**[00:07]** ---

We finally made it.

**[00:09]** ---

It's been over two years  
since we last came here.

**[00:12]** ---

Do you think he'll comply  
with our request willingly?

**[00:14]** ---

I'm sure he'll help us if we tell him

**[00:16]** ---

it's for the sake of restoring  
the Leaf Village.

**[00:19]** ---

I hope you're right.

**[00:22]** ---

Ninjutsu is all about challenge!

**[00:30]** ---

It seems he hasn't changed a bit.

**[00:35]** ---

As you know, the village is facing  
a personnel shortage now.

**[00:38]** ---

So teams dispatched  
on D-rank missions

**[00:41]** ---

will be made up of genin only.

**[00:43]** ---

But Guy Sensei...

**[00:45]** ---

With Lee in the hospital,  
we can only form two-man cells.

**[00:49]** ---

And that's where we shuffle!

**[00:54]** ---

We're going to fiddle around a bit  
**[00:56]** ---  
with our current team formation.  
**[00:59]** ---  
Now come on out, new face!  
**[01:01]** ---  
A new face?  
**[01:03]** ---  
Who is it?  
**[01:06]** ---  
Naruto?  
**[01:07]** ---  
I'm not sure what's going on,  
but I'm the new face.  
**[01:11]** ---  
What? He's the new face?  
**[01:14]** ---  
I was anticipating someone really cool.  
**[01:16]** ---  
Me too.  
**[01:17]** ---  
Well, sorry to disappoint you!  
**[01:20]** ---  
With Naruto added to  
the three-man cell,  
**[01:22]** ---  
you will now be assigned  
a D-rank mission.  
**[01:25]** ---  
I see. I'm taking Bushy Brow's place.  
**[01:28]** ---  
Lee will be fine! I'll keep checking  
on him at the hospital.  
**[01:32]** ---  
So rest assured, young one!  
**[01:34]** ---  
Oww!  
**[01:36]** ---  
So what's our mission?  
**[01:38]** ---  
The details are in here.  
**[01:41]** ---  
You'll be the team captain  
for this mission, Tenten.  
**[01:44]** ---  
Huh? What?!  
**[01:46]** ---

Ordinarily, Neji would be  
the captain,

**[01:48]** ---

but Tenten is the ideal one  
for this mission.

**[01:51]** ---

Me?

**[01:53]** ---

Well, I must get going.  
Good luck, all of you!

**[01:59]** ---

Huh?! Guy Sensei!

**[02:01]** ---

He's just going to leave us?!

**[02:04]** ---

So? What's next, Captain?

**[02:07]** ---

Oh, that's right.  
I'm the team captain.

**[02:10]** ---

Maybe Neji should take over,  
after all.

**[02:13]** ---

Be quiet, newcomer!

**[02:15]** ---

I'm the captain

**[02:16]** ---

- for today's mission!  
- I-I can't breathe.

**[02:18]** ---

I'm going to do this!

**[02:20]** ---

I'll make sure this mission  
is a success!

**[02:22]** ---

Calm down.  
It's only a D-rank mission!

**[02:23]** ---

All right then!

**[02:28]** ---

Let's go!

**[02:29]** ---

Right!

**[02:31]** ---

I think you've got this all wrong.

**[04:05]** ---

- *Leaf's History* -

**[04:13]** ---

We're here.

**[04:15]** ---

That's the hut?

**[04:16]** ---

Yup. The Leaf Ninja Tool Research Lab.

**[04:20]** ---

Originally, this research lab was situated inside the Leaf Village.

**[04:25]** ---

Our mission is to procure 1000 kunai knives, 1000 shuriken,

**[04:29]** ---

and if available, new ninja tools.

**[04:32]** ---

Why so many?!

**[04:34]** ---

The three of us can't possibly haul them all!

**[04:37]** ---

No wonder Tenten's the ideal captain for this mission.

**[04:40]** ---

Huh?

