[02:51] ---

So, Pipimi, I was thinking of getting
a job when I enter high school.

[02:54] ---

We're 14 right now.

[02:57] ---

After all, we were on a
commercial for a job magazine.

[03:00] ---

"Want a job? Choose Town***"

[03:01] ---

Wrong commercial.

[03:03] ---

It was "An ga An-jan."

[03:05] ---

It's an easy job where we
just danced around an actress.

[03:08] ---

Don't say that.

[03:11] ---

So, what kinda job do you want?

[03:13] ---

Convenience store clerk, amirite?

[03:15] ---

Short skit: "Clerks."

[03:20] ---

Man, I'm all alone, no customers;
I'm not even supposed to be here today.

[03:26] ---

I'm a robber! Gimme your money!

[04:37] ---

What's her deal...

[04:39] ---

Allow me to explain.

[04:40] ---

Who're you?

[04:41] ---

Colonel Pipimi, Department of Defense.

[04:44] ---

I created her.

[04:45] ---

You "created" her?

[04:47] ---

She's an ultimate soldier, thrown into the Vietnam War with a special forces unit.

[04:52] ---

And I was her commander.

[04:55] ---

I am the only one who can reach her now.

[04:58] ---

Don't act until I give the signal.

[05:01] ---

O-okay.

[05:04] ---

I'm coming in, Popuko.

[05:06] ---

Don't worry. I'm alone and unarmed.

[05:10] ---

Popuko. It's over. You can't escape.

[05:18] ---

The war is over. Hand that thing over!

[05:22] ---

Nothing's over for me.

Nothing's over for me, man!

[05:26] ---

The war is still going hard in my brain.

[05:30] ---

I fought fiercely, like you commanded,
but I couldn't defeat them.

[05:35] ---

Then when I came home,
everyone gave me hell for what I did.

[05:38] ---

Well, screw them! They have no
idea what I've been through.

[05:41] ---

It was a bad era to live through.

[05:43] ---

It "was" bad?

It hasn't gotten even slightly better.

[05:47] ---

At least I had friends on the battlefield.

[05:50] ---

Are you going to betray their
memory by dying here?

[05:54] ---

I learned to operate
a variety of weapons in 'Nam.

[05:57] ---

But here, I can't even get a
job as a parking attendant.

[06:02] ---

I shouldn't have come back.

[06:04] ---

I wish I'd died in 'Nam.
Just like the others.

[06:08] ---

My entire unit died! They were good kids.

[06:11] ---

They were all such good kids.

[06:13] ---

And none of them are with me now.

[06:18] ---

I have these dreams every night...

[06:20] ---

Dreams where I'm looking for their legs,
blown off by the incendiaries.

[06:29] ---

Get up, Popuko.

[30:02] ---

It's the Edo Era.

Our two stylish middle-schoolers...

[30:06] ---

**are roaming Japan's islands in search
of the legendary battleaxe.**

[30:10] ---

**What sort of ruckus will our
duo be stirring up today?**

[30:15] ---

Make sure you get in your counterattack
when possible.

[30:19] ---

But we only have 4 grace frames.

[30:22] ---

Which means?

[30:24] ---

I know! I know!

[30:27] ---

It means your enemy will only be
vulnerable for attack within 4 frames.

[30:31] ---

But a with light punch...

[30:33] ---

You'll hit him!

[30:34] ---

Oh my god, what have you done!

[30:37] ---

What, light punches are forbidden?

[30:40] ---

How could you kill the
deity of this mountain?!

[30:43] ---

Mountain deity?

[30:45] ---

Our deity banished the demon who
possesses this mountain.

[30:50] ---

You must take responsibility for your
actions and defeat the demon in his stead!

[30:56] ---

Tsk. Now you're springing quests on us?

[31:00] ---

I see no problem with it, Poppy.
Things are starting to get interesting.

[31:03] ---

When you put it that way...

[31:06] ---

I'm fired up now!

[31:07] ---

So, let's go.

[31:14] ---

I was fourteen the
first time I rode a bike.

[31:18] ---

I took my uncle's bike without asking,

[31:21] ---

then fell epically when
I tried to pop a wheelie.

[31:24] ---

My bike broke down
and I got three stitches in my leg.

[31:31] ---

It was enough of an experience
to make me fall in love.

[31:34] ---

Sorry, Uncle.

[31:37] ---

Lame. Why don't you try another wheelie?

[31:41] ---

Not this time.

[31:42] ---

Why?

[31:43] ---

It kinda sucks getting mocked
by staff younger than me.

[31:46] ---

Look to your right.

[31:53] ---

Absolutely gorgeous.

[31:56] ---

When I rev up the engine,
I can forget all my troubles.

[31:59] ---

Follow your impulses.

[32:03] ---

The roads we ride now
will never be ridden again.

[32:22] ---

Hey. Look.

[32:24] ---

What's their deal?

[32:28] ---

We heard the demon has revived himself.

[32:33] ---

[32:40] ---

I'm the demon.

[32:44] ---

[32:47] ---
