Command Post, this is Bravo Leader.

**[00:24] ---**

Currently at four thousand  
feet below ground level.

**[00:26] English**

We've arrived at the innermost chamber.

**[00:29] English**

Commencing reconnaissance  
of the assigned sector.

**[00:31] English**

This place is huge!

**[00:33] English**

Bravo Leader to Command Post...  
no sign of BETA activity on the sensors.

**[00:39] English**

Bravo Leader, this is Command Post.

**[00:41] ---**

Be sure to record any signs of structural damage  
that may have been caused by the G-Bombs.

**[00:45] English**

Bravo Leader, copy that.

**[00:48] English**

Lieutenant!

**[00:49] English**

What's up?

**[00:50] English**

Bravo Leader, report your status.

**[00:53] English**

This is Bravo Leader. There's something  
in the middle of the hall.

**[01:00] English**

There's some kind of narrow column  
stretching from the ceiling to the floor,

**[01:04] ---**

with a transparent section in the middle.

**[01:07] English**

Attempting to identify unknown  
objects at maximum range.

**[01:15] English**

Oh, God! What the hell is that?!

**[01:17] English**

Bravo Leader, what's going on?  
Report the situation.

**[01:20] English**

Have you found survivors?

**[01:23] English**

They're human... brains!

**SIGN** Something to Protect

**[03:08] Shirogane**

All done, ma'am.

**[03:11] Marimo**

Fifty seconds...

**[03:13] Marimo**

Ayamine had the previous best time,  
at a minute and 17 seconds.

**[03:18] Marimo**

Looks good. No problems.

**[03:20] Marimo**

He left you all in the dust.  
Make sure it doesn't stay that way.

**[03:23] 207th**

Ma'am!

**[03:24] Tama**

That was incredible, Shirogane-san!

**[03:27] Shirogane**

It wasn't a big deal.

**[03:29] Meiya**

There's no need for modesty.

**[03:31] Ayamine**

Gonna get my record back...

**[03:32] Sakaki**

I'm with her. Don't expect  
to always be on top.

**[03:36] Shirogane**

*There's an idea. Maybe I can help motivate them.*

**[03:40] Shirogane**

I'm kind of curious.

**[03:42] Shirogane**

Do you all have something you want to protect?

**[03:46] Sakaki**

What brought this on?

**[03:48] Shirogane**

I used to think my own life was the most important thing.

**[03:53] Shirogane**

But now there's something I wanna protect, even if means putting myself at risk.

**[03:58] Meiya**

Which led you to discard your exemption from the draft and come here, right?

**[04:02] Shirogane**

Right.

**[04:04] Shirogane**

I think to beat the BETA, you need a bunch of strong-willed people

**[04:07] ---**

with high-minded ideals to join up...

**[04:09] Shirogane**

And they all need to work together.

**[04:15] Shirogane**

*You were the ones who taught me that.*

**[04:19] Tama**

I think I understand.

**[04:20] Shirogane**

I guess I'm saying... let's do our best.

**[04:23] 207th**

Right.

**[04:26] Shirogane**

And now that the serious talk is done with,

**[04:30] Shirogane**

do you girls mind if I choose how I refer to you?

**[04:33] Sakaki**

What do you mean, exactly?

**[04:35] Shirogane**

Class Rep.

**[04:36] Shirogane**

Meiya.

**[04:37] Shirogane**

Tama.

**[04:39] Shirogane**

Ayamine.

**[04:40] Shirogane**

Will those work?

**[04:41] Sakaki**

Why am I "Class Rep"?

**[04:43] Meiya**

I see you've dropped all pretense.

**[04:44] Tama**

Tama? Like a cat's name?

**[04:47] Ayamine**

Kinda normal...

**[04:51] Takeru**

*I think I've moved things up a fair bit.*

**[04:53] Takeru**

*Now, once Mikoto gets back...*

**[04:56] Takeru**

*Was there anything else*

*I could get done ahead of time?*

**[04:59] Takeru**

*Maybe meeting Kasumi?*

**[05:18] Takeru**

*I knew she'd be here.*

**[05:26] Takeru**

Hey!

