Mob?

[05:54] Mob

Master, could you handle things on your own today?

[05:58] Reigen

[06:57] Evil spirit

How about I make you think of me every time you see a block of tofu?!

[07:34] Mob

So please, stop summoning me out of the blue.

[07:36] Reigen

SIGN Reigen Arataka-san is one of the few real psychics. He listened to me, gave me advice, and I finally met my match. Thank you so much. User ID: 3829573019

Among his most recent jobs,
there was a rumor that the Player Killer

SIGN Fantasy Hell

[19:12] Nar

from the super-popular online game,
Fantasy Hell, was actually a ghost.

[19:16] Nar

It was a difficult job that many
other psychics declined to take.

SIGN We asked Shinra Banshomaru
what he thought

[19:22] Shinra

I've heard of it, but don't even bother.

[19:24] Shinra

It's not something we can handle.

[19:27] Shinra

*Our spiritual power can't
do anything inside a game.*

[19:30] Shinra

Right?

[19:32] Nar

Meaning it was a target that even
Mob wouldn't be able to exorcise.

[19:37] Nar

However, Reigen used multiple accounts
and stayed up late many nights,

[19:41] Nar

repeatedly leveling up and
strengthening his weapons...

[19:44] Nar

He then baited the ghost
player and surrounded it,

[19:47] Nar

then beat the crap out of him.

[19:49] Nar

And then, finally,
he succeeded in the exorcism.

[19:53] Client

Y-You're amazing!
You actually exorcised him!

[19:56] Client 2

But how?

[19:58] Reigen

Well, I am a psychic...

[20:01] Reigen

*Shit. I made too many in-game purchases,
and now I'm in the red...*

[20:05] Nar

Because of this successful job,

[20:07] Nar

the agency's popularity continued to rise.

SIGN The Online Ghost Has Finally Been Exorcised! A True Psychic Actually Exists

SIGN Do you all believe in ghosts? Even better. Do you believe in psychics who fight these
ghosts? Currently, there is a certain psychic that's sending the Internet into a stir. According to the
posts, this psychic, Reigen Arataka, was not only able to actually exorcise a ghost, but one that
existed in an online game. Usually, I would dismiss someone like this as just an attention seeker,
and write some comments putting him in his place. But this time, unlike others...
