who shouldn't  
even dare speak his name!

**[02:21] Bertrand**

Please believe me!

**[02:22] Bertrand**

I really and truly am Bertrand!

**[02:25] guard**

First off, he is a man.

**[02:27] Bertrand**

Believe me!

**[02:28] Bertrand**

The people in the isolation camp  
forced me into this garb.

**[02:31] Guard**

So you're from the isolation camp!

**[02:33] Guard**

Go back! Go back!

**[02:34] Bertrand**

W-Wait!

**[02:35] Bertrand**

Hear me out...!

**[02:37] Bertrand**

I am a knight of this proud empire...

**[02:40] Bertrand**

Why did this happen to me?

**[02:43] Bertrand**

If the empire abandons me,  
what should I even do?

**[02:49] Roy**

Hey there, Ber-chan.

**[02:50] Roy**

So you're still around here.

**[02:52] Roy**

What, are you crying?

**[02:55] Roy**

Where's all your moxy from this afternoon?

**[02:56] Bertrand**

I'll annihilate this village!

**[02:59] Bertrand**

Shut up.

**[03:00] Roy**

Now that I get a closer look,

**[03:02] Roy**

you've got quite a nice body.

**[03:05] Bertrand**

You bastard!

**[03:07] Bertrand**

Are you trying to disgrace me?!

**[03:11] Bertrand**

*I cannot draw my sword unless  
it's for the Emperor's justice.*

**[03:19] Bertrand**

You're...

**[03:21] Yukito**

Are you okay?

**[03:24] Bertrand**

B-Because of you, I'm—

**[03:27] Yukito**

Unable to return to  
the imperial capital, right?

**[03:29] Yukito**

Without an order from your liege,

**[03:32] Yukito**

you never draw your sword.

**[03:34] Yukito**

Your loyalty is admirable.

**[03:37] Yukito**

Regardless, the empire has discarded you.

**[03:40] Bertrand**

That's not true! I...

**[03:42] Yukito**

Admit it.

**[03:44] Yukito**

The empire threw you away.

**[03:52] Yukito**

Come with me.

**[03:55] Yukito**

I need your help.

**[03:58] Yukito**

I'll create a place for you to stay.

**[04:01] Yukito**

Knight Bertrand.

**[04:06] Bertrand**

I'd never be taken in by those words.

**[04:10] Bertrand**

But you did save me from this cretin,  
so I'll repay that favor.

**[04:15] Yukito**

*Too easy.*

**[04:19] Villager1**

A strange beast!

**[04:22] Villager2**

Damn it!

**[04:22] Villager2**

Not the fields again!

**[04:23] Villager3**

Just run!

**[04:23] Villager2**

Run away!

**[04:24] Villager3**

Run! To the shelter!

**[04:26] Villager1**

Don't do it, Ricky!

**[04:28] Villager2**

You don't stand a chance!

**[04:29] Villager3**

Man, run away!

**[04:30] Yukito**

Let us take care of this.

**[04:31] Mitama**

Let me bring out the ultimate weapon!

**[04:39] Mitama**

The godly blade, Kusanagi no Tsurugi!

**[04:41] Mitama**

This is the real thing,  
summoned from the Kanmon Straits!

**[04:43] Mitama**

Now, use this to defeat it!

**[04:51] Yukito**

Ricky!

**[04:53] Mitama**

Why?!

**[04:53] Yukito**

Idiot!

**[04:54] Yukito**

That useless piece of crap sword

was submerged in the ocean!

**[04:56] Mitama**

What?! But according to the legends, it's super strong!

**[04:58] Yukito**

Yeah, according to legends!

**[04:59] Yukito**

I knew counting on you was a bad idea!

**[05:09] Mitama**

It's my fourth underling!

**[05:11] Bertrand**

Stand back.

**[05:18] Bertrand**

Emanate.

**[05:34] Bertrand**

It's over.

**[05:37] Bertrand**

Was that what you wanted?

