Let's play this dream, rainbow world!
(Colorful World! Colorful!
Colorful Dream! Colorful! Yeah!)
We ran out during the days
of the rainbow-colored season

The light that pours in as I wake
from this dream is so bright

Do you feel this unending heartbeat
towards the future right now?

(I feel the same as you...!)
I can hear the excitement in your chest,
let's use that as the signal to start

Even if the clouds float by and
the passing showers wet my cheeks

The clear, blue sky will
stretch across again

Let's sing, let's sing (Together!)
When our hearts connect, let's go!
Together, now (Here we go, ready, and...!)
You go, I go! We go!
Dream on!
Our dreams resonate
together in this melody!

It stretches on forever
Fly! High!
Let's head towards the never-ending
sky (Everybody! Draw! Dream!)

Any new beginning where we're together
Will bloom into a smile! Right now, high
Sky! High!
Freely, yes, brighten your colors
This trajectory we run along
as we smile shines so bright

Never-ending new stories
(We all together!)

Let's continue creating them together
