[00:39] ---

Hey!

[00:40] ---

Neji, are you all right?!

[00:41] ---

Yeah...

[00:44] ---

I'm okay.

[00:45] ---

Don't overdo it.

[00:47] ---

Your eyes aren't the only things
that can track the enemy.

[00:50] ---

I have my nose.

[00:52] ---

Leave this to me and

[00:53] ---

get yourself checked out
by the Medical Corps.

[00:57] ---

There's a medic tent in the rear center
of every company.

[01:01] ---

The coordinates are...

[01:14] ---

How much did you know
about the Akatsuki?

[01:19] ---

I thought I knew more
than you did, but...

[01:23] ---

Ultimately, we're both shinobi
who were used.

[01:31] ---

Thanks to our powerful
Visual Prowess.

[01:38] ---

This time too...

The user of this jutsu is using us.

[01:43] ---

Pain...

[01:45] ---

With your Six Path's Rinnegan
and my Mangekyo Sharingan...

[01:50] ---

we could do anything.

[01:57] ---

The jutsu user intends to
take advantage

[01:59] ---

of my genjutsu power
when the time is right.

[02:03] ---

Itachi, you have always been wrapped
in darkness,

[02:08] ---

even when you were
part of the Akatsuki.

[03:46] ---

Medic Ninja in Danger

[04:01] ---

I need two Jonin Medics
over here, please!

[04:04] ---

We have to resuscitate now!

[04:06] ---

Quickly!

[04:07] ---

- Right!

- Right!

[04:11] ---

Are you sure you can
carry this much?

[04:21] ---

Halt, please!

[04:23] ---

Under orders from HQ,

[04:25] ---

we Sensory-type shinobi will

have to verify your chakra!

[04:30] ---

We will not allow you to pass
until this is done!

[04:32] ---

Sure, I understand.

[04:35] ---

Hurry and get it over with.

[04:38] ---

I'll bandage it...

[04:40] ---

Okay...

[04:42] ---

That should do it.

[04:44] ---

Thank you...

[04:46] ---

Take care.

[04:50] ---

Okay, next please.

[04:54] ---

Neji!

[05:06] ---

I've taken care of all
your external wounds.

[05:10] ---

Thanks.

[05:12] ---

Please get some rest,
while you can.

[05:15] ---

Especially your eyes!

[05:16] ---

You shouldn't overuse them.

[05:19] ---

That's easier said than done.

[05:21] ---

My job is to discern things
faster than anyone,

[05:25] ---

and notify HQ, in order to improve
our chances in battle.

[05:30] ---

To do that, I have to put
my eyes to work.

[05:33] ---

I know that.

[05:35] ---

But while you're here...

[05:39] ---

Thanks.

[05:54] ---

All right, the next tents on
our rounds are F5 through G3.

[06:05] ---

Is something the matter?

[06:06] ---

If you're still in pain...

[06:23] ---

B-Bad news! Toyosa, Takemaru,
and Hino are dead.

[06:27] ---

Someone has assassinated them!

[06:28] ---

What?!

[06:33] ---

What's going on?

[06:35] ---

A spy has infiltrated us.

[06:38] ---

They're targeting Jonin Medics.

[06:43] ---

But how?

[06:45] ---

In order to get here,

[06:47] ---

everyone's chakra undergoes
strict verification.

[06:51] ---

It's impossible with a simple
Transformation Jutsu.

[06:54] ---

And you cannot get through here

[06:55] ---

unless you're a shinobi of
the Allied Forces.

[06:58] ---

Which means...

[06:59] ---

that an Allied shinobi is being
manipulated by a jutsu.

[07:02] ---

It's highly probable.

[07:04] ---

It's a formidable jutsu.

[07:07] ---

What happened here?

[07:09] ---

Neji...

[07:17] ---

I see...

[07:19] ---

If there are only

Allied Force shinobi here,

[07:22] ---

they'll be hard to distinguish.

[07:24] ---

We can't tell who the suspect is.

