[00:01] ---

*During the final round of
the Divine Visionary Candidate Exam,*

[00:05] ---

Innocent Zero suddenly invaded.

[00:10] ---

*Headmaster Wahlberg and Innocent Zero
took to the skies and confronted each other.*

[00:15] ---

*On ground, where time has stopped
due to magic,*

[00:19] ---

*Mash was punching Innocent Zero's
core member, Cell, with his fist.*

[00:30] ---

I remember now.

[00:32] ---

You're the black thorny guy.

[00:35] ---

But I've seen it once before.

[00:39] ---

So, the same thing twice? Please.

[00:42] ---

*Mash forgets the face
of someone he's fought before,*

[00:46] ---

*but apparently he doesn't forget magic,
even if he's seen it just once.*

[02:22] ---

Adam Jobs.

[02:24] ---

The legendary magic user

[02:26] ---

*blessed with overwhelming magical ability
who reigned at the top*

[02:30] ---

of the Magic Realm for several centuries.

[02:33] ---

*He systemized magic theory on his own,
and created an educational system.*

[02:39] ---

*Furthermore, he created the Bureau of Magic
as an administrative organization.*

[02:43] ---

*His vast influence
was felt by the magical society.*

[02:47] ---

*However, most of his effort
in his later years*

[02:51] ---

*went into social assistance to those
who were unable to use magic.*

[02:57] ---

*Noblesse Oblige.
The strong exist for the weak.*

[03:03] ---

*He entrusted his ideals to his three pupils,
including Wahlberg.*

[03:10] ---

And now...

[03:36] ---

Master.

[03:38] ---

I finally acquired it.

[03:41] ---

*The magic to restore life
from fragments of flesh.*

[03:45] ---

*Though, it only restores time
elapsed on the body.*

[03:50] ---

I can't bring the psyche back with it.

[03:53] ---

How could you...

[03:56] ---

From here...

[04:00] ---

*I, Necross Mance,
will be your opponent.*

[04:04] ---

Marionettes are my specialty.

[04:08] ---

I will make sure to satisfy you.

[04:12] ---

All of you...

How far do you intend to push me?

[04:17] ---

My oh my, are you going to attack?

[04:22] ---

Though a puppet, this is a great man
you once hailed as master.

[04:31] ---

Th-This magical power...

[04:34] ---

Despite living such a long life, our master

[04:38] ---

couldn't fight his lifespan
and became decrepit.

[04:41] ---

However, I restored

Master's body in prime form.

[04:48] ---

His magical power was the greatest in history.

[04:52] ---

I recall Master was so very fond of you.

[04:56] ---

So, isn't this a wonderful reunion?

[05:00] ---

Noblesse Oblige, you say?

[05:03] ---

That's right.

[05:04] ---

Those of high standing have the responsibility
and duty to guide the weak.

[05:10] ---

To me, that's a phrase that people who
neglect effort use to protect themselves.

[05:18] ---

There is some truth there, Wahlberg.

[05:22] ---

There's no purpose in our
giving of ourselves for others.

[05:28] ---

Now hold on a second, you dummy!

Don't refute your own master!

[05:31] ---

You really want to assert dominance?

[05:34] ---

No.

[05:36] ---

I tease. Just kidding, sorry.

[05:40] ---

Well, the fact that you can come up
with opinions like that

[05:44] ---

simply means that you're still quite young!

[05:54] ---

Well, you'll figure it out someday.

[05:56] ---

Because you're strong.

[06:02] ---

That got repelled!?

[06:06] ---

Master was the greatest man I knew.

[06:11] ---

However, the times have changed.

[06:14] ---

What's important is not the past,
but the present.

[06:18] ---

If you would descend
the present into chaos,

[06:22] ---

I won't show mercy,
even against my master.

[06:28] ---

Because my present form
is the strongest, Master.

[06:35] ---

Wahlberg.

[06:39] ---

Wahlberg Baigan.

[06:42] ---

*The man who used to rule
this realm as a Divine Visionary,*

[06:45] ---

*and the one who continues to stand
at the top of the Magic Realm to this day.*

[06:49] ---

*His skills are assuredly
the strongest in the realm.*

[06:54] ---

However! That's just

in the present Magic Realm.

[06:59] ---

Dark Impact!

[07:05] ---

*Adam Jobs' dark magic
returns everything to the void.*

[07:09] ---

It covers everything in darkness.

[07:12] ---

You shall be enveloped by darkness.

[07:15] ---

Dark Snake!

[07:20] ---

*This magical power...
Truly is from his prime.*

[07:25] ---

*The great power Adam Jobs used
to control the Magic Realm with...*

[07:30] ---

Dark magic.

[07:31] ---

*It's magic that sends
anything it touches to the void.*

[07:36] ---

*It even sends
an opponent's magic into the void.*

[07:39] ---

*Which means, once cast, dark magic
cannot be repelled by other magic.*

[07:45] ---

*Wahlberg didn't counter against Dark Snake
because he knew his magic wouldn't work.*

[07:53] ---

It's dark magic that his master once used.

