**[00:04] Hiroto**

*So, even with the One-Shot Kill,  
we couldn't defeat Miss Hundred Faces.*

**[00:10] Hiroto**

*Yeah, I should've expected that.*

**[00:12] Sarasa**

Kind of a bad situation, huh?

**[00:14] Hiroto**

Oh?

**[00:16] Hiroto**

Saionji?

**[00:23] Sarasa**

Huh. And here I was thinking  
you'd be kind of down.

**[00:27] Hiroto**

Speak for yourself.

**[00:29] Sarasa**

Ahem. Guess you're right. But so what?

**[00:34] Hiroto**

Saionji, I called you here because  
I have something important to say.

**[00:39] Sarasa**

Huh? To me personally, Shinohara?

**[00:41] Hiroto**

Saionji...

**[00:43] Sarasa**

W-Wait, wait! My heart isn't ready for this!

**[00:46] Hiroto**

Would you hide up there for a bit?

**[00:49] Sarasa**

Say what?

**SIGN** Together with You

**[00:55] Hiroto**

As you know, our attempt  
at all-out war was a bust.

**[00:58] Hiroto**

Basically, we can't beat Miss Hundred Faces...

**[01:01] Hiroto**

or rather, Shiina Tsumugi  
head-on. It's impossible.

**[01:05] Nanase**

So are we just, like, giving up?

**[01:07] Hiroto**

Nope, no way. If the enemy's gonna  
do whatever it takes, so will we.

**[01:12] Shirayuki**

We shall fight with all we have.

**[01:14] Shinji**

You say that, but there's  
a huge gulf in firepower.

**[01:17] Shinji**

It won't be easy to turn it around.

**[01:19] Hiroto**

So we bring the fight to her by  
setting up another game inside ASTRAL.

**[01:23] Hiroto**

One final game.

**[01:26] Shinji**

This is something you've been planning, huh?  
You sure don't miss a step.

**[01:30] Shinji**

But how do we convince her to participate?

**[01:32] Shirayuki**

Good point. Miss Hundred Faces  
has already captured the most spaces.

**[01:37] Nanase**

If she can win by just waiting it out,  
why would she bother with another game?

**[01:41] Shinji**

Also, tomorrow's the final day.  
Kurahashi will definitely try to interfere.

**[01:45] Hiroto**

Yeah. With cheats and disruptions.

**[01:48] Hiroto**

All things considered, we will have  
to beat both Shiina and Kurahashi.

**[01:53] Hiroto**

Given all of that, do you still trust me?

**[01:56] Shirayuki**

Yes.

**[01:57] Noa**

Of course we do!

**[01:58] Nanase**

Sure.

**[01:59] Shinji**

Guess I have to.

**[02:03] Hiroto**

I'm counting on you guys.

**[02:05] Hiroto**

Let's show them how strong we *really* are.

**[02:09] All four**

All right!

**[02:14] Hiroto**

Now, how do I rope Shiina into another game?

**[02:17] Tsumugi**

Ah, I was looking for you!

**[02:20] Tsumugi**

Bro-bro!

**[02:21] Hiroto**

*Is she planning something?*

**[02:24] Tsumugi**

Hey, let's go play some games!

**[02:27] Hiroto**

Huh?

**[02:30] Tsumugi**

Aw, I lost again!

**[02:32] Hiroto**

*She's acting like nothing's changed since yesterday.*

**[02:35] Hiroto**

Hey. You really are Miss Hundred Faces, aren't you?

**[02:39] Tsumugi**

Huh? Yeah, I am. I'm participating as a member of Seijo Academy. That's me!

**[02:44] Hiroto**

How did you get involved in all this, anyway?

**[02:47] Tsumugi**

Huh? How?

**[02:52] Tsumugi**

I don't really like school, so I always just stay home and play games and do computer stuff.

**[02:58] Hiroto**

Yeah, you said that before.