**[04:41]** ---

Tenten's scroll uses the Transportation Technique

**[04:45]** ---

which allows her to store and summon

**[04:48]** ---

various ninja tools when needed.

**[04:50]** ---

T-Transportation Technique?

**[04:52]** ---

You're familiar with the Summoning Jutsu, right?

**[04:54]** ---

Yeah.

**[04:55]** ---

It's the ninja tool version of that.

**[04:59]** ---

Which means we don't need

to carry anything on the way back!

**[05:04]** ---

Exactly.

**[05:06]** ---

New ninja tools...

**[05:07]** ---

What's up, Captain?

**[05:10]** ---

I wonder what these  
new ninja tools are like.

**[05:13]** ---

Ninjutsu is all about challenge!

**[05:20]** ---

Let's go!

**[05:21]** ---

Wait up!

**[05:23]** ---

Hey! What about the new ninja tools?!

**[05:31]** ---

I wonder what went wrong?

**[05:33]** ---

Are you Sir Iou?

**[05:36]** ---

I'm Iou. Who are you?

**[05:38]** ---

We're here on village business!

**[05:40]** ---

Oh, welcome.

**[05:42]** ---

Umm...

**[05:43]** ---

The fire!

**[05:46]** ---

H-Hey...

**[05:47]** ---

- Do you have new ninja tools?

- Hot, hot, hot, hot!

**[05:48]** ---

New ninja tools, you say?

**[05:51]** ---

Yes!

**[05:52]** ---

Don't the other tools come first?

**[05:54]** ---

Never mind!

This is a captain's decision!

**[05:58]** ---

Shoseki, bring that to me.

**[06:00]** ---

Yes, sir.

**[06:02]** ---

Here they are.

**[06:05]** ---

First, this!

**[06:08]** ---

Double-Bladed Kunai!

**[06:11]** ---

Double-Blade Kunai?

**[06:13]** ---

It is double bladed to  
make it deadlier.

**[06:16]** ---

Oww!

**[06:19]** ---

Oh, by the way,

**[06:20]** ---

the blade is coated with poison,  
so be careful.

**[06:22]** ---

Too late.

**[06:26]** ---

This is too risky for the wielder.

**[06:28]** ---

Precisely! And so, I made this!

**[06:32]** ---

The Double-Handed Kunai!

**[06:36]** ---

That serves no purpose.

**[06:39]** ---

What?! Then how about this?!

**[06:42]** ---

Thousand-Bladed Shuriken!

**[06:43]** ---

For starters, you can't hold it!

**[06:45]** ---

Instead of a Chain-Sickle,  
it's the Sickle-Chain!

**[06:47]** ---

Not what I'd expected.

**[06:49]** ---

There's nothing we can use.

**[06:50]** ---

What?!

**[06:52]** ---

Do you have any other ninja tools?

**[06:55]** ---

Well, if these little pieces  
don't interest you,

**[06:58]** ---

I have something big!

**[06:59]** ---

Something big?! Please show us!

**[07:04]** ---

Now this is what I call  
a Ninja Shuriken!

**[07:06]** ---

Why me?!

**[07:07]** ---

Neji, switch with me!

**[07:10]** ---

And this is?

**[07:11]** ---

It's a shuriken

**[07:13]** ---

that can steer left to right  
with the ninja as its pilot.

**[07:17]** ---

You just turn this lever  
to the left or right.

**[07:21]** ---

Fire!

**[07:27]** ---

Naruto!

**[07:29]** ---

The lever! Pull the lever!

**[07:34]** ---

Huh?!

**[07:38]** ---

What?!

**[07:45]** ---

Is there anything else?

**[07:47]** ---

Right now, that's about it.

**[07:52]** ---

Old man! You were kicked out  
of the village

**[07:54]** ---

because of your explosions  
and failures. Isn't that so?!

**[07:56]** ---

Don't say failures.

These are challenges.

**[07:59]** ---

You don't deny it?

