[00:00] ---

The following program is intended
for Mature Audiences only.

[00:03] Nakaumi God

So this is Heaven...

[00:05] Yazeli

Think of it as a parallel world
existing alongside the human world.

[00:10] Ogaro

Time simply passes slightly slower here.

[00:16] Nakaumi God

It sounded fishy to me that
God could die in the first place.

[00:22] Nakaumi God

Anyway, I'm not feeling well.

[00:25] Nakaumi God

The creature has infested my body.

[00:29] Nakaumi God

I'm just a creature wearing
Shuji Nakaumi's skin.

[00:33] Nakaumi God

An apple that tastes like an orange is
merely an orange wearing apple skin.

[00:37] Nasse

Nakaumi, you sound so godlike.

[00:39] Revel

Don't say "Nakaumi." He's "God."

[00:42] Nakaumi God

The creature's consciousness
is inside my head.

[00:47] Nakaumi God

Will it encroach on my body
and my way of thinking, too?

[00:49] Ogaro

Two consciousnesses exist within you,

[00:51] Ogaro

but what was previously Shuji Nakaumi's
consciousness will control God from now on

[00:56] Ogaro

until you ultimately merge.

[00:58] Nakaumi God

Merge? How long will that take?

[01:00] Ogaro

We do not know the answer to that.

[01:18] Ogaro

We preserve all humans as they
appeared at the moment of their deaths.

[01:23] Nakaumi God

Why is it necessary to do that?

[01:26] Ogaro

We do not know anything God does not know.

[01:30] Nakaumi God

You don't know?

[01:32] Previous God

It is because I created humans.

[01:35] Previous God

It is my responsibility to
preserve the end of their lives.

[01:39] Previous God

It's a tradition dating
back to the earliest days.

[01:41] Nakaumi God/Id

Who are you?

[01:42] Previous God

The God that entered your body.

[01:45] Nakaumi God/Id

"God"? The creature...

[01:49] Nakaumi God/Id

So it was the creature that created humans?

[01:52] Nakaumi God/Id

That can't be right. Humans created God.

[01:57] Previous God

That may be correct, too.
I was created as well.

[02:03] Previous God

And once I was created,
I created the humans.

[02:07] Nakaumi God/Id

What are you talking about, creature?

[02:09] Previous God

You heard correctly. I do not
know what created me, either.

[02:14] Ogaro

God, is something the matter?

[02:18] Nakaumi God

No, I'm just a little tired.

Could you leave me alone please?

[02:23] Ogaro

As your attendant, I shall remain here.

The other angels may leave.

[02:30] Nakaumi God/Id

*If the angels don't know
anything God doesn't know,*

[02:35] Nakaumi God/Id

I'll have to figure it out for myself.

[02:38] Nakaumi God

*Then, at the very least, I can tell
Professor Yoneda which came first:*

[02:42] Nakaumi God

the creature or humans.

[02:52] Yoneda

Temari, are you watching for a reaction?

[02:56] Temari

I'm looking, but nothing's happening.

[02:59] Temari

I don't have the slightest idea
what it is you're researching.

[03:04] Yoneda

You may not see it,
but it's what you wanted.

[03:08] Temari

What I wanted?

[03:11] Temari

Love?

[03:12] Yoneda

Precisely.

[03:13] Temari

What? I'm right?

[03:14] Yoneda

So love was what you wanted.

I'm surprised by your lack of greed.

[03:19] Yoneda

I thought you were a big spender.

[03:22] Temari

Well, when I was poor, I desperately
wanted brand-name products,

[03:27] Temari

but this lab pays super well.

[03:30] Temari

Building up my savings
makes me happier now.

[03:35] Yoneda

I see.

[03:36] Yoneda

As human psychology goes,
that's not unusual.

[03:41] Yoneda/Id

*As the world has had its memory
wiped of the God selection process*

[03:44] Yoneda/Id

*and things have returned
to how they once were,*

[03:48] Yoneda/Id

*it was considerate of him to
let me keep my Red Arrow.*

[03:52] Yoneda/Id

*Since he left it behind, I have
no choice but to analyze it.*

[03:58] Yoneda

By the way, Temari...

[03:59] Temari

Yes?

[04:00] Yoneda

You have no memory of the time between
leaving your old job and coming here, right?

[04:04] Temari

Right.

[04:05] Yoneda

You should undergo a full
examination at some point.

[04:08] Temari

But I'm not experiencing
any issues right now.