**[05:39] VillagerA**

You saved us!

**[05:40] VillagerB**

In one hit!

**[05:40] VillagerC**

Wow!

**[05:41] VillagerD**

I can't believe it!

**[05:42] VillagerE**

What a relief.

**[05:44] Yukito**

*What the hell was that?*

**[05:45] Yukito**

*I saw something on the sword...*

**[05:47] Yukito**

Oh! Yeah, just as expected!

**[05:50] Yukito**

That's our religion's holy knight!

**[05:54] Mitama**

Good job, underling!

**[05:56] Yukito**

*Nice. I've acquired a decent pawn.*

**[06:00] Yukito**

Listen to me!

**[06:01] Yukito**

Join our religion and I promise you, from this day forth,

**[06:03] Yukito**

our holy knight will protect all

of your fields from the strange beasts!

**[06:08] VillagerA**

Religion?

**[06:09] VillagerA**

What is that?

**[06:10] Mitama**

A religion is where you worship me as god...

**[06:14] Yukito**

Well, just think of it  
as a group with loose ties.

**[06:17] Yukito**

We've got this mascot whom we call "god."

**[06:21] VillagerB**

What is a mascot?

**[06:24] Yukito**

You know that little animal  
they keep at the eatery, right?

**[06:26] VillagerB**

Oh, yeah, that little thing?

**[06:28] Yukito**

That's it.

**[06:30] Yukito**

If you become a member of our religion  
that loves Mitama as our mascot,

**[06:34] Yukito**

you will never have to fear  
strange beasts ever again!

**[06:38] All**

Wow! I'm in!

**[06:39] All**

Me, too!

**[06:40] Yukito**

Yes!

**[06:41] Yukito**

Now we're talking.

**[06:44] Villager3**

Wine, please!

**[06:46] Alural**

Have you joined our religion?

**[06:48] Villager3**

The what?

**[06:49] Alural**

Our religion! Starting today,

**[06:51] Alural**

wine will only be available  
to members of our religion!

**[06:54] Alural**

Please join if you'd like to drink.

**[06:56] Villager3**

Well, how can I say no  
when you ask so nicely?

**[06:59] Alural**

Thank you so much!

**[07:01] Alural**

Then, please write your name  
and contact information here.

**[07:01] Villager4**

I'll join, too!

**[07:02] Villager5**

Me, too!

**[07:03] Yukito**

*I'll gather followers any way I can.*

**[07:03] Alural**

Yes! Just a moment!

**[07:07] Yukito**

This is a refrigerator called a zeer pot.

**[07:10] Yukito**

It's possible to preserve food  
by placing it inside this pot.

**[07:13] Siluril**

If you join our religion right now,

**[07:15] Siluril**

every one of you will get your own pot!

**[07:18] Roy**

I haven't slept for three days now.

**[07:21] Yukito**

You need to make twenty  
additional zeer pots by tomorrow.

**[07:25] Mitama**

You'll work until you drop dead, trash.

**[07:28] Roy**

Thank you so much, Mitama-sama!

**[07:30] Roy**

I'll do it!

**[07:33] Woman**

These are delicious.

**[07:34] Woman**

What are they?

**[07:35] Yukito**

These are baked sweets called cookies.

**[07:36] Girl**

Can I have some, too, please?

**[07:38] Girl**

These are delicious!

**[07:39] Alural**

If you could just write  
your name down here...

**[07:41] Girl**

Me, too!

**[07:43] Yukito**

Even in your current state,  
this should be doable.

**[07:45] Ricky**

Yes, right there!

**[07:47] Yukito**

Please form a line!

**[07:49] Mitama**

I can't believe he's using my  
divine powers like a hot spring...

**[07:51] Yukito**

This is a welcome bonus  
for those who've become followers!

***SIGN* Followers**

**[07:55] Mitama**

This is amazing, Yukito.

**[07:56] Mitama**

Our followers keep growing and growing.

**[07:59] Mitama**

Awesome!

