[00:11] ---

*I can't believe his arm
could move on its own

[00:13] ---

after being separated from his body...

[00:16] ---

But when did this happen?

[00:19] ---

*Was it back when
I attacked with a Paper Bomb?

[00:23] ---

*He hid in the smoke and
sent his right arm underground...

[00:26] ---

Tsk! Just what I'd expect of the Akatsuki.

[00:29] ---

They all use insane abilities!

[00:33] ---

You said we were finished,
but my powers are still unknown to you.

[00:39] ---

You keep your distance when
you make your next move.

[00:44] ---

You're intelligent, unlike my partner.

[00:50] ---

Damn it! My body...!

[00:52] ---

Do something, Kakuzu!

[00:58] ---

Oh no!

[00:59] ---

Now, Choji!

[01:01] ---

Spiky Human Boulder!

[01:03] ---

Kakuzu!

[01:22] ---

S-Such power...

[01:35] ---

It seems Naruto hasn't rested at all.

[01:39] ---

There's no choice.

[01:40] ---

He has to complete his new Jutsu

[01:43] ---

and then we have to head out to
back up Kakashi Sensei and the others...

[01:48] ---

The time limit is 24 hours, huh?

[01:51] ---

It'll be tough, but all we can do
is believe in Naruto.

[01:55] ---

After all, there's nobody who
can work as smoothly

[01:58] ---

with Kakashi Sensei and
the others as us.

[03:32] ---

Kakuzu's Abilities

[03:48] ---

All right. It's almost complete.

[03:52] ---

And now...

I can catch up to Sasuke.

[03:57] ---

Indeed you can...

[03:59] ---

However, watch out for Sasuke's
fire Change in Chakra Nature.

[04:03] ---

Huh?!

[04:04] ---

I guess I should explain

[04:06] ---

the comparative strengths of
the Five Great Changes in Nature to you.

[04:11] ---

What are...comparative strengths?

[04:14] ---

Well, put simply, I guess it means
the five changes

[04:16] ---

in Chakra natures of fire, water,
earth, lightning and wind

[04:20] ---

are each connected and
have comparative strengths.

[04:25] ---

So...what does that mean?

[04:27] ---

It's easier to explain with a diagram.

[04:33] ---

There are five main
Changes in Chakra Natures.

[04:37] ---

First you draw...

[04:38] ---

FIRE
WATER WIND
EARTH LIGHTNING
- ...the five in a circle.
- Right.

[04:42] ---

And...for example,
take the first one, fire...

[04:46] ---

I'll draw comparative strengths
and weaknesses in this diagram.

[04:51] ---

This fire Change in Chakra Nature is
strong against the wind next to it,

[04:56] ---

but weak against water
on the other side.

[05:02] ---

The Five Great Changes in Nature

[05:04] ---

have strengths and weaknesses
in relationship to each other.

[05:09] ---

Uh...Okay. So?

[05:14] ---

He's not getting it...

[05:17] ---

Simply put...

[05:20] ---

Naruto...

[05:21] ---

your Wind Style Jutsu is weaker than
Sasuke's Fire Style Jutsu in relationship.

[05:27] ---

Huh?!

[05:28] ---

Only Water Style can beat Fire Style.

[05:32] ---

Why can't Wind Style beat Fire Style?

[05:35] ---

It may be quicker to imagine them.

[05:38] ---

Wood burns hotter when wind blows.

[05:45] ---

However, the fire can be put out
when water is poured on it.

[05:51] ---

That means if you strike
one of Sasuke's Fire Style Jutsu...

[05:55] ---

with a Wind Jutsu of the same strength,

[05:58] ---

it'd backfire by making
the fire even larger.

[06:06] ---

However, look at
the relationship of wind.

[06:10] ---

Wind is indeed weak against fire,
but it is strong against lightning.

[06:14] ---

In other words,
that means your new Jutsu...

[06:16] ---

will be strong against Sasuke's
Lightning Style Chidori.

[06:23] ---

Naruto...

[06:25] ---

It's a good thing you don't have
the earth Change in Chakra Nature.

[06:33] ---

So I'm a good match with Sasuke, huh?

[06:37] ---

Yes, only wind can defeat lightning.

[06:41] ---

No, that's not what I meant.

[06:43] ---

Hmm?

[06:45] ---

I mean only the power of wind
can help fire

[06:48] ---

by making it an even larger power.

[06:54] ---

Yeah, that's right...

[06:58] ---

Naruto!

[07:10] ---

You're awesome.

[07:12] ---

Yeah!

[07:12] ---

It looks like your training
is going well.

[07:15] ---

I guess.

[07:16] ---

Then you'll be finished soon, right?

[07:18] ---

Yeah.

[07:19] ---

No, just a minute.

[07:24] ---

Could you give me a little more time?

[07:28] ---

There's still something
I want to test out.

[07:43] ---

What's going on?

[07:46] ---

I knew it.

It's just as Raido Senpai said...

[08:10] ---

*It might be a Jutsu
for hardening his body.

[08:13] ---

That's his power...

[08:16] ---

Nice analysis...

[08:19] ---

That's right.

No physical attack will work on me.

[08:25] ---

*I'd projected their powers
to a certain degree, but this...

[08:30] ---

*If we can't use direct attacks,
what should we do?

[08:34] ---

Shikamaru...

[08:43] ---

Be afraid, you atheist jerks!

[08:46] ---

All right! It's about time for us
to counterattack!

[08:50] ---

Kakuzu, break this Jutsu already!

[08:54] ---

Sure...

[09:01] ---

It can't be...

[09:03] ---

You snuck up behind me...
without me sensing you...

[09:08] ---

Too bad...

[09:19] ---

Be afraid, you atheist jerks!

