[00:01] ---

Red vapor...

[00:03] ---

The unique vapor of blood

[00:05] ---

from the opening of
all eight gates.

[00:08] ---

But actually seeing it
with my own eyes,

[00:12] ---

it's almost like the color of
dead autumn leaves

[00:14] ---

that have fallen off their tree.

[00:17] ---

You're right.

[00:19] ---

But they're not falling
without reason or purpose.

[00:24] ---

They become the nutrients...

[00:26] ---

for fresh green leaves!

[00:29] ---

And the period they bridge,

[00:31] ---

until the new spring when
fresh leaves bud...

[00:33] ---

is the climax of youth!

[00:35] ---

When it burns most crimson!

[02:08] ---

The Eight Inner Gates Formation

[02:14] ---

First Step!

[02:30] ---

Go for it, Guy Sensei!

[02:33] ---

I can...

[02:34] ---

no longer...

[02:49] ---

Guy, is that your—?!

[02:52] ---

That is Sensei's Sekizo,
the Evening Elephant!

[02:56] ---

Second Step!

[03:02] ---

He stopped midway?!

[03:04] ---

*The Evening Elephant is supposed
to be a continuous attack*

[03:06] ---

*that can be shifted up in speed
from one to five times...*

[03:11] ---

I see, what unbelievable pain.

[03:14] ---

But I've acclimated.

[03:16] ---

*Next time, I can keep it going without
giving him any openings.*

[03:20] ---

*Great stress is placed on
the body even through*

[03:22] ---

the Fifth Gate, the Gate of Closing...

[03:25] ---

*I bet the Gate of Death's
level of pain*

[03:27] ---

*is something that exceeds
my imagination!*

[03:39] ---

A taijutsu move that bombards
with blows of punched air...

[03:43] ---

An air cannon, so to speak...

[03:51] ---

*Taking four or five of those
would be bad.*

[03:55] ---

*I should definitely avoid getting hit
by the fists creating them too.*

[04:09] ---

Did he succeed?!

[04:16] ---

One rarely gets to fight
the Eight Inner Gates Formation!

[04:19] ---

I'm game! I'll play with you!

[04:24] ---

I figured as much...
He didn't bring him down yet.

[04:27] ---

What has Might Guy done?

[04:29] ---

The Eight Inner Gates Formation...

[04:31] ---

A technique that allows one to
draw out their maximum power

[04:34] ---

by releasing the limiters
placed on it.

[04:37] ---

It's the final stage of the jutsu
Lee used against you

[04:40] ---

in the Chunin Exams long ago.

[04:43] ---

Releasing all eight limiters results
in power tens of times greater

[04:47] ---

than that of the Five Kage.

[04:49] ---

But it's only temporary.

[04:52] ---

After using this technique,
the user will...

[04:56] ---

inevitably die.

[05:03] ---

He's coming towards me
by kicking air!

[05:16] ---

He is...

[05:17] ---

my precious student whom I love.

[05:25] ---

Lee, are you—?

[05:27] ---

I am not sad!

[05:31] ---

Showing any pity or sorrow
to someone

[05:34] ---

who has resolved himself
would be an insult!

[05:43] ---

We must assist Guy.

[05:45] ---

Listen up.

[05:48] ---

Sensei...

[05:49] ---

Those black weapons of his
are troublesome...

[05:52] ---

They're not the *activating-from*
-nothing type,

[05:54] ---

but an *always-on-standby*
type that undergo Change in Form.

[05:57] ---

Their impact points disappear,

[05:59] ---

but there is clear sensation
if they make contact with you.

[06:03] ---

Also, he can only send them
about 70 meters out.

[06:06] ---

Any further than that,
and he'll lose control over them.

[06:11] ---

Since they actually exist and
can be seen with the eye,

[06:14] ---

your Kamui should work on them.

[06:17] ---

By sending them away,

[06:19] ---

we can prevent Madara from
controlling them.

[06:22] ---

To be honest, I'm beginning
to lose sight in my left eye.

[06:26] ---

I'll have to get pretty close to
target my Kamui accurately.

[06:31] ---

Gaara, can you prepare some sand?

[06:34] ---

You want me to transport Kakashi
with my sand, right?

[06:37] ---

But my sand isn't fast enough
to avoid his attacks.

[06:41] ---

Don't worry.

[06:42] ---

That's where I come in.