**[08:00] Yukito**

Yes, it was a good idea to  
stop relying on your charisma.

**[08:04] Mitama**

Rude!

**[08:05] Yukito**

In this world, concepts like "god"  
and "religion" don't actually exist.

**[08:10] Yukito**

Making them understand those  
would be difficult.

**[08:12] Yukito**

But!

**[08:13] Yukito**

If you look at it from another angle,

**[08:15] Yukito**

it means "converting" them is easy  
because they have no aversion to religion,

**[08:18] Yukito**

unlike people from my time.

**[08:21] Yukito**

Therefore, we just need to make it

a different form of religion.

**[08:24] Mitama**

A different form?

**[08:26] Yukito**

The followers are not bound together  
by devotion, but by personal gain.

**[08:30] Yukito**

Believe and we will heal you,

**[08:34] Yukito**

we'll share food with you,

**[08:38] Yukito**

and protect you from external enemies.

**[08:41] Yukito**

It's a standard move to  
amass more followers...

**[08:45] Yukito**

by supplying personal gains  
that are easy to understand!

**[08:49] Yukito**

Our religion has...

**[08:53] Yukito**

Bertrand's power,

**[08:54] Yukito**

as well as Al's and Sil's food.

**[08:57] Yukito**

By offering these as benefits,

**[09:00] Yukito**

the followers will start lining up.

**[09:03] Bertrand**

Stop it!

**[09:05] Yukito**

My strategy is the same as the one religions  
in my old world use to attract believers.

**[09:10] Yukito**

All I did was apply my own knowledge  
to make it fit this world.

**[09:14] Mitama**

Looks like watching all that  
alternate world stuff came in handy.

**[09:17] Yukito**

I didn't watch anything like that.

**[09:20] Yukito**

I never tried to escape from reality.

**[09:22] Mitama**

All right!

**[09:23] Mitama**

My powers have gotten stronger too.

**[09:25] Mitama**

Even if their army comes,  
I'll smash them to bits!

**[09:29] Yukito**

So far, so good.

**[09:31] Yukito**

But who knows how many followers we'll  
really need to be able to fight the empire?

**[09:38] Yukito**

Bertrand?

**[10:05] Bertrand**

Kill me.

**[10:09] Yukito**

Bertrand, there's something I wanted to ask.

**[10:13] Yukito**

Do you mind?

**[10:16] Bertrand**

You want to know how many  
soldiers the imperial army has?

**[10:18] Bertrand**

What's the point of even asking?

**[10:20] Bertrand**

You're planning on moving  
against the Emperor?!

**[10:24] Yukito**

Oh, I have no intention of doing that.

**[10:26] Yukito**

I just want to protect this village.

**[10:29] Yukito**

Please.

**[10:31] Bertrand**

Well, if that's the case...

**[10:33] Bertrand**

You've really got the wrong idea.

**[10:36] Bertrand**

It's not numbers that make  
the imperial army the imperial army.

**[10:42] Yukito**

Archons?

**[10:45] Bertrand**

Yeah.

**[10:46] Bertrand**

A small elite unit under  
the direct control of the Emperor.

**[10:49] Yukito**

Are they stronger than you?

**[10:56] Bertrand**

I'm nothing compared to them.

**[10:58] Bertrand**

They've been bestowed special powers directly from the Emperor.

**[11:02] Yukito**

Powers?

**[11:03] Bertrand**

I've only heard rumors myself.

**[11:06] Bertrand**

Supposedly,

**[11:08] Bertrand**

every single one of them is strong enough to erase a mountain.

**[11:12] Atar**

Extermination complete.

**[11:14] Atar**

Moving on to dealing with the isolation village that defied the end of life system.

**[11:23] Yukito**

Mitama!

**[11:24] Yukito**

Can you erase a mountain?

**[11:27] Mitama**

A mountain?

**[11:28] Mitama**

A mountain of lame snacks, yeah.

