[02:50] ---

The Forgotten Island

[02:57] ---

We'll be repairing the ship.

[02:59] ---

Thank you.

[03:02] ---

Is Bushy Brow Sensei
really here?

[03:05] ---

The bird flew off
in this direction.

[03:07] ---

I think it's safe to conclude that
its nest is around here.

[03:09] ---

But...is there a chance that
Bushy Brow Sensei has been eaten?

[03:14] ---

No matter how seasick and weak he is,
he wouldn't let a bird eat him.

[03:18] ---

Well, I'll use Sage Mode
and see if I can find him.

[03:22] ---

Hold it, Naruto.

[03:24] ---

We don't know
what kind of island this is.

[03:26] ---

Let's keep our secret weapons
in reserve.

[03:29] ---

Look, over there.

[03:33] ---

There's a native islander!
I'll go talk to her.

[03:38] ---

Are we gonna wait
until he returns?

[03:40] ---

No.

[03:42] ---

Let's search in another direction.

[03:50] ---

Wait!

[03:52] ---

I'm not anyone suspicious!

[04:24] ---

Wait!

[04:51] ---

Rasengan!

[05:12] ---

That's a humongous spider.

[05:16] ---

It's coming.

[05:17] ---

Right!

[05:19] ---

Shadow Clone Jutsu!

[05:25] ---

- It's huge!
- It's huge!

[05:30] ---

Wood Style!

[05:54] ---

I've battled a giant serpent
like this before.

[05:57] ---

Yeah. It's just like
Orochimaru's Summons.

[06:13] ---

That bird!

[06:14] ---

It's the one that took Guy!

[06:17] ---

Stop!

[06:26] ---

Hey you,
can I ask you something?

[06:29] ---

Have you seen my friend?

[07:02] ---

We're looking for our friend
who got separated from us.

[07:05] ---

I'd like to ask you
some questions.

[07:09] ---

And ask about you as well.

[07:20] ---

What is this?

[07:23] ---

"Investigation into Summoning:
Improvements as Well as Creation."

[07:29] ---

Creation?

[07:35] ---

"This is a Summoning Island."

[07:37] ---

"Many life forms reside here that
are useful to shinobi for summoning."

[07:43] ---

"At first, research was
our only purpose."

[07:46] ---

"But to satisfy requests from
shinobi for Summoning Animals,"

[07:49] ---

"we set out to capture them."

[07:52] ---

"In the midst of
increasing demand,"

[07:55] ---

"it was decided to begin improving
the Summoning Animals."

[07:58] ---

"Through crossbreeding,"

[08:00] ---

"new species of Summoning Animals
will also be created."

[08:03] ---

"The demand from shinobi
is increasing."

[08:05] ---

"Is there an Ultimate
Summoning Animal?"

[08:08] ---

"If not, we will just
have to create one."

[08:20] ---

"The problem is how to
suppress the ultimate animal."

[08:23] ---

"To control it, a special
Sealing Jutsu is necessary."

[08:28] ---

"Or perhaps something else
that is unique like a Jinchuriki."

[08:32] ---

"It would be perfect if a survivor
of that village could be found."

[08:39] ---

Jinchuriki?

[08:41] ---

What is this island?

[08:46] ---

Hey!

[08:51] ---

Ready? Let's go.

[08:53] ---

Right!

[08:58] ---

Yes, that's right!

[09:04] ---

Raise your legs higher!

[09:07] ---

- What?

- What?

[09:10] ---

Bushy Brow Sensei?

[09:12] ---

You guys!

[09:14] ---

Hey, stop that, you guys!

I know! I know!

[09:17] ---

What's going on?

[09:19] ---

Well, it seems...

[09:21] ---

Hey! Stop, stop!

[09:23] ---

I've been brought here

to babysit them.

[09:26] ---

Babysit?

[09:27] ---

What? That's ridiculous.

[09:29] ---

I'm not in any danger
of being eaten.

[09:31] ---

I'm just here playing
with these chicks.

[09:35] ---

By the way, where are we?

[09:37] ---

Well, we have no idea either.

[09:40] ---

We came chasing after you,
Bushy Brow Sensei.

[09:54] ---

Say, why did you
bring me here?

[09:58] ---

If you want a babysitter,
find someone else.

[10:00] ---

I'm in the midst of a mission.
I must go.

[10:10] ---

What?

You want me to get on?

[10:14] ---

Yes! All right.

[10:15] ---

Guy!

[10:18] ---

We won't learn anything
by staying here.

[10:20] ---

You two come along!

[10:41] ---

You...

[10:54] ---

This is...

[11:03] ---

Hey, is this the Ultimate
Summoning Animal?

[11:10] ---

Then I'll ask it directly.

[11:25] ---

Whoa, what are they?!

[11:27] ---

Does it plan to land there?

[11:36] ---

Shoo, shoo!

[11:38] ---

Inside here?

[11:41] ---

This is a volcano! A volcano!

[11:49] ---

What the heck is that voice?

[11:53] ---

Wood Style!

[12:00] ---

Let's go and see!