[07:27] ---

We're all standing

around right now,

[07:30] ---

and it could be any one of us.

[07:32] ---

And this is sure to breed

suspicion among us.

[07:36] ---

That's what the enemy

is hoping for.

[07:39] ---

We Medical Ninja are critical for

our battle strategy to succeed.

[07:43] ---

There's no way you can confront

[07:46] ---

the undead from the Reanimation Jutsu

without our back up.

[07:52] ---

If we're paralyzed now...

[07:54] ---

It will ruin our chances in the battle,

that starts at dawn.

[07:57] ---

I'll find the killer with

my own eyes!

[08:10] ---

In any case,

no matter what happens,

[08:12] ---

we cannot ignore the wounded.

[08:14] ---

We'll continue our treatment.

[08:17] ---

But we must be extra careful.

[08:20] ---

Especially the Jonin Medics.

[08:42] ---

Now then...

[08:44] ---

I-It's time to go on rounds.

[08:47] ---

Y-Yeah...

[08:56] ---

W-Where did I...first meet you?

[09:02] ---

Huh?!

[09:06] ---

No... Listen, it's not like
I'm suspicious of you.

[09:10] ---

Of course not.

[09:12] ---

It's just...just...

[09:13] ---

You are suspicious of me!

[09:23] ---

Oh, it's you.

[09:25] ---

Don't scare us like that.

[09:27] ---

Say, have you seen
Sakura Haruno?

[09:30] ---

Is something wrong?

[09:32] ---

I got suspicious about someone.

[09:35] ---

I was tailing him, but lost him...

[09:38] ---

Thinking back, I get the feeling that
he was hanging around Sakura.

[09:43] ---

Sakura is in Tent 3.

[09:45] ---

What does this suspicious guy
look like?

[09:50] ---

Well...

[10:01] ---

I could've sworn...

[10:19] ---

Well, it's me.

[10:21] ---

Oh! It's you.

[10:23] ---

Is your wound still bothering you?

[10:25] ---

Oh, no... It's fine.

[10:32] ---

A-Actually, ever since you treated me...

[10:37] ---

I haven't been able to
stop thinking about you.

[10:47] ---

What is this?

[10:48] ---

I-It's...what they call a "love letter."

[10:51] ---

When I go into battle again,

[10:54] ---

there's no guarantee that
I'll come back alive.

[10:57] ---

So...

[11:00] ---

Thank you.

[11:02] ---

But...I'm already in love
with someone.

[11:06] ---

Oh, I see...

[11:15] ---

I guess he's probably...a Leaf.

[11:19] ---

Well, a rejected man has no right
to pry into who you love.

[11:28] ---

I understand. I'll go now.

[11:32] ---

I'm sorry...

[11:35] ---

I hope it all works out.

[11:37] ---

If you love him...

[11:40] ---

he must be a great man.

[12:21] ---

What's going on?

[12:23] ---

Why is the jutsu user
going through such pains

[12:25] ---

to prevent us from
encountering the enemy?

[12:28] ---

He's not going to use
your genjutsu, after all?

[12:32] ---

It's night. Stalemate.

[12:36] ---

Before he uses us to
break the silence,

[12:41] ---

Madara has something up
his sleeve.

[12:44] ---

This Reanimation is the jutsu
of Madara's new ally.

[12:50] ---

It did not figure into
Madara's original plans.

[12:54] ---

Is that it?

[12:56] ---

Probably.

[13:13] ---

You all right?

[13:14] ---

Neji...

[13:17] ---

It's easy to get discouraged.

[13:20] ---

We don't even know
who we're fighting.

[13:26] ---

I know, we must be careful.

[13:30] ---

Yeah...

[13:32] ---

Are you sure you don't need
to go to the Medical Corps?

[13:37] ---

Cut it out, Kiba! I said I'm fine!

[13:41] ---

You overused your Byakugan
and can barely stand!

[13:45] ---

So don't bother showing off
in front of your subordinates!