[04:10] Yoneda

That's no guarantee that you don't
have brain damage or a tumor.

[04:14] Yoneda

Once you've reached the point

of no return, it'll be too late.

[04:17] Temari

Well, when you put it that way...

[04:19] Yoneda

I shall examine every last inch of you.

[04:22] Temari

Professor, you're not thinking
dirty thoughts, are you?!

[04:25] Yoneda

No. Definitely not.

[04:28] Yoneda

*What I'm thinking about is
making you my guinea pig.*

[04:32] Yoneda

*Otherwise, I'd never interact
with another person's body.*

[04:36] Temari

Professor?

[04:38] Temari

I've got all kinds of things
stuck all over my body.

[04:41] Temari

I thought you were just
examining my brain.

[04:44] Yoneda

Okay, let's begin, Naoi.

[04:46] Naoi

Yes, sir.

[04:52] Naoi

Huh? Her heart rate suddenly increased.

[04:55] Naoi

What's going on with her hormone output?

[04:59] Yoneda/Id

All her levels exceed standard values.

[05:02] Yoneda/Id

This proves she's in love.

[05:05] Yoneda/Id

*It's because I used my Red Arrow
on her, but that's all I know.*

[05:09] Yoneda

It's serious.

[05:10] Yoneda

According to my calculations, you need to
be hospitalized immediately for 33 days.

[05:14] Temari

What? No!

[05:16] Temari

No way! I want to stay here
in the lab with you, professor.

[05:19] Yoneda

It's all right. I'll visit you every day.

[05:22] Temari

You mean it?

[05:24] Yoneda

I do.

[05:25] Yoneda/Id

To observe you and gather data, that is.

[05:31] Yamashita

Takehashi, you got a job?

[05:33] Mirai

Yes.

[05:34] Yamashita

Where are you working?

[05:35] Mirai

At a flower shop.

[05:36] Yamashita

A flower shop?

[05:38] Saki

We've decided to run a flower
shop together in the future.

[05:41] Both

What?

[05:42] Saki

A flower shop that sells four-leaf clovers.

[05:45] Maiko

Uh, does that mean you plan to get married?

[05:48] Saki

Yup.

[05:49] Yamashita

Really? I was surprised you two were dating,
and now you're making some big plans.

[05:54] Saki

I decided I wanted to be true to
myself and work toward my goals.

[05:59] Maiko

I can tell you're serious about it.
All I can say is that I envy you two.

[06:04] Yamashita

Hey, Maiko, wanna go out?

[06:06] Maiko

Why would I date *you*?

[06:07] Yamashita

Well, we're both single—

[06:08] Yamashita

Ow!

[06:09] Maiko

We're not the same!

[06:10] Yamashita

It was just a suggestion.

[06:12] Mirai

I'm glad it didn't leave a scar.

[06:15] Saki

Thanks to God.

[06:18] Yoneda

Temari, congratulations
on being discharged.

[06:21] Temari

I feel like I've just gotten
over a bout of lovesickness.

[06:25] Yoneda

Back to normal, I see.

[06:27] Yoneda/Id

*Though I failed to find out anything that'd
help me in my research of the Red Arrow.*

[06:37] Yoneda/Id

Nakaumi...

[06:43] Nakaumi God

Send Meyza in next.

[06:46] Saki Dad

You didn't need to come
see us. We already know.

[06:50] Saki Mom

That's right. We were on the verge
of just asking you to marry Saki.

[06:56] Mirai

Hm? Oh, no need for that.

[06:58] Saki Dad

I'm sure your parents up in
Heaven are happy about this union.

[07:04] Mirai

Yes.

[07:05] Saki

Well, that's the formalities out of the way.

[07:08] Saki Dad

The rest is up to you youngsters, huh?

[07:11] Saki

Yup.

[07:14] Saki

I told you not to wear a suit.

[07:16] Mirai

I wanted to.

[07:19] Saki

Let's stop by the supermarket.

I'll make dinner.

[07:23] Mirai

Saki, aren't you tired?

[07:25] Saki

I want to.

[07:28] Female Announcer

[07:31] Salaryman 50S

Happy? Staying healthy and going to work.

[07:47] Man 20S

[07:48] Man 30S

Payday!

[07:48] Man 30S

I probably
shouldn't say this,
but I feel happy
when I see starving

[07:48] Man 40S

When I'm
with my family.

[07:49] Woman Teens

Just being
alive makes me
happy, I think.

