[00:10] ---

Zetsu, huh?

[00:12] ---

It appears it's done.

[00:15] ---

Finally finished with
your drawn-out ritual, huh?

[00:19] ---

Nothing but annoying atheist jerks
who don't understand prayer!

[00:25] ---

When you're sad and alone,
you can only trust in yourself.

[00:31] ---

No, you're wrong.

[00:34] ---

You can only trust in money.

[00:36] ---

Oh, here we go!

[00:38] ---

We've fallen behind with
our Jinchuriki hunt

[00:41] ---

mostly because of your side job!

[00:44] ---

I teamed up with you because
you said religion is profitable.

[00:48] ---

I've been left in charge
of Akatsuki finances.

[00:51] ---

Put yourself in my shoes.

[00:53] ---

Money is important.

[00:55] ---

More importantly,
search for the next one immediately.

[01:00] ---

I'll take charge of the Two-Tails.

[01:07] ---

Are you sure you're okay?

[01:09] ---

You were in the hospital until
only yesterday, right?

[01:11] ---

That was just blown
out of proportion!

[01:14] ---

That's enough talking.
Let's continue the training...

[01:17] ---

That's what I'd like to say.
But first let's confirm the basics.

[01:22] ---

Forget about that!

[01:23] ---

Let's hurry up and start the training
for my new knockout Jutsu!

[01:28] ---

The Super Ultra Deluxe Rasengan,
or the Special Naruto Uzumaki Rasengan,

[01:34] ---

or something like that!

[01:37] ---

That's what we're doing Change
in Chakra Nature training for, right?

[01:41] ---

The five basic property types are fire,
wind, water, lightning and earth.

[01:46] ---

And in your case...

[01:47] ---

My Chakra property is wind!

[01:50] ---

Then for the time being,

[01:52] ---

shall we go with what
we've done so far?

[01:54] ---

Right! Multi Shadow Clone Jutsu!

[02:03] ---

Steady and sharp!

[02:20] ---

We did it!

[02:25] ---

How about that, Kakashi Sensei?!

[02:30] ---

Huh?

[02:41] ---

Good grief.

[02:43] ---

He pushes it even though
he's still healing...

[02:46] ---

The Multi Shadow Clone is primarily used

[02:48] ---

as an approach for increasing
the effects of the training.

[02:51] ---

It's not necessary for showing
the results of training.

[02:54] ---

Well, it is Naruto's style, though.

[04:29] ---

Akatsuki's Invasion

[04:36] ---

How deep into the mountains is it?

[04:39] ---

We're almost there.

[04:41] ---

You've been saying that
the whole time!

[04:46] ---

Come on. Give me a break!
We've got to climb again?!

[04:50] ---

What if it turns out
there's no Jinchuriki?!

[04:52] ---

I'll be really upset!

[04:54] ---

I don't give a darn about you.
If you keep wailing like a little kid...

[05:00] ---

I'll kill you.

[05:02] ---

Come on.

Don't give me that, Kakuzu!

[05:08] ---

Oh, man!

What an anti-social jerk.

[05:15] ---

Even if there are several changes...

[05:17] ---

this would be the best plan
under the present conditions, huh?

[05:20] ---

Yes.

[05:23] ---

Get everything compiled and

[05:25] ---

have it ready to transmit
in two or three days.

[05:27] ---

Understood.

[05:35] ---

Sorry to cause you trouble...

[05:37] ---

*But we can't just sit around
doing nothing.

[05:45] ---

Are you awake?

[05:47] ---

Huh...?

[05:48] ---

Again... I...

[05:52] ---

You keep resting.

[05:54] ---

Fatigue tends to build up

[05:56] ---

when using the Multi Shadow Clones
training approach.

[05:59] ---

Let's start the training again
after you've rested a little while.

[06:02] ---

What're we going to do next?

[06:04] ---

Next?

[06:07] ---

The next step is...

[06:11] ---

to cut that waterfall!

[06:14] ---

Put your hands on the waterfall
and cut it

[06:17] ---

by hammering it
with your Wind Chakra.

[06:19] ---

Cut...the waterfall?

[06:22] ---

For this training,
you need to instantly create

[06:23] ---

a Change in Chakra Nature
in a large amount of Chakra.

[06:25] ---

Or else you won't be able
to cut the waterfall.

[06:28] ---

You'll more or less be able
to use it in real battle

[06:30] ---

if you can pass this stage of training.

[06:34] ---

Kakashi Sensei!

[06:35] ---

If I can do that,

[06:37] ---

it means I have learned
my first Change in Chakra Nature, right?

