[00:00] ---

The following program is intended
for Mature Audiences only.

[00:00] Susumu

Hey, can I shoot him with my Red Arrow?

[00:03] Mirai

No! Susumu, get away from there!

[00:13] Mirai

Bullets incoming! Fly away!

[00:28] Mirai

Professor...

[00:36] Mirai

Let's get away from here.

[00:41] Yoneda

Susumu Yuito.

[00:42] Yoneda

I'm afraid you're beyond saving.

[00:52] Yoneda

Penema, I'll be taking his Arrows and Wings.

[00:57] Penema

Game over, huh?

[00:59] Penema

Too bad.

[01:19] Sign

[02:51] Sign

Susumu Yuito

[02:53] Yoneda

Put me on speaker phone.

[02:55] Mirai

Professor!

[02:59] Yoneda

Everyone, Susumu Yuito is dead.

[03:02] Yoneda

I've taken his Arrows and Wings.

[03:06] Yoneda

Unfortunately, we'll have to
put our conversation on hold.

[03:08] Yoneda

I feel we should resume our discussion
once we've heard the world's response.

[03:15] Yoneda

Farewell.

[03:16] Temari

Who does he think he is?

[03:18] Temari

This happened because he kept
droning on about how there's no God.

[03:23] Saki

Susumu...

[03:27] Nakaumi

Susumu probably didn't want to die, but
people die so easily when it's their time.

[03:33] Yoneda

That's right. This is reality.

[03:37] Yoneda

Is this your first time seeing a dead body?

[03:39] Nakaumi

No, I've seen several before now.

[03:42] Nakaumi

If only I'd been shot instead...

[03:45] Yoneda

By the way, there's something
I'd like to discuss with you.

[03:48] Yoneda

Is it true that you have no
issue with dying whenever?

[03:52] Nakaumi

Yes.

[03:54] Yoneda

Then, you'd be fine with me shooting
you with a White Arrow at any time?

[03:58] Nakaumi

Yes.

[03:59] Yoneda

If I gave you one of these White Arrows,
could you use it to shoot me?

[04:07] Nakaumi

Yes. I respect you, Professor.

[04:10] Nakaumi

I'd do anything you ask me to.

[04:14] Yoneda

People are sometimes driven by a desire to assimilate with the object of their respect

[04:19] Yoneda

because they want to better understand the person they admire.

[04:23] Yoneda

In extreme cases, they even wish to be reborn as that person,

[04:29] Yoneda

and eventually end up killing them.

[04:32] Yoneda

Do you understand?

[04:33] Nakaumi

Yes, I do. That's from one of your books.

[04:41] Yoneda

And you are no exception.

[04:44] Yoneda

I can't let that remote possibility come to pass. I'm just being safe.

[04:49] Temari

Hey, Red, even if you become God, you'll give me a Red Arrow, right?

[04:55] Temari

I need that condition to carry over from our agreement with Nakaumi.

[04:59] Saki

Ms. Yuri, why do you think you won't be able to go on living if you don't have a Red Arrow?

[05:04] Temari

Because I'm not confident I can get likes without a Red Arrow.

[05:09] Temari

Got a problem with that?

[05:11] Mrai

Fine. I'll carry over the condition.

[05:13] Temari

Then, I'll do everything I can to support you, Red!

[05:18] Temari

And I'm *very* opposed to Professor Yoneda.

[05:24] Revel

Nasse.

[05:25] Revel

What do you think will happen to the angels if a God *isn't* chosen?

[05:29] Nasse

Since God would disappear,
wouldn't we disappear, too?

[05:33] Revel

You don't seem upset about it.

[05:34] Nasse

Well, if becoming God would make
Mirai happy, then that's what I want.

[05:40] Nasse

I don't care what happens to me.

[05:42] Temari

Though, you know...

[05:44] Temari

I'm surprised you said you'd become God, Red.

[05:47] Temari

I thought you and Yellow were a couple.

[05:51] Temari

If you *really* loved each other, you wouldn't
be able to leave her behind to become God.

[05:56] Nasse

You think so? If Mirai became God,

[05:59] Nasse

he'd be able to envelop Saki in an
even greater love from up in Heaven.

[06:06] Saki

More importantly, what do we do now?

[06:10] Mirai

Mr. Hoshi and Ms. Yumiki are the
only ones we can rely on now.

