[00:00] ---

The following program is intended
for Mature Audiences only.

[00:00] Yoneda

Prime Minister Suzuki.

[00:02] Yoneda

*Please don't do anything to hinder the
movements of the God candidates.*

[00:06] Suzuki

I've decided to capture them in order
to protect the safety of the people.

[00:11] Suzuki

The helicopters were dispatched not
to attack them, but to secure them.

[00:16] Suzuki

Professor, don't tell me *you* believe
in all this "God selection" nonsense.

[00:21] Yoneda

What's happening right now is a bona fide
God selection process, Prime Minister.

[00:26] Yoneda

And this time, they aren't hiding their faces.
They have no intention of harming anyone.

[00:32] Suzuki

You expect me to believe you based on that?

[00:34] Yoneda

I'll prove it to you within 24 hours.

[00:38] Yoneda

Attacking them is out of the question.

[00:40] Yoneda

If anything, you should be protecting them.

[00:48] Susumu

What? Wow, cool! Look at all those
helicopters flying right next to us.

[00:53] Susumu

I'm gonna use my Red Arrow
on the people inside.

[00:55] Mirai

Susumu, wait.

[00:57] Mirai

We just have to relocate.

[00:59] Susumu

Oh, right.

[01:01] Mirai

Let's split up and head to locations
B through F, like we agreed.

[01:05] Temari

Okay.

[01:06] Susumu

Got it.

[01:07] Pilot

The targets have vanished.

[04:50] Nakaumi

*If I became God, I'd create a world where
anyone who wants to die can do so freely,*

[04:55] Nakaumi

*painlessly, at any time,

Will a God finally be chosen?!

[05:18] Temari

My ideal world is one where
people don't have to work.

[05:22] Temari

A world where everyone
leads a fun, easy life.

[05:26] Temari

Robots and AI would do
all the work for us instead.

[05:28] Young Man A

Not having to work sounds good.

[05:31] Temari

You're probably asking:

"But how would people get money?"

[05:34] Temari

In other words, how would
people become rich?

[05:37] Temari

I don't know the answer to that,

[05:40] Temari

so I want someone who can figure
that out to become God instead.

[05:44] Young Man B

She doesn't even want to become God.

[05:45] Office Worker

Is this the best the God

candidates have to offer?

[05:48] Housewife

Isn't there anyone taking this seriously?

[05:51] Susumu

I thought it'd be nice to live in a world where I could just play with my friends.

[05:57] Susumu

I thought it'd be nice if there were no more cram schools or phones.

[06:02] High School Student A

Right? One wrong word on social media and you're suddenly a target.

[06:06] High School Student B

Depends on how you use it all, though. Phones are basically essential nowadays.

[06:11] High School Student B

They're too handy. I wouldn't wanna be without 'em.

[06:15] Yoneda

They're all addressing modern-day issues, but their thinking is shallow.

[06:19] Yoneda

The real question is, what should humanity aim for going forward?

[06:25] Susumu

But I don't care about all that anymore.

[06:29] Susumu

Now, just being a God candidate is exciting enough. I like it a lot.

[06:33] Susumu

I feel truly alive every day.

[06:36] Susumu

I think if everyone could experience this excitement,

[06:39] Susumu

the world would be way more fun than it is right now, so...

[06:43] Susumu

I think it might be nice if everyone had White Arrows.

[06:48] Woman 20S

What?

[06:49] Man 30S

Wh-White Arrows?

[06:50] Man 20S

Aren't those the ones that kill people?

[06:52] Man 20S

That's hella crazy.

[06:53] Woman 20S

What's wrong with this kid?

[07:01] Saki

This all happened so suddenly.

[07:04] Saki

I've been thinking about... what I'd do if
I became God, but I still don't have an answer.

[07:12] Saki

But I hope for a world where everyone's able
to smile and experience warm feelings.

[07:23] Yoneda/Id

That just leaves Red.