**[03:00] Tsumugi**

I got into middle school and thought I'd be done with mandatory education soon

**[03:05] Tsumugi**

and I wouldn't have to

go to school anymore,

**[03:08] Tsumugi**

but I realized if I don't get into high school,  
I can't play the star-catching game!

**[03:13] Hiroto**

Oh, yeah, I guess you're right.

**[03:15] Tsumugi**

I didn't want to miss out  
on the star-catching game,

**[03:19] Tsumugi**

so I modded my Device a little  
and force-installed a special program!

**[03:24] Hiroto**

*That's all it took to make the first fake  
account in Academy Island history?*

**[03:29] Tsumugi**

Impressed?

**[03:30] Hiroto**

Y-Yeah, super impressed.

**[03:35] Tsumugi**

And then, one day, I got a message  
from this person called Mikado something.

**[03:41] Tsumugi**

He said, "I want you to join me," and,  
"My group could use your talents," and stuff.

**[03:46] Tsumugi**

It was so fishy! I mean, it sounded like  
some evil organization or something.

**[03:51] Tsumugi**

So that's who invited me to ASTRAL.

**[03:54] Tsumugi**

And he gave me a star that lets me  
make perfect copies of things.

**[03:58] Tsumugi**

In exchange, he asked me to  
send that declaration of war.

**[04:02] Tsumugi**

The one where I said I was gonna  
defeat you and the Empress, you know?

**[04:06] Hiroto**

Is that right?

**[04:07] Hiroto**

*So that's what happened.*

**[04:12] Tsumugi**

Tomorrow's gonna be  
the final battle, right?

**[04:15] Tsumugi**

The last day I get to play  
with you at the event.

**[04:19] Tsumugi**

I'm so excited, I can't sleep at all...

**[04:25] Hiroto**

*You just fell asleep.*

**[04:27] Hiroto**

*I guess Shiina hasn't been told  
anything about me and Saionji,*

**[04:32] Hiroto**

*and is just playing along.*

**[04:35] Hiroto**

*In ASTRAL, she'll be happy if she wins  
and sad if she loses. It's just a game to her.*

**[04:43] Hiroto**

*But she won't give up. She'll keep  
playing the game until somebody wins.*

**[04:48] Hiroto**

*So I have to convince her  
that she's already lost.*

**[04:51] Hiroto**

*I have to make her think the game is over.*

**SIGN** ASTRAL Final Day

**[05:05] Hiroto**

*And so, we finally got the three  
surviving ASTRAL players together.*

**[05:11] Hiroto**

Y-You know, Shiina...

**[05:15] Miss Hundred Faces**

I'm Miss Hundred Faces right now.

**[05:18] Hiroto**

Could you change back to normal?

**[05:21] Hiroto**

Wouldn't that make it easier to show off?

**[05:24] Miss Hundred Faces**

I guess you're right.

**[05:25] Miss Hundred Faces**

Okay, if you insist.

**[05:29] Tsumugi**

How's this, bro-bro?

**[05:31] Sarasa**

"Bro-bro"?

**[05:32] Hiroto**

*Oh, crap!*

**[05:33] Hiroto**

While we're at it, Shiina, this is the first time  
we're facing each other on the field,

**[05:37] Hiroto**

so can we review what's going on?

**[05:40] Tsumugi**

Huh?

**[05:41] Hiroto**

There are only three academies  
that haven't been eliminated.

**[05:45] Hiroto**

Ouka, Eimei, and Seijo.

**[05:48] Tsumugi**

And I have the most area captured, the  
most spells, and the highest support rating!

**[05:53] Hiroto**

You sure do. But aren't you  
forgetting something, Shiina?

**[05:57] Tsumugi**

Huh?

**[05:57] Hiroto**

Before this event started,  
you picked a fight with Saionji, right?

**[06:02] Hiroto**

You boldly declared war on her on ITube.

**[06:07] Tsumugi**

Oh, uh, yeah. I guess I did.

**[06:10] Hiroto**

Remember the main rule of the  
game you challenged Saionji to?

**[06:14] Hiroto**

You haven't forgotten, have you?

