[09:03] Kuroitsu

Contrary to his appearance,

[09:07] Kuroitsu

Nesuo possesses a tremendous
combination of power and endurance!

[09:10] Nesuo

Ness!

[09:12] Kuroitsu

He's a perfectly worthy opponent
for Divine Swordsman Blader!

[09:15] Megistus

Tremendous, you say?

[09:17] Megistus

Yet you've failed to provide even a comparison graph between him

[09:20] Megistus

and previous monsters,
let alone hard statistics!

[09:25] Kuroitsu

We're working on those right now!

[09:28] Kuroitsu

But you'll see that the proposal

[09:30] Kuroitsu

does mention improvements to
the Nessie Blade's construction,

[09:33] Kuroitsu

based on data from previous monsters!

[09:36] Megistus

"Nessie Blade"?

[09:38] Megistus

Don't you find that naming scheme
rather simplistic and trite?

[09:45] Megistus

And the concept is flimsy
right out of the gate!

[09:47] Megistus

What does a sword have to do
with the Loch Ness Monster?

[09:52] Megistus

It's also redundant in light of
Divine Swordsman Blader's weapon!

[09:56] Megistus

At least make it feminine
and call it Nesuko,

[10:00] Megistus

creating a pun with the Japanese
name of Loch Ness, "Nesu-ko"!

[10:05] Kuroitsu

That would have been... a better idea!

[10:11] Megistus

I believe we're finished here.

[10:14] Kuroitsu

No... We're not!

[10:16] Megistus

Oh? You wish to continue the fight?

[10:20] Kuroitsu

*The key to a successful monster presentation
is believing in that monster.*

[10:23] Kuroitsu

*I can't convince them it's strong
if I don't believe it myself.*

[10:28] Kuroitsu

*But how can I have faith in
such a last-minute monster?*

[10:32] Kuroitsu

In that case...

[10:33] Kuroitsu

"Nesuo" is merely its larval stage!

[10:36] Kuroitsu

Once Divine Swordsman Blader
inflicts sufficient damage upon it,

[10:39] Kuroitsu

a new monster shall burst out from within,

[10:42] Kuroitsu

resistant to all attacks previously expended!

[10:48] Akashic

Hey, that's really neat!

[10:52] Megistus

I see.

[10:53] Megistus

[12:35] Megistus

The only way to do your work properly
is to take time off as needed!

[12:40] Kuroitsu

You mean... you're not going

[12:45] Megistus

What's that?!

[12:47] Megistus

Everybody makes mistakes now and again!

[12:49] Megistus

But there's no replacement

[12:55] Megistus

Miss Kuroitsu, you proposed a truly
intriguing idea at today's meeting.

[13:01] Megistus

It's proof that you possess the
kind of out-of-the-box thinking

[13:04] Megistus

that is indispensable
for monster development.

[13:10] Megistus

What matters is to use this process
as a means for further growth.