[06:44] ---

I'll have Kakashi carry
one of my kunai.

[06:46] ---

Eight Inner Gates:
The Six Gate of Joy!

[06:49] ---

Open!

[06:54] ---

Lee!

[06:55] ---

You've mastered
the Eight Inner Gates too?!

[06:57] ---

I can only open up to
the Sixth Gate...

[07:00] ---

I've never cursed my own lack
of power as I do now!

[07:06] ---

No... That's enough, Lee.

[07:10] ---

Because you're still...

[07:13] ---

...a fresh new leaf Guy wants
to risk his life to protect!

[07:25] ---

Lee, I want you to stay here
to support and guard Gaara.

[07:29] ---

And one more thing...
Take one of my kunai.

[07:40] ---

First Step!

[07:41] ---

He is fast!

[07:47] ---

Second Step!

[07:50] ---

Third Step!

[07:52] ---

Fourth Step!

[07:56] ---

I can't move!

[07:58] ---

Fifth Step!

[08:00] ---

Just keep forging on, Guy!
No matter what!

[08:02] ---

Here he comes!

[08:11] ---

Great timing, Lee!

[08:19] ---

Kamui!

[09:14] ---

You're the first since Hashirama
to make me feel this excited!

[09:18] ---

Can you still dance?

[09:20] ---

Do you have any
other techniques?

[09:23] ---

Give me some more fun!

[09:25] ---

He got up from a barrage of Sekizo?

[09:58] ---

Where am I?

[10:00] ---

Did I die?

[10:04] ---

What makes thee think

that thou art dead?

[10:08] ---

Thine ethical viewpoint
on death differs much

[10:11] ---

from that which prevailed
in my time...

[10:14] ---

To so easily replace oneself
with the term "death"...

[10:18] ---

Thou must gain mettle,
oh fledgling.

[10:22] ---

Who are you?

[10:24] ---

'Tis quite a precise query
for this place, but...

[10:27] ---

I am quite uneasy over
whether thou shalt be able

[10:30] ---

to connect my name with
my actions as a herald...

[10:37] ---

I am he who shall achieve
peace and order...

[10:40] ---

My name is Hagoromo.

[10:49] ---

On the other hand...

[10:51] ---

I had foreseen

[10:52] ---

that thou wouldst end up
in such a state as that.

[10:57] ---

*Uh...I don't understand
what the hell he's saying.*

[11:00] ---

*He seems to be one of
those annoying geezers!*

[11:06] ---

Hey, gramps, sorry.
But, I...

[11:09] ---

Now then...

[11:10] ---

Hey! Those eyes!

[11:12] ---

Rinnegan!

[11:14] ---

Thou dost appear to
possess observant eyes.

[11:17] ---

All that remains is for thee

[11:20] ---

to pragmatically comprehend
thy circumstances.

[11:23] ---

Thou hast not died yet...

[11:25] ---

This place is thine inner mind.

[11:28] ---

I understand thine haste,

[11:29] ---

- *This geezer's not an enemy?*
- but at this moment,

[11:31] ---

- *This geezer's not an enemy?*
- rushing will accomplish naught.

[11:33] ---

But...

[11:34] ---

Can't you speak a little more smoothly,
using easy, normal words?

[11:39] ---

I am an anachronism.

[11:42] ---

Over the passage of much time,

[11:44] ---

cultural traditions and
notions, and ethics

[11:47] ---

have brought about
significant change.

[11:51] ---

Each occurrence where I cross
time and meet a reincarnate,

[11:55] ---

I have come to sense
greatly the differences

[11:57] ---

between the other and myself...

[11:59] ---

I was also able to
formalistically regulate and

[12:03] ---

learn new mores and words, however...

[12:05] ---

Shut up already!

[12:07] ---

I don't have the time
to be sitting around

[12:09] ---

and listening to
some weird geezer!

[12:11] ---

Not just searching for words...

[12:13] ---

But there is ambiguity
in scholarship.

[12:17] ---

If communication of wills
cannot be achieved

[12:19] ---

in addition to difficulty of definition...

[12:22] ---

I see that I must speak simply...

[12:25] ---

taking into account current idealistic
and materialistic thinking.

[12:29] ---

Are you an alien or something?

[12:32] ---

I mean, you seem
super dignified, but...

[12:37] ---

Uh, that's a bit much, doncha think?

[12:39] ---

An alien? Seriously?

