SIGN Thank you for your business.

[01:02] **Alice**

There you are, Sisbell!

[01:05] **Sisbell**

Can I help you, Alice?

[01:09] **Alice**

We're going back to the Sovereignty!

[01:11] **Alice**

After that battle, it's too dangerous--

[01:13] **Sisbell**

I will not return.

[01:14] **Alice**

Sisbell!

[01:16] **Alice**

We're going back!

[01:17] Sisbell

I will not!

[01:19] Sisbell

I have a bodyguard.

[01:23] Alice

A bodyguard?

[01:25] Alice

You mean Schwartz?

[01:26] Sisbell

It does not concern you, Sister.

[01:29] Alice

Mother is also worried about you.

[01:31] Sisbell

Then, could you deliver this letter to her?

[01:35] Alice

Aren't you well-prepared?

[01:37] Sisbell

Alice, you are my...

[01:40] Sisbell

Rival!

[01:41] Sisbell

To be the next queen,

[01:43] Sisbell

and to have my knight in shining armor...

[01:46] Sisbell

I will not give up!

[01:52] Alice

W-Wait, Sisbell!

[01:54] Alice

About your bodyguard,

[01:55] Alice

you're not talking about Iska, are you?!

[01:57] Iska

Ah.

[01:59] Jhin

What's wrong, Iska?

[02:01] Iska

Oh, uh, it's nothing.

[02:03] Nene

Iska, Jhin, the battle we had hit the news.

[02:10] Jhin

Just when we finally caught a break
after so many near-death battles...

[02:15] Iska

I'm so sorry...

[02:17] Jhin

Why are you sitting on your heels?

[02:19] Iska

It's my way of showing how sorry I am...

[02:21] Nene

Blame the Sovereignty for attacking us outside of the battlefield.

[02:25] Jhin

Of all the places, the witch Iska released a year ago happened to be here.

[02:30] Jhin

What are the chances?

[02:32] Iska

It really was a coincidence that we met in this nation.

[02:35] Jhin

Of course it was.

[02:36] Jhin

If it wasn't a coincidence, it means we were tailed.

[02:40] Jhin

I don't remember screwing up.

[02:42] Jhin

Anyway, if the Masked Lord is after that witch, I guess we'd be safe here.

[02:48] Iska

She might've already left this nation to get away from Masked Lord.

[02:52] Jhin

We can only hope.

[02:55] Jhin

Hey, Boss isn't back yet?

[02:57] Nene

Oh, I can go find her.

[02:59] Nene

I think I know where she is, so I'll go get her.

[03:02] Nene

OK, see you guys later!

[03:05] Mirabella

It was you who leaked intel about where Sisbell was headed, am I right?

[03:10] Mirabella

And another thing.

[03:12] ---

Are you the real Elletear?

[03:18] Elletear

You can't be serious, Your Majesty.

[03:21] Elletear

Please don't joke with such a serious face.

[03:25] Mirabella

I have assigned a top-secret mission to Sisbell,

[03:28] Mirabella

since there was a suspicion that Alsamira was connected to the Empire.

[03:33] Mirabella

For some reason, the Zoa also knew of this.

[03:38] Mirabella

The royal family of the Sovereignty is not without domestic conflict.

[03:42] Elletear

After all, we must compete for the election to be the next queen.

[03:46] Mirabella

You understand the relationship of the three royal families?

[03:49] Elletear

Of course.

[03:50] Elletear

The Lou wishes to minimize the Sovereignty's casualties when fighting the Empire.

[03:55] Elletear

Likewise, the Hydra has been a great advisor and supporter of the queen.

[04:01] Elletear

But the Zoa is an extremist wanting to destroy the Empire no matter the cost.

[04:08] Mirabella

The relationship between Zoa and Lou is difficult.

[04:12] Mirabella

If you are indeed the real Elletear,

[04:15] Mirabella

you would never inform the Zoa about Sisbell's destination.

[04:22] Elletear

I can't do this anymore.

[04:24] Elletear

Your Majesty.

[04:26] Elletear

Or, shall I say...

[04:28] Elletear

Your Majesty's imposter.

[04:31] Elletear

Your replication is marvelous.

[04:34] Elletear

You may have fooled Alice
or Sisbell a bit longer.

[04:39] Elletear

But, haven't we danced enough?