**[06:15] Tsumugi**

I said whoever beats you is the winner.

**[06:19] Hiroto**

That's right. So, basically, our ranks  
in ASTRAL don't really matter.

**[06:25] Hiroto**

I think you said something else, too.  
That if neither of you can beat me,

**[06:30] Hiroto**

then I'd be considered the  
victor of the Empress battle.

**[06:34] Hiroto**

And I'd get to decide what  
happens to you. Remember?

**[06:38] Tsumugi**

Huh? Did I really say that?

**[06:41] Tsumugi**

Uh, I guess I might have.

**[06:44] Hiroto**

That means, in the battle over the title of "Empress," I could win just by running away.

**[06:49] Hiroto**

In other words, there's no reason for me to fight you at all.

**[06:53] Hiroto**

But if I did that, it would mean I lose ASTRAL. Same goes for Saionji.

**[06:58] Sarasa**

I'm not losing the Empress's throne to you, kid.

**[07:02] Sarasa**

So I'd be totally fine with Shinohara running away. But...

**[07:07] Sarasa**

If you do win ASTRAL, then Ouka drops to at least sixth place, and I can't accept that.

**[07:14] Hiroto**

So because of that, Shiina, why don't we all play a new game instead?

**[07:18] Tsumugi**

Huh?

**[07:20] Hiroto**

You understand what I just said, right? If we play this out, we all lose.

**[07:24] Tsumugi**

Well, I, um, *guess* you're right there?

**[07:28] Hiroto**

So, let's make it more black and white, and get a *real* winner instead.

**[07:32] Hiroto**

We'll play a game called Crossboard.

**[07:34] Hiroto**

It's a turn-based board game that works inside ASTRAL.

**[07:37] Hiroto**

If you can beat me at it, you'll win the battle for the title of Empress, too.

**[07:42] Hiroto**

It also gives us a fighting chance.

**[07:46] Sarasa**

I'm on board with that.

**[07:51] Hiroto**

Come on, Shiina. Can you really turn this down?

**[07:55] Hiroto**

This is an invitation to the exact kind of star-catching game you always wanted to play.

**[07:59] Hiroto**

And your opponents are  
a Six Star genius princess,

**[08:03] Hiroto**

and the fastest guy to reach Seven Stars.

**[08:06] Hiroto**

If you pass this up now, I doubt  
you'll get a chance like it again.

**[08:10] Tsumugi**

Ah, you're right!

**[08:11] Tsumugi**

Okay, then, bro-bro.

**[08:13] Tsumugi**

Let's finish this with  
a game of Crossboard.

**[08:20] Tsumugi**

Wow!

**[08:23] Tsumugi**

Oh, boy! Oh, boy!

**[08:29] Tsumugi**

I can see everything.

**[08:31] Sarasa**

What a huge production.

**[08:34] Hiroto**

This is pretty crazy.

**SIGN** Crossboard

**[08:43] Hiroto**

In Crossboard, all the ASTRAL spaces  
get compressed into just 100 spaces.

**[08:47] Hiroto**

Positions and abilities  
are all carried over.

**[08:50] Hiroto**

If you lose all of your spaces or  
your core base, you lose the game.

**[08:56] Hiroto**

And this bit's really important.  
Crossboard is fully integrated with ASTRAL.

**[09:01] Hiroto**

Every change on this game board  
will be reflected on the ASTRAL field.

**[09:06] Hiroto**

So whoever destroys all of Eimei's  
spaces first will be the real Empress.

**[09:11] Tsumugi**

Oh, wow. I'll start then, okay?

**[09:14] electronic voice**

*It is Shiina Tsumugi's turn.*

**SIGN** Encroach

**SIGN** Conquer

**[09:16] Hiroto**

First, take a main action.

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**[09:19] Hiroto**

There are two types of flags.

Select one and place it on the board.

**[09:23] Hiroto**

You can only put it on a space adjacent to an area you hold.

