[00:01] ---

It happened again!

[00:02] ---

*There are reports from
every sector that*

[00:04] ---

*our comrades are being ambushed
one after another!*

[00:08] ---

There's confusion everywhere!

[00:09] ---

We don't know who the enemy is!

[00:11] ---

What's going on?!

[00:13] ---

*A night raid is supposed
to have been ruled out!*

[00:15] ---

*On top of that, we added security and
positioned Sensory-type ninja...*

[00:19] ---

Why can't we detect the enemy?!

[00:22] ---

Is it some kind of poison?

[00:23] ---

What's the condition of the corpses?

[00:25] ---

All of them have external wounds.

[00:28] ---

They're physical attacks.

[00:31] ---

*No doubt they're controlling
Allied shinobi with genjutsu.*

[00:37] ---

Could it be Itachi?

[00:38] ---

*Hold on! We just got word from
the Medical Corps.*

[00:42] ---

The enemy looks to be...

[00:45] ---

*White Zetsu transformed into
Allied Force shinobi!*

[00:49] ---

They're able to mirror chakra imprints!

[00:52] ---

That explains it...

[00:54] ---

So during the day battle,

[00:56] ---

*if one of our shinobi got
his chakra absorbed,*

[00:58] ---

*White Zetsu can transform
into him completely!*

[01:01] ---

*What should we do,
Shikaku of the Leaf?*

[01:04] ---

*There is no way we can weed out
who is friend and who is foe!*

[01:06] ---

*How will we prepare for
the battle at dawn?*

[01:09] ---

*If we don't find
the enemy immediately,*

[01:12] ---

we'll not only lose precious time,

[01:13] ---

*but our own men will
become casualties!*

[01:15] ---

*In the end, they could
end up killing each other!*

[01:19] ---

So this is the power of White Zetsu.

[01:23] ---

*The battle during the day was
simply to set up the night...*

[01:28] ---

This was the enemy's true motive.

[03:02] ---

Aesthetics of an Artist

[03:20] ---

There's no sign of enemy movement.

[03:22] ---

Okay, but stay alert.

[03:26] ---

Yes. I have look-outs
posted everywhere.

[03:40] ---

Halt! Who goes there?!

[03:42] ---

I'm an ally.

[03:44] ---

Kurotsuchi of the Hidden Stone,
from the Second Company.

[03:47] ---

I've come to speak with the prisoner.

[03:55] ---

I'm here to relieve you.

[03:57] ---

Okay. Thanks.

[04:00] ---

Get some rest. We'll keep watch.

[04:04] ---

Okay.

[04:34] ---

*It's so tacky to exhibit
one's Ultimate Art, over and over!*

[04:38] ---

But I guess I have no choice, hmm!

[04:41] ---

Lightning Style?!

[04:43] ---

I was being careful too,

[04:45] ---

*since I'm susceptible to
the Lightning Style.*

[04:47] ---

Deidara... Deidara.

[04:51] ---

Stop casually calling out
my name like that!

[04:54] ---

It's me, Zetsu.

[04:56] ---

Zetsu? Is that you?!

[04:58] ---

You were a fun guy.

[05:01] ---

I'm going to help you
for old time's sake.

[05:03] ---

Thanks. Quickly!

[05:06] ---

Hurry.

[05:07] ---

Hold on a second...

[05:12] ---

Oh that? In there?

[05:17] ---

What is it?

[05:19] ---

So Big Bro Deidara, you still alive?

[05:21] ---

I'm dead.

[05:23] ---

That voice... Is that you, Kurotsuchi?

[05:25] ---

Did you come to rescue me
for old time's sake?

[05:28] ---

I was sent here because
we used to be friends,

[05:30] ---

but the situation's just
the opposite now.

[05:32] ---

I came because I need your help.

[05:34] ---

Huh? What do you mean by that?

[05:37] ---

She's interrogating
the Hidden Stone ninja.

[05:40] ---

Where is Kabuto Yakushi?

[05:42] ---

How should I know!

[05:43] ---

I wouldn't tell you even if I knew, hmm.

[05:46] ---

Look, Bro...

[05:47] ---

Kabuto brought you back to life

[05:49] ---

and is now using you at
his convenience.

[05:51] ---

You're dead, so the least
you can do is forget the past,

[05:54] ---

and cooperate with us a little.

[05:57] ---

Kabuto gave me an opportunity
to acquire the Super Ultimate Art.

[06:03] ---

All right.

Then where is Sasuke Uchiha?