[04:44] Girl A

H-How were you able to tell?

[04:48] Elletear

Maybe because we have similar astral powers.

[04:51] Elletear

Although yours is far superior...

[04:54] Girl A

It isn't!

[04:55] Elletear

I find myself envious.

[04:57] Girl A

Ah...

[04:58] Mirabella

Elletear. She was merely
acting under my orders.

[05:01] Mirabella

Forgive her.

[05:04] Elletear

I had a lovely time.

[05:07] Mirabella

It was to make sure you
were not an imposter.

[05:10] Mirabella

I had no doubt you would
have seen through the act.

[05:14] Rin

Lady Alice, please stop!

[05:16] Rin

No running in the hallways!

[05:18] Alice

But this is an emergency.

[05:21] Alice

Your Majesty! I must speak to
you about Sisbell immediately!

[05:25] Mismis

Ah, this is the life.

[05:29] Nene

I knew you were here.

[05:30] Nene

What about your training?

[05:32] Mismis

Hi Nene. I already finished.

[05:35] Mismis

I worked up a sweat at the gym,
and then swam a ton in the pool.

[05:39] Nene

Captain...

[05:40] Nene

I can see all of you.

[05:42] Nene

You know, we call people
like you an exhibitionist.

[05:47] Sisbell

She's exactly right.

[05:48] Mismis

- Huh?

[05:48] Nene

- Huh?

[05:49] Sisbell

You're fully exposed.

[05:51] Sisbell

It's showing.

[05:54] Sisbell

Your astral crest.

[05:57] Nene

Hey, what are you doing?!

[05:59] Sisbell

Oh, I'm so sorry. Luckily,
I have just the thing.

[06:04] Sisbell

The stickers made in the
Empire are insufficient.

[06:06] Sisbell

They are unable to hide the astral
energy that is invisible to the eyes.

[06:11] Sisbell

May I?

[06:15] Mismis

Oh... W-Wait!

[06:19] Sisbell

I shall wait for you at the cafe.

[06:22] Alice

Elletear.

[06:24] Elletear

I suspect it'd be difficult to
talk about Sisbell with me here.

[06:28] Elletear

After all, I am a "suspect."

[06:31] Elletear

Please excuse me, Your Majesty.

[06:41] Mirabella

Alice, what did you want to discuss?

[06:44] Alice

I have a letter addressed to you.

[06:49] Mirabella

We're in a bit of a predicament.

[06:52] Mirabella

Sisbell is suspected of
having ties to the Empire.

[06:55] Mirabella

By Masked Lord, of all people.

[06:57] Alice

Correct.

[06:59] Mirabella

This is a perfect opportunity for the
House of Zoa to try and win the election.

[07:03] Mirabella

Though, why hasn't Sisbell returned?

[07:07] Alice

She's taking another route, since traveling
with me would attract attention.

[07:12] Mirabella

I shall send my guards.

[07:14] Mirabella

By the way, the letter mentioned that

[07:17] Mirabella

Sisbell met the Imperial soldier who
saved her a year ago, at Alsamira.

[07:23] Mirabella

Do you know of this Imperial soldier?

[07:26] Alice

No, I do not.

[07:28] Alice

I haven't met him in Alsamira, or the
battlefield, or in neutral cities.

[07:33] Alice

Uhh, were there anywhere else, Rin?

[07:36] Rin

It's probably for the best
if you stopped talking.

[07:38] Alice

So, Mother, I don't know anything.

[07:42] Mirabella

Huh?

[07:43] Alice

I don't know a thing about an

Imperial soldier named Iska.

[07:47] Server

Yes, ma'am.

[07:50] Sisbell

Thank you for coming.

[07:52] Sisbell

Captain Mismis,

[07:53] Sisbell

Iska,

[07:54] Sisbell

Nene,

[07:56] Sisbell

and Jhin.

[07:58] Jhin

We've heard about you.

[08:00] ---

What do you want?

[08:01] Sisbell

Wouldn't you like to sit down?

[08:03] Jhin

Where would I sit?

[08:05] Sisbell

Right here.

[08:06] Sisbell

Or would you not want to sit with a witch?

[08:09] Jhin

I'll sit with you or do whatever,
if you have useful information.

[08:12] Jhin

Tell us what you want, first.

