Just a little bit, just a little bit
Can I get some of your time?
Today's the day I want to tell you!
(Dear my friends!!)
Well, you see; well, you see
I've always wanted to tell you this
Thank you always.
(My precious friends)
We love doing our best
(We won't lose! We won't lose!)
And after all of our hard work (Go Go)
We ended up here
We came together in a sparkling way (YES!)
And the rainbow colors
are overflowing (YES!)

The miracle that we met is the
best treasure we could have

Our love is blooming (YES!)
In our dream world
Let's make it come true together
And head toward an outstanding tomorrow!
Love U my friends