[07:57] ---

*There's no way he's oblivious
to its characteristics.*

[08:03] ---

This toy is the best yet!

[08:07] ---

It has the best specs
of any that I've dealt with!

[08:12] ---

I will continue to use it
preciously as one of my own.

[08:17] ---

Dark Snake Double!

[08:26] ---

He cut out the dark magic!?

[08:29] ---

Dark Impact!

[08:44] ---

Arm!

[08:47] ---

My arm!

[08:51] ---

What? Don't worry.

[08:53] ---

My magic controls space.

[08:57] ---

The body part you lost just went to
a slightly distant spot. It won't kill you.

[09:04] ---

I-I see.

[09:06] ---

*Just like how you sliced my body,
space and all.*

[09:09] ---

*You carved out the entire space that the dark magic
was occupying in order to deal with it.*

[09:14] ---

*Then, I will hit you with enough dark magic
so you can't cut it all out.*

[09:19] ---

Dark Impact Absol!

[09:23] ---

*It's impossible
to overcome dark magic.*

[09:26] ---

*Even Wahlberg won't have enough time
to cut out space with this many!*

[09:38] ---

No way.

[09:40] ---

*He carved out such a wide range
of this ridiculous magic!*

[09:44] ---

*I'm using the man who once
took the Magic Realm by storm.*

[09:48] ---

*Even if he's the toughest now, there can't be
this large of a gap in skill.*

[09:53] ---

Furthermore, I'm using dark magic.

[09:55] ---

*It's magic that stands
at the pinnacle of all magic!*

[10:06] ---

Dark Tremendos!

[10:11] ---

Dark magic at full throttle!

[10:14] ---

In a clash of two spells, there's no way
dark magic would ever lose!

[10:24] ---

It seems you have a misunderstanding.

[10:28] ---

Everything till now has been
the abilities of the wand itself.

[10:34] ---

This is what casting a spell is like,
young one.

[10:43] ---

What is this magical power?

[10:48] ---

Space Sacrifice!

[10:59] ---

S-Stay away! Stay away!

[11:02] ---

Stay away!

[11:15] ---

Well, you'll figure it out someday.

[11:18] ---

Because you're strong.

[11:21] ---

Master, I will inherit all of your teachings.

[11:25] ---

So please, rest in peace, once again.

[11:32] ---

You still not know of decline, Wahlberg.

[11:39] ---

It's your turn next, right, Innocent Zero?

[11:57] ---

Explomb!

[11:59] ---

Gravirole!

[12:07] ---

This again, damn it!?

[12:12] ---

There's so many.

[12:13] ---

They're trying to deplete our magical power.

[12:20] ---

Quit your whining.

[12:22] ---

It's a calm analysis of the situation.

[12:26] ---

I'd like to assist Mushroom Head,

[12:29] ---

*but if we leave here,
danger befalls the students.*

[12:37] ---

So magic you've seen once
doesn't work on you?

[12:40] ---

- So, uh...
- Huh?

[12:43] ---

Why am I being targeted to begin with?

[12:50] ---

Do you know the Forbidden Magic
of Body Construction?

[12:53] ---

Forbidden Magic of Body Construction?

[12:56] ---

Forbidden Magic of Body Construction.

[12:58] ---

Dark magic used to create an immortal heart
from the hearts of six blood relatives.

[13:05] ---

That is why Father prepared six children
as vessels to nurture the hearts.

[13:13] ---

In short, you are a creation of Father's.

[13:19] ---

You are merely a part built
to create Father's perfect body.

SIGN SHOCK

[13:25] ---

Shock!

[13:27] ---

Rejoice. This is quite honorable.

[13:31] ---

You will become a part
of the being closest to God.

[13:38] ---

Basically, it's like how you need protein
to create better muscles?

[13:44] ---

So that's the kind of existence I am.

[13:48] ---

What the hell is he talking about?

[13:52] ---

Man.

SIGN HONK

[13:57] ---

That's heavy.

[14:04] ---

It's quite heavy. My life, that is.

[14:10] ---

For now, I'll take a nap.

[14:22] ---

He fell asleep in seconds.

[14:25] ---

Hey, don't sleep!

[14:29] ---

No good. I woke up,
but it's still reality, apparently.

[14:34] ---

By the way, are you one of my brothers?

[14:37] ---

I am not.

[14:38] ---

I am merely a clone created
by giving Father's blood to a corpse.

[14:45] ---

I was born so my life can be used
for Father's grand scheme.

[14:51] ---

I see.

[14:52] ---

As a son, becoming a part of
Father's body is the greatest honor.

[14:58] ---

Yet, one turned out to be trash like you.

[15:02] ---

I am so infuriated,
I can't calm myself down.

[15:05] ---

Your life is worthless anyway.

[15:08] ---

Aren't you glad it has some use?

[15:11] ---

So with my own hands,
I'll slash you until...

[15:15] ---

Damn him, I'm still talking!

[15:22] ---

Heavy life or not, worthless life or not,
it doesn't matter.

[15:30] ---

I'm unstoppable, so gimme your best.