[07:26] Yoneda

I believe his angel is special rank.

[07:31] Mirai

If I became God, I...

[07:37] Mirai

...wouldn't do anything.

[07:45] Mirai

Guys, return to location A.

[07:50] Akai

The God candidates have just
returned to Yurakucho District.

[07:54] Mirai

There. All five of us have spoken.

[07:57] Mirai

I'd like your partner
to join our discussion.

[08:01] Yoneda

I see. He has the frightening
sincerity of a young man.

[08:05] Yoneda

I mustn't betray that.

[08:08] Yoneda

The question is, can I convince them?

[08:15] Yoneda

Let's go, Muni.

[08:16] Muni

Mm.

[08:17] Assistant

Professor Yoneda, where are you going?

[08:22] Yoneda

To Yurakucho District.

[08:24] Assistant

Huh?

[08:38] Mirai?Id

This man is the final God candidate.

[08:41] Nakaumi

P-Professor Yoneda?

[08:44] Nakaumi

Seriously? What? Whoa, it's really him.

[08:47] Temari

Huh? Who is he?

[08:48] Nakaumi

Professor, I've read all your books.

[08:52] Yoneda

One second.

[08:55] Yoneda

In one second, light can travel
around the Earth 7.5 times.

[08:59] Yoneda

Have you given it a try?

[09:02] Yoneda

I have. I've tested how many times I can
travel around the Earth in one second.

[09:07] Yoneda

How many laps do you think I completed?

[09:10] Yoneda

Try it. You'll realize
one second is infinite.

That most certainly *is* Professor Yoneda.

[09:27] Akai

A recipient of the Nobel Prize
and the National Honor Award,

[09:30] Akai

and said to be the world's smartest man,

[09:33] Akai

Professor Gaku Yoneda has
appeared as a God candidate.

[09:38] Yoneda

That's right. I am Gaku Yoneda.

[09:42] Yoneda

I am also a God candidate, and I declare
that this God selection process is genuine.

[09:52] Suzuki/Id

The professor himself is a God candidate?

[09:55] Suzuki/Id

It's settled. The professor should be God.

[10:10] Yoneda

The five of you aren't going to
surround me like these drones, are you?

[10:16] Mirai

We want to choose the
next God by talking it over.

[10:18] Yoneda

Yes, talking it over. That *is* the best option.

[10:22] Yoneda

After all, humanity is capable of that skill.

[10:25] Saki

Then, let's go somewhere we
can have a nice, quiet chat.

[10:28] Yoneda

That won't be necessary.

[10:30] Yoneda

I want the world to understand
what's happening right now.

[10:35] Yoneda

What I'm about to say next
is only a theory of mine,

[10:39] Yoneda

and while I believe it to be correct,

[10:42] Yoneda

I'd like you to judge for yourselves
whether you agree or not.

[10:46] Yoneda

First off, you're missing
something important.

[10:49] Yoneda

You might even say you're being deceived.

[10:51] Yoneda

At the very least, Metropoliman
seemed to have understood.

[10:56] Nakaumi

Deceived?

[10:57] Temari

What do you mean?

[10:59] Yoneda

Metropoliman didn't believe in God.

[11:04] Metropoliman

Besides, how can anyone believe in
something as unrealistic as a God?

[11:09] Mirai

You mean God doesn't exist?

[11:11] Yoneda

He does currently...

[11:15] Yoneda

But He's not the God you imagine Him to be.

[11:20] Yoneda

He's a fake God.

A human shot with a White Arrow always dies.

[11:38] Yoneda

Red, you said you wouldn't do anything

if you became God. Why is that?

[11:44] Mirai

Because people should stand
on their own two feet.

[11:49] Mirai

If one of us became God and changed
people's lives from their seat up in Heaven,

[11:54] Mirai

it'd be no more than
an invisible dictatorship.

[11:57] Yoneda

Exactly. We don't need a God like that.

[12:00] Temari

Could you explain that in layman's terms?

