SIGN Egyptian Gods Banquet

[02:51] Ra

Life is like crossing a dark sea with no
guiding light, one patch of water at a time.

[02:55] Ra

That feeling of gradual progress
is something I'm quite fond of,

[03:02] Ra

so I found myself on quite
a few boat trips this year.

[03:06] Ra

I had a rather good time.

[03:08] Ra

That being the case, it's
often debated whether or not

[03:10] Ra

the New Year's Day sets the
tone for the rest of the year,

[03:13] Ra

and whether or not that is true,
it's an honor to be here

[03:15] Ra

as we all express our gratitude
for the rest of the year.

[03:18] Ra

Speaking of honor,

[03:20] Wenet

Cheers!

[03:21] Ra

this actually reminds
me of a funny story...

[03:21] Everybody

Cheers!

[03:23] Everybody

[03:42] Anubis

I'm entry number two, Anubis. Here's
my super high-speed mummy wrapping!