[06:06] ---

Sasuke, you say?

[06:08] ---

Are you saying
he was reanimated, as well?

[06:11] ---

Sasuke's not dead!

[06:13] ---

Don't be ridiculous!

[06:15] ---

I killed him with my Ultimate Art!

[06:18] ---

But I saw him.

[06:19] ---

After you died Bro,
Sasuke was alive and well.

[06:22] ---

He was fighting with the Raikage
and the others.

[06:34] ---

A-Amazing.

[06:36] ---

He joined the Akatsuki and
is an enemy of the Allied Forces.

[06:40] ---

He's with the Akatsuki?!

[06:43] ---

Right?

[06:43] ---

Huh?! Yeah, I guess.

[06:46] ---

What's with that?

[06:47] ---

Sasuke's alive?

And he's a member of Akatsuki?

[06:50] ---

You've gotta be kidding.

[06:52] ---

In death, I will become art.

[06:55] ---

This never-before-seen explosion

[06:57] ---

*will leave a never-before-seen scar
on this land.*

[07:01] ---

*And...! My art will win
never-before-seen admiration!*

[07:07] ---

Now, tremble with fear!

[07:09] ---

Be in awe! Despair!

[07:14] ---

Scream!

[07:16] ---

My art is...

[07:24] ---

An explosion!

[07:28] ---

There's no way
he could still be alive!

[07:30] ---

I'm telling you he's alive.

[07:32] ---

That was my Ultimate Art!

[07:34] ---

Nobody cares about art.

[07:37] ---

Sasuke, that bastard!

[07:39] ---

What's with that guy?!
Wasn't he in awe?

[07:42] ---

Didn't he tremble with fear?
Didn't he despair?

[07:45] ---

Didn't he scream,
"What the hell is this?!"?

[07:49] ---

*The Earth Style is vulnerable
to the Lightning Style.*

[07:51] ---

*Your explosives won't detonate
against my Lightning Style.*

[07:56] ---

Isn't that your weakness?

[07:58] ---

Screw you, Sasuke!

[08:01] ---

*Your Lightning Style won't
hold me down forever!*

[08:09] ---

*Commander Mifune!
An urgent message from Headquarters!*

[08:12] ---

*The enemy has infiltrated
the Allied Forces*

[08:14] ---

and are assassinating people!

[08:16] ---

*Chaos is spreading within
all the companies!*

[08:19] ---

Is this company in any danger?

[08:22] ---

Not at the moment.

[08:24] ---

Yes, sir! I will relay your reply.

[08:27] ---

*Sir, what about
the Hidden Stone kunoichi earlier?*

[08:31] ---

I don't think she's an enemy.

[08:33] ---

Bro?

[08:35] ---

*Hey, are you listening, Bro?
Answer me!*

[08:38] ---

This isn't getting anywhere!

[08:41] ---

*Open it. I want to speak
with him directly.*

[08:44] ---

You want me to open it?

[08:48] ---

Hey.

[08:49] ---

Sir!

[08:50] ---

Mountain.

[08:52] ---

Huh?

[08:54] ---

Mountain...

[08:56] ---

Distant skies?

[09:01] ---

It's "River."

[09:02] ---

Damn samurai!

[09:06] ---

You're so predictable.

[09:08] ---

You bastards!

[09:09] ---

They're Zetsu!

[09:10] ---

What?!

[09:11] ---

Careful! They'll absorb your chakra!

[09:24] ---

Art is...an explosion.

[09:27] ---

Deidara!

[09:29] ---

How?! Why didn't the Lightning Style seal his Explosion Style?!

[09:35] ---

Is that how you channeled the Lightning Style away?

[09:38] ---

What was that doing inside the puppet?!

[09:40] ---

It was thanks to me...

[09:43] ---

Zetsu.

[09:44] ---

What?

[09:46] ---

Let's get out of here!

[09:47] ---

Huh? Wait!

[09:49] ---

Don't let him get away!

[09:50] ---

Man, he's troublesome
even when he's dead!

[09:54] ---

The prisoner, Deidara,
has escaped.

[09:56] ---

He's with his comrade, Zetsu.
Apprehend them!

[09:59] ---

Okisuke.

[10:01] ---

I will take full responsibility
for my blunder, I swear!

[10:04] ---

This is not the time for regrets.
After them!

[10:07] ---

Yes, sir!

[10:08] ---

Why are we running?

[10:10] ---

Let's kill them!

[10:12] ---

I'm out of Detonating Clay.