[12:03] Yoneda

Layman's terms, huh?

[12:05] Yoneda

Then, let me ask the five
of you—no, all of humanity:

[12:08] Yoneda

Which came first, humans or God?

[12:13] Man 20S

Humans, right?

[12:14] Man 30S

God made humans.

[12:16] Man 30S

Nah, man.

[12:17] Temari

Isn't it God?

[12:19] Temari

There's that story about how God was here
first, then Adam and Eve came after.

[12:22] Nakaumi

That's a myth made up by humans.

[12:25] Yoneda

The universe was born
13.8 billion years ago.

[12:29] Yoneda

The Earth was born 4.6 billion years ago.

[12:33] Yoneda

Water formed on Earth and
microorganisms appeared,

[12:36] Yoneda

which evolved into fish,
amphibians, and reptiles.

[12:39] Yoneda

Eventually, mankind was born.

[12:44] Yoneda

Humans hunted, grew crops, and started praying to the heavens for more food.

[12:51] Yoneda

And humans invented God to be the object of their prayers.

[12:58] Yoneda

Everything I've said so far is accepted historical fact more than it is my theory.

[13:03] Yoneda

Did you understand all that?

[13:05] Saki

We're following so far.

[13:07] Susumu

Well, more or less.

[13:09] Temari

You said we're being deceived. Hurry up and get to that part.

[13:13] Yoneda

Nowadays, humans perform surgical procedures and gene manipulation,

[13:18] Yoneda

all of which were once considered sacrilegious,

[13:20] Yoneda

and we've even set foot in outer space.

[13:24] Yoneda

It's impossible to believe God exists in Heaven.

[13:28] Yoneda

I probably shouldn't be telling the whole world that God doesn't exist.

[13:33] Yoneda

I can't deny that teachings based in religion and mythology have improved humanity.

[13:40] Yoneda

And for believers, nothing could be more aggravating.

[13:45] Yoneda

In my own writings, I deny the existence

[13:47] Yoneda

of things like spirits and souls that can't be scientifically proven.

[13:52] Yoneda

But since becoming a God candidate, I've been told about God's existence

[13:56] Yoneda

and interacted with angels.

[13:58] Yoneda

Honestly, at first, I doubted my own eyes, but it was the truth.

[14:04] Yoneda

And since it's the truth, I have no choice.

[14:06] Yoneda

Since angels are flying around in front of me, I must acknowledge God's existence.

[14:10] Yoneda

What creates them is none other than the energy born from the human imagination.

[14:17] Yoneda

An energy that strongly desires them as objects for its prayers.

[14:23] Yoneda

That energy that will eventually be explained by science is known as "God,"

[14:29] Yoneda

and it produced a creature created to be worshiped and glorified.

[14:33] Man 20S

A "creature"? As in, a beast or a monster?

[14:38] Yoneda

He's a man-made creation. A false God who draws energy from people who believe in God.

[14:45] Yoneda

As the number of humans who believe in God has decreased, so has His energy.

[14:50] Yoneda

He's now on the brink of disappearing entirely.

[14:54] Yoneda

So He deceived even the angels and began this God selection process.

[14:59] Mirai

To prevent Himself from disappearing?

[15:01] Yoneda

That's right.

[15:03] Yoneda

It's all gone according to plan,

[15:05] Yoneda

and now the God selection process is being broadcast worldwide.

[15:08] Yoneda

So once a candidate becomes God, many will once more believe that God exists.

[15:14] Yoneda

What I'm trying to say is that the age
of praying to God has come to an end.

[15:22] Yoneda

*We should be screaming for
"anyone" to help us, not God.*

[15:27] Yoneda

*When we encounter problems, we should
come up with solutions instead of praying.*

[15:30] Sign

Professor Gaku Yoneda is a God Candidate?!