[15:35] ---

I can't let him set the pace.

[15:38] ---

*He was created by Father, so I can
understand that he has some power.*

[15:45] ---

Then...

[15:48] ---

I will go full throttle from the start.

[15:53] ---

Come on.

[15:54] ---

Summon Hephaestus.

[16:04] ---

The heck is that?

[16:11] ---

This is the wand's full power unleashed.

[16:15] ---

Its true form!

[16:18] ---

Whoa.

[16:19] ---

Magic can evolve in countless ways.

[16:22] ---

It's based on the user's
total magical power.

[16:32] ---

The hell is that?

[16:34] ---

This immense magical power...

[16:38] ---

Father only seeks your heart.

[16:42] ---

I will slice everything else apart.

[16:46] ---

Diamond Cutter!

[16:51] ---

That was close.

[16:55] ---

My place of learning.

[16:58] ---

These discs are diamond tipped.

[17:01] ---

There's nothing in this world
they can't cut.

[17:04] ---

Furthermore, the discs will hunt you down
until they cut you to ribbons.

[17:25] ---

I have to ignore the discs
and go directly after him.

[17:39] ---

I see. Two out of four are on standby
to keep me away from him.

[17:46] ---

Dangerous! Four of them
is absolutely dangerous!

[17:49] ---

What's wrong? Are you chickening out?

[17:53] ---

But if you flee,

[17:56] ---

I will clear out all the humans
in this area as punishment.

[18:09] ---

Black Diamond!

[18:12] ---

Something else popped up.

[18:14] ---

A wand unleashing its
true power via a summon spell

[18:17] ---

not only has enhanced abilities,

[18:20] ---

but the amount of magical power unleashed
goes up several orders of magnitude.

[18:24] ---

These 1000 diamonds will pierce
those rubbish bodies at this academy.

[18:30] ---

This tawdry place where you mistakenly
believe was a new home for you,

[18:34] ---

and all your useless followers

[18:38] ---

will die.

[18:41] ---

Give up already, Mash Burnedead!

[18:57] ---

He's leaving?

[18:59] ---

What's the meaning of this?

[19:01] ---

Is he leaving

the students behind and fleeing?

[19:03] ---

Did he give up,

unable to come up with an attack?

[19:07] ---

Did he abandon all his friends

who are fighting?

[19:14] ---

I did a loop around the academy

to shake them all off.

[19:17] ---

No way.

[19:19] ---

He shook off all of the discs chasing him?

[19:26] ---

What kind of speed does he run at?

[19:29] ---

And he's clinging onto me

[19:31] ---

so he can take me down with him

when the discs come.

[19:35] ---

But what a shame.

[19:38] ---

Did you forget I had this?

[19:43] ---

You can't break through my diamond skin

with physical blows!

[19:47] ---

I will slice you apart!

[19:50] ---

Die!

[19:59] ---

So this is all you can do?

[20:02] ---

You're trash!

[20:05] ---

What a pathetic sight!

[20:07] ---

Just you wait, I'll slice your buddies

in half so they can follow after...

[20:14] ---

Th-This texture.

[20:17] ---

A cream puff?

[20:20] ---

What in the world...

[20:24] ---

Cream Puff Party.

[20:26] ---

Cream Puff Party.

[20:28] ---

- I thought I killed you!

- Cream Puff Party.

[20:30] ---

Cream Puff Party.

[20:33] ---

Cream Puff Party.

[20:35] ---

Cream Puff Party.

[20:36] ---

What is the meaning of this...

[20:37] ---

Cream Puff Party.

[20:39] ---

Why are you alive?

[20:39] ---

Cream Puff Party.

[20:41] ---

Cream Puff Party.

[20:44] ---

Cream Puff Party.

[20:46] ---

Cream Puff Party.

[20:47] ---

Stop it! The custard is going up my nose!

[20:48] ---

Cream Puff Party.

[20:50] ---

Cream Puff Party.

[20:52] ---

I can't...

[20:52] ---

Cream Puff Party.

[20:53] ---

I-I can't breathe.

[20:54] ---

Cream Puff Party.

[20:57] ---

Cream Puff Party.

[21:00] ---

Can't... breathe...

[21:03] ---

Biceps Magic.

[21:06] ---

Python Choke.

[21:09] ---

Hypoxia.

[21:11] ---

*When the brain is deprived of oxygen,
it half-enters hallucinations.*

[21:17] ---

Right before the disc hit,

[21:20] ---

*Mash took the remaining time and
the hardness of diamond into account,*

[21:23] ---

and gave up physical attacks.

[21:27] ---

*And immediately used explosive contraction of
his biceps to put pressure on the carotid artery*

[21:33] ---

to cut off the oxygen supply.

[21:36] ---

*As a result, he KO'ed his foe
in less than a second.*

[21:40] ---

Of course, that includes the Black Diamond.

[21:51] ---

I care a lot about this school.

[21:56] ---

If you're claiming to destroy it,

[21:58] ---

I'll choke you out as many times
as I need to...

[22:01] ---

with my muscles.