**[05:32] Takeru**

Did you really have to just up and run?

**[05:42] Takeru**

It's nice to meet you. I'm Shirogane Takeru.

**[05:45] Takeru**

What's your name?

**[05:51] Kasumi**

Kasumi...

**[05:53] Kasumi**

Yashiro Kasumi.

**[05:56] Shirogane**

Hey, you actually told me this time!

**[05:58] Shirogane**

Sorry, that probably doesn't

make a lot of sense, huh?

**[06:03] Kasumi**

I don't mind.

**[06:06] Shirogane**

I see.

**[06:07] Shirogane**

Okay, Kasumi...

**[06:10] Shirogane**

How about we shake hands  
to mark the occasion?

**[06:12] Kasumi**

Shake hands?

**[06:17] Shirogane**

Yep. Just like that.

**[06:20] Shirogane**

*Her hands are so tiny.*

**[06:22] Shirogane**

*I guess I never got the chance  
to notice in the other world.*

**[06:27] Shirogane**

*Well, I've got stuff to do, so I should go.*

**[06:39] Yuuko**

Well, this is new. What's gotten into you?

**[06:43] Shirogane**

Kasumi?

**[06:45] Yuuko**

Come on over here.

**[06:54] Shirogane**

*Something about seeing people whisper  
in front of me makes me extra curious.*

**[06:59] Yuuko**

Really? Okay, then.

**[07:01] Takeru**

So, what were you talking about?

**[07:03] Yuuko**

Nothing to do with you or anything.

**[07:06] Takeru**

*That's a lie. I'm pretty sure that's a lie.*

**[07:11] Yuuko**

So, what did you want?

**[07:13] Yuuko**

Don't act dumb. You came  
down to see Yashiro, right?

**[07:17] Shirogane**

Right...

**[07:18] Shirogane**

That emblem on Kasumi's shoulder  
says "Alternative IV," right?

**[07:23] Yuuko**

Yes, it does. And?

**[07:25] Shirogane**

In the other world, it never  
really caught my attention,

**[07:28] ---**

because I had no idea what it meant.

**[07:31] Shirogane**

But...

**[07:32] Yuuko**

What is it?

**[07:33] Shirogane**

It got me thinking about Sumika.

**[07:36] Yuuko**

Kagami Sumika?

**[07:38] Shirogane**

Right. When I crossed over  
from my original world,

**[07:41] ---**

I recognized a lot of what I saw.

**[07:43] Shirogane**

But Sumika didn't seem to exist anymore.

**[07:47] Shirogane**

You weren't able to find any  
trace of her either, right?

**[07:52] Yuuko**

Right.

**[07:53] Shirogane**

But something about Kasumi  
reminds me of her.

**[07:58] (Flashback) Kasumi**

You wouldn't understand, Takeru-chan!

**[08:01] Shirogane**

Sumika was the only person who  
ever called me "Takeru-chan."

**[08:06] Yuuko**

I'm sure you realize this on some level,

**[08:09] ---**

but she's one of the major  
players in Alternative IV.

**[08:13] Yuuko**

And far more important than you are.

**[08:16] Takeru**

Does that go for the brain  
in that cylinder, too?

**[08:19] Yuuko**

Yes. It and Yashiro are two parts of a set.

**[08:23] Shirogane**

What exactly *is* Alternative IV?

**[08:28] Yuuko**

A plan that involves a single child  
bringing new hope to all of mankind.

**[08:34] Yuuko**

I'm amazed I was able to sum it up so well.

I guess geniuses have a way with words.

**[08:38] Shirogane**

And that child is Kasumi?

**[08:42] Yuuko**

No comment.

**[08:44] Yuuko**

I'm not going to tell you that.

**[08:48] Shirogane**

But I thought you trusted me!

**[08:50] Yuuko**

It isn't even a question of trust.

