**[00:03]** ---

Playing with those building blocks,

**[00:05]** ---

it's a given I was able to complete it,  
at my level now.

**[00:08]** ---

You're expected to do  
something like that.

**[00:10]** ---

The next one won't be easy,  
that's a fact.

**[00:14]** ---

Oh... So this is connected to that room  
where I scrambled with Nine Tails.

**[00:19]** ---

Take a good look.

**[00:21]** ---

This time,  
it's a statue of the Eight Tails.

**[00:23]** ---

This is a drag every time!

**[00:27]** ---

Here's the entrance to another room.

**[00:30]** ---

For the final Tailed Beast training!

**[00:33]** ---

Now stop complaining!

**[00:40]** ---

I'm gonna teach you  
the most powerful jutsu for a Jinchuriki.

**[00:44]** ---

What do you say?  
Preparations okay?

**[00:47]** ---

Right! I have to know how

to control stuff.

**[00:51]** ---

So? What do I do first?

**[00:54]** ---

Transform into a Tailed Beast  
in Tailed Beast mode!

**[00:56]** ---

This is number one.  
Now it's your turn!

**[01:00]** ---

Hurry and get it done.

**[01:02]** ---

Isn't that dangerous?

**[01:04]** ---

Transforming into a Tailed Beast  
is sorta scary.

**[01:07]** ---

You can do it now, fool, ya fool.

**[01:11]** ---

'Cuz you can draw out  
pure Tailed Beast chakra.

**[01:14]** ---

It's not gonna run wild, ya fool!

**[01:17]** ---

Well then...

**[01:21]** ---

Visualize your Tailed Beast, ya fool!

**[01:37]** ---

Can't, huh? Too bad.

**[01:40]** ---

Well, it's not like you're pals  
with the Nine Tails...

**[01:43]** ---

Anyway, Tailed Beast Transformation  
is a dismal failure.

**[01:46]** ---

*So how are you going to teach him  
the Tailed Beast Bomb?*

**[01:49]** ---

*That's the first trick  
a Jinchuriki can use*

**[01:51]** ---

*after going into Tailed Beast State, Bee.*

**[01:56]** ---

Man, I'm dead tired.

**[01:58]** ---

So I used the Nine-Tails' chakra

all for nothing?

**[02:02]** ---

*By the way...shouldn't you tell him that  
this Tailed Beast mode is risky?*

**[02:07]** ---

*Bee, the risk for you and Naruto  
is fundamentally different.*

**[02:11]** ---

*Look, I'll explain. Let me out.*

**[02:14]** ---

I hand over the baton  
for the mumble jumble

**[02:17]** ---

Saves me from the verbal fumble...

**[02:19]** ---

Hey! Naruto!

**[02:20]** ---

I'm the Eight Tails, not Bee.

**[02:23]** ---

Now listen carefully  
to what I tell you!

**[02:25]** ---

Man, this is so complicated.

**[02:28]** ---

But you don't talk in rhymes,  
so it's easier to understand.

**[02:32]** ---

First, I'll go over the risk when you switch  
to Tailed Beast chakra mode.

**[02:36]** ---

Risk?

**[02:38]** ---

There's a risk to this mode?!

**[02:40]** ---

Big time!

**[02:42]** ---

It's very important,  
so be quiet and listen.

**[02:45]** ---

Y-Yeah...

**[04:19]** ---

*Secrets of the Reanimation Jutsu*

**[04:23]** ---

The risk when you switch to  
Tailed Beast chakra mode...

**[04:26]** ---

That's...!

**[04:27]** ---

Yes?

**[04:29]** ---

NARUTO

NINE-TAILS' CHAKRA

OWN CHAKRA

Basically, when you're in  
Tailed Beast chakra mode,

**[04:32]** ---

NARUTO

NINE-TAILS' CHAKRA

OWN CHAKRA

your own personal Naruto chakra is  
being taken by the Nine Tails!

**[04:36]** ---

Because you momentarily  
shelve your own chakra

**[04:39]** ---

in order to use the Nine Tails' chakra.

**[04:42]** ---

OWN CHAKRA

So of course, if your own chakra  
is emptied out completely...

**[04:45]** ---

ZERO

you're a goner.

**[04:49]** ---

Huh?! But how come  
Mr. Eight Tails is okay?!

**[04:54]** ---

Even if you take over  
the Nine Tails' chakra,

**[04:57]** ---

you haven't really tamed him.