[13:48] ---

Shut up, Kiba!

[13:50] ---

What the hell? You're so weak,

[13:52] ---

you can't tell the difference
between a dog and a man!

[13:54] ---

And your Visual Prowess is
supposed to be your specialty!

[14:03] ---

Hinata, don't overdo it either.

[14:05] ---

That's because I have spread
my Parasitic Insects

[14:09] ---

throughout the area,
to look out for the enemy.

[14:13] ---

Shino, I appreciate your concern.

[14:17] ---

But I want to give it my all!

[14:25] ---

This is a war to protect Naruto!

[14:29] ---

We cannot lose!

[14:34] ---

By the way, Sakura...

[14:36] ---

Where is Captain Shizune now?

[14:38] ---

Huh? Did you figure something out?

[14:41] ---

Yeah...a little.

[14:44] ---

We need to be in contact
to report anything,

[14:45] ---

no matter how trivial it is...

[14:47] ---

Until we find the suspect.

[14:51] ---

Well, I think she's in Tent B-2.

[14:54] ---

Shizune is treating Tonton.

[14:57] ---

Seems like a bad leg sprain.

[15:00] ---

Well, that's better
than injuring a hand.

[15:03] ---

Will they be able to
rejoin the battle?

[15:06] ---

I think so...

[15:07] ---

Tonton can still weave signs,
since the hand is uninjured.

[15:11] ---

I see... That's good.

[15:13] ---

By the way...

[15:15] ---

Sakura, would you mind taking
a look at my arm one more time?

[15:19] ---

It hurts a little.

[15:21] ---

Sure...

[15:22] ---

You can sit over there.

[15:47] ---

How did you know?!

[15:49] ---

Pigs don't have hands!

[15:51] ---

Cha!

[15:55] ---

*Tonton can still weave signs,
since the hand is uninjured.*

[16:00] ---

Tonton...is a pig?!

[16:04] ---

She tricked us! Smart alec!

[16:07] ---

So, you're the murderer!

[16:15] ---

Tell me... How were you able
to recreate Neji's chakra?!

[16:20] ---

What kind of jutsu is it?!

[16:21] ---

Explain or you'll get another one!

[16:24] ---

My Transformation Jutsu
is the best.

[16:28] ---

I may not be the only who
has infiltrated this place.

[16:34] ---

*If this is just like
Captain Yamato's report...*

[16:39] ---

Note... Regarding Parasitic Clones.

[16:43] ---

*Kisame Hoshigaki was originally
thought to have been taken down*

[16:46] ---

by the Raikage and Killer Bee...

[16:48] ---

But it appears he survived,

[16:49] ---

*having switched places
with a parasitic clone*

[16:51] ---

*or something that is a type
of Transformation Jutsu.

[16:54] ---

*Because this transformation also
replicates the target's chakra,*

[16:56] ---

it is difficult to detect.

[16:59] ---

At the Five Kage Summit,

[17:00] ---

*Zetsu of the Akatsuki suddenly
emerged from other people's bodies.*

[17:04] ---

He had absorbed chakra...

[17:07] ---

*And this guy's transformation...
I get it!*

[17:12] ---

You are able to manipulate

the chakra that you absorb.

[17:16] ---

You can transform your chakra
into your victim!

[17:18] ---

Isn't that right?!

[17:26] ---

There's too many of them!

[17:29] ---

You're absorbing chakra!

[17:35] ---

She's a smart woman!

[17:38] ---

W-Well...I wonder about that...

[17:42] ---

You may be able to
camouflage yourself,

[17:45] ---

but you're not very good
at lying, are you?

[17:48] ---

What happened?!

[17:49] ---

Did you hear that loud
sound just now?!

[17:52] ---

Who's that?!

[17:54] ---

I have to contact HQ immediately!

[17:56] ---

Please take care of this guy!

[17:59] ---

You've hauled too many
heavy loads, Tonton.

[18:06] ---

What happened?