**[08:54] Yuuko**

I'm curious. Can you actually  
change the course of history?

**SIGN** October 25th, 2001

**[09:02] Marimo**

Today, you're gonna be doing  
loaded marching drills.

**SIGN** In Front of the Storage Facility

**[09:04] 207th**

Yes, ma'am!

**[09:06] Shirogane**

It's the same. Exactly  
the same as my memories.

**[09:11] Yuuko**

Has anything new, different from what you  
remember, happened these last few days?

**[09:16] Shirogane**

Nothing... Nothing at all!

**[09:20] Shirogane**

No! It's all been the same as before!

**[09:23] Yuuko**

But you've done a fair bit differently  
since coming here, correct?

**[09:27] Shirogane**

Right.

**[09:28] Yuuko**

I'd wager that means that possessing  
memories of the future

**[09:31] ---**

doesn't really make much of  
a difference to the outcome.

**[09:33] Yuuko**

Different routes can lead to the same place.

**[09:36] Yuuko**

And slight differences won't be

enough to affect that outcome.

**[09:39] Shirogane**

Are you saying there's no way to change the future?!

**[09:43] Yuuko**

How did you even end up here?

**[09:46] Yuuko**

The world you came from originally, and then the one you found yourself in...

**[09:51] Yuuko**

They were wildly different, weren't they?

**[09:53] Shirogane**

That's right.

**[09:54] Yuuko**

I'd say that means there's an infinite number of different, parallel worlds.

**[09:58] Yuuko**

There could even be a world for every different possibility you can imagine.

**[10:03] Yuuko**

In one world, maybe the dinosaurs survived.

**[10:07] Yuuko**

It's easy to imagine one where Earth never formed, too.

**[10:10] Yuuko**

And yet somehow, you've ended up in almost the exact same world...

**[10:14] Yuuko**

I'd say that's because you wanted it to happen.

**[10:17] Yuuko**

"The reason Shirogane Takeru ended up in this world..."

**[10:20] ---**

"is because he felt like he needed to do something here,"

**[10:23] Yuuko**

"and strongly wished for it to happen."

**[10:25] Yuuko**

That's one possible interpretation.

**[10:27] Shirogane**

Being able to travel through time and different worlds just because you want it?

**[10:31] Shirogane**

I've never heard of anything like it.

**[10:33] Yuuko**

If my theory is accurate,

**[10:35] ---**

there could be consequences for both  
you and the people you interact with,

**[10:40] ---**

rooted in your travel between worlds.

**[10:43] Shirogane**

After I leave?!

**[10:44] Shirogane**

I don't like the sound of that...

**[10:46] Yuuko**

In that case, make sure that you accomplish  
whatever you're trying to do in *this world*.

**[10:56] Shirogane**

Gekishins, huh?

**[10:58] Tama**

Are we gonna get to fly in those?

**[11:01] Shirogane**

Only if we pass the CCSE.

**[11:04] Sakaki**

That's right. We need to be sure to pass,

**[11:06] ---**

and gain the right to pilot TSFs this time.

**[11:15] Marimo**

It's time for today's training!

**[11:18] 207th**

Yes, ma'am!

**[11:21] Shirogane**

*Nothing has changed?*

**[11:24] Shirogane**

*If I'm only making tiny differences...*

**[11:28] Mikoto**

Sorry. You okay?

**[11:31] Shirogane**

Yeah, sorry about that...

**[11:34] Shirogane**

*M-Mikoto?*

**[11:37] Shirogane**

*That's right. She gets out  
of the hospital today.*

**[11:41] Mikoto**

S-Sorry again. I'm Yoroi Mikoto.

**[11:44] Shirogane**

Right. I'm Shirogane Takeru.

**[11:47] Mikoto**

I was in a rush to see the instructor.

**[11:50] Shirogane**

Hang on. What's today's date?

**[11:53] Mikoto**

It's November 1st. Is something wrong?

*It's November already?!*

Thanks for always coming to wake me up.