**[05:00]** ---

Bee and I were like that in the past.

**[05:03]** ---

We competed for each other's chakra.

**[05:05]** ---

Oh and, you shouldn't  
use Shadow Clones

**[05:08]** ---

when you're in  
Tailed Beast chakra mode.

**[05:11]** ---

Shadow Clones made from  
your own chakra will be taken.

**[05:15]** ---

They'll be gone in an instant,  
and you'll die.

**[05:19]** ---

But my chakra takes the Nine Tails' chakra  
that's been leaking

**[05:22]** ---

and reconstitutes it or whatever...  
so I have lots.

**[05:25]** ---

Fool! Don't underestimate  
the Nine Tails!

**[05:28]** ---

He'll wipe out your chakra!

**[05:31]** ---

Restoring your stolen  
chakra takes time!

**[05:36]** ---

So be careful!

**[05:37]** ---

If you get carried away and  
use only the Nine Tails' chakra in battle,

**[05:41]** ---

you'll end up dead.

**[05:43]** ---

W-Wha...?

**[05:44]** ---

By rights, you and the Tailed Beast should  
negotiate how you both use chakra.

**[05:49]** ---

But Nine Tails isn't the type to do that.

**[05:54]** ---

Also, there's a limit to the chakra  
you managed to tug out of the Nine Tails.

**[05:59]** ---

So much risk...

**[06:01]** ---

And yet, I can't use  
a Jinchuriki's ultimate jutsu?

**[06:05]** ---

Well, forget about

Tailed Beast Bomb.

**[06:08]** ---

You should just concentrate on  
polishing up your special moves.

**[06:12]** ---

Tailed Beast Bomb?  
What kind of jutsu is that?

**[06:16]** ---

Oh, it's simple.

**[06:17]** ---

You take your chakra and  
change its form...

**[06:20]** ---

gather it up and compress it...

**[06:22]** ---

Then just spew it out.

**[06:30]** ---

*Like that time...*

**[06:33]** ---

It's almost like vomiting.

**[06:40]** ---

I wanna try it in this mode!

**[06:44]** ---

*Like this?!*

**[06:49]** ---

It's impossible without  
Tailed Beast Transformation.

**[06:51]** ---

Anyway, I've explained it all to you.

**[06:54]** ---

I'm gonna switch with Bee.

**[06:56]** ---

Oh well, too bad.  
It can't be helped.

**[06:59]** ---

You just have to do your special move  
in Tailed Beast chakra mode, is all...

**[07:05]** ---

Rasengan requires Shadow Clone Jutsu,  
so it's not suited to this mode.

**[07:10]** ---

Chakra release and rotation...

**[07:13]** ---

plus change in chakra form  
and compression...

**[07:15]** ---

That's a two-person move.

**[07:17]** ---

Tailed Beast chakra...

**[07:18]** ---

Your own hands and feet,  
that's the sensation.

**[07:20]** ---

And the real ones, are just an illusion.

**[07:23]** ---

I see...

**[07:26]** ---

Maybe like this?

**[07:28]** ---

Not bad at all.

**[07:30]** ---

Try that special move of yours.  
That move you already have.

**[07:35]** ---

All right!

**[07:36]** ---

Rasengan!

**[07:43]** ---

Huh?!

**[07:45]** ---

*This is...!*

**[07:46]** ---

*Change in chakra form with  
rotation and compression...*

**[07:51]** ---

*That jutsu!*

**[07:52]** ---

*It's exactly like the Tailed Beast Bomb,  
fool, ya fool!*

**[07:58]** ---

Hey! Naruto!

**[08:00]** ---

Who taught you that jutsu,  
ya dimwit?!

**[08:03]** ---

Huh?! Well, it was Pervy Sage...

**[08:07]** ---

I mean, Jiraiya Sensei.

**[08:10]** ---

But the Fourth Hokage invented it.

**[08:15]** ---

*Fourth Hokage...?*

**[08:17]** ---

*What a coincidence.*

*Or maybe fate?*

**[08:20]** ---

*Truly not a shame!*

**[08:21]** ---

Rasengan!

**[08:23]** ---

The method is exactly the same  
as Tailed Beast Bomb.

**[08:25]** ---

It's exactly the same!

**[08:26]** ---

Created with  
the Tailed Beast Bomb in mind!

**[08:30]** ---

That's the Rasengan!