[18:07] ---

Sakura has an emergency!

[18:09] ---

Lady Shizune, reporting!

[18:16] ---

Empty it all out!

[18:17] ---

We're on guard duty next.

[18:19] ---

I must have a bigger bladder
than you.

[18:22] ---

Look at the big ripples I made!

[18:24] ---

The ripples are...

[18:26] ---

Don't forget to piss either, Tetsu!

[18:29] ---

It's going to be a long night.

[18:32] ---

Hey Tetsu!

[18:34] ---

Don't stand behind me.

[18:35] ---

You're distracting me,
and nothing's coming out.

[18:38] ---

How about if I make you
bleed instead?

[18:44] ---

H-Hey?!

[18:55] ---

It happened again!

[18:56] ---

There are reports from
every sector

[18:58] ---

that our comrades are being ambushed
one after another!

[19:01] ---

There's confusion everywhere!

[19:03] ---

We don't know who the enemy is!

[19:05] ---

What's going on?!

[19:07] ---

A night raid is supposed
to have been ruled out!

[19:09] ---

On top of that, we added security
and positioned Sensory-type ninja...

[19:13] ---

Why can't we detect the enemy?!

[19:15] ---

Is it some kind of poison?

[19:17] ---

What's the condition of the corpse?!

[19:19] ---

All of them have external wounds!

[19:21] ---

They're physical attacks!

[19:25] ---

No doubt they're controlling
Allied shinobi with genjutsu.

[19:30] ---

Could it be Itachi?

[19:32] ---

Uchiha Itachi is
the only one I know

[19:34] ---

who would be undetectable
by my Sensory Unit,

[19:36] ---

yet still be able to manipulate
with genjutsu from afar.

[19:42] ---

But this is impossible for even Itachi...

[19:44] ---

controlling minds simultaneously,

[19:46] ---

over such a wide area,
with such precision.

[19:49] ---

Hold on!

[19:50] ---

We just got word from
the Medical Corps!

[19:53] ---

The enemy looks to be...

[19:56] ---

White Zetsu transformed
into an Allied Force shinobi.

[19:59] ---

He's able to mirror chakra imprints!

[20:02] ---

That explains it...

[20:04] ---

So during the day battle,

[20:06] ---

if one of our shinobi got
his chakra absorbed...

[20:08] ---

White Zetsu can transform
into him completely!

[20:11] ---

What should we do,
Shikaku of the Leaf?

[20:14] ---

There is no way we can weed out
who is friend and who is foe!

[20:17] ---

How will we prepare
for the battle at dawn?

[20:19] ---

If we don't find
the enemy immediately,

[20:22] ---

we'll not only lose precious time,

[20:24] ---

but our own men will
become casualties!

[20:25] ---

In the end, they could
end up killing each other!

[20:29] ---

So this is the power of White Zetsu...

[20:33] ---

The battle during the day
was simply to set up the night...

[20:38] ---

This was the enemy's true motive.

[20:43] ---

Calm down... I am rational.

[20:47] ---

*If I calmly analyze the situation,
I will find a way!*

[20:51] ---

Sort and evaluate...

[20:52] ---

*Review every piece of intel
relating to this war*

[20:56] ---

and develop a counter strategy!

[20:58] ---

But stay cool, and do it quick.

[21:01] ---

Cool, but quick!

[22:37] ---

Don't let them touch you.

[22:39] ---

That's because they'll absorb
our chakra!

[22:42] ---

Easier said than done...

[22:43] ---

How are we going to take them down
without touching them?

[22:46] ---

I sent out a messenger owl.

[22:48] ---

The sealing corps should arrive
shortly to seal up this mine.

[22:52] ---

So we just have to wait until then?

[22:55] ---

Next time on Naruto Shippuden:
"White Zetsu's Trap"

[22:59] ---

WHITE ZETSU'S TRAP

Just how many
of them are there?

[23:01] ---

WHITE ZETSU'S TRAP

[23:05] ---

Tune in again!