[15:33] Yoneda

*Rather than repenting and
begging God for forgiveness,*

[15:35] Yoneda

*we should turn ourselves
in and pay for our crimes.*

[15:38] Yoneda

*Human knowledge, science, and
medicine will overcome all calamities.*

[15:44] Yoneda

*In the near future, they will surely
make even immortality possible.*

[15:48] Yoneda

What's important to humanity is the future,

[15:51] Yoneda

*and to always be considering
what to do in the present.*

[15:54] Yoneda

*So we should just say: "There is no
God. We don't need one anymore."*

[15:58] Yoneda

Let it start with this selection process.

[16:01] Yoneda

*Let it be the reason we were
chosen to be God candidates.*

[16:05] Yoneda

This world doesn't need God anymore.

[16:10] Man 20S

There's no God?

[16:18] Sniper A

Distance: 200 meters.

[16:20] Sniper A

Target doesn't seem to be moving.

[16:22] Sniper A

I've got a clear shot.

[16:24] Observer

*Wait. Our orders are for all
six shots to be fired at once.*

[16:27] Observer

*We don't have a complete
understanding of their abilities.*

[16:30] Observer

Don't take your eyes off them.

[16:32] Sniper A

Roger that.

[16:34] Sniper B

Roger.

[16:35] Sniper C

Roger.

[16:37] Sniper D

Roger.

[16:38] Sniper E

Roger.

[16:40] Sniper F

Roger.

[16:42] Yoneda

So there is God, formed by human prayer,

[16:46] Yoneda

and angels who simply exist to
be used by a weakened God.

[16:50] Yoneda

Muni seeks the destruction of this
false Heaven that produces nothing.

[16:55] Mirai

The destruction of Heaven?

[16:56] Revel/Id

Human prayer and manipulated angels...

[17:00] Nasse

That's an interesting idea, huh?

[17:02] Nasse

What's wrong, Revel?

[17:04] Revel

It's true that *The Origin of Heaven* states
God is supported by human prayer.

[17:09] Ogaro

Every special-rank angel should know that.

[17:13] Yazeli

Acting innocently without
getting bogged down by details

[17:16] Yazeli

is what makes Nasse special-rank.

[17:19] Penema

That's no good in games like this,

though. Means you can't strategize.

[17:23] Nasse

You're making me sound like an idiot.

[17:28] Yoneda

Muni, I understand what your goal is,

[17:32] Yoneda

but there may be an angel among
the other 12 who will interfere.

[17:37] Muni

Mm.

[17:38] Yoneda

What is that angel's special power?

[17:41] Yoneda/Id

*Muni's answer was, "Mm,"
which means, "Don't know."*

[17:45] Yoneda/Id

*Is it the special-rank angel
who appears to know nothing*

[17:48] Yoneda/Id

*or another angel who
knows Heaven's secrets?*

[17:52] Yoneda/Id

Either way...

[17:54] Mirai

You're right.

[17:55] Mirai

I think it's odd to choose a
God from among humankind.

[17:59] Mirai

But I also feel saying, "God doesn't exist,"
like Professor Yoneda did is reckless.

[18:05] Temari

Exactly! I mean, isn't a God created
by human prayer still totally real?

[18:11] Temari

Besides, there are all kinds
of gods around the world.

[18:14] Saki

I think we need a God.

[18:18] Temari

Right?

[18:19] Saki

We need Him, but I don't think He exists.

[18:22] Temari

Huh? Which is it?

[18:24] Saki

I think He's sort of like Santa Claus.

[18:28] Saki

As children, we believe in Santa, but as we get older, we begin to realize he's made up.

[18:34] Saki

But it's more hopeful and inspiring if there is one.

[18:37] Saki

God's the same.

[18:39] Saki

It's never a bad thing to pray to a "God," no matter who or what they may be.

[18:43] Nakaumi

But it doesn't do anything. After all, there's no God to answer your prayers.

[18:49] Saki

He doesn't have to exist.

[18:50] Saki

I believe it's enough for each of us to keep a "God" in our hearts.