**[08:33]** ---

It's like he entrusted you with  
the Tailed Beast Bomb.

**[08:36]** ---

You couldn't have been luckier.

**[08:40]** ---

It's easy when you're in  
Tailed Beast mode.

**[08:42]** ---

Change in Chakra Form as  
a human is impossible.

**[08:46]** ---

If you add rotation,  
it makes it more plausible.

**[08:50]** ---

Yeah, but...

**[08:52]** ---

I can't do it as well as  
my usual Rasengan.

**[08:55]** ---

Tailed Beast chakra is  
a combination of

**[08:58]** ---

positive blue chakra and  
negative red chakra.

**[09:01]** ---

Their ratio is key.

**[09:18]** ---

During compression, if you change  
the red to blue ratio to 2:8,

**[09:21]** ---

it will become a ball!

**[09:24]** ---

Try it!

**[09:26]** ---

Okay!

**[09:38]** ---

You haven't got it yet.

**[09:40]** ---

Your red is at 9.5 and blue is 0.5!

**[09:44]** ---

It looks easy, but it's hard.

**[09:47]** ---

All of a sudden,  
there's talk of positive and negative,

**[09:49]** ---

red and blue chakra, and numbers...

**[09:51]** ---

I don't understand this stuff!

**[09:54]** ---

Besides, this Rasengan is heavy.

**[09:56]** ---

I have to use both hands  
or it'll break apart.

**[09:59]** ---

I can't be bothered with  
all those details.

**[10:02]** ---

I'm the type that learns  
by doing things.

**[10:06]** ---

So as for this Tailed Beast Rasengan,

**[10:08]** ---

I'm gonna keep doing it  
and doing it...

**[10:12]** ---

Until I get it right!

**[10:16]** ---

It's impossible in human form...  
it's a tougher toil.

**[10:19]** ---

Rest a bit.

**[10:21]** ---

The wounds on your hands  
are a type of jutsu recoil.

**[10:25]** ---

I told you, I can't worry  
about the details.

**[10:32]** ---

Octopops, you said the ratio  
should be 8:2.

**[10:35]** ---

Keep watching me and  
tell me when I get it...

**[10:37]** ---

I want to remember  
what that feels like!

**[10:40]** ---

You sure are a persistent guy.

**[10:41]** ---

Very well.

I take back what I said.

**[10:51]** ---

Looks like that woman is still alive.

**[10:55]** ---

Lord Orochimaru's Curse Mark  
has adapted to this woman...

**[10:58]** ---

His chakra flows through her body now.

**[11:02]** ---

She can't be killed yet.

**[11:04]** ---

No, get rid of her now.

**[11:07]** ---

This woman knows where  
the real entrance to our hideout is.

**[11:12]** ---

I need to extract Lord Orochimaru's chakra  
while she is alive

**[11:15]** ---

and collect it.

**[11:19]** ---

You might as well call  
my body Lord Orochimaru's.

**[11:23]** ---

It's crucial in order to increase  
my own strength.

**[11:27]** ---

Then my power to bind  
the Reanimation Jutsu will increase.

**[11:32]** ---

And another crucial thing is...

**[11:36]** ---

This jutsu requires a live human body.

**[11:39]** ---

That is why this woman is

being kept alive.

**[11:43]** ---

Increasing our battle strength...

**[11:45]** ---

Doesn't that further your cause?

Or am I wrong?

**[11:49]** ---

Today's friend is tomorrow's foe.

That may be so.

**[11:53]** ---

Your benefit could turn into

my disadvantage.

**[11:57]** ---

You still don't trust me, do you?

**[12:00]** ---

What do you want from me?

**[12:02]** ---

Prove to me right now

**[12:04]** ---

that the Reanimation Jutsu  
really requires living bodies.

**[12:08]** ---

And...tell me all of its secrets.

**[12:13]** ---

Including how to stop it!

**[12:17]** ---

And if I refuse?

**[12:19]** ---

You will never acquire what  
you desire and

**[12:22]** ---

what you desire will become  
something else...

**[12:25]** ---

It will be your life!

**[12:28]** ---

*It's not wise to take on someone  
who uses Rinnegan right now.*

**[12:31]** ---

*Well, I still have a hand to play.*

**[12:34]** ---

*No need to rush it.*

**[12:36]** ---

Fine...

**[12:37]** ---

But I don't have any sacrifices here.