**[08:01]** ---

We've seen enough of the new tools.

**[08:06]** ---

Please supply the village with

**[08:07]** ---

1000 *regular* kunai knives  
and 1000 *regular* shuriken.

**[08:12]** ---

I don't want to give regular ones.

**[08:14]** ---

Get them ready please!

**[08:16]** ---

A-All right.

**[08:20]** ---

How boring, right Shoseki?

**[08:24]** ---

Yes, so boring, Sensei.

**[08:28]** ---

Please get those  
*regular* ones ready, okay?

**[08:37]** ---

Oh, what a disappointment.

**[08:40]** ---

What's disappointing, Captain?

**[08:43]** ---

Well, I was looking forward  
to the new ninja tools.

**[08:47]** ---

Like those?

**[08:48]** ---

Three members of Team Guy specialize  
in close-contact battles,

**[08:52]** ---

so I often render aid from a distance.

**[08:57]** ---

Oh?

**[08:58]** ---

I don't mind providing back-up,

**[09:01]** ---

but I was hoping to find  
new ninja tools

**[09:04]** ---

that would enable me to  
fight on the front lines.

**[09:07]** ---

Don't even think about that.  
Just step up and fight!

**[09:13]** ---

You're so simple, aren't you?

**[09:16]** ---

Huh? I am?

**[09:18]** ---

Yeah.

**[09:19]** ---

But I guess you're right.

**[09:22]** ---

Hey.

**[09:24]** ---

Neji...

**[09:25]** ---

The fish is ready to eat.

**[09:26]** ---

Oh...

**[09:28]** ---

Then I'll go call Sir Iou  
and Shoseki.

**[09:32]** ---

No way!

**[09:37]** ---

They ran away.

**[09:38]** ---

What?!

**[09:41]** ---

Those guys are useless.

**[09:43]** ---

What now, Captain?

**[09:44]** ---

Are we heading back to the Village?

**[09:50]** ---

Wait.

**[09:51]** ---

It's true that their inventions  
are useless.

**[09:56]** ---

But their passion for  
their invention is genuine!

**[10:00]** ---

Is that so?

**[10:04]** ---

I don't think Sir Iou would abandon  
this research lab.

**[10:08]** ---

Neji, can you search the area?

**[10:11]** ---

Yes.

**[10:12]** ---

Byakugan!

**[10:17]** ---

That's...

**[10:24]** ---

You found it!

**[10:33]** ---

What is this place?

**[10:38]** ---

They seem to be up ahead.

**[10:40]** ---

This trap is so obvious!

**[10:41]** ---

I'll destroy it!

**[10:44]** ---

Wait!

**[10:44]** ---

Whoa. What's the deal, Captain?!

**[10:48]** ---

That.

**[10:56]** ---

Which means...

**[10:57]** ---

That one.

**[11:05]** ---

What?!

**[11:10]** ---

Rotation!

**[11:17]** ---

That was a close call.

**[11:19]** ---

Neji, I'll take over.

**[11:22]** ---

Thanks.

**[11:33]** ---

Now!

**[11:46]** ---

You did it!

**[11:47]** ---

Not yet!

**[11:55]** ---

Here they come!

**[12:13]** ---

You hit them all.

**[12:17]** ---

Let's go.

**[12:22]** ---

This is...

**[12:23]** ---

Wow!

**[12:27]** ---

Amazing... The brilliance of the blade...  
the design.

**[12:31]** ---

They're all beautiful!

**[12:34]** ---

I want to take them all home!

**[12:40]** ---

All right! Neji, Naruto!

**[12:42]** ---

Bring each one here!

I wonder if they'll all fit in?

**[12:47]** ---

I-It's heavy.

**[12:49]** ---

What's going on? It won't budge.

**[12:52]** ---

Hey... Do not try to take my masterpieces  
without permission!

**[12:56]** ---

Please share these ninja tools  
with our village!

**[12:59]** ---

No way!

**[13:01]** ---

Huh? Why not?!