[12:45] ---

Well, maybe that ain't too far off.
So anyway...

[12:53] ---

Do you still fail to understand me?

[12:55] ---

To think that conversation would
pose such a complex challenge...

[12:58] ---

No! Keep talking like just now.

I finally get you!

[13:02] ---

I was just shocked because

[13:04] ---

your speaking style
changed so drastically, ya know?

[13:07] ---

Oh, for real?

[13:09] ---

Then I'll keep going like this.
Much pleased!

[13:16] ---

Uh, yeah.

[13:17] ---

Oh but, those words don't match up
with your face at all,

[13:20] ---

so it's kind of super-scary...

[13:22] ---

And he loses all dignity too.

[13:25] ---

You should be just a bit more formal.

[13:29] ---

Otherwise, you come off
kind of dumb.

[13:31] ---

Now you're going too far, no?

[13:33] ---

What do you mean by dumb?!

[13:35] ---

Well, considering how
I was talking before,

[13:37] ---

I guess I can't blame you for that.

[13:40] ---

So how's this then?

[13:43] ---

That's it! All right!
That's perfect!

[13:46] ---

Indeed. I'm getting
the hang of it too.

[13:49] ---

Finally, I can talk with you.

[13:52] ---

So anyway, gramps, who are you?

[13:55] ---

If you know a lot about this place,

[13:56] ---

tell me how to
get out of here!

[13:59] ---

Don't ask so many questions
all at once!

[14:02] ---

I am a person of the past,
someone long dead.

[14:05] ---

A monk who wanders through
this world as chakra,

[14:08] ---

crossing generations, ascertaining
the course of Ninshu, the Ninja Creed.

[14:13] ---

My name is Hagoromo,
the founder of the Ninja Creed.

[14:16] ---

I'm also known as
the Sage of Six Paths.

[14:19] ---

What?! The Sage of Six Paths?!

[14:21] ---

The sage from the legends that
Pervy Sage and Nagato talked about?

[14:26] ---

Oh, so you know about me?

[14:28] ---

Of course I do!

[14:30] ---

You're the one who
created ninjutsu, right?

[14:33] ---

Not ninjutsu...
Ninshu, the Ninja Creed.

[14:35] ---

My Ninja Creed was something
meant to birth hope.

[14:39] ---

Do not confuse it with ninjutsu
which breeds conflict!

[14:43] ---

In any case, if you're the sage,

[14:46] ---

I've got tons of things

I wanna ask you.

[14:48] ---

But first, right now...

[15:02] ---

You are my son Ashura's...

[15:09] ---

Anyway, the conditions are
all in place now.

[15:13] ---

There are things I must
entrust you with.

[15:18] ---

Ashu...ra? Entrust?

[15:20] ---

Quit talking gibberish and
let me out of here!

[15:25] ---

Forgive me... That is something I have
no influence over.

[15:29] ---

That depends on the actions
of those outside.

[15:33] ---

I can only relay things to you.

[15:35] ---

I'm not getting what
you're saying again!

[15:39] ---

It means right now,

[15:40] ---

trying to rush won't make
any difference.

[15:45] ---

So I want you to listen for a bit...

[15:46] ---

No, you *must* listen...

[15:50] ---

First, about my mother and sons.

[16:00] ---

My mother, Kaguya Otsutsuki,

[16:04] ---

came to this land of yours
from a faraway place.

[16:07] ---

She came in search of
the fruit of the Divine Tree.

[16:10] ---

The chakra fruit of
that same Divine Tree,

[16:14] ---

that you have seen in this war.

[16:18] ---

Kaguya consumed
the fruit, attained power,

[16:20] ---

and subdued this land.

[16:23] ---

Where'd Kaguya come from?

[16:25] ---

Is she stronger than you,
Sage of Six Paths?

[16:27] ---

I guess all moms are scary
when they're mad, huh?

[16:31] ---

It matters not where
she came from.

[16:34] ---

Mother was powerful...
More powerful than any other.

[16:39] ---

Some called my mother
the Rabbit Goddess

[16:41] ---

and others considered her
a demon...

[16:42] ---

They both worshipped her
and feared her.

[16:46] ---

Later, Kaguya would birth two sons.

[16:49] ---

I was one of them.

[16:52] ---

We brothers, to atone for
the crimes mother left behind,

[16:56] ---

battled Ten Tails, an incarnation
of the Divine Tree,

[16:59] ---

and sealed it inside me.

