**[02:44]** ---

This is strange.

**[02:45]** ---

I'm sure it functioned properly yesterday...

**[02:47]** ---

Lu Guang, you've tried to  
start it so many times,

**[02:50]** ---

but it didn't react.

There can only be one explanation...

**[02:52]** ---

It's dead.

**[02:54]** ---

Impossible.

**[02:55]** ---

I have always kept it well-maintained.

**[02:57]** ---

That's true.

**[02:57]** ---

However, you got it the wrong way round.

**[02:59]** ---

If you go on wiping it, it will be polished...

**[03:02]** ---

Did you visit any undesirable  
websites in my absence?

**[03:05]** ---

That's impossible.

**[03:07]** ---

I usually surf the internet  
in private browsing mode...

**[03:10]** ---

I only visited Bilibili to learn

cooking and basketball skills.

**[03:14]** ---

Let's take it to the Computer Mall  
for a checkup.

**[03:17]** ---

No, we can't. What if there's a privacy leak?

**[03:20]** ---

Oh, it seems that you are  
the one who's hiding secrets.

**[03:24]** ---

What else can I do?

**[03:26]** ---

**[04:17]** ---

Hello!

**[04:18]** ---

Hello! What can I do for--

**[04:22]** ---

Why is my phone frozen at a time like this?!

**[04:24]** ---

Hello, hello, hello! Can you hear me?

**[04:26]** ---

Hello! May I ask what is troubling you?

**[04:29]** ---

Hello!

**[04:29]** ---

Because you played games as you made the call,

**[04:32]** ---

the battery and the processor were overloaded.

**[04:35]** ---

You are so informed when you find fault with me!

**[04:37]** ---

God knows it'll take so long to be  
transferred to human customer service!

**[04:40]** ---

It's not a big deal to repair the computer.

**[04:42]** ---

I have a unique solution!

**[04:43]** ---

Patting it twice will fix it!

**[04:46]** ---

Don't stop me!

**[04:46]** ---

Rap it twice and it may be started.

**[04:48]** ---

Why is a repairer necessary?!

**[04:55]** ---

Ah, my mobile phone!

**[04:57]** ---

You had it coming, you had it coming...

**[05:03]** ---

Hey, Lu Guang!

**[05:05]** ---

Why didn't you reply to my email?

**[05:07]** ---

Suddenly, it became impossible  
for me to start my computer.

**[05:09]** ---

Today we will suspend business.

**[05:10]** ---

What trouble did you two get into this time?

**[05:12]** ---

Did you send for the repairer?

**[05:13]** ---

Yes.

**[05:15]** ---

But the process is tortuous.

**[05:17]** ---

And the price we paid is a little high...

**[05:22]** ---

Then where is the repairer?

**[05:24]** ---

It's too late today.

**[05:25]** ---

Thus, the repairer will not come till tomorrow.

**[05:28]** ---

I do have a unique way to solve the problem!

**[05:30]** ---

That's no harm in giving it a shot!

**[05:31]** ---

Please don't...

**[05:32]** ---

Tomorrow the repairer will...

**[05:34]** ---

Well, I won't charge you a penny for it.

**[05:36]** ---

Believe me!

**[05:38]** ---

Removing and inserting the memory bank  
can boot up a computer in most cases.

**[05:42]** ---

Qiao Ling... be gentle...

**[05:47]** ---

This was not supposed to happen.

**[05:48]** ---

Is something really wrong with it?

**[05:50]** ---

Hmm?

**[05:54]** ---

Could it be possible...?

**[06:03]** ---

Ah, my mobile phone!

**[06:04]** ---

You didn't deserve to die!