[07:49] Man 40S

When I'm drinking.

[07:49] Woman 20S

I agree, but they
won't air that.

[07:49] Man 40S

I felt happy
when I built
my house.

[07:51] Saki

What makes you happy?

[07:54] Mirai

That's bad chopstick etiquette.

[07:56] Saki

Oh, come on. What is happiness to you?

[07:58] Mirai

Seriously?

[07:59] Saki

Yes, seriously.

[08:02] Mirai

The meaning of life, I guess?

[08:05] Saki

Happiness is the meaning of life?
I'm not sure I understand.

[08:11] Mirai

I think everyone wonders at some point why
they were born or what they're living for.

[08:20] Mirai

The reason we're born and keep
on living is to find happiness.

[08:26] Mirai

My earliest memory is of
my mother telling me that,

[08:28] Mirai

and I don't think I've ever
changed my mind about it.

[08:32] Mirai

Of course, I have to try to make those
around me happy too, not just myself.

[08:39] Saki

It'd be nice if you being happy
automatically made others happy, too.

[08:46] Mirai

Yeah.

[08:49] Mirai

So what about you, Saki?
What makes you happy?

[08:52] Saki

God's protection.

[08:53] Mirai

What? God's?

[08:55] Saki

Well, we witnessed

Nakaumi ascending to Heaven,

[08:59] Saki

and if we hadn't been saved by the angels,
we wouldn't be happy right now.

[09:05] Mirai

You're right.

[09:07] Saki

So because of that, I pray to God
every day for peace on Earth.

[09:17] Mirai

Maybe I'll start doing that, too.

[09:20] Saki

All righty. Last question.

[09:22] Mirai

What? There's more?

[09:24] Saki

I still haven't asked you the
most important question.

[09:27] Saki

When do you feel happiest?

[09:30] Mirai

You just want to make me say it.

[09:32] Saki

It sounds like you figured
it out, so please tell me.

[09:34] Saki

Is it when you're eating a
meal cooked by your fiancée?

[09:39] Mirai

Then, I'll be serious.

[09:41] Mirai

Is it all right if I say
something a little pretentious?

[09:43] Saki

G-Go ahead.

[09:47] Mirai

When I see you smiling, Saki.

[09:58] Saki

Can I stay over tonight?

[10:01] Mirai

Nope, not allowed. We only

went to see your parents today.

[10:03] Saki

What? Why *not*? Isn't it fine
now that we've talked to them?

[10:07] Saki

I'll call them. I'm sure they'll be fine with it.

[10:09] Mirai

Absolutely not.

[10:13] Nakaumi God

That just leaves Nasse.

[10:14] Ogaro

Yes, My Lord.

[10:17] Nakaumi God/Id

*Before I talk to Nasse,
I want to ask you something.*

[10:19] Previous God

What is it?

[10:21] Nakaumi God/Id

*During the selection process,
I heard Nasse was an exceptional angel.*

[10:25] Nakaumi God/Id

*Nasse was the only one
capable of touching humans*

[10:28] Nakaumi God/Id

*and had a major impact
on the selection process.*

[10:31] Nakaumi God/Id

*Why is this special-rank angel,
Nasse, exceptional?*

[10:34] Nakaumi God/Id

Who exactly is Nasse?

[10:36] Previous God

When I descended to Earth before
any life should have existed on it,

[10:41] Previous God

I found a tiny life form there.

[10:44] Previous God

That life form was Nasse.

[10:46] Previous God

I do not know what kind of life form it was,
whether microorganism or bacteria,

[10:52] Previous God

but Nasse entered my body. I removed
this life form as quickly as I could.

[10:57] Previous God

If Nasse happened to possess some tiny
fraction of my cells due to this encounter,

[11:01] Previous God

I had hoped it would compel this
life form to act in God's interest,

[11:07] Previous God

but alas, it would seem
Nasse understands nothing.

[11:16] Mirai

I swear to love and support you,
in sickness and in health, till death do us part.

[11:25] Saki

As do I.

[11:28] Saki

I'm so happy, I could die right now.

[11:31] Mirai

Yeah. Me, too.

[11:35] Nasse

She just said she could die right now.

[11:37] Revel

That's just a sign of how happy she is.

[11:40] Nasse

Then, I'm super satisfied. It's finally over.

[11:43] Revel

What?

[11:44] Revel

"It's finally over"? Nasse...

[11:49] Meyza

Nasse, God is calling for you.