**[11:31] Mitama**

I only go for the good stuff.

**[11:33] Yukito**

This is not the time to make crap jokes.

**[11:37] Yukito**

I want a serious answer.

**[11:39] Mitama**

Japan has a lot of mountain gods.

**[11:42] Mitama**

But my abilities easily surpass theirs by a lot!

**[11:46] Yukito**

So you can do it?

**[11:48] Mitama**

Easy peasy.

**[11:49] Mitama**

I just need a measly 10,000 followers.

**[11:52] Yukito**

*Right now, we have around one hundred followers.*

**[11:56] Mitama**

I bet you're impressed now, huh, Yukito?!

**[12:01] Yukito**

*It's no good. She's useless.*

**[12:10] Yukito**

Kabedon.

**[12:12] Yukito**

You've really come into your womanhood.

**[12:15] Bertrand**

Wh-What do you mean?

**[12:17] Yukito**

Don't struggle.

**[12:20] Bertrand**

D-D-Do you mean to defile me?!

**[12:23] Yukito**

I said I'm just taking a look.

**[12:27] Bertrand**

So because I surrendered,

**[12:29] Bertrand**

you can do whatever you want to my body?

**[12:32] Bertrand**

Kill me!

**[12:34] Yukito**

Down, down, down.

**[12:36] Yukito**

Down, down, down.

**[12:43] Yukito**

There's nothing unusual about it.

This is an ordinary sword.

**[12:45] Bertrand**

Give it back!

**[12:47] Bertrand**

What about the sword?

**[12:49] Yukito**

You defeated that strange  
beast that attacked the village.

**[12:52] Yukito**

That sword shouldn't be able to cut  
through something so big, though.

**[12:55] Yukito**

So is there some kind of trick?

**[12:59] Bertrand**

Emanate.

**[13:15] Yukito**

Seriously?

**[13:16] Bertrand**

There's no trick.

**[13:18] Bertrand**

You just don't know how to use it.

**[13:20] Bertrand**

There is nothing this sword  
could not cut through.

**[13:22] Yukito**

Sword? More like magic!

**[13:25] Bertrand**

Magic?

**[13:26] Yukito**

Where do they sell those swords?

**[13:29] Yukito**

*If we had a lot of these,*

**[13:31] Yukito**

*we could stand up against the imperial army!*

**[13:33] Bertrand**

These can't be bought, of course.

**[13:36] Bertrand**

Anyone above a certain rank in the imperial  
army is granted a weapon by the Emperor,

**[13:40] Bertrand**

imbued with special power.

**[13:42] Bertrand**

Nobody but the Emperor understands  
the nature of this power, though.

**[14:07] Clen**

It really does.

**[14:09] Yukito**

Right now, our religion—

**[14:10] Yukito**

or rather, this village,  
is facing a grave danger.

**[14:14] Clen**

The imperial army could strike at any moment.

**[14:17] Siluril**

But they're not coming at all.

**[14:19] Clen**

They're probably just observing us for now.

**[14:22] Yukito**

But it is certain that their attack will come.

**[14:26] Yukito**

So, before that happens, hypothetically,

**[14:29] Yukito**

do you think we could  
relocate this entire village?

**[14:32] Clen**

I doubt it.

**[14:33] Clen**

If we made such a blatant move,

**[14:36] Clen**

they'd crush us in an instant.

**[14:38] Yukito**

Yeah, huh...

**[14:39] Yukito**

If only we had over 10,000 followers...

**[14:42] Yukito**

Then we could fight back!

**[14:44] Siluril**

That's impossible.

**[14:46] Siluril**

There's about 2,000 people  
living in this village.

**[14:49] Siluril**

The empire places a limit on how many  
people can live in an isolation camp village.

**[14:54] Yukito**

Wait, wait.

**[14:55] Yukito**

You mean there are more isolation  
camp villages other than this one?

**[14:58] Clen**

Yeah.

**[15:00] Clen**

There are many isolation camp villages encircling the imperial capital.