[17:02] ---

The Divine Tree,
robbed of its Chakra Fruit,

[17:05] ---

went on a rampage in
an attempt to recover it.

[17:09] ---

Much, much later,
I had two sons of my own.

[17:14] ---

I named the elder, Indra,
and the younger, Ashura,

[17:17] ---

and I taught them
the Ninja Creed.

[17:21] ---

But there was a huge difference
between the two.

[17:25] ---

One possessed genes containing
my powerful chakra

[17:27] ---

and the other did not.

[17:30] ---

And this difference manifested
itself in an extreme manner.

[17:33] ---

It's getting complicated again,
ya know?

[17:37] ---

What does this all mean?

[17:38] ---

In short...

[17:40] ---

There was the exceptional
older brother, Indra...

[17:42] ---

and the dunce
younger brother, Ashura.

[17:45] ---

A dunce, huh?

[17:48] ---

Even though his dad's
the Sage of Six Paths?

[17:52] ---

Perhaps there's no need
to say this to you, but...

[17:55] ---

No matter how exceptional
both parents may be,

[17:58] ---

there's no guarantee one will
inherit outright either of their abilities.

[18:02] ---

Sound familiar?

[18:04] ---

Just as it seems to have been
in your case, Naruto.

[18:11] ---

For some reason,
I understand that completely.

[18:16] ---

And you are truly similar
to Ashura, in your actions as well.

[18:21] ---

Huh? My actions?

[18:25] ---

Indra and Ashura walked
different paths in life.

[18:28] ---

Elder brother, Indra, possessed
strong Visual Prowess

[18:32] ---

and senses from birth,
and was called a genius.

[18:35] ---

He always did everything alone,
leaning only on his own strength

[18:40] ---

and came to understand that his powers
were different and special.

[18:43] ---

He perceived that power could
achieve everything.

[18:47] ---

On the other hand, nothing ever went well
for the younger brother, Ashura,

[18:50] ---

from the time he was young.

[18:52] ---

And he couldn't do anything
on his own.

[18:55] ---

In order to attain the same power
as his older brother,

[18:57] ---

he needed the cooperation of others

in addition to his own effort.

[19:03] ---

While struggling through training,

[19:05] ---

the power of bodily chakra awakened
within Ashura

[19:08] ---

and he attained power
rivaling his brother's.

[19:10] ---

He came to understand that
he was able to become strong,

[19:13] ---

thanks to the cooperation and
help of those around him.

[19:19] ---

He learned of the love for others that
arises from thinking about others...

[19:24] ---

And perceived that it was love
that can achieve everything.

[19:30] ---

In the way that the younger one
chose to live his life...

[19:34] ---

I thought I caught a glimpse
of new possibilities.

[19:38] ---

I partitioned the power of
the Ten Tails inside of me,

[19:41] ---

and named each of the pieces...

[19:43] ---

And believed that the bond known
as "cooperation" was true power.

[19:52] ---

I then named
the younger brother, Ashura,

[19:55] ---

the leader and guardian
of the Ninja Creed,

[19:59] ---

believing that his elder brother, Indra,
would cooperate with his younger brother.

[20:04] ---

However...

[20:09] ---

Indra did not accept my decision.

[20:13] ---

And thus from that day on,

[20:16] ---

...interminable conflict began.

[20:23] ---

Even after their flesh perished,
the chakra the two honed

[20:28] ---

continued to reincarnate across time,

[20:31] ---

without vanishing...
over and over.

[20:34] ---

It kind of sounds like being
haunted by a ghost. It's creepy.

[20:37] ---

So, is it still possessing
someone even know?

[20:42] ---

It's you, Naruto.

[20:46] ---

The younger brother Ashura has
reincarnated as you.

[22:37] ---

If all chakra were to
be reunited into one again,

[22:40] ---

a new Chakra Fruit
would take shape.

[22:43] ---

That must be prevented
at all costs,

[22:45] ---

or this world would come
to an end.

[22:47] ---

I would like you to stop Madara.

[22:51] ---

In your unpredictability,
I feel the possibility exists.

[22:56] ---

Next time on Naruto Shippuden:
"The Sage of Six Paths."

[23:00] ---

Thanks for believing in us.

[23:02] ---

THE SAGE OF THE SIX PATHS

[23:04] ---

Tune in again!