**[12:42]** ---

As I said,  
this woman cannot be used.

**[12:51]** ---

Those people are...?

**[12:55]** ---

Danzo's dogs.

**[12:58]** ---

They've been under  
a Sharingan-based genjutsu

**[13:00]** ---

from the time of their capture.

**[13:06]** ---

You don't go easy, do you?

**[13:08]** ---

All right, I got things ready for you.

**[13:11]** ---

I killed this one.

**[13:13]** ---

Now use this other one and  
do the Reanimation Jutsu.

**[13:40]** ---

Let me say this first.

**[13:41]** ---

This is categorized as  
a type of Summoning Jutsu.

**[13:46]** ---

I summon the soul of the dead person  
from the afterlife to this plane.

**[13:52]** ---

To achieve that, I need a portion  
of the one I want to revive.

**[13:58]** ---

A fixed portion of flesh.

**[14:01]** ---

A portion that contains  
personal identification material.

**[14:04]** ---

Without it, the Reanimation Jutsu  
will not work.

**[14:07]** ---

Furthermore, if the soul is  
not in the afterlife...

**[14:10]** ---

Namely, if the soul has been  
sealed somewhere else,

**[14:14]** ---

they cannot be revived.

**[14:18]** ---

In the past,

**[14:19]** ---

Lord Orochimaru tried to bring back  
the Fourth Hokage and failed.

**[14:23]** ---

That was because the god of death  
had already taken the Hokage's soul

**[14:26]** ---

with the sealing jutsu,  
the Reaper Deal Seal.

**[14:29]** ---

And the Third Hokage also  
used the same jutsu

**[14:32]** ---

during the destruction of  
Hidden Leaf Village.

**[14:54]** ---

The First and Second Hokage  
were taken along too...

**[14:58]** ---

So that means...

**[15:00]** ---

Reanimation Jutsu can't be used  
on the First through Fourth Hokage?

**[15:04]** ---

That's right...

**[15:07]** ---

I've brought many back to life...

**[15:09]** ---

But it wasn't easy to harvest  
their personal information material.

**[15:14]** ---

It's basically just grave robbing.

**[15:19]** ---

It's hard to identify decaying bodies...

**[15:22]** ---

I had a lot of failures.

**[15:25]** ---

So this is the jutsu formula?

**[15:42]** ---

This is how you turn a living person  
into a vessel for the dead one's soul.

**[15:47]** ---

Then the Reanimation Jutsu  
is complete.

**[15:53]** ---

Th-This is...?!

**[15:55]** ---

You can call this jutsu

**[15:58]** ---

the most powerful jutsu  
in the shinobi world.

**[16:01]** ---

The Second Hokage devised it and  
Lord Orochimaru perfected it.

**[16:04]** ---

It's their greatest legacy  
to the world!

**[16:11]** ---

I control his personality with this tag.

**[16:15]** ---

And once I assign his orders...

**[16:17]** ---

All the abilities he had in life will  
be restored to this decaying man.

**[16:21]** ---

And he will become my puppet who  
obeys my orders and cannot die.

**[16:26]** ---

Naturally, even rare abilities like  
the Rinnegan of the Six Paths

**[16:29]** ---

and Itachi's Sharigan.

**[16:32]** ---

But I could not find  
Shisui Uchiha's body anywhere.

**[16:39]** ---

Jiraiya's body is deep in the ocean

**[16:41]** ---

where the pressure is too strong  
for anyone to venture in.

**[16:43]** ---

As for weapons like Danzo's right eye  
and Pain of the Six Paths,

**[16:47]** ---

I don't have all the materials  
with their personal information.

**[16:50]** ---

Don't get carried away.

**[16:52]** ---

Well, no matter.

**[16:54]** ---

We have more than enough pawns.

**[16:57]** ---

A jutsu this ideal has to have risks.

**[17:03]** ---

The most amazing thing  
about this jutsu is that...

**[17:05]** ---

there is no risk for the jutsu user.

**[17:08]** ---

What?

**[17:10]** ---

It's true.

**[17:12]** ---

The Reanimation Jutsu has no risk.  
Well, it does have one.

**[17:19]** ---

Because it is such  
an amazing, powerful jutsu,

**[17:21]** ---

the name of its wielder will spread  
to every corner of the world.

**[17:25]** ---

In name, I will be more famous  
than Madara Uchiha.

**[17:29]** ---

But an academic like me  
has no desire for fame.