**SIGN** Conquer Flag

**SIGN** Immediately turns selected space to your own team's color

**SIGN** Encroach Flag

**SIGN** When the next turn ends, attached spaces turn to your own team's color

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**[09:28] Tsumugi**

Okay, I picked!

**[09:32] Tsumugi**

Aw, I guess that wasn't your core base.

**[09:35] Hiroto**

You thought you'd win on the first turn?

**SIGN** Collect

**SIGN** Move

**SIGN** Disrupt

**SIGN** Collect Information: Select a space in the enemy's area to determine if it is the core base or not

**[09:38] Hiroto**

Next is the sub-action.

**SIGN** Move: Move your own team's core base up to two spaces from its current spot

**[09:39] Hiroto**

There are three, and you  
can choose to activate one.

**SIGN** Disrupt: For one turn, disable all information collection about your team

**[09:43] Tsumugi**

What will I pick?

**SIGN** Disrupt

**SIGN** Collect

**SIGN** Move

**[09:45] Tsumugi**

Okay, I'll try it on a space Empress owns.

**[09:48] Tsumugi**

Aw, I missed.

**[09:50] Tsumugi**

All right, it's your turn now, bro-bro!

**[09:52] electronic voice**

*It is Shinohara Hiroto's turn.*

**[09:55] Hiroto**

Right.

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**[09:58] Sarasa & Tsumugi**

Huh?

**[09:59] Tsumugi**

Huh?! Are you crazy, bro-bro?

**[10:02] Tsumugi**

You've only got two spaces left,  
and you aren't taking one right away?

**[10:05] Tsumugi**

Are you trying to let me  
win out of brotherly love?

**[10:09] Hiroto**

Not a chance. I'm not  
your brother to begin with.

**SIGN** Disrupt

**[10:13] Hiroto**

Then, I'll use Disrupt as my sub-action.

**SIGN** Disrupt

**SIGN** Disrupt

**[10:16] Sarasa**

We're done for.

**[10:18] Tsumugi**

Huh? What do you mean by that?

**[10:21] Sarasa**

Can't you see? Neither of us  
can attack Eimei anymore.

**[10:26] Sarasa**

Eimei has two spaces left,  
but we don't know which one is the core,

**[10:31] Sarasa**

and after my turn, Seijo can place a flag.  
You know what that means?

**[10:36] Tsumugi**

Oh!

**[10:37] Hiroto**

Yup, right.

**[10:39] Hiroto**

You both want to beat me, of course,  
but since Crossboard is turn-based,

**[10:44] Hiroto**

if you get Eimei down to one space,  
the other team will definitely win.

**[10:50] Hiroto**

In other words, neither of you can attack me.

**[10:54] Hiroto**

In fact, you have to *protect* me  
from the other person.

**[10:57] Tsumugi**

D-Did you plan this  
from the start, bro-bro?

**[11:01] Hiroto**

Of course I did.

**[11:05] Sarasa**

Well, it doesn't really matter for Ouka.

**[11:08] electronic voice**

*It is Saionji Sarasa's turn.*

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**SIGN** Encroach

**SIGN** Conquer

**[11:14] Sarasa**

And Disrupt as my sub-action.

**[11:16] electronic voice**

*It is Shiina Tsumugi's turn.*

**SIGN** Encroach

**SIGN** Conquer

**[11:18] Tsumugi**

Um, um, um, um... What should I do?

**[11:21] Hiroto**

*It really looks like Shiina plays to enjoy the game and isn't the type to cheat just to win.*

**[11:27] Sarasa**

Hey! What's going on? How come Ouka's spaces are being taken?

**[11:32] Tsumugi**

Huh? Why's the color changing like that?

**[11:35] Sarasa**

It isn't one of your abilities?

**[11:37] Tsumugi**

Huh? Hm, I don't know.

**SIGN** Encroach

**SIGN** Conquer

**[11:41] Tsumugi**

Ah! Maybe my evil powers are so strong, they've taken the board to the dark side.

**[11:46] Sarasa**

Uh, sure. That's definitely it.