[10:14] ---

I need to get more somewhere.

[10:17] ---

Uh-oh... They're coming!

[10:25] ---

You're in my way!

[10:30] ---

In front, too!

[10:32] ---

Damn it!

[10:37] ---

Still weak as ever, aren't you?

[10:39] ---

That was a tactic to
give us more time.

[10:43] ---

Looks like you escaped the seal.

[10:46] ---

Kabuto!

[10:48] ---

I would've expected nothing less.
I'll take that back.

[10:51] ---

Wait!

[10:52] ---

*My Ultimate Art was
completely rejected!*

[10:55] ---

I can't die like this...

[10:57] ---

even if I'm already dead. Hmm.

[11:00] ---

You intend to stand and fight there?

[11:02] ---

*I'm going to perfect
my Super Ultimate Art!*

[11:06] ---

I just don't understand
how you artists think.

[11:09] ---

But intellectuals have
to protect artists.

[11:15] ---

That's...

[11:18] ---

Get away. I'll hold them off.

[11:21] ---

I'll leave them to you, Chukichi!

[11:25] ---

Hidden Frost Jutsu.

[11:34] ---

What the hell?!

[11:35] ---

Where is he hiding?

[11:45] ---

That's...a lot of 'em.

[11:52] ---

He's gone!

[11:54] ---

Curses!

[11:57] ---

I sense them!

[11:59] ---

Commander Mifune!
They went that way!

[12:01] ---

Let's go.

[12:05] ---

How much farther
are we going to run?

[12:07] ---

I need clay, hmm!

[12:09] ---

I need to find a place
with clay in the soil.

[12:12] ---

Leave that to me.

[12:17] ---

Fight as you see fit, Deidara.
Freedom suits you well.

[12:23] ---

Besides, I'm going to be busy.

[12:27] ---

Unless we catch Big Bro Deidara
before he finds some clay,

[12:31] ---

this could get troublesome.

[12:33] ---

Previously, Omoi of the Cloud
contained the explosion

[12:35] ---

with his Lightning Style,

[12:37] ---

but he's is in a different unit now.

[12:40] ---

Do we have anyone in this unit
who can handle lightning?

[12:42] ---

Fifth Company split into two.

[12:45] ---

Our company's main weapon
is samurai.

[12:47] ---

Our only ninja are sensory, sealing,
and intel support personnel.

[12:52] ---

Commander Mifune,
I am able to do Lightning Style.

[12:56] ---

Good...

[13:09] ---

They're coming, Deidara!
Our pursuers!

[13:12] ---

What?!

[13:13] ---

I've only managed to get
this much Detonating Clay!

[13:16] ---

Scatter!

[13:21] ---

Lightning Style!

[13:27] ---

What's happening?!

[13:28] ---

Did Big Bro—?!

[13:29] ---

Under us!

[13:30] ---

Land mines!

[13:31] ---

Jump!

[13:36] ---

You're not gonna stop us!

[13:47] ---

Take that!

[13:56] ---

Not enough, hmm.

[14:02] ---

This is art!

[14:08] ---

Big Bro's gonna explode.

[14:10] ---

You have to keep discharging it!

[14:12] ---

We need a more powerful
Lightning Style!

[14:14] ---

Th-This is the best I can do!

[14:20] ---

Lord Mifune!

[14:39] ---

Hey, Deidara...

[14:43] ---

Hey, what's happening to me?

[14:44] ---

A reanimated body is immortal.

[14:48] ---

In a way, you're like
a walking Detonating Clay Bomb.

[14:51] ---

I suspected that.

[14:53] ---

How tacky! The despair, hmm!

[14:57] ---

Why?

[14:59] ---

Art is a moment of brilliance,

[15:01] ---

blossoms that scatter all at once.

[15:04] ---

But this body can't scatter!

[15:09] ---

I'm going to find
a Super Ultimate Art

[15:11] ---

that transcends
the Ultimate Art, hmm.

[15:20] ---

Damn you, Bro!

[15:26] ---

Lord Mifune? Where are you?

[15:31] ---

Lord Mifune!

[15:33] ---

The holes left by his landmines
became trenches.

[15:39] ---

Bro Deidara wasn't very thorough
with his Detonating Clay, was he?

[15:42] ---

We'll need a plan.

[15:45] ---

With insulation,

[15:46] ---

we could keep him from channeling
away the Lightning Style.

[15:48] ---

The problem is
our Lightning Style wielder.

[15:50] ---

But...I'm not...