**[13:04]** ---

The user is essential when  
it comes to honed weapons.

**[13:07]** ---

I do not want my ninja tools  
handled carelessly.

**[13:10]** ---

Still, I'm impressed that  
you bypassed those traps I set.

**[13:14]** ---

I've trained with many kinds  
of ninja tools.

**[13:17]** ---

That was nothing.

**[13:20]** ---

Hmm...

**[13:23]** ---

Then let me test your skill once more.

**[13:25]** ---

There's a ninja tool  
I just developed.

**[13:28]** ---

What is it?

**[13:30]** ---

Here...

**[13:31]** ---

Now this is my finest masterpiece.

**[13:33]** ---

Jidanda!

**[13:36]** ---

Jidanda?!

**[13:40]** ---

What was that?

**[13:47]** ---

Oops, I did it.

**[13:49]** ---

I stepped on a stupid trap.

**[13:52]** ---

Like it had an affect on you, Gamera.

**[13:55]** ---

Who are you two?!

**[13:57]** ---

Oh, we just came to get some  
of your ninja tools.

**[14:01]** ---

I belong to the Leaf.

**[14:03]** ---

There's nothing for you here!

**[14:08]** ---

The Leaf is in chaos right now.

**[14:10]** ---

Thanks to that, we were able  
to easily slip past the border.

**[14:15]** ---

Sir lou!

**[14:17]** ---

Hey, you were right, Kusune.

**[14:19]** ---

A three-man cell made up of kids.

**[14:21]** ---

The Leaf must really be

short of personnel.

**[14:24]** ---

Neji, take the left. Naruto, the right.

**[14:26]** ---

I'll provide back-up while guarding Sir Iou.

**[14:29]** ---

Right.

**[14:30]** ---

- Scatter!

- Scatter!

**[14:32]** ---

Let's go, Kusune!

**[14:33]** ---

Right!

**[14:35]** ---

- What's that?!

- It's nothing!

**[14:49]** ---

Damn!

**[14:58]** ---

What?

**[15:01]** ---

That's impossible.

**[15:03]** ---

Those are my prototype ninja tools,

**[15:05]** ---

Dako and Tsuru-Kame.

**[15:07]** ---

Why do they have it?

**[15:09]** ---

Forgive me!

**[15:11]** ---

What's wrong, Shoseki?

**[15:13]** ---

Funding from the village was  
not enough to sustain the research,

**[15:16]** ---

so I sold a few of the ninja tools  
without your knowledge.

**[15:18]** ---

You sold them?!

**[15:20]** ---

The men were just collectors  
of ninja tools,

**[15:22]** ---

and you told me both  
were only prototypes.

**[15:25]** ---

All weapons are ultimately  
used in battle!

**[15:28]** ---

And even if they were just prototypes,  
they were my inventions!

**[15:32]** ---

Take that!

**[15:38]** ---

What?!

**[15:41]** ---

Naruto!

**[15:43]** ---

Dako is a cross-shaped spear

**[15:44]** ---

that can stretch, contract,  
and bend!

**[16:04]** ---

Neji!

**[16:05]** ---

Tsuru-Kame has a built-in  
firing mechanism for ninja tools.

**[16:11]** ---

Did I get him?

**[16:14]** ---

What?!

**[16:16]** ---

Leave him to me!

**[16:19]** ---

Eat this!

**[16:23]** ---

What are its weaknesses?

**[16:25]** ---

There's no such thing.

**[16:26]** ---

I thought they were prototypes?

**[16:28]** ---

I referred to them as prototypes  
only because I used its data and

**[16:32]** ---

developed an even more  
powerful ninja tool.

**[16:35]** ---

Then please let me have that one!

**[16:38]** ---

That is...Jidanda!

**[16:41]** ---

They seem to be good at close combat,  
so just keep your distance.

**[16:47]** ---

Don't get too carried away!

**[16:52]** ---

I'm your opponent now!