[06:42] ---

All right, I'm getting better!

[06:46] ---

I never thought that clumsy Naruto

[06:48] ---

**would be able to create
a Change in Chakra Nature so soon.*

[06:53] ---

**This training approach...
was a big success.*

[06:57] ---

Break time is over!

[06:59] ---

Let's get right back to training!

[07:06] ---

Wood Style Jutsu!

[07:17] ---

That will be your training area.

[07:19] ---

Right.

[07:20] ---

But hold on!

[07:21] ---

Whoa... What is it?

[07:24] ---

You'll need Yamato's Chakra control
at all times during this training.

[07:29] ---

I'm counting on you, Yamato.

[07:31] ---

Okay.

[07:55] ---

STABILIZE

[08:02] ---

Preparations complete, Naruto!

[08:06] ---

Multi Shadow Clone Jutsu!

[08:24] ---

*Form a mental image
of my Wind Chakra and...

[08:29] ---

*Listen up. The Wind Change
in Chakra Nature...

[08:31] ---

*splits Chakra in two and
grinds them together.

[08:35] ---

Grinds them together?

[08:37] ---

*And then you build up the two Chakra
as if steadily sharpening them.

[08:42] ---

As if steadily...sharpening them...

[08:46] ---

*That's right...

The trick is steadier...and sharper.

[08:54] ---

Steady and sharp!

[08:56] ---

Let's go, guys!

[08:58] ---

Right!

[09:05] ---

Damn it! The water should

splash just a bit...

[09:09] ---

Let's go to the next one!

[09:11] ---

Right!

[09:16] ---

As to be expected,
this will probably take a while.

[09:22] ---

Well, be patient.

[09:50] ---

That should be it for the ingredients...

[09:53] ---

Now I can make him some of
my special Sakura Food Pills!

[09:57] ---

*I'm sure he'll force himself
into doing more reckless training.

[10:03] ---

Geez...

[10:04] ---

*Getting stronger with determination
just isn't done anymore.

[10:09] ---

*Not only does excessive training
take a toll on the body,

[10:12] ---

*but it could also have
a reverse effect.

[10:15] ---

*Not only that, he also has
the physical idiosyncrasy

[10:18] ---

*that allows him to work much harder
than other people.

[10:23] ---

*That's right! The least I can do
is to help him any way I can.

[11:11] ---

Damn it!

[11:13] ---

Damn...

[11:23] ---

He'll probably start getting
impatient pretty soon.

[11:28] ---

This is a temple.

Is there a Jinchuriki in a place like this?

[11:32] ---

Who knows?

[11:34] ---

But this isn't an ordinary temple,
so there's a good possibility.

[11:53] ---

What was that?!

[11:54] ---

Someone destroyed the Iron Wall Seal!

[11:56] ---

Report this to Lord Chiriku!

[11:59] ---

It doesn't look like these guys
want to convert to the Jashin religion.

[12:04] ---

None of these guys do...

[12:06] ---

That cloak... It's the rumored...

[12:09] ---

No doubt about it! It's the Akatsuki!

[12:16] ---

We have intruders!

[12:18] ---

Who are they?

[12:19] ---

They are with the Akatsuki!

[12:23] ---

I knew they'd come here eventually, but...

[12:26] ---

I'll go!

Everyone else provide backup.

[12:39] ---

Looks like we've got another
virtuous looking one...

[12:43] ---

He's not just virtuous.

[12:45] ---

He's got a 30 million ryo bounty
on his head in our Bingo Book.

[12:51] ---

Hey...

You're not after money, are you?

[12:56] ---

You'll go to hell if you kill
a monk for something like that.

[12:59] ---

Money is the key that opens all doors.
That's just what I want.

[13:04] ---

I don't know what you guys want.
But please leave quietly.

[13:08] ---

No meaningless slaughter, huh?

[13:11] ---

But it doesn't work like that
in my religion.

[13:15] ---

The Temple of Fire is the greatest
Shinobi temple in the Land of Fire.

[13:19] ---

And it is said that all of the monks
control the special power

[13:23] ---

known as the Gift of the Sages.

[13:26] ---

And the 30 million-ryo man is a Ninja

[13:28] ---

who was once chosen as a member
of the Guardian Shinobi Twelve

[13:32] ---

who protected the Feudal Lord
of the Land of Fire.

[13:36] ---

And the proof is that breechcloth
with the Land of Fire emblem on it...

[13:41] ---

No kidding?
Is he that incredible?

[13:44] ---

Don't get careless.
You'll die.