**[15:03] Clen**

Just like our village,

**[15:05] Clen**

every one of them is a trash can for people they deem to be abnormal.

**[15:11] Siluril**

Well, essentially a human wall to protect the capital!

**[15:14] Yukito**

Don't drink in a meeting!

**[15:16] Siluril**

Can't stop me!

**[15:18] Siluril**

Huh?

**[15:18] Roy**

I smell booze!

**[15:21] Yukito**

Wait!

**[15:22] Yukito**

Our meeting isn't done yet!

**[15:23] Roy**

Gimme!

**[15:25] Yukito**

Wait, wait, wait!

**[15:27] Yukito**

This is not the time for booze!

**[15:32] Siluril**

You can take care of the rest, Yukito.

**[15:42] Yukito**

Que sera, sera!

**[15:45] Siluril**

We've got plenty to drink!

**[15:46] Yukito**

Keep it coming!

**[15:50] Atar**

How long will these pointless assignments continue?

**[15:53] Atar**

Annihilating that isolation camp village is the will of our Emperor

**[15:56] Atar**

and the decision of the assembly.

**[16:00] Loki**

Well, these huge strange beasts keep appearing.

**[16:04] Loki**

Since they could cause harm to the capital,

**[16:07] Loki**

we can't just ignore them.

**[16:08] Atar**

Loki, are you trying to buy more time?

**[16:11] Atar**

Are you planning on defying  
our Emperor and the assembly?

**[16:13] Loki**

Why would you even say that?

**[16:16] Loki**

Atar, I am a loyal servant of our Emperor.

**[16:21] Loki**

Oh, I just got another report  
of a strange beast sighting.

**[16:27] Loki**

Could you please go there?

**[16:30] Atar**

Roger.

**[16:31] Loki**

Well then.

**[16:32] Loki**

I wonder what they'll do?

**[16:37] Yukito**

*Over 10,000 followers? That's tough.*

**[16:41] Siluril**

You're still awake?

**[16:44] Yukito**

Yeah.

**[16:45] Siluril**

You're completely wasted.

**[16:47] Siluril**

Why don't you tell your big sister  
what's on your mind?

**[16:50] Yukito**

My big what now?

**[16:52] Siluril**

I mean you're family,

**[16:54] Siluril**

so you're like my little brother.

**[16:57] Yukito**

So, Sil...

**[17:00] Yukito**

How much about this village's  
situation do you really understand?

**[17:05] Siluril**

Well, I know that it's pretty bad.

**[17:09] Siluril**

That's why you've been doing  
all that religion stuff, right?

**[17:15] Siluril**

I don't really get it,

**[17:17] Siluril**

but I guess it's to protect  
our village from the capital.

**[17:21] Siluril**

Did I get it?

**[17:22] Yukito**

I thought Mitama and I would be  
able to do something, but...

**[17:27] Yukito**

It seems hopeless.

**[17:28] Mit**

Yukito,

**[17:29] Mit**

**[17:34] Siluril**

You're trying your best.

**[17:36] Siluril**

Thank you for that.

**[17:38] Siluril**

Al and I would have died back then.

**[17:42] Siluril**

But you and Mitama-chan saved us.

**[17:46] Siluril**

Even if you can't save this village,

**[17:48] Siluril**

you've already done more than enough.

**[17:51] Siluril**

So you don't have to overthink it.

**[17:56] Soichiro**

Don't overthink it, Yukito.

**[18:02] Soichiro**

In the beginning, our sect had  
around one hundred followers.

**[18:06] Soichiro**

Now we have tens of thousands of followers.

**[18:09] Soichiro**

Do you know how we did this?

**[18:10] Yukito**

No clue.

**[18:12] Soichiro**

Almost all our followers are

pro-level martial artists.

**[18:17] Soichiro**

So we blew up a scam cult  
with our physical strength

**[18:23] Soichiro**

and took over their territory  
and followers wholesale.