**[17:33]** ---

I'll just become a target.

**[17:35]** ---

Don't get ahead of yourself!

**[17:37]** ---

There is a reaction to every action.

**[17:40]** ---

Stay focused.

**[17:43]** ---

I appreciate your advice.

**[17:45]** ---

If this jutsu has a risk,

**[17:47]** ---

it's that I've given you information  
about it.

**[17:57]** ---

Well, I must be going.

**[17:59]** ---

Academics are better suited  
to be in gloomy places.

**[18:03]** ---

Hold it!

**[18:04]** ---

You didn't tell me how to stop  
the Reanimation Jutsu yet.

**[18:08]** ---

Oh! That's right.

**[18:10]** ---

I almost forgot.

**[18:12]** ---

Killing the jutsu user  
won't stop this jutsu.

**[18:15]** ---

So what do you do?

**[18:19]** ---

It's quite easy really.

**[18:21]** ---

You manipulate me, the one  
who controls the Reanimation Jutsu...

**[18:24]** ---

into breaking the jutsu by weaving  
the signs...dog, horse and tiger.

**[18:27]** ---

With your Sharingan, for instance.

**[18:30]** ---

Otherwise, you can seal away

**[18:32]** ---

the souls of those under  
the Reanimation Jutsu.

**[18:35]** ---

That's fine and good, if it's true.

**[18:37]** ---

I'm not brave enough to lie to you.

**[18:43]** ---

Anyway, this conversation is over.

**[18:45]** ---

I've told you how to stop it.

**[18:47]** ---

I'm going.

**[18:50]** ---

*As long as I have that other jutsu  
along with the Reanimation Jutsu,*

**[18:54]** ---

*I am invincible.*

**[18:56]** ---

*In time, I will unravel the truth  
of the Sage of Six Paths.*

**[19:03]** ---

Is White Zetsu's spore tailing him?

**[19:06]** ---

Of course.

**[19:08]** ---

Then Black Zetsu, you can start preparations for that other thing.

**[19:13]** ---

Understood.

**[19:18]** ---

I would have missed this without Muta Aburame's intel.

**[19:25]** ---

A large army is approaching underground!

**[19:27]** ---

We're going to widen our scope!

**[19:29]** ---

They're going to try to pass right under us!

**[19:33]** ---

Are they planning to take the rear of the Allied Force?

**[19:36]** ---

Use Earth Style and dig them up!

**[19:38]** ---

Notify Kitsuchi immediately.

**[19:41]** ---

Intel Unit!

**[19:42]** ---

Get word about it to Kitsuchi immediately!

**[19:45]** ---

**[19:46]** ---

INTEL UNIT SQUAD 1

It's coming!

**[19:47]** ---

All right!

**[19:51]** ---

New intel.

INTEL UNIT SQUAD 2

**[19:52]** ---

Finally.

INTEL UNIT SQUAD 2

**[19:53]** ---

MAIN BATTLE REGIMENT,  
SECOND COMPANY CAPTAIN KITSUCHI

**[19:54]** ---

Enemy, roughly 20,000.  
Coordinates: 25 by 30, underground!

MAIN BATTLE REGIMENT,  
SECOND COMPANY CAPTAIN KITSUCHI

**[19:58]** ---

So that's how they're coming.

**[20:06]** ---

Reinforcements...

**[20:09]** ---

The Reanimation Jutsu...

**[20:11]** ---

It's more refined than the one  
the Second Hokage Tobirama used.

**[20:17]** ---

To control this many souls  
at one time...

**[20:20]** ---

It's quite a feat.

**[20:30]** ---

Kiba! Shino!

**[20:32]** ---

That was fast, Kiba.

**[20:34]** ---

I was told to join you here!

**[20:36]** ---

Is the enemy near?

**[20:44]** ---

- Earth Style! Erupt!  
- Earth Style! Erupt!

**[22:37]** ---

So this is neither  
heaven nor hell.

**[22:41]** ---

You shouldn't be here...

**[22:45]** ---

Mister Kakashi,  
please stop us again!

**[22:48]** ---

I'm already dead. I died human!

**[22:53]** ---

Next time on Naruto Shippuden:  
"An Old Nemesis Returns"

**[22:58]** ---

Yeah, I know.

AN OLD NEMESIS RETURNS

**[23:00]** ---

AN OLD NEMESIS RETURNS

**[23:05]** ---

Tune in again!