[11:51] Nasse

Why?

[11:52] Meyza

He apparently has a question
for special-rank angels.

[11:58] Nasse

What was I *before* I became an angel?

[12:01] Nasse

I don't know.

[12:02] Nasse

More importantly, Saki prays
every day for peace on Earth.

[12:08] Nasse

Even Mirai said he'd consider doing it.

[12:12] Nasse

You seem like you have
something on your mind, God.

[12:15] Nasse

All the angels are beside
themselves with worry.

[12:17] Nasse

We're worried you might be feeling even
more down or might not be God anymore—

[12:21] Ogaro

Nasse.

[12:26] Nasse

Aw, shucks.

[12:28] Nasse

Well, good luck, God.

[12:30] Nakaumi God

Are they telling me to direct my attention
towards the human world and act like a God?

[12:36] Ogaro

You do not need to pay any
heed to the things Nasse says.

[12:39] Nakaumi God

Anyway, I can't believe those God
candidates worship Shuji Nakaumi as God.

We were fellow soldiers.

[15:04] Nakaumi God/Id

*Even without my assistance, people
who truly want to die keep dying.*

[15:09] Nakaumi God/Id

I was the frog in the well...

[15:11] Nakaumi God/Id

Shuji Nakaumi was only looking at

the handful of people around him

[15:15] Nakaumi God/Id

who said they wanted to die.

[15:18] Nakaumi God/Id

*Looking at the entire world makes me
want to save them, not help them.*

[15:22] Nakaumi God/Id

*And then there's this world.
What is this place?*

[15:26] Nakaumi God/Id

*Some people live in towers so tall
they look down on the clouds,*

[15:30] Nakaumi God/Id

*while others sit on the ground as they
starve because they have no homes.*

[15:35] Nakaumi God/Id

*Some people eat whatever they please,
then throw away the leftovers.*

[15:39] Nakaumi God/Id

*Some people don't even have
a single cup of water to drink.*

[15:43] Nakaumi God/Id

Some people control the weak.

[15:46] Nakaumi God/Id

*Some people have their
lives taken by others.*

[15:49] Nakaumi God/Id

*And then there are the millions
of people who pray to God.*

[15:55] Nakaumi God/Id

This is the world.

[15:58] Nakaumi God/Id

What was the previous God doing?

[16:02] Previous God

*Watching. God's responsibility
is to create life on Earth.*

[16:07] Previous God

*Life multiplies even
without intervention,*

[16:10] Previous God

so there is no need to do anything.

[16:13] Nakaumi God/Id

*No need to do anything? So just let
the humans handle it and do nothing?*

[16:18] Nakaumi God/Id

Is that the right choice?

[16:20] Nakaumi God/Id

If so, there is no need for a God.

[16:23] Nakaumi God/Id

No, this God is a false God to begin with.

[16:27] Nakaumi God/Id

It said so in the professor's book.

[16:29] Nakaumi God/Id

*God is imaginary and has no physical form,
so there's no way of knowing if He dies.*

[16:33] Nakaumi God/Id

*As long as there are people
who believe in God, He will not die.*

[16:38] Nakaumi God/Id

*It's not as though Shuji Nakaumi
became God because he wanted to.*

[16:42] Nakaumi God/Id

*He was just a middle school
student who wanted to die.*

[16:46] Nakaumi God/Id

My death would cause problems for Heaven.

[16:50] Nakaumi God/Id

*But the Red Arrow I allowed the
professor to keep would vanish.*

[16:53] Nakaumi God/Id

That would tell him the creature is gone.

[16:58] Ogaro

Are you all right?

[17:00] Nakaumi God

I'm fine.

[17:02] Nakaumi God

But I've learned something.

[17:05] Nakaumi God

*I must find a way to tell
the professor quickly.*

[17:09] Nakaumi God

Gather the first-rank angels this time.

[17:12] Ogaro

There are thousands of them.

[17:13] Nakaumi God

*Then, gather the angels chosen
for the God selection process*

[17:17] Nakaumi God

aside from Muni, Meyza, and Nasse.

[17:19] Ogaro

Very well.

[17:21] Ogaro

Penema, Baret, Revel.

[17:24] Nakaumi God/Id

I won't bother anyone here.

[17:27] Previous God

Do not do this. It is wrong.

[17:31] Revel

What?

[17:32] Revel

No way.

[17:34] Penema

What the... H-Hey, Revel!

[17:39] Ogaro

The angels are vanishing!