[08:14] Iska

Um, I thought you'd have left
the nation already by now.

[08:17] Sisbell

Yes, I plan on returning to the Sovereignty.

[08:21] Sisbell

Along with you.

[08:23] Mismis

- Huh?

[08:23] Nene

- Huh?

[08:25] Jhin

What?

[08:26] Sisbell

I would like you to escort me.

[08:28] Sisbell

Please fight off the astral power forces

during my return to the palace.

[08:33] Mismis

- What?!

[08:33] Nene

- What?!

[08:34] Jhin

Out of the question.

[08:35] Jhin

If the command center finds out we're protecting the Sovereignty, we're done.

[08:40] Sisbell

You're lying.

[08:41] Jhin

What?

[08:42] Sisbell

You don't want them to find out Captain Mismis is a witch.

[08:46] Iska

You know about that?

[08:47] Sisbell

Yes.

[08:49] Sisbell

This is a special material called nebula.

[08:52] Sisbell

The Empire does not have materials to hide astral energy yet.

[08:57] Iska

Right...

[08:59] Sisbell

You can have this sticker to conceal astral crests in return for my protection.

[09:04] Sisbell

I am not asking you to betray the Empire.

[09:07] Sisbell

It is the astral mages of the Sovereignty who are after me.

[09:12] Sisbell

Is it unnatural for the Imperial army to fight astral mages, Captain Mismis?

[09:16] Mismis

U-Um, well...

[09:18] Iska

That's enough.

[09:18] Nene

OK, we got it.

[09:20] Iska

All right, Sisbell. You have a deal.

[09:23] Mismis

Iska? Nene?!

[09:25] Iska

We're all in agreement.

[09:27] Nene

There's no way you'd agree to this, Captain.

[09:30] Nene

But if we want to do it,
that's another story, right?

[09:33] Jhin

We won't do anything to the
detriment of the Empire.

[09:36] Jhin

We'll only fight back if
the astral mages attack.

[09:39] Jhin

If the Imperial army comes
after you, you're on your own.

[09:43] Sisbell

Very well.

[09:45] Jhin

This is a business transaction.

[09:47] Jhin

The contract is for 30 days.
Are you good with that?

[09:50] Sisbell

I am.

[09:52] Jhin

One last question.

[09:54] Jhin

Why are they after you?

[09:59] Sisbell

If I do not return to the Queen's
Palace, a full-on war will break out.

[10:05] Mismis

A full-on--

[10:06] Sisbell

An all-out war between the two
nations would end the world.

[10:09] Sisbell

That is why I want to go
back as soon as possible.

[10:12] Mismis

W-What are you talking about?

[10:14] Sisbell

I am a retainer at the Queen's Palace.

[10:16] Sisbell

Someone seeks to overthrow the current regime and start a war with the Empire.

[10:22] Jhin

Lork Mask?

[10:24] Sisbell

He is one of the suspects.

[10:26] Sisbell

My goal is to find the traitor.

[10:30] Sisbell

That is why they are after me.

[10:33] Sisbell

I will take care of the bill here.

[10:36] Sisbell

A token of our friendship.

[10:39] Jhin

We didn't even order anything.

[10:41] Sisbell

Shall we go, then?

[10:42] Jhin

Did you hear what I said?

[10:44] Rin

Lady Alice, should you be lounging around?

[10:48] Alice

It's fine, I'm on a bed.

[10:49] Rin

The problem is that this is Lady Sisbell's room.

[10:53] Alice

I wonder what she's doing right now?

[10:57] Rin

We will know soon enough.

[10:58] Rin

Your Majesty's guards are on their way to provide protection.

[11:03] Rin

Why the big "woe is me" sigh?

[11:07] Alice

What's not to sigh about?

[11:10] Alice

All these formal meetings I have to attend,

[11:13] Alice

worrying about Sisbell as an older sister,

[11:16] Alice

all the while worrying about Elletear as well.

[11:19] Alice

I don't even have time to

think about anything else.

[11:23] Rin

You do skip many of those meetings though.

[11:26] Rin

I apologize.

[11:28] Alice

I also have to fight the Saint Disciples
to protect the Sovereignty.

[11:31] Alice

I'm sure I'll have to fight the strongest
ex-Saint Disciple swordsman.