**[12:26] Shirogane**

*Come to think of it, it was  
the same in the last world.*

**[12:28] Kasumi**

Bye-bye.

**[12:29] Shirogane**

One thing, Kasumi.

**[12:31] Shirogane**

You might hear the alarm go off,  
but don't worry about it.

**[12:34] Kasumi**

Okay.

**[12:38] Shirogane**

*I hope this works out. Because if it does...*

**SIGN** Days Earlier

**[12:42] Shirogane**

BETA from Sadogashima are going  
to surface on the mainland.

**[12:46] (Flashback) Yuuko**

I need details.

**[12:48] (Flashback) Shirogane**

Right... it happens on November 11th.

**[12:54] (Flashback) Shirogane**

Some of the BETA that surface

**[12:56] (Flashback) ---**

make it past the IJA's defense line,  
and we lose track of them.

**[13:00] (Flashback) Shirogane**

A while later, the BETA reconvene and break  
through the secondary line of defense.

**[13:06] (Flashback) Shirogane**

They change directions to travel south along  
the Northern Kanto final line of defense,

**[13:10] (Flashback) Shirogane**

through Nagano, Gunma, and Niigata...

**[13:15] (Flashback) Shirogane**

With the Imperial Army trying to keep them  
from breaking the final line of defense.

**[13:20] (Flashback) Shirogane**

I'm pretty sure if the  
Imperial forces had lost,

**[13:22] (Flashback) ---**

it would've meant the BETA  
reaching critical territory.

**[13:27] (Flashback) ---**

That was when it became clear  
where the BETA were headed:

**[13:31] (Flashback) ---**

Right here. Yokohama Base.

**[13:34] (Flashback) Yuuko**

What happens then?

**[13:35] (Flashback) Shirogane**

Ultimately, the IJA manages  
to take down the BETA.

**[13:39] (Flashback) Shirogane**

And that's that.

**[13:41] (Flashback) Yuuko**

Really? That's all?

**[13:43] (Flashback) Shirogane**

Yes.

**[13:44] (Flashback) Yuuko**

I see... from Sadogashima, huh?

**[13:47] (Flashback) Yuuko**

And?

**[13:47] (Flashback) Shirogane**

The safest thing to do would be to wipe  
them out while they're coming ashore.

**[13:51] (Flashback) Yuuko**

And you don't know the exact location?

**[13:53] (Flashback) Shirogane**

I know it'll be in Niigata.

**[13:54] (Flashback) Shirogane**

But beyond that...

**[13:58] (Flashback) Shirogane**

Sensei, we have to do something!

**[14:01] (Flashback) Yuuko**

Except there's no evidence  
for anything you're claiming.

**[14:04] (Flashback) Shirogane**

But...

**[14:06] (Flashback) Yuuko**

There's one way to prove  
you're right, though.

**[14:08] (Flashback) Shirogane**

What's that?!

**[14:10] (Flashback) Yuuko**

To do nothing.

**[14:13] (Flashback) Yuuko**

Let's sit back and see  
if it actually happens.

**[14:16] (Flashback) Yuuko**

It'll prove that you're right if it does.

**[14:19] (Flashback) Shirogane**

I'm supposed to just let all those people  
be put in danger just to prove a point?!

**[14:22] (Flashback) Shirogane**

If that's a joke, I don't  
think this is the time!

**[14:25] (Flashback) Yuuko**

How long do you expect your  
ranting to hold water?

**[14:28] (Flashback) Yuuko**

You haven't predicted the  
future once so far.

**[14:32] (Flashback) Shirogane**

But... I knew about Alternative...

**[14:34] (Flashback) Yuuko**

The project was already underway.

**[14:36] (Flashback) ---**

There are any number of ways you  
could've learned about it.

**[14:39] (Flashback) Shirogane**

B-But...

**[14:40] (Flashback) Yuuko**

I thought you were trying to  
save Earth and all of humanity?