[06:17] Temari

But we don't know who sent the Self-Defense
Force helicopters or who shot at us.

[06:22] Temari

We know it wasn't Ms. Yumiki since she's been
Red Arrowed, but who knows with Mr. Hoshi.

[06:31] Saki

I'll try asking Ms. Yumiki about it.

[06:34] Yumiki

I'll do what I can. Give me a few days.

[06:42] Hoshi/Id

*Yoneda... I can't believe
you're a God candidate.*

[06:46] Yumiki

Sir.

[06:48] Hoshi

What is it?

[06:50] Yumiki

We need to talk.

[07:01] Angel

We have an emergency.

[07:03] Angel

God is...

[07:04] Angel

God is beginning to fade away.

This is an emergency shelter.

[07:47] Hoshi

No one comes down here normally,
and there are no cameras or windows.

[07:50] Yumiki

No one will think to look for
God candidates in the station,

[07:54] Yumiki

and it's easily accessible for me and Hoshi.

[07:56] Hoshi

Unfortunately, the government still
intends to capture the God candidates.

[08:00] Hoshi

We arrested two of the snipers, but their
names and nationalities are unknown.

[08:04] Hoshi

And the world has realized that
even God candidates can be shot

[08:08] Hoshi

when fired at from a blind spot.

[08:10] Mirai

A blind spot...

[08:12] Hoshi

The world's attitude towards
the God candidates is critical.

[08:15] Hoshi

For your own safety as well,
this matter must be resolved quickly.

[08:18] Saki

Resolved? But how?

[08:22] Mirai

Professor Yoneda said
he'd speak to us again.

[08:26] Mirai

When we talk, I'll convince him.

[08:28] Temari

Convince him?

[08:29] Mirai

Even the professor acknowledged

that, if there's no God,

[08:33] Mirai

some of the people who seek
divine salvation would die.

[08:37] Mirai

There must be a way to avoid that.
Even just different phrasing—

[08:40] Temari

It's impossible. That chatterbox would
just talk you into agreeing with him.

[08:44] Temari

The entire goal of a scholar's life is to
prove their own theories are correct.

[08:48] Mirai

But we can talk—

[08:49] Temari

It's impossible, Red! Don't you get it?

[08:51] Temari

People like him believe their
thinking is 100% correct.

[08:55] Temari

They *never* change their minds.

[08:59] Hoshi

I'll help you convince Yoneda
when you talk to him next.

[09:03] Mirai

Why you, Hoshi?

[09:05] Hoshi

Yoneda and I know each other.
We went to the same high school.

[09:10] All

What?

[09:13] Hoshi

It was my second day of high school...

[09:18] Clerk

[09:21] Hoshi/Id

[09:52] Male Student A

Hey, that hurt! Watch where you're going.

[10:01] Yoneda

Sorry. Are you okay?

[10:03] Hoshi

Oh, it's fine. I'm the one who wasn't looking.

[10:06] Yoneda

I hope you're not hurt.

[10:11] Hoshi

What a nice guy.

[10:13] Hoshi

And then, two weeks into high school...

[10:16] Teacher

Okay, next.

[10:19] Teacher

[10:32] Hoshi/Id

[10:35] Student B

Hoshi, six seconds exactly.

[10:37] Student C

Yoneda, 6.2 seconds.

[10:42] Hoshi

Yoneda.

[10:44] Hoshi

You shouldn't have done that.

[10:46] Yoneda

Done what?

[10:47] Hoshi

You deliberately slowed to
get a slower time than me.

[10:51] Hoshi

I admire how you go out of your way to avoid displeasing people, but this is different.

[10:57] Yoneda

In that case, I'm very sorry.

[10:59] Hoshi

Oh, no, you don't need to offer a groveling apology.

[11:03] Hoshi

Can I ask you something?

[11:05] Hoshi

You were muttering something while you were running. What was it?

[11:09] Yoneda

An irrational number.

[11:10] Hoshi

An irrational number?

[11:11] Yoneda

A number that can't be expressed as a fraction,

[11:14] Yoneda

with infinite non-repeating decimals.

[11:17] Yoneda

It's stressful for me to do what everyone else is doing.

[11:20] Yoneda

Filling my head with numbers calms me down. Just now, I was reciting pi.