**[11:50] Hiroto**

*But Shiina hasn't taken an action yet.*

**[11:52] Hiroto**

*There's only one explanation I can think of.*

**SIGN** Crossboard

**[11:56] Sarasa**

Wh-What's going on?

**[12:04] Hiroto**

*They're not the real deal, just corrupt copies.*

**[12:07] Hiroto**

They're probably like Miss Hundred Faces.

**[12:09] Tsumugi**

Huh? Just like me?

**[12:11] Sarasa**

The same tech that copied those players' likenesses. Is that what you mean?

**[12:15] Hiroto**

Yeah. He's using them to expand his area by force.

**[12:20] Tsumugi**

Oh! Yeah, that's it, bro-bro!

**[12:24] Tsumugi**

Aren't I a genius?

**[12:26] Hiroto**

*Kurahashi must be the one  
making these corrupt copies appear.*

**[12:30] Hiroto**

*Damn it. He's just gonna  
shamelessly force a win for himself.*

**[12:33] Tsumugi**

Okay. I'm starting to feel like I can win.

**[12:40] Hiroto**

*If I lose one more space, I'm done for.*

**[12:44] Sarasa**

Shinohara?

**[12:45] Hiroto**

Since the two games are connected,  
it wouldn't be hard to manipulate this one, too.

**[12:49] Sarasa**

But then, why make that kind of rule?

**[12:52] Hiroto**

That's obvious.

**[12:54] Hiroto**

The returns are way bigger than the risks.

**[12:58] Hiroto**

And my teammates are the strongest around.

**[13:01] electronic voice**

*It is Shinohara Hiroto's turn.*

**[13:10] Shinji**

Nanase! On your left and right!

**[13:12] Shinji**

Jump by kicking off with  
your strong leg, then fire right!

**[13:15] Shinji**

Block left using Barrier, back away,  
then spam Magic Blast!

**[13:20] Nanase**

*Too many orders!*

**[13:26] Nanase**

There. Owned.

**[13:28] Shinji**

*See? Told you.*

**[13:30] Shinji**

*You need to quit grumbling  
and just do what I say.*

**[13:33] Nanase**

H-Huh? Can't you even  
give me *one* compliment?

**[13:37] Nanase**

Do you think I'm your lapdog or something?

**[13:41] Shinji**

*Of course. That goes without saying.*

**[13:43] Shinji**

*Only one person follows my instructions to the letter, and that's you, Asamiya Nanase.*

**[13:50] Nanase**

Y-You dummy. You make it sound like I have total faith in you.

**[13:56] Shinji**

*Am I wrong in that?*

**[13:58] Nanase**

*D-Don't sound so down about it.*

**[14:00] Nanase**

*If I didn't trust you,  
I wouldn't let you watch my back.*

**[14:04] Shinji**

Is that right?

**[14:06] Shinji**

But, Nanase, is it *really* accurate to say I'm watching your back

**[14:10] Shinji**

when I'm barking instructions from a safe spot far away?

**[14:13] Nanase**

*Jeez. Don't be so literal, Shinji, you idiot!*

**[14:17] Kurahashi**

Asamiya Nanase and Enomoto Shinji?

**[14:21] Kurahashi**

How are they still alive?

**[14:23] Kurahashi**

Kirigaya was supposed to have taken them out.

**[14:32] Kurahashi**

Lightning Rod?

**[14:35] Kurahashi**

Damn it! Even the server logs have been falsified! Libra must be in on it!

**[14:41] Kurahashi**

This was all part of your plan, wasn't it, Shinohara Hiroto?

**[14:52] Kurahashi**

Ah, I guess I always go back to the same plan.

**[14:55] Kurahashi**

If I send in a different player, I can take control of ASTRAL again.

**[15:01] Kurahashi**

I hired this guy exactly for that purpose.

**[15:09] Kurahashi**

*It's time, Kirigaya. Go and show them just how powerful we are.*

**[15:14] Kirigaya**

Nah, ain't gonna happen.