[11:35] Alice

And there will be times when
I'd fight WITH him as well.

[11:38] Alice

And other times, we'd go to
the opera, eat pasta, and--

[11:40] Rin

You keep talking about that one swordsman.

[11:44] Alice

I accept Iska as one enemy to another!

[11:48] Alice

I will not show mercy when
we meet on the battlefield!

[11:51] Rin

That's right, Lady Alice.

[11:52] Alice

Iska and I have no choice but to fight!

[11:55] Alice

She has some nerve to say he's
her one and only dream knight!

[11:59] Alice

Wait, do you think she's
with Iska right now?!

[12:03] Alice

I won't be having that!

[12:04] Rin

Lady Alice, please pull yourself together!

[12:08] Sisbell

Everyone, please be on alert.

[12:11] Sisbell

There's no telling where
Masked Lord's assassins are.

[12:14] Nene

You're too close to Iska!

[12:18] Sisbell

Fate has brought us together.

[12:20] Sisbell

I feel we would make a good
master-servant relationship.

[12:24] Mismis

W-W-W-W-What are you on about?!

[12:26] Mismis

Iska is MY subordinate.

[12:28] Iska

Wasn't I supposed to be your guard?

[12:30] Sisbell

Oh, yes, that's right. I do apologize.

[12:34] Nene

Iska is MY friend!

[12:36] Nene

You can't just take him
away without permission!

[12:38] Sisbell

But am I not one of you right now?

[12:40] Mismis

- Grr...

[12:40] Nene

- Grr...

[12:42] Sisbell

That's how reassuring
this situation is to me.

[12:46] Sisbell

Schwartz has been the only one on my side.

[12:52] Mismis

J-Just this once, OK?!

[12:55] Nene

I guess it can't be helped.

[12:57] Iska

Sisbell, I just want to make myself clear.

[13:00] Iska

Once this protection detail is
over, so will be our relationship.

[13:03] Iska

We'll be enemies on the battlefield.

[13:06] Iska

You know this, right?

[13:08] Sisbell

That is fine.

[13:10] Sisbell

I appreciate it, even if it
is just during the escort.

[13:15] Sisbell

I am truly grateful that you are here.

[13:21] Schwartz

I've chosen an indirect route to the
Sovereignty to avoid Zoa's detection.

[13:28] Schwartz

We should spend the night here.

[13:30] Sisbell

Wise choice, Schwartz.

[13:32] Sisbell

I am also hungry.

[13:35] Sisbell

Iska,

[13:37] ---

there are many restaurants here.

[13:39] ---

Where would you like to eat?

[13:42] Iska

We're your guards.

[13:44] ---

We'll go where you decide to eat.

[13:46] Iska

Anyway, if you're feeling better,
could you let go of my arm?

[13:51] Sisbell

That, I cannot do.

[13:53] Mismis

This is just a mission,
this is just a mission.

[13:53] Nene

This is just a mission,
this is just a mission.

[13:57] Jhin

I'm sensing a pitch black
murderous intent from you two.

[14:00] Sisbell

I have an idea, Iska.

[14:02] Sisbell

Try to guess my favorite food.

[14:05] Sisbell

We shall have that for dinner tonight.

[14:07] Iska

Your favorite?

[14:09] Sisbell

You seem stumped.

[14:11] ---

If this is too hard, I can
make it a multiple choice--

[14:13] Iska

Pasta.

[14:15] Sisbell

That is amazing! How did you guess?

[14:18] Iska

My gut instinct.

[14:21] Iska

You two are sisters all right.

[14:26] Iska

I wonder how Alice is doing?

[14:31] Alice

Maybe I should've dragged her back with me.

[14:35] Rin

Lady Alice,

[14:36] ---

I apologize for disturbing you late at night.

[14:38] Alice

What's wrong?

[14:40] Rin

You have a guest. May I send him away?

[14:43] Alice

Yes. It's ridiculous to visit someone so late at night.

[14:47] Alice

Who is he, anyway?

[14:50] Rin

It's Masked Lord.

[14:51] Masked Lord

You have my sincerest apologies for this visit at an uncivilized hour.

[14:58] Alice

What brings you here?

[15:01] Masked Lord

Are you aware that Lady Sisbell may be connected to the Empire?

[15:07] Alice

No.