[11:27] Hoshi

Would you like to be friends with me?

[11:31] Yoneda

Friends?

[11:33] Yoneda

I'm sorry, but I can't.

[11:35] Hoshi

You can't?

[11:36] Teacher

On your marks. Get set.

[11:36] Yoneda

Between you and me, I plan on quitting school this week.

[11:40] Hoshi

Quitting? But it's only been two weeks.

[11:44] Yoneda

I know. In elementary and middle school, I could ditch classes whenever I wanted,

[11:47] Yoneda

but high school has mandatory attendance.

[11:50] Yoneda

But I can't do that. It's also more effective if I study on my own.

[11:55] Yoneda

You're right when you say I don't want to displease others,

[11:58] Yoneda

but even more than that, I don't like being displeased.

[12:01] Yoneda

I don't want to associate with other people.

[12:04] Hoshi

Struggling with interpersonal relationships might be a part of life,

[12:09] Hoshi

but don't you need friends?

[12:11] Yoneda

No, I'm fine.

[12:12] Yoneda

The times I enjoy the most are when I'm doing research or creating things by myself.

[12:17] Yoneda

But since I was born a human, I do want to do something that'll help the world.

[12:24] Teacher

Hey, you two! How long are you going to just stand over there?

[12:30] Yoneda

Please don't tell anyone about what we just discussed.

[12:33] Yoneda

I'd like to quit without anyone knowing.

[12:36] Hoshi

Later on, his novel became a bestseller.

[12:39] Hoshi

He won two Nobel Prizes, for literature and physics.

[12:42] Hoshi

He was dubbed the "world's most brilliant man," and even received a National Honor Award.

[12:47] Saki

All after studying on his own? He really is amazing, isn't he?

[12:50] Hoshi

Yoneda himself probably never wanted to become famous.

[12:54] Hoshi

In any case, Yoneda
dislikes displeasing others.

[12:57] Mirai

He doesn't want to displease people...

[13:00] Temari

So Nakaumi's aversion to
inconveniencing others

[13:02] Temari

is due to Professor
Yoneda's influence, huh?

[13:05] Hoshi

If Yoneda hasn't changed,
we should be able to use that somehow.

[13:12] Nakaumi

The way for God candidates to
avoid becoming God is so simple.

[13:18] Yoneda

Yes. You could even call it the only way.

[13:27] Yoneda

I used to want to die, too.

[13:29] Yoneda

Naturally, I'm still prepared to die.

[13:33] Yoneda

But my suicidal tendencies
were different from yours.

[13:36] Yoneda

My desire to experience death simply
exceeded my desire to keep on living.

[13:41] Nakaumi

Desire to experience death?

[13:42] Yoneda

We still don't understand what
happens to people after death.

[13:46] Yoneda

Human beings are physical objects.

[13:48] Yoneda

It's likely that we just become
nothing when our bodies turn to dust,

[13:52] Yoneda

but that hasn't been proven.

[13:54] Yoneda

I simply wanted to know what
happens to people after they die.

[13:59] Yoneda

If this God selection process is genuine,

[14:01] Yoneda

and as God, I could learn what happens
after death and tell people about it,

[14:06] Yoneda

I would gladly volunteer to become God.

[14:09] Nakaumi

Impressive, Professor. Your thinking
is totally different from mine.

[14:15] Nakaumi

The idea we experience something other
than nothingness after death scares me.

[14:20] Nakaumi

Nothingness would mean my suffering ends.

[14:23] Nakaumi

But if there's a Hell, and my
suffering were to continue...

[14:26] Nakaumi

If there's a Heaven,
I hope it's a truly happy place.

[14:30] Yoneda

Heaven and Hell were invented
to make people believe in God.

[14:35] Yoneda

After all, while there *is* a creature
of sorts in that world, it isn't God.

[14:39] Nakaumi

Yes, I understand that.

[14:42] Nakaumi

But I've seen angels fly off with what appeared to be the souls of dead people.

[14:48] Nakaumi

It made it seem like there *is* an afterlife.

[14:50] Yoneda

That's an illusion the creature is showing us.

[14:55] Yoneda

Isn't that right, Muni?

[14:56] Muni

Mm.

[14:57] Yoneda/Id

The creature absorbs a certain amount of energy created by humanity.

[15:02] Yoneda/Id

Imagine the advancements in science if we could use that energy properly.