[15:52] ---

You just concentrate on
sensing their whereabouts.

[15:55] ---

Shall I request Headquarters

for reinforcements?

[15:58] ---

We don't have time to wait
for reinforcements.

[16:05] ---

We'll do this with
the personnel we have.

[16:20] ---

What am I going to do?

[16:22] ---

*This immortal body and
my aesthetic are incompatible.*

[16:27] ---

*Sasori might be able
to do something.*

[16:30] ---

But he went off quickly.

[16:34] ---

I'm all alone.

[16:36] ---

*But artists are loners
to begin with, hmm.*

[16:40] ---

I buried the landmines.

[16:43] ---

Well? Got any ideas?

[16:46] ---

Art doesn't come to one that easily.

[16:49] ---

Especially not a Super Ultimate Art!

[17:13] ---

Sasuke?!

[17:15] ---

Why are you here?

[17:25] ---

It's you guys...

[17:27] ---

Bastard! Why are you alive?!

[17:29] ---

Where's Naruto?

[17:31] ---

I don't know!

[17:32] ---

Right now, pay attention to me, hmm!

[17:35] ---

My business is with Naruto.

[17:37] ---

Damn it, not that again!

[17:40] ---

First Itachi, now Naruto?!

[17:42] ---

You really don't give
a damn about me, do you?!

[17:46] ---

Nope.

[17:47] ---

Bastard!

[17:49] ---

They're coming!

[17:50] ---

See ya.

[17:51] ---

Stop!

[17:52] ---

Deidara!

[17:55] ---

Don't let them get away!

[17:59] ---

You're not getting away!

[18:00] ---

Deidara! Wait!

[18:02] ---

Sasuke didn't seem...

[18:10] ---

This time,
I'll make you tremble with fear!

[18:12] ---

You'll be awed!

[18:14] ---

You'll feel despair.

[18:16] ---

I'll wipe that smug expression
off your face!

[18:34] ---

I see!

[18:35] ---

There! Over there!

[18:39] ---

I knew it. Your weakness
isn't Lightning Style, Bro.

[18:41] ---

It's your stupid obsession with art!

[18:47] ---

Kurotsuchi?!

[18:49] ---

Bastards! What's the meaning of this?

[18:57] ---

A dud?

[19:02] ---

Dammit!

[19:08] ---

That sword won't stop my art!

[19:17] ---

A samurai using Lightning Style?!

[19:19] ---

It's not Lightning Style.

[19:21] ---

A storage cell... Looks like
you know how to use one.

[19:27] ---

I don't!

[19:29] ---

What the—?!

[19:31] ---

This is all bedrock, Bro.

[19:35] ---

The sword can't penetrate.

[19:36] ---

Even if it could, it won't let
the Lightning Style discharge.

[19:45] ---

Damn it! Hey! Let me go!

[19:53] ---

All right.

[19:59] ---

And one other thing, Bro.

[20:01] ---

Where is the real Sasuke right now?

[20:03] ---

Damn it, Kurotsuchi.

Don't treat me like a fool!

[20:08] ---

Pretending to be Sasuke!

You even looked like him!

[20:11] ---

Screw you!

[20:12] ---

Yeah, I suppose it's no use trying
to get info out of you, Bro.

[20:17] ---

You're totally screwed.

[20:19] ---

We're heading back.

[20:20] ---

We'll maintain our original frontline.

[20:22] ---

Inform Headquarters.

[20:25] ---

Commander, could I have that back?

[20:32] ---

Don't bother us again,
Bro Deidara!

[20:36] ---

See ya!

[20:43] ---

That might work, hmm!

[20:45] ---

I've decided the theme of
my Super Ultimate Art!

[20:50] ---

That thing could use a face!

[20:56] ---

Art will never die!

[20:59] ---

Even if I'm dead..hmm!

[22:37] ---

While all the shinobi
are away fighting

[22:39] ---

in the 4th great shinobi war,

[22:40] ---

we need to be prepared
to protect the village!

[22:42] ---

There's a chance the enemy
may come for us as well!

[22:46] ---

We've had incidents
like that before,

[22:48] ---

and every time,
we beat the crap out of them!

[22:51] ---

Don't underestimate the mothers
of the Leaf Village!

[22:55] ---

Next time on Naruto Shippuden:
"The Allied Mom Force!"

[23:00] ---

Protecting the village is also
an important duty!

THE ALLIED MOM FORCE!

[23:05] ---

Tune in again!

Revision #1