What is happening?

[17:42] Ogaro

God...

[17:47] Ogaro/Id

Oh, no. The moment I turned my back on Him,

[17:51] Ogaro/Id

God killed himself.

[17:53] Ogaro/Id

*This would never have happened
if they had merged completely.*

[17:56] Ogaro/Id

*I had been trying not to
take my eyes off Him, too.*

[17:59] Ogaro/Id

*Shuji Nakaumi's strong
will delayed their fusion.*

[18:04] Ogaro/Id

Heaven is done for...

[18:13] Nasse

Congrats, Muni.

You've successfully destroyed Heaven.

[18:17] Muni

Mm.

[18:20] Nasse

I'm going to vanish now, too.

After all, I'm an angel.

[18:25] Nasse

Bye-bye.

[18:28] Yoneda

The Red Arrow vanished.

[18:31] Sign

Kakehashi

[18:33] Saki

The flowers...

[18:34] Mirai

Huh?

[18:39] Mother

My baby! Has anyone seen my baby?!

[18:42] Child

Huh? Mari—

[18:45] Man 40S

Those grade-school kids disappeared.

[18:47] Man 20S

Both of them.

[18:58] Sign

All life forms are vanishing

[18:58] Sign

All life is vanishing,
starting with the youngest

[18:58] Sign

Is it some kind of weapon???

[18:58] Sign

Am I going to die?

[18:58] Temari

All life forms are vanishing,
starting with the youngest.

[18:59] Sign

It's happening all over the world

[18:59] Sign

No! I don't want to vanish!

[19:00] Sign

What's happening?

[19:04] Yoneda/Id

*The Red Arrow vanished.
The angels are gone, too.*

[19:09] Yoneda/Id

Could this be a message from Nakaumi?

[19:14] Mirai

Don't be afraid.

[19:17] Mirai

Ogaro said God had the
power to end humanity.

[19:22] Saki

Does that mean we're already...

[19:25] Mirai

That's probably what Nakaumi chose to do.

[19:29] Mirai

Saki.

[19:32] Saki

Mirai.

[19:35] Mirai

Death comes to everyone.
It's just coming sooner than we thought.

[19:39] Mirai

If Nasse and Revel hadn't saved us,
we would've died a long time ago.

[19:45] Mirai

So I'm grateful.

[19:47] Mirai

Because they saved us,
we found so much happiness.

[19:51] Saki

Yeah.

[19:55] Mirai

And losing the one I love before
I die would be unbelievably painful.

[20:01] Mirai

If I get to die with you...

[20:05] Mirai

then I'm happy.

[20:12] Saki

Me, too.

[20:29] Mirai

Thank you, Nasse.

[20:36] Yoneda

*There was someone in Heaven who could
create and destroy all life on Earth.*

[20:40] Yoneda

*That was God. That must
be what he's telling me.*

[20:45] Yoneda/Id

Was my theory wrong?

[20:49] Yoneda/Id

No! I'm not wrong.

[20:52] Yoneda/Id

*No matter what anyone says,
God was created by human imagination.*

[20:57] Temari

Professor—

[21:00] Yoneda/Id

If the creature can eradicate all life,

[21:04] Yoneda/Id

*then Heaven, the angels, and the creature
itself are humanity-destroying weapons.*

[21:09] Yoneda/Id

The creature's goal is to kill all life.

[21:12] Yoneda/Id

*It's far more realistic
to think of it that way.*

[21:16] Yoneda/Id

*The one mistake in my
theory is its organization...*

[21:19] Yoneda/Id

No, its energy. Precisely! The science of it.

[21:22] Yoneda/Id

The science I had yet to discover:

[21:25] Yoneda/Id

the identity of the creature.

[21:43] Sign

Give up on that planet

[21:45] Sign

The life form capable of killing us won't be born there

[21:47] Sign

Isn't it worth seeding another God?

[21:48] Sign

Wouldn't it be quicker to identify what created us?

[21:50] Sign

That line of thinking...

[21:52] Sign

It's an endless loop of "Who created that?"

[21:53] Sign

It takes us farther away from death

[21:57] Sign

We desire death...

[22:00] Sign

That is what we seek

[22:02] Sign

Existence without death

[22:03] Sign

is so tedious and futile

[22:07] Sign

We are jealous...

[22:10] Sign

When death is guaranteed

[22:13] Sign

We are inspired to work hard

[22:15] Sign

Our lives achieve brilliance