[18:56] Saki

So if none of us have to become God, I'd be okay with that.

[19:02] Mirai/Id

Saki.

[19:05] Nakaumi

Well, I never believed in God to begin with, and after hearing Professor Yoneda's theory,

[19:11] Nakaumi

I bet most people don't believe He exists, either.

[19:18] Nakaumi

So I agree with Professor Yoneda.

[19:23] Temari

Hey! You sure you haven't just changed your mind about becoming God?

[19:27] Nakaumi

That's not it. Anyway, what about you, Ms. Temari?

[19:30] Nakaumi

You're just trying to keep your Red Arrows by forcing someone else to become God.

[19:33] Temari

B-But... Remember what Ogaro said? One of the God candidates *must* become God.

[19:40] Temari

Professor, do you know of a way where one of us *doesn't* have to become God?

[19:45] Yoneda

Of course. I've already deduced a method.

[19:50] Temari

No... But I...

[19:54] Temari

I really need my Red Arrow.

[19:57] Temari

I can't go on without it.

[20:00] Temari

Please!

[20:01] Temari

Someone become God! Please!

[20:07] Mirai

Professor Yoneda.

[20:09] Mirai

Aren't there people who
believe in God, depend on Him,

[20:12] Mirai

and see Him as a source
of hope and salvation?

[20:16] Yoneda

Yes, I'm sure there are. But they account
for roughly 0.1% of Earth's population.

[20:21] Mirai

That 0.1% is still seven million people.

[20:25] Mirai

What happens to those people
if there's no God anymore?

[20:30] Nakaumi

They won't be able to blame
God for their misfortune.

[20:33] Nakaumi

They won't be able to repent
and ask His forgiveness.

[20:35] Nakaumi

Praying to Him will change nothing.

[20:37] Nakaumi

They won't have anything they can rely on,

[20:40] Nakaumi

but they won't have the strength
to solve their own problems, either.

[20:42] Nakaumi

They'd almost certainly lose
all hope and kill themselves.

[20:46] Susumu

Since they can't keep up with the times,
I guess that's just how it goes.

[20:51] Mirai/Id

Suicide? Just... how it goes?

[20:58] Mirai/Id

Just how it goes...

[21:01] Mirai

In that case...

[21:03] Mirai

I'm willing to become God to prevent that.

[21:14] Yoneda/Id

He's finally feeling motivated.

[21:17] Nasse

Mirai, are you sure?

[21:20] Nasse

I thought you wanted to find an ordinary happiness for yourself.

[21:24] Nakaumi

Red will become God?

Isn't it too late for that?

[21:27] Nakaumi

Nobody will agree to that.

[21:30] Nakaumi

Oh, I guess Ms. Temari would.

[21:33] Temari

Hey! *You* started off by arrogantly saying you'd become God if no one else'd do it!

[21:38] Nakaumi

I still want to kill myself,
and I don't mind dying anytime,

[21:42] Nakaumi

but if I became God, I'd be causing trouble

[21:44] Nakaumi

for the majority of Professor
Yoneda's supporters.

[21:47] Mirai

Enough of this.

[21:49] Mirai

It's fine. I'll become God.

[21:59] Mirai

Susumu?

[22:02] Susumu

This guy's got a rifle.

[22:04] Susumu

Hey, there's a guy over here with a rifle!

[22:07] Susumu

He's been aiming at us this whole time.

[22:09] Sniper A

Damn it.

[22:10] Susumu

Wow, it's like a movie.

[22:10] Observer

Wait. Don't shoot!

[22:11] Sniper A

But the target will likely
use his Arrows on us.

[22:14] Susumu

Hey, can I shoot him with my Red Arrow?

[22:16] Mirai

No! Susumu, get away from there!

[22:19] Observer

*Follow your orders and
keep aiming at your targets.*

[22:21] Observer

Keep aiming at Red.

[22:23] Susumu

Red?

[22:30] Observer

Open fire!