[15:08] Masked Lord

It's treason if she is indeed working with an Imperial soldier.

[15:13] Masked Lord

It'll be the downfall of the Queen, and yours as a princess.

[15:17] Alice

There's no way Sisbell is connected to the Empire.

[15:21] Masked Lord

Is that so?

[15:23] ---

Then you'll have no qualms about investigating this matter together?

[15:26] Masked Lord

The results will speak for itself.

[15:30] Alice

You have my cooperation.

[15:32] Nene

Phew, we got into the Sovereignty.

[15:36] Sisbell

As I have promised. There was no need for worry.

[15:41] Iska

Is it really good that people can cross borders this easily?

[15:45] Iska

What if they demanded an astral power trial?

[15:47] Sisbell

I would have shouted at them to leave us alone.

[15:50] Sisbell

Of course, it would have been a nightmare if they did find out.

[15:55] Sisbell

But I am desperate as well.

[15:58] ---

Our palace is a monster's nest right now.

[16:01] Sisbell

I must protect the queen.

[16:02] Iska

Monsters?

[16:04] Sisbell

I'm sorry, I shouldn't have said that.

[16:09] Sisbell

What is it, Iska?

[16:11] Iska

It's nothing. I just noticed that cafes are the same in every nation.

[16:16] Sisbell

100 years ago, astral mages fled the Empire and founded the Nebulis Sovereignty.

[16:23] Sisbell

Our roots have not changed.

[16:25] ---

We share the same language and culture.

[16:29] Sisbell

The only difference is that everyone

in this city are astral mages.

[16:34] Iska

Even that girl at the cafe

[16:37] Iska

could be a threatening astral mage that could overpower Imperial soldiers.

[16:42] Iska

That's why the Empire persecuted them as "witches" and "demons."

[16:54] Iska

Security seems tight.

[16:55] ---

Are they on a lookout for Imperial soldiers invading?

[16:58] Sisbell

That is not it.

[16:59] Sisbell

There is a province-wide patrol to track down a criminal escapee.

[17:06] Iska

So it's not just the Imperial soldiers you need to worry about.

[17:08] Sisbell

I am sure there are people who misuse guns at the Empire as well.

[17:12] Sisbell

Likewise, not all astral mages are good.

[17:15] Sisbell

This escapee is the worst of all, a demon named Salinger.

[17:21] Iska

What?

[17:26] Sisbell

Oh, Iska. What is on your mind?

[17:30] Iska

A lot of things, but we need to focus on the here and now.

[17:36] Iska

How are we going to reach the Central Province where the Queen's Palace is?

[17:40] Sisbell

Precisely! This is where our true challenge begins!

[17:44] Alice

What?!

[17:45] Alice

She's on the move?!

[17:47] Rin

My clothes...

[17:49] Alice

So, where's Sisbell?!

[17:51] Rin

She passed the border checkpoint
and entered the Sovereignty today.

[17:56] Alice

Her and Schwartz, just the two of them?

[17:58] Rin

She's with four others who
appear to be bodyguards.

[18:00] Rin

Her explanation was that they were
mercenaries hired in Alsamira.

[18:04] Rin

I have nothing but admiration.

[18:06] Alice

You mean Sisbell hired them?

[18:10] Rin

Very impressive, Lady Alice.

[18:12] Alice

What exactly are you talking about?

[18:15] Rin

Your Majesty wishes you to go to
Riesbarten to protect Lady Sisbell.

[18:21] Alice

Me? But Masked Lord will tag along.

[18:25] Rin

Her Majesty will hold a Three
Founding Family conference tomorrow

[18:28] Rin

to keep Masked Lord of the Zoa here.

[18:32] Alice

That's our chance to leave, then!

[18:35] Alice

Oh, but shouldn't I also attend the meeting?

[18:39] Rin

Lady Elletear is also present right now.

[18:42] Alice

You're right.

[18:43] Alice

Honestly, I don't know what's on her
mind, but she's still my little sister.

[18:49] Alice

I have to help her.

[18:53] Sisbell

We have just started.

[18:54] ---

This is where the real mind game starts.

[18:58] Sisbell

The moment I crossed the border, they were notified of my whereabouts.

[19:03] Sisbell

Elletear, Alice, or both are traitors

[19:07] ---

connected to the House of Zoa.