[12:01] ---

Right!

[12:03] ---

We're going?!

[12:13] ---

Hey, stay away!

[12:15] ---

Ignore them.

[12:16] ---

They're not showing signs
that they want to attack us.

[12:29] ---

No way...

[12:30] ---

It was eating them?
The other animals...

[12:34] ---

The Summoning Animals
of this island?

[12:38] ---

It's not working.
We can't control it.

[12:40] ---

Honoka! The seal!
Hurry and seal it!

[12:45] ---

Honoka! Do something
to make it stop!

[12:57] ---

I can't. I can't suppress it.

[13:02] ---

Help... Someone, help me!

[13:10] ---

This thing ate everything in sight,
and then went to sleep.

[13:14] ---

Now it's a chrysalis
waiting to mature.

[13:26] ---

Then that means you're...

[13:28] ---

Aoba!

[13:30] ---

Guy! You're alive.

[13:32] ---

Never mind that.
What is this place?

[13:34] ---

It seems to be a research facility to
create Ultimate Summoning Animals.

[13:39] ---

And the result of the research...

[13:43] ---

What is this?

[13:44] ---

I'm not sure where
these shinobi were from,

[13:47] ---

but they were conducting research
on Summoning Animals.

[13:51] ---

And it seems they've created
the Ultimate Summoning Animal

[13:53] ---

that feeds on other animals and
assimilates their abilities into its own.

[13:57] ---

What? This thing is alive?

[14:00] ---

Probably...

[14:01] ---

Furthermore, it swallowed up
the researchers

[14:04] ---

and is trying to further evolve.

[14:06] ---

Th-Those guys...

[14:12] ---

What's happening?!

[14:13] ---

Is it about to be born?

[14:45] ---

So this is the Ultimate
Summoning Animal?

[14:48] ---

Well, it just looks like
a giant greedy monster to me.

[14:52] ---

What will we do? Anyone want to try
entering into a contract with it?

[14:54] ---

It's in no mood for that!

[14:58] ---

It's coming!

[15:12] ---

Damn!

[15:15] ---

Spider thread?

[15:17] ---

It assimilated the abilities of
that spider it devoured earlier.

[15:23] ---

It's hungry?

[15:25] ---

It's starving.

[15:26] ---

No matter how much it eats,
it still feels hungry.

[15:29] ---

All it knows is a desire
to eat everything in sight.

[15:32] ---

In other words, it's a failure
of a Summoning Animal.

[15:35] ---

However, it was created specifically
for use against shinobi.

[15:38] ---

Don't let your guard down!

[15:39] ---

Wood Style!

[15:43] ---

Right on, Captain Yamato!

[15:56] ---

It sucked out my chakra!

[15:57] ---

So that's what "created specifically for use against shinobi" means.

[16:01] ---

I'll pulverize it with my Sage Mode!

[16:08] ---

Naruto's Sage Mode requires time to absorb Nature Energy.

[16:12] ---

Let's cover him!

[16:14] ---

Eight Inner Gates!
Fifth Gate!

[16:17] ---

Open!

[16:23] ---

I can do this!

[16:29] ---

It's using genjutsu!

[16:39] ---

Hang in there, Guy!

[16:41] ---

That was an embarrassing defeat!

[16:42] ---

Naruto! It's genjutsu!

[16:46] ---

I can't believe that thing can use genjutsu!

[17:03] ---

Lightning Style?!

[17:05] ---

It uses ninjutsu too.

[17:07] ---

We don't know what other abilities it has up its sleeve!

[17:10] ---

Lava!

[17:12] ---

There...by the back entrance!

[17:14] ---

I see.

[17:15] ---

If we can drop that thing into the lava, it's over.

[17:22] ---

Wood Style: Domed Wall!

[17:26] ---

Naruto, go into Sage Mode!

[17:34] ---

All right, here I go!

[17:44] ---

Severe Leaf Hurricanes!

[17:52] ---

How was that?!

[18:06] ---

Wings?!

[18:18] ---

I won't let you escape!

[18:29] ---

Is it trying to run away?!

[18:31] ---

If we let something
like that loose...

[18:48] ---

What's going on?

[18:50] ---

Are they trying to avenge
the others who were eaten?

[18:54] ---

Watch out! Get back!

[18:58] ---

I knew it, so you really are...

[19:06] ---

Aoba! Why won't you stop her?

[19:11] ---

Because that is just an embodiment
of her thoughts that were left behind.

[19:47] ---

Naruto! Now!

[19:49] ---

Wind Style: Rasen Shuriken!

[20:35] ---

Thank you.

[22:37] ---

To think that I could
fall asleep while training!

[22:40] ---

It just shows that
I lack vigilance!

[22:42] ---

I have to become
strong like Naruto.

[22:43] ---

No! I have to become
stronger than Naruto!

[22:47] ---

But if I could be strong like
how I was in that dream...

[22:51] ---

Guy Sensei! It might time
to undergo that training!

[22:56] ---

Next time on Naruto Shippuden:
"Fight! Rock Lee!"

[23:05] ---

Tune in again!