[15:06] Yoneda/Id

A false Heaven. A false God.

[15:09] Yoneda/Id

Avaricious false angels created by a false God.

[15:13] Yoneda/Id

It'd be better if such things ceased to be.

[15:16] Yoneda/Id

That's what Muni believes.

[15:19] Yoneda

When I met Muni, I'd lost sight of myself.

[15:25] Reporter A

People come to see me every day.

[16:09] Yoneda/Id

I'm not making any progress on my research.

[16:11] Yoneda/Id

[16:17] Yoneda/Id

I just wanted to help humanity.

[16:21] Yoneda/Id

Let me do my research.

[16:28] Yoneda/Id

I've reached my limit.

[16:30] Yoneda/Id

*Humanity has formed
groups since ancient times.*

[16:34] Yoneda/Id

*I can't escape it. I have to quit being
human to escape it. Today, I will die.*

[16:41] Yoneda/Id

*It'll be wonderful. After all, I'll be able

[17:00] Yoneda/Id

But no, it was the Angel of Destruction.

[17:05] Muni

Tell me, what gives you hope to live?

[17:08] Yoneda

Hope to live?

[17:10] Yoneda

*I have no hope to live. I want to
know what happens after death.*

[17:16] Muni

*Mm. You have the capacity to eventually
find out the truth about everything.*

[17:23] Yoneda

The truth?

[17:27] Yoneda

*Naturally, I didn't believe Muni right
away, doubting every word I heard.*

[17:33] Yoneda

After speaking with Muni at length,
I realized two months had passed.

[17:38] Yoneda

I saw a pair of young boys
manipulated into fighting one another

[17:42] Yoneda

by this false selection process.

[17:44] Yoneda

I felt I had to tell everyone the truth.

[17:47] Yoneda

Why didn't they understand the
obvious fact that there is no God?

[17:52] Yoneda

Humankind should learn the truth
and march towards its future.

[17:57] Nakaumi

Yes. You're absolutely correct, Professor.

[18:02] Yoneda/Id

The angel who knows Heaven's secrets...
The Angel of Darkness, Ogaro.

[18:07] Yoneda

Are you the angel who possesses special
powers, or is it one of the others?

[18:12] Ogaro

Even if I knew, I wouldn't tell you.

[18:16] Ogaro

What's best for me is for
my partner to become God.

[18:20] Ogaro

And you've got in the way of that.

[18:27] Yoneda

Currently, there are two ways to prevent a
God candidate from becoming the "creature."

[18:33] Yoneda

They can both be accomplished
with White Arrows.

[18:36] Yoneda

No matter which option we choose, I'll have
to shoot you with one of these, Nakaumi.

[18:42] Nakaumi

Thank you. Nothing could be greater than
dying by your White Arrow, Professor Yoneda.

[18:47] Yoneda

What we need to decide now is
whether I shoot you once it's all over,

[18:52] Yoneda

or whether I do it now.

[18:54] Nakaumi

Any time is fine with me.

[18:59] Yoneda

You may be fine with it, but Ogaro isn't.

[19:01] Yoneda

Your angel clearly stated that making you
the creature was in their best interest.

[19:06] Yoneda

So I'm sure increasing the odds of
that happening would be preferable.

[19:11] Yoneda

Ogaro, if you insist you don't know or won't
tell me which angel is the special one,

[19:16] Yoneda

I'll shoot Shuji Nakaumi with
this Arrow here and now.

[19:23] Ogaro

Fine.

[19:24] Ogaro

But I have one condition.

[19:26] Ogaro

Give the White Arrow you received
from Susumu Yuito to my partner.

[19:32] Ogaro

Since he's been shot with a Red Arrow,

[19:35] Ogaro

there's no possibility of my
partner using it to shoot you.

[19:39] Ogaro

If your plan hits difficulties, you
can simply recall the White Arrow.

[19:43] Yoneda

You're right. It would be proof,
and there is no risk to me.

[19:48] Yoneda

But we'd just be delaying the inevitable.

[19:50] Ogaro

I expect nothing from my current partner.

[19:54] Yoneda

Then, it's a pointless struggle.

[19:57] Yoneda

If the creature dies, so do the angels.

[19:59] Yoneda

Is this your way of extending
your life for as long as possible?