**[15:18] Kurahashi**

What?

**[15:20] Kirigaya**

Kurahashi, Shinohara can already see through your crappy plan.

**[15:24] Kirigaya**

I'm not some idiot who's gonna play a game I know I can't win.

**[15:28] Kurahashi**

*What are you talking about?*

**[15:30] Kurahashi**

You're my pawn! You do what I say—

**[15:33] Kirigaya**

You're totally worthless to me.

**[15:37] Kirigaya**

Someone like you could never take on a Seven Star.

**[15:41] Kirigaya**

You're finished, Kurahashi Mikado.

**[15:49] Kurahashi**

Damn it! You damn punks!

**[15:54] Hiroto**

Turn five. The situation's changed quite a bit.

**[15:58] electronic voice**

*It is Shiina Tsumugi's turn.*

**[16:01] Tsumugi**

You're too tough on me, bro-bro.

**[16:04] Hiroto**

That's because I can't afford to lose.

**[16:07] Hiroto**

*But man, Saionji's keeping up without cheating at all. That blows my mind.*

**[16:13] Tsumugi**

Huh? I feel kinda weird.

**[16:16] Hiroto**

Weird? What do you mean?

**[16:18] Tsumugi**

Like my body isn't doing what I tell it. I can't move right.

**[16:27] Tsumugi**

What? What? If I touch it, it becomes my area?

**[16:33] Hiroto**

*It must be Kurahashi.*

*He's finally taken full control of Shiina.*

**[16:38] Saionji**

Seriously. That guy's  
the worst kind of loser.

**[16:41] Hiroto**

Well, at least this gives us  
everything we need.

**[16:45] electronic voice**

*It is Shinohara Hiroto's turn.*

**[16:47] Hiroto**

Ability Tracing, activate.

**[16:50] Hiroto**

*Yo, Kurahashi. You hearing me?*

**[16:55] Hiroto**

*I've won it all this time.*

*Surrender like a good boy.*

**[17:01] Kurahashi**

*Damn.*

**[17:02] Hiroto**

*Oh. Yeah, yeah. About this*

*Ability Tracing I'm using right now...*

**[17:08] Hiroto**

*It does just what it says and  
shows me exactly where you are.*

**[17:11] Kurahashi**

So what? That won't help you  
while you're still inside ASTRAL!

**[17:16] Hiroto**

*Sure it will. Eimei has four  
other players besides me.*

**[17:21] Hiroto**

*You've seen what Asamiya  
and Enomoto are doing,*

**[17:25] Hiroto**

*but where are the other two?  
I wonder what could they be up to.*

**[17:36] Kurahashi**

Y-You are...

**[17:37] Shirayuki**

Shinohara Hiroto-sama's  
personal maid, Himeji Shirayuki.

**[17:43] Shirayuki**

I've been told you have a new game here  
that lets you control Miss Hundred Faces.

**[17:49] Kurahashi**

You're just one girl.

What can you do about it?

**[17:51] Shirayuki**

Just one girl? Don't be silly.

**[17:54] Shirayuki**

I've never been good  
with the opposite sex...

**[18:02] Noa**

So she brought all of us along.

**[18:05] Kurahashi**

Why the hell are you all here?!

**[18:08] Shirayuki**

Do you still intend to persist?

**[18:14] Hiroto**

*After Himeji and the others  
broke into Kurahashi's base,*

**[18:18] Hiroto**

*things wrapped up quickly.*

**[18:22] Hiroto**

*Himeji took control of Miss Hundred Faces,*

**[18:25] Hiroto**

*and turned the board green.*

**[18:28] Hiroto**

*As a result, the Seijo area and all the power  
it held disappeared completely.*

**[18:35] electronic voice**

*Shiina Tsumugi, you have been eliminated.*

**[18:40] Tsumugi**

Is it over? Is it all over now?

**[18:44] Hiroto**

Yep. You lost, Shiina.

**[18:47] Hiroto**

I guess you just picked the  
wrong opponents this time.