**[14:45] (Flashback) Yuuko**

And you're going to flinch at a few dozen,  
maybe a few hundred casualties?

**[14:49] (Flashback) Yuuko**

I can't understand that.

**[14:53] (Flashback) Yuuko**

You didn't think you'd be able to accomplish  
this without making any sacrifices, did you?

**[14:58] (Flashback) Yuuko**

Do you realize there are  
soldiers all across the world

**[15:01] (Flashback) ---**

fighting and dying in battle against  
the BETA as we speak?

**[15:05] (Flashback) Yuuko**

If you want to save the world,

**[15:06] (Flashback) ---**

your priority should be proving  
that you're right. Am I wrong?

**[15:13] (Flashback) Shirogane**

The math isn't that simple for me!

**[15:16] (Flashback) Shirogane**

I can't just turn a blind eye  
to so many people dying!

**[15:22] (Flashback) Yuuko**

You insist on coming up with  
a counter-measure, then?

**[15:24] (Flashback) Shirogane**

Please!

**[15:26] (Flashback) Yuuko**

All because of your  
completely baseless claims?

**[15:30] (Flashback) Shirogane**

I'm begging you!

**[15:37] (Flashback) Yuuko**

Okay, then. Let's try it your way.

**[15:41] (Flashback) Yuuko**

It's not exactly logical, but you  
seem to think it's the right call.

**[15:45] (Flashback) Yuuko**

So I'm going to trust you.

**[15:49] (Flashback) Shirogane**

Then...

**[15:51] (Flashback) Yuuko**

I guess I'll have the imperial forces  
in the Etchu and Kaetsu parts of Niigata

**[15:55] (Flashback) ---**

go to DEFCON 2 around the 10th.

**[16:00] (Flashback) Shirogane**

Can we send reinforcements  
from Yokohama Base?

**[16:02] (Flashback) Yuuko**

The UN can't provide support without a  
request from the Japanese government.

**[16:06] (Flashback) Yuuko**

The thing about armies is  
they're slow to get moving,

**[16:08] (Flashback) ---**

and even harder to stop  
once they're in motion.

**[16:10] (Flashback) Yuuko**

You had better be ready for what happens.

**[16:12] (Flashback) ---**

Understood, ma'am!

**[16:15] Shirogane**

*If everything happens as I think it will...*

**[16:19] Meiya**

What is it, Takeru? You seem nervous.

**[16:22] Shirogane**

Do I?

**[16:23] Sakaki**

Well, you've been staring at  
your watch, for one thing.

**[16:26] Shirogane**

Well, I was just thinking about how,  
even though it's our day off,

Is that... the emergency assembly alarm?

**[17:00] Mikoto**

What happened?

**[17:00] Sakaki**

Hurry, people!

**[17:03] Sakaki**

Everyone is accounted for.

**[17:05] Marimo**

Here's the current situation.

**[17:08] ---**

This morning at 06:20, a BETA force from the Sadogashima hive appeared.

**[17:12] ---**

Then at 06:27, they breached the oceanic defense line.

**[17:15] ---**

The enemy then surfaced at Niigata.

**[17:17] ---**

At 06:48, the 10th Imperial Division engaged.

**[17:23] ---**

As of now, 07:10, combat is still continuing.

**[17:27] Currently; at 07**

The 14th Imperial Division has joined the battle,

**[17:29] ---**

and they currently have the advantage.

**[17:31] Currently; at 07**

It's believed to only be a matter of time until the BETA are wiped out.

**[17:34] Currently; at 07**

Based on their direction,

**[17:37] ---**

it has been deduced that their likely destination was here: the Yokohama Base.

**[17:42] Currently; at 07**

Which is why, until the BETA are confirmed to be wiped out,

**[17:45] ---**

the base will be on DEFCON 2 status.

**[17:48] Currently; at 07**

You cadets are on standby.

**[17:51] Currently; at 07**

Head to your rooms, and be prepared to take action as the situation develops.

**[17:55] Currently; at 07**

That is all.