[20:02] Ogaro

No. I have high hopes for...

[20:06] Ogaro

Mirai Kakehashi.

[20:09] Yoneda

No wonder they call you
the Angel of Darkness.

[20:14] Yoneda

Now tell me, which angel
possesses special powers?

[20:18] Ogaro

It is most likely Nasse.

[20:20] Yoneda/Id

I knew it.

[20:23] Yoneda

And the special powers?

[20:24] Ogaro

Nasse can touch their
partner, Mirai Kakehashi.

[20:29] Ogaro

Just as humans cannot touch angels,

[20:31] Ogaro

angels cannot touch objects
from the human world.

[20:34] Ogaro

However, Nasse openly admits to catching
Mirai Kakehashi with their own hands.

[20:41] Ogaro

Nasse can move people and objects.
It's not much, but only Nasse is capable of it.

[20:46] Yoneda

I wouldn't call that "not much" at all.

[20:48] Yeonda

If the angel can directly interact with
their partner, it can change his fate.

[20:54] Yoneda

In fact, Nasse saved his life.

[20:56] Ogaro

Nasse does not realize
this power is special,

[21:00] Ogaro

nor has any understanding
of how an angel should be.

[21:02] Yoneda

Is it possible for this angel to shoot
a God candidate with an Arrow?

[21:07] Ogaro

No, it is not.

[21:09] Yoneda/Id

I see.

[21:12] Yoneda/Id

*Now that I know this, the next step
is to choose a time and a place.*

[21:20] Sign

I wish those nuisances would hurry up and disappear. Actually,
I'd rather they just died, especially that dumb girl #Godcandidate

[21:20] Sign

If that dumb chick becomes God, my life's over lol

[21:24] Temari

By contrast, here's what they're
saying about Professor Yoneda.

[21:27] Sign

We just need to leave this to Professor Yoneda

[21:27] Sign

Professor Yoneda's thinking makes the most sense to me.
He really is a genius. He's the only option.

[21:27] Sign

Professor Yoneda is the best

[21:27] Sign

Professor Yoneda's thinking makes the most sense to me.
He really is a genius. He's the only option.

[21:27] Sign

Professor Yoneda is the best

[21:27] Sign

I can't imagine God being anyone
other than Professor Yoneda the genius

[21:27] Sign

Professor Yoneda is the best

[21:27] Sign

I can't imagine God being anyone
other than Professor Yoneda the genius

[21:27] Sign

I reckon everything'd go great
if Professor Yoneda was in charge

[21:27] Temari

How is it so *different*?!

[21:27] Sign

Professor Yoneda is the best

[21:27] Sign

I can't imagine God being anyone
other than Professor Yoneda the genius

[21:27] Sign

[21:27] Sign

[21:27] Sign

He's not like the others

[21:27] Sign

I wanna see Professor Yoneda's world

[21:27] Sign

There's no way the professor's wrong lol

[21:28] Sign

He's not like the others

[21:28] Sign

[21:28] Sign

God may be a creature, but if Professor Yoneda
becomes God, I'd have some hope for this world.

[21:28] Sign

[21:29] Sign

God may be a creature, but if Professor Yoneda becomes God, I'd have some hope for this world.

[21:29] Saki

If only Professor Yoneda would agree to become God...

[21:32] Temari

That won't happen.

[21:35] Temari

He says there's no God and calls what we have now a "creature."

[21:38] Saki

Then, he could just become God and tell people he's not a God, he's a creature.

[21:45] Temari

I'm saying the professor would've suggested that already if he was down with that.

[21:50] Saki

What are we doing?

[21:54] Saki

What *are* God candidates?

[21:56] Saki

Susumu's dead.

[21:59] Saki

One by one, our numbers dwindle.

[22:02] Saki

Are God candidates destined to die so a God can be chosen?

[22:09] Suzuki

The new national stadium?

[22:11] Yoneda

Yes. A location that attracts attention is ideal so that as many people as possible

[22:15] Yoneda

can witness this piece of history.

[22:18] Suzuki

I can't do that.

[22:19] Suzuki

Besides, do you *really* think the God candidates will show up

[22:23] Suzuki

just because I announce a time and place?

[22:25] Yoneda

No.

[22:26] Yoneda

They want to end this selection process as soon as possible.

[22:31] Yoneda

They will come.
