(Get ready, wake your psyche up, MOB!)
(Get ready, dig your anger up, MOB!)
(Get ready, wake your psyche up, MOB!)
(Get ready!)
Coming down, could you fill your satisfaction?
You're a MOB. Can't you feel your own frustration?
Coming down, could you fill your satisfaction?
You're a MOB. What do you want to be?
Wear your overflowing emotions on your sleeve and break it down
What do you see once you go beyond your limits?
(99.9! 99.9!)
The mysterious percentage.
Cryin' my life, cryin' my psyche,
cryin' my heart in such commonplaces!
Is that your ideal? Is that your mind?
It all begins when it hits 100.
The MOB is alive. The MOB is high.
The MOB is staying frustrated, aren't you?
Is that your ideal? Is that your mind? Right now...
Your life is your own.
(Get ready, wake your psyche up, MOB!)
(Get ready, dig your anger up, MOB!)
(Get ready, wake your psyche up, MOB!)
(Get ready!)