**[17:57] 207th**

Yes, ma'am!

**[17:59] Shirogane**

*This is totally different from before.*

**[18:00] ---**

*And should keep casualties to a minimum.*

**[18:05] Meiya**

The landing from Sado...

**[18:07] ---**

There'll be fighting on the mainland, won't there?

**[18:10] Shirogane**

Yeah.

**[18:11] Meiya**

Do you think the people who live there will be safe?

**[18:15] Shirogane**

They said it was only a matter of time until the BETA were wiped out.

**[18:18] Shirogane**

It'll be okay.

**[18:21] Meiya**

I suppose you're right.

**[18:25] PA**

*Attention all personnel,*

**[18:26] ---**

*the BETA attack has been eliminated.  
DEFCON 2 is now being lifted.*

**[18:29] PA**

*I repeat, DEFCON 2 has been lifted.*

**[18:33] Shirogane**

Sensei!

**[18:37] Yuuko**

Would you quiet down?  
I can hear you just fine.

**[18:40] Shirogane**

Thank you so much!

**[18:41] Yuuko**

No thanks necessary. I did it to see what would happen.

**[18:46] Shirogane**

Still, I'm glad! The future's bound  
to change for the better now!

**[18:50] Yuuko**

You certainly seem pleased.

**[18:52] Yuuko**

I'm sure this was great for you, but...

**[18:55] Shirogane**

Is there a problem?

**[18:58] Yuuko**

Look, I'm busy, so get out.

**[19:01] Shirogane**

Okay...

**[19:13] Shirogane**

*I'm sure she has her own  
problems to worry about.*

**[19:15] Shirogane**

*Still... even so...*

**[19:23] Shirogane**

*The future is changing.*

**[19:25] Shirogane**

*We can change it, and make  
Alternative IV a success!*

**[19:38] Marimo**

That concludes today's training.

**[19:40] Marimo**

Stay where you are and listen up!

**[19:41] Marimo**

You've all done a great job so far.

**[19:43] Marimo**

I think, for a change of pace,  
you've earned a little reward.

**[19:47] Shirogane**

*Right...*

**[19:48] Marimo**

Tomorrow, you're all going to be enjoying  
a week-long vacation in the South Pacific.

**[19:52] Shirogane**

*I know what happens next.*

**SIGN** November 13th, 2001

**[20:01] Marimo**

This mission will be carried  
out under conditions

**[20:03] ---**

where TSF operation is not an option,

**[20:06] Marimo**

with the objective being to

escape the combat zone, on foot.

**[20:10] Marimo**

In other words, your number one objective will be getting out.

**[20:16] Shirogane**

*The Comprehensive Combat Skill Evaluation.*

**[20:19] Shirogane**

*If we can get through this, we'll be able to fly TSFs.*

**[20:25] Marimo**

You're going to need to prove that you're fit

**[20:27] ---**

to be Tactical Surface Fighter pilots!

**[20:30] 207th**

Yes, ma'am!

**[20:31] Marimo**

Synchronize your watches.

**[20:34] Marimo**

Commence operation!

**[20:36] Shirogane**

*Even with the knowledge I have, this exercise won't be easy.*

**[20:40] Shirogane**

*I realize that.*

**[20:42] Shirogane**

*But...*

**[20:43] Sakaki**

We've reached and secured the evacuation point.

**[20:45] Shirogane**

Where's the transport?

**[20:48] Marimo**

Mission complete.

**[20:49] Marimo**

207th Flight, attention!

**[20:52] Marimo**

Congratulations. You've all managed to pass the CCSE.

**[21:04] Meiya**

Sakaki...

**[21:06] Mikoto**

Next comes TSFs!

**[21:08] Ayamine**

One step forward.

**[21:10] Shirogane**

Yeah. That's right!

**[21:12] Mikoto**

We did it, Takeru!

**[21:13] Shirogane**

Yeah, thanks to you all!

**[21:17] Shirogane**

*I know we'll be able to change this world.*