**[18:27] Yukito**

You should just be a fight club  
instead of a religious group.

**[18:30] Soichiro**

Don't overthink it.

**[18:32] Soichiro**

If you want to get more followers,

**[18:34] Soichiro**

just take them over  
along with the territory!

**SIGN** Miracles happen through use of force!

**SIGN** Soichiro

**[18:36] Soichiro**

Miracles happen through use of force!

**[18:40] Yukito**

With the territory...

**[18:41] Siluril**

What?

**[18:42] Yukito**

Nothing.

**[18:44] Yukito**

I just remembered something dumb.

**[18:46] Yukito**

Thanks, Sil.

**[18:51] Clen**

Yukito.

**[18:54] Yukito**

Hi, Clen.

**[18:56] Clen**

Did you come up with a plan  
to deal with the imperial army?

**[18:59] Yukito**

I wouldn't say I have no plan at all.

**[19:01] Yukito**

But...

**[19:02] Clen**

But?

**[19:03] Yukito**

What I'm trying to do will  
destroy the culture of this world.

**[19:09] Clen**

That sounds fun.

**[19:11] Yukito**

Huh?

**[19:12] Clen**

What's good about this village  
is that compared to the capital,

**[19:15] Clen**

people here can live freely.

**[19:19] Clen**

If there is something that you  
want to do of your own volition,

**[19:24] Clen**

then you should feel free to do it.

**[19:33] Yukito**

Okay, then I'll try it.

**[19:36] Yukito**

I'm going to take this village  
500 years into the future!

**[19:39] Clen**

Huh? What do you mean?

**SIGN** One Month Later

**[19:54] Bertrand**

Nothing today, either.

**[19:56] Bertrand**

Why is the capital leaving this  
isolation camp village alone?

**[19:58] Atar**

We're not.

**[20:01] (Flashback) Yukito**

Bertrand, we're counting on you  
to protect this village.

**[20:04] (Flashback) Alural**

It's a new outfit!

**[20:05] (Flashback) Alural**

If you fight wearing this,  
I bet you'll look really cute!

**[20:08] (Flashback) Siluril**

I'm sure you'll look amazing in it!

**[20:18] Bertrand**

You're not... from the village.

**[20:23] Bertrand**

How long have you been there?

**[20:25] Bertrand**

*I didn't sense her here.*

**[20:29] Atar**

Query initiating.

**[20:34] Atar**

Affiliation confirmed.

**[20:36] Atar**

Former captain of 6th regiment  
of the imperial knights.

**[20:39] Atar**

Enlilter Liesheid Bertrand.

**[20:42] Atar**

Your sex has been changed.

**[20:44] Bertrand**

You know who I am?

**[20:47] Atar**

How did an imperial knight turn into a woman  
and end up in the isolation camp village?

**[20:53] Bertrand**

Currently,

**[20:55] Bertrand**

I'm this religion's underling.

**[20:57] Bertrand**

No, I am their bitch!

**[20:59] Atar**

What is that ridiculous outfit?

**[21:02] Bertrand**

You can say all the terrible  
things you want to me!

**[21:03] Bertrand**

Actually, I beg you to do so!

**[21:06] Atar**

I don't understand what you're saying.

**[21:09] Atar**

I classify you as a rebel.

**[21:11] Atar**

Emanate.

**[21:14] Bertrand**

So you're an archon from the imperial capital.

**[21:19] Bertrand**

I didn't expect that I'd draw my  
blade against the imperial capital.

**[21:22] Bertrand**

Perhaps this is also fate.

**[21:35] Bertrand**

Kill me.

**[21:38] Atar**

I won't kill you.

**[21:39] Atar**

I must find out why your sex changed.

**[21:43] Atar**

I'm taking you back to the capital.

**[21:47] Atar**

What... is that?

**[21:49] Atar**

I've never seen strange beasts like those.

**[21:52] Atar**

And humans are riding them?

**[21:55] Atar**

What kind of isolation camp is that?