**[17:00]** ---

This is...

**[17:02]** ---

Jidanda?!

**[17:04]** ---

Wow! That looks cool!

**[17:07]** ---

But it's huge.

**[17:10]** ---

It's heavy.

**[17:12]** ---

It's not about using strength!

**[17:13]** ---

Use your technique to maneuver it.

**[17:16]** ---

Technique...

**[17:17]** ---

So that's lou's new invention?

**[17:20]** ---

If you hand it over quietly,  
we'll spare your life.

**[17:22]** ---

This is mine!

**[17:24]** ---

Then we'll just take it from you!

**[17:31]** ---

Damn.

**[17:34]** ---

Neji!

**[17:35]** ---

I'll take you out first!

**[17:42]** ---

Multi Shadow Clone Jutsu!

**[17:47]** ---

Let's go!

**[17:50]** ---

Rapid fire!

**[17:58]** ---

Neji! Naruto!

**[18:00]** ---

*I must do something!*

*I'm the team captain.*

**[18:08]** ---

I'm out of bullets.

**[18:14]** ---

Reload complete.

**[18:17]** ---

No fair! What was that just now?!

**[18:19]** ---

Like I know!

**[18:20]** ---

It's about time we end this.

**[18:22]** ---

Neji! Naruto! Out of the way!

**[18:32]** ---

She attacked with the handle?!

**[18:34]** ---

It stretched like my spear!

**[18:37]** ---

Can you do it?

**[18:38]** ---

Yes!

**[18:48]** ---

Guys! Let me handle them!

**[18:51]** ---

R-Right!

**[18:52]** ---

Explode!

**[18:55]** ---

Explode! Explode! Explode!

**[19:01]** ---

She intends to control it through  
the recoil of the explosions!

**[19:11]** ---

Explode!

**[19:20]** ---

So the blast isn't just to  
move the steel ball!

**[19:22]** ---

It also acts as a defensive shield.

**[19:26]** ---

Go!

**[19:30]** ---

I'll stop her!

**[19:31]** ---

Right!

**[19:40]** ---

We did it! We stopped her!

**[19:44]** ---

Explode!

**[19:46]** ---

- What?!

- What?!

**[19:49]** ---

Wow!

**[19:58]** ---

Well done!

**[20:00]** ---

You mastered Jidanda admirably!

**[20:03]** ---

Sir lou...

**[20:04]** ---

Then you'll let me have Jidanda?!

**[20:07]** ---

No!

**[20:09]** ---

Huh?

**[20:10]** ---

I found a few adjustments  
that need to be made.

**[20:13]** ---

Shoseki, let's get started.

**[20:15]** ---

Please give it back.

**[20:18]** ---

Huh?!

**[20:20]** ---

You can't do that.

**[20:22]** ---

You are quite adept with ninja tools.

**[20:25]** ---

Take all the first-rate weapons  
you want.

**[20:30]** ---

Mission complete, Tenten.

**[20:33]** ---

Don't be so disappointed!

**[20:35]** ---

You were so cool, Captain.

**[20:39]** ---

You two...

**[20:42]** ---

Oh well!

**[20:50]** ---

Shall we get going?

**[20:52] ---**

Huh? Okay.

**[20:56] ---**

I hope they're done making  
adjustments on Jidanda!

**[22:37] ---**

So this is Training Ground Zero.

**[22:39] ---**

Let's hurry up and  
catch that ostrich!

**[22:42] ---**

The way I figure...

**[22:43] ---**

No matter whom we're up against,  
I'll beat them!

**[22:46] ---**

By the way,  
have you three teamed up before?

**[22:49] ---**

Umm... Nope!

**[22:51] ---**

I'm really not sure about this.

**[22:53] ---**

But in any case,  
let's start our mission!

**[22:56] ---**

Next time on Naruto Shippuden:  
"Animal District"

**[23:01] ---**

What the hell are these guys?!

**[23:05] ---**

Tune in again!