[13:46] ---

Don't give me that...

[13:50] ---

Kakuzu!

[14:12] ---

What's that?!

[14:14] ---

I don't care.
Let's keep going.

[14:41] ---

You're mine!

[14:52] ---

- Oh.

- Lord Chiriku won!

[15:02] ---

I'll give you a funeral.

[15:05] ---

Who would accept
a different religion's funeral?

[15:09] ---

I'd receive divine retribution
from Lord Jashin...

[15:13] ---

Now I'm mad...

[15:15] ---

Hey...
If this guy isn't a Jinchuriki...

[15:18] ---

I can defend my commandments, right?

[15:22] ---

Do as you like.
But his body is worth money.

[15:28] ---

Don't go overboard...
Make sure he's recognizable.

[15:34] ---

Exchanging life for money
isn't something for people to do...

[15:39] ---

Good grief.

[15:40] ---

Kakuzu! Stay out of this!

[15:43] ---

I'll take care of...this guy!

[15:49] ---

Chiriku of the Temple of Fire will
not lose to wicked men like you!

[15:56] ---

Raikei!

[15:57] ---

Thousand Hand Strike!

[16:22] ---

It appears there was no Jinchuriki here.

[16:27] ---

Let's move on to the next one as soon
as I'm done with my prayer.

[16:31] ---

No...

[16:33] ---

I'm taking this body to trade in for money.

[16:39] ---

Money comes first.

[16:45] ---

Listen, you're really starting
to irritate me. Really...

[16:55] ---

I've got to inform the Hidden Leaf...

[16:59] ---

Then let's get going.

[17:01] ---

The Land of Fire is huge.
Let's take our time.

[17:07] ---

I knew we were falling behind
because of you.

[17:11] ---

Ow!

[17:15] ---

Wait! Hey!

[17:20] ---

Kakashi Sensei!

[17:23] ---

Don't you think I need
more Shadow Clones?!

[17:27] ---

You can't cut the waterfall
unless you perform

[17:29] ---

the Change in Chakra Nature
on a large amount of wind Chakra!

[17:31] ---

The Chakra for each clone will disperse
if there are too many of them!

[17:36] ---

And we can barely line up ten clones
with the width of that waterfall!

[17:41] ---

Do you really want me
to learn this or not

[17:43] ---

Then tell us the trick to get just
a little bit better!

[17:48] ---

You're not holding the Chakra

[17:50] ---

you've built up inside

your body long enough!

[17:52] ---

Take your time and be more efficient!

[17:55] ---

But if we don't get a move on,
this won't be of any use in a real battle.

[17:59] ---

You're in training right now.

[18:01] ---

You don't need to be thinking
about real battles.

[18:04] ---

It will get quicker
once you get used to it.

[18:06] ---

But...

[18:08] ---

Listen...

[18:09] ---

Change in Chakra Nature training
normally takes several years.

[18:13] ---

Under normal conditions,
it takes six months to even cut a leaf.

[18:16] ---

You completed that in only
a few hours.

[18:20] ---

No need to be so impatient.

[18:22] ---

You're progressing several times
faster than we expected.

[18:26] ---

It even took a genius like Sasuke
several days

[18:28] ---

to master the Lightning Change
in Chakra Nature

[18:31] ---

when I taught him the Chidori.

[18:34] ---

MAKE-OUT TACTICS

[18:36] ---

I have to catch up with Sasuke!

[18:47] ---

STABILIZE

[18:49] ---

Good grief...

[18:55] ---

Tenzo...

[19:01] ---

Understood.

[19:39] ---

That was a little tough on you, huh?

[19:40] ---

No! Not at all.

[19:45] ---

N-Not in the least...

[19:47] ---

It was tough...

[19:49] ---

How's that, Naruto?!

[19:51] ---

Now you've got nothing
to gripe about, right?!

[19:55] ---

Multi Shadow Clone Jutsu!

[21:37] ---

Wh-What did you say?

The Temple of Fire was attacked?!

[21:40] ---

It was probably guys from
the Akatsuki.

[21:41] ---

They're going one by one
to locations in the Land of Fire

[21:43] ---

where there might be Jinchuriki.

[21:45] ---

They've come at last.

[21:47] ---

We won't let them out of
the Land of Fire.

[21:48] ---

Contact the twenty newly
formed platoons immediately!

[21:51] ---

Yes, ma'am!

[21:52] ---

I want to know what they're after,
but they are pretty powerful.

[21:56] ---

Destroy them
if they can't be restrained!

[22:00] ---

Next time:

"Under the Starry Sky"