**[18:50] Tsumugi**

Hm, I guess. Yeah, you might be right.

**[18:54] Tsumugi**

Yeah. I lost in ASTRAL.  
I'm okay with that part.

**[18:59] Tsumugi**

But... was I really doing something bad?

**[19:05] Hiroto**

Shiina...

**[19:07] Hiroto**

*No, I'm not the right person  
to answer that question.*

**[19:16] Hiroto**

Kazami?

**[19:18] Suzuran**

Shinohara-kun. Sarasa-chan.

**[19:21] Hiroto**

There's one thing I need to ask.

**[19:24] Hiroto**

How do you and Libra feel  
about Shiina Tsumugi right now?

**[19:29] Suzuran**

Tsumugi-chan.

**[19:30] Tsumugi**

Huh?

**[19:32] Suzuran**

Will you tell me something, meow?

**[19:36] Suzuran**

How was ASTRAL for you, meow?

**[19:38] Tsumugi**

Huh?

**[19:39] Suzuran**

Was it really boring, meow?

**[19:41] Tsumugi**

No, it wasn't. It wasn't boring at all!

**[19:45] Tsumugi**

It was really, really fun.

**[19:48] Tsumugi**

ASTRAL and MTCG and even Crossboard...

It was all really fun!

**[19:53] Tsumugi**

I'm so sad it's over.

**[19:55] Tsumugi**

I wish I could've kept playing forever  
and ever! It was so much fun!

**[20:01] Suzuran**

I'm relieved to hear that, meow.

**[20:03] Suzuran**

We really did our best to  
make it fun for everyone, meow.

**[20:09] Suzuran**

And things really did take off when that  
super enemy, Miss Hundred Faces, appeared.

**[20:14] Suzuran**

So if you're saying you had fun,  
that makes me super, super happy.

**[20:18] Suzuran**

It's 10 out of 10 for you, meow!

**[20:20] Tsumugi**

Wow, 10 out of 10!

**[20:22] Tsumugi**

Oh, I'm so glad.

**[20:30] Hiroto**

*I guess things are gonna be all right.*

**[20:33] Hiroto**

*Eimei takes the win in  
both Crossroad and ASTRAL.*

**[20:38] Hiroto**

Wait, what? Why isn't  
the ASTRAL field clearing?

**[20:43] Hiroto**

*How come?*

**[20:51] Sarasa**

You wanted to win *and* take every last space?

I won't let you show off like that.

**[20:59] Hiroto**

Of course.

**[21:06] Noa**

Hiroto-kun!

**[21:08] Nanase**

Shino, good work!

**[21:09] Shinji**

Very well played.

**[21:11] Shirayuki**

Welcome back, Master.

**[21:13] Hiroto**

Yeah. Glad to be back.

**[21:15] Noa**

You turned it all around right at the end.

**[21:18] Noa**

I think I've fallen for you even harder!

**[21:20] Shirayuki**

Not so close, Akizuki-sama.

**[21:22] Noa**

Huh? I haven't even touched him yet.

**[21:28] Shinji**

In all honesty, your results this time  
wildly exceeded my expectations.

**[21:32] Shinji**

As student council president,

I owe you my thanks.

**[21:35] Nanase**

Well, *obviously!* You haven't been paying attention, Shinji.

**[21:38] Hiroto**

Nah. It was all thanks to you guys.

**[21:42] Shinji**

Oh, was it now? In that case, I retract my words of gratitude.

**[21:46] Hiroto**

That retraction sure came quick.

**[21:48] Shinji**

You still weren't polite enough.

**[22:03] Hiroto**

*Everything began...*

**[22:06] Hiroto**

*with a single lie.*

*doesn't just belong to me.*

**[22:51] Shirayuki**

Hello, Master.

**[22:53] Hiroto**

*Someday, somewhere on Academy Island,  
I'll find the one I'm searching for.*

The game's about to start.

**[23:28] Hiroto**

*Together with my friends here,*

**[23:31] Hiroto**

*I'm gonna keep on lying.*