[09:22] ---

All right! It's about time for us
to counterattack!

[09:26] ---

Kakuzu, break this Jutsu already!

[09:30] ---

Sure...

[09:45] ---

It can't be...

[09:47] ---

You snuck up behind me
without me sensing you...

[09:52] ---

Too bad...

[09:56] ---

Awesome.

[09:58] ---

What?! What's up with that?!

[10:01] ---

I thought physical attacks
weren't supposed to work on you!

[10:05] ---

Yeah! How did you get
behind him, Kakashi Sensei?!

[10:11] ---

I saw everything.

[10:12] ---

I saw the Jutsu you use
for hardening your body.

[10:15] ---

Judging from how you formed
your seal earlier,

[10:17] ---

I'd say you've got an
earth Change in Chakra Nature.

[10:20] ---

In that instant...
you read the speed of my seal?

[10:25] ---

And using Lightning Style at this level...

[10:28] ---

I see!
You're...the Sharingan Kakashi...

[10:33] ---

Earth is weak against lightning...

[10:36] ---

We're not a good match...
You're finished.

[10:40] ---

*Kakashi Sensei is awesome,
sure enough!

[10:43] ---

Now there's just the other one!

[10:46] ---

In an instant...
Just what I'd expect from Kakashi Sensei!

[10:50] ---

Yeah. We needed to take care
of the mortal one first...

[10:54] ---

It'd be trouble, after all.

[10:57] ---

You okay, Shikamaru?

[11:00] ---

This isn't looking good.

[11:03] ---

Kakashi Sensei!

[11:05] ---

*His Shadow Possession
has reached its limit, huh?

[11:25] ---

He nailed your heart in one shot?

[11:27] ---

How can you get hammered
right off the bat like that?!

[11:30] ---

For crying out loud...

[11:34] ---

You're next.

[11:45] ---

It's over!

[12:04] ---

Oh, boy.

[12:05] ---

And here you acted all cool and
said, "You're finished."

[12:13] ---

What's going on...?

[12:17] ---

I'm sure I didn't miss the vital spot.

[12:19] ---

All right, let's settle this right now.

[12:25] ---

I intend to!

[13:10] ---

My Shadow Possession
has reached its limit...

[13:26] ---

Hey, Shikamaru.
What's happening?

[13:28] ---

And why didn't he die even though...
the Lightning Blade nailed him?

[13:36] ---

Who knows...?

[13:38] ---

But with these guys,
it would take a lot to surprise me now.

[13:45] ---

Oh, boy...

[13:49] ---

I can finally move...

[13:52] ---

What're...those?

[13:55] ---

Now...shall we do this, Kakuzu?

[13:58] ---

Sure...

[14:08] ---

Wh-What're those?!

[14:12] ---

That Chakra feels awful...

[14:17] ---

Lord Jashin! Watch me!

[14:21] ---

I'm going to get serious! I mean it!

[14:24] ---

I'll rip out their guts!

[14:31] ---

Watch out, Choji!

[14:33] ---

Right.

[14:57] ---

What...?

[15:04] ---

Kakuzu! Hey! Hey! Hey!

[15:08] ---

One of them died right after
our verbal assault!

[15:12] ---

God, you really stink!

[15:16] ---

**Since one of the masks that
came out of his body died...*

[15:21] ---

**it must've been that mask I hit
with my Lightning Blade earlier.*

[15:27] ---

Looks like we got something here.

[15:29] ---

Hidan, stand down for a while.

I'll take care of this.

[15:34] ---

Hey... Just a minute!

[15:36] ---

We've been getting our butts kicked
the whole time and it's ticking me off.

[15:41] ---

Let's go with the usual.

[16:07] ---

Wind Style: Pressure Damage!

[16:22] ---

Choji! Watch out!

[16:32] ---

Kakashi Sensei!

[16:40] ---

Kakashi Sensei!

[16:43] ---

*No way...

He even attacked his own partner?!

[16:46] ---

*I get it! He's taking advantage
of the immortality!

[17:31] ---

Here he comes, Choji!

[17:38] ---

No... If they are hit head-on with that...

[17:41] ---

Choji, Shikamaru! Run!

[17:47] ---

Lightning Style: False Darkness!

[17:54] ---

I won't make it in time!

[18:07] ---

Look out!

[18:15] ---

Kakashi Sensei...!

[18:37] ---

Are you okay?

[18:38] ---

Well...somehow, I guess...

[18:47] ---

These guys...are powerful...

[18:51] ---

That masked guy in particular...

[18:55] ---

*But no one should be able
to use such high-level Jutsu

[18:57] ---

*unless they are compatible with
that person's own Chakra nature.

[19:02] ---

And he uses earth, wind and lightning...

[19:08] ---

What the heck is going on?

[19:21] ---

I'm surprised...

[19:23] ---

You're the first one we weren't able
to kill with this combination...

[19:28] ---

Kakashi...Hatake.

[19:31] ---

So you read it with your Sharingan, huh?

[19:33] ---

However...

How about this next attack?!

[19:39] ---

What?!

[19:44] ---

Fire Style: Searing Migraine!

[21:36] ---

Our best plan would be
to attack them separately.

[21:39] ---

If we're going to do that,
we'll need to stall Hidan...

[21:42] ---

Then I'll do it with
my Mind Transfer Jutsu.

[21:44] ---

No. It's too risky.

[21:46] ---

Then I'll do it.

[21:47] ---

That won't do, either.

[21:48] ---

We'll be finished if we approach him
and he gets some of our blood.

[21:51] ---

But...

[21:52] ---

I'll capture him by myself...
And I'll fulfill *that* role.

[21:58] ---

Next time:

"The Terrifying Secret"