[19:12] Sisbell

It is also highly likely that they joined forces with that monster.

[19:17] Sisbell

If I am captured, I would be imprisoned or silenced.

[19:22] Sisbell

Mother is the only one I can trust.

[19:26] Sisbell

That is why I needed a protector.

[19:29] Sisbell

I would do anything, even seduce him, to protect this nation.

[19:34] Sisbell

Even if he thinks of me as a filthy witch.

[19:38] Sisbell

But Mother, to be honest,

[19:41] ---

I am relieved to have someone I can throw myself at.

[19:48] Sisbell

Right now,

[19:51] ---

all I have is Iska.

[19:56] Sisbell

How great would it be if I could stay with him forever?

[20:02] Sisbell

Please guide me,

[20:04] ---

astral spirits.

[20:08] Jhin

Where's your servant?

[20:10] ---

It's still pretty early.

[20:12] Sisbell

He just left for the Central Province.

[20:15] Sisbell

Schwartz's astral power is suited for covert missions.

[20:19] Sisbell

We should have an audience with the queen in two days.

[20:22] Sisbell

Let's hide in this city while we wait for him to report back.

[20:26] Jhin

All right.

[20:28] Sisbell

As planned, Iska and I will stake out the South Altoria station.

[20:33] Sisbell

If assassins are being sent in, they will likely use this railroad.

[20:37] Jhin

A defensive strategy leaning towards offense to find the assassins, huh?

[20:41] ---

But--

[20:42] Iska

They know my face.

[20:44] Mismis

Here, put this on, and good luck!

[20:49] Iska

I guess I'll also be wearing this.

[20:51] Mismis

Iska, you look cool!

[20:53] Nene

You actually look smart.

[20:56] Iska

That isn't making me feel good...

[20:59] Rin

We'll be at the Riesbarten terminal's South Altoria station soon.

[21:04] Rin

If Lady Sisbell were to go into hiding, it would be in this city.

[21:08] Rin

Do you have an idea of where she might go?

[21:11] Alice

If I did, this would be a lot easier.

[21:13] Alice

You know she's always locked herself in her room.

[21:17] Alice

I have no clue what she even likes.

[21:19] Alice

Does she like cake? Pudding?

I don't even know.

[21:24] Station Announcement

*We are now arriving at the
South Altoria station.*

[21:26] Station Announcement

*Please ensure that you take all of
your personal belongings with you.*

[21:27] Alice

OK, let's go, Rin!

[21:30] Rin

Yes, but please wait for me since
this is quite heavy, Lady Alice.

[21:34] Alice

It's going to be a challenge
to find Sisbell.

[21:36] Rin

Perhaps you can use your
good luck to find her.

[21:40] Rin

Just like you kept bumping into
that swordsman so many times.

[21:44] Alice

Iska's was a coincidence.

[21:45] Alice

But you're right, it might be fun to
imagine where Sisbell may stop by.

[21:50] Alice

Over there!

[21:51] Rin

Huh? You're not serious?

[21:54] Rin

It's just a juice bar you
see in every terminal.

[21:56] Alice

With this many people,
it's hot and humid here.

[22:00] Alice

I think she'd want to quench her
thirst with a refreshing juice!

[22:04] Alice

We should also hydrate ourselves.

[22:06] Alice

Come on, let's scope out the place!

[22:09] Rin

You just want to drink something.

[22:11] Alice

That's why I thought she would, too.

[22:15] Alice

Aw, too bad. I guess she isn't here.

[22:18] Rin

Of course she isn't.

[22:19] Rin

Lady Alice, what would you like?

[22:22] Alice

Hmm, let's see.

[22:23] ---

Green smoothie, banana juice,
fresh strawberry shake...

[22:25] Iska

Excuse me, could I have one
fresh strawberry shake,

[22:29] Alice

OK, I've decided.

[22:29] ---

and...

[22:31] Alice

Melon soda with special coconut ice cream,

[22:31] Iska

Melon soda with special coconut ice cream,

[22:34] Alice

topped with whipped cream
and elderflower syrup.

[22:34] Iska

topped with whipped cream
and elderflower syrup.

[22:38] Alice

Huh?

[22:40] Iska

Huh?

[22:43] Alice

Wait...

[22:43] Iska

Wait...
