[00:04] protagonist

Where am I?

[00:10] protagonist

A lake? What am I doing at a lake?

[00:13] protagonist

I was...

[00:16] protagonist

That's right!

[00:23] protagonist

Oh no! That vending machine's in trouble!

[00:34] protagonist

*I was sure I had died,
but it looks like I'm alive.*

[00:39] protagonist

Anyway, I need to...

[00:40] protagonist

Huh?

[00:42] protagonist

Huh?

[00:43] protagonist

What, my body won't move?!

[00:45] protagonist

Hey, somebody!

[00:46] Boxxo

Hello there.

[00:48] protagonist

Was that my voice just now?

[00:50] protagonist

Wait, wait, calm down!

[00:52] Boxxo

Thank you very much.

[00:54] protagonist

That's my voice, all right!

[00:56] Boxxo

I look forward to your next use.

[00:58] protagonist

And I've heard these words countless times.

vending machines ever made.*

[01:08] protagonist

*Everyone knows it's my passion.
I'd never mistake that sound!*

[01:13] protagonist

This means...

[01:15] protagonist

I've turned into a vending machine!

SIGN The Vending Machine Travels

[01:26] protagonist

*Have I been reborn as a vending
machine after my death?!*

[01:31] protagonist

Oh, no way.

[01:32] protagonist

*No matter how gaga I was for them,
such a thing could never...*

[01:38] protagonist

W-Wonderful!

[01:42] protagonist

*No matter how you look at it,
I have to be a vending machine!*

[01:45] protagonist

My stuff is also reasonably priced!

[01:48] protagonist

*My white, perfectly rectangular body

SIGN Megumi Natural Water

[01:53] protagonist

Never mind that!

[01:55] protagonist

This is crazy, impossible!

[01:56] protagonist

Being reborn as a vending machine is the worst!

[01:59] protagonist

Or not.

[02:01] protagonist

Being reborn as the thing I loved.

Could this be divine compassion?

[02:06] protagonist

Well, at this point I am what I am.

[02:09] protagonist

*Honestly, that it doesn't bother me
much is the sad side of my fandom.*

[02:14] Boxxo

Hello there.

[02:15] Boxxo

By the way, what's this?

[15:43] Lammis

It's apparently a magic tool with its own

[15:47] Lammis

It gives you items if you put money in it.

[15:49] Karios

A magic tool?

[15:51] Karios

I've never heard of such a thing,

[15:56] Lammis

Should I not have brought it?

[15:58] Gorth

I doubt it's any problem.

in a stratum gets right of ownership.

[16:08] protagonist

Dungeon?

[16:09] protagonist

*They've been talking about levels and such.

Hey, can we buy stuff too if we pay?

[16:19] Lammis

Yes, I think you can.

[17:34] hooligan B

It'll just make things worse for you.

[17:38] hooligan A

What the hell're *you* doin'?!

[17:40] Lammis

A bunch of nasty-looking dudes
ganging up on a helpless girl?

[17:43] Lammis

That's a crime.

[17:45] hooligan B

Well aren't we high and mighty.

[17:47] hooligan B

You better be ready for this!

[17:49] hooligan B

We won't hold back because you're a woman!

[17:58] hooligan A

W-We'll let that be enough
of a lesson for today!

[18:01] Boxxo

I look forward to your next use.

[18:04] Lammis

Sure enough, my hits didn't land.

[18:08] Lammis

Are you okay?

[18:09] Lammis

They didn't hurt you?

[18:10] Suori

Yes, I'm perfectly fine.

[18:17] Lammis

Missus, I'm back!

[18:20] missus

You're not hurt?!

[18:22] missus

I was so worried!

[18:23] Lammis

Sorry, missus.

[18:27] Munami

Lammis!

[18:30] Munami

You're alive?! You're not a corpse fiend?!

[18:32] Lammis

I'm alive! I'm alive, Munami!

[18:35] Munami

Do you know how much you worried me?!

[18:40] Lammis

Sorry.

[18:42] Munami

When I questioned the hunters,
they said they ran off and left you!

[18:48] Munami

I badmouthed them to so many people,

[18:51] Munami

they'll never make a living
in this village again.

[18:55] Munami

By the way, what's that?

[18:57] Lammis

Oh, I found him by the lake.

[18:59] Munami

You brought back another weird thing?

[19:01] Lammis

Th-This time it's different!

[19:03] Lammis

He's very useful, and he
helped me out of a bind.

[19:09] Lammis

Ayoomp!

[19:11] Munami

You're going back to the
surface to show it to Hulemy?

[19:14] Munami

Do you have money to pay the transfer circle?

[19:18] Lammis

No, I do not.

[19:21] protagonist

"Transfer circle."

Apparently that's a thing here.

[19:25] protagonist

Incidentally, Lammis's lack of funds is partially my fault. Sorry.

[19:30] Munami

Okay, fine. You'll have to work at our inn for a while.

[19:34] Munami

Maybe we'll have this box sit here and attract guests.

[19:37] Munami

It can sell its contents, too.
Two birds with one stone, huh?

[19:40] Boxxo

Hello there.

[19:42] Munami

It really does speak.

[19:45] Munami

Well, drum up business for us.

[19:48] protagonist

Thus did I come to be located in front of the inn.

[19:53] protagonist

There's a sky, but this is apparently a dungeon stratum called Clearflow Lake.

[19:59] protagonist

People started talking about their novelty and deliciousness, and my goods sold like mad.

[20:04] protagonist

Then when night comes, Lammis carries me and places me in front of the gate.

[20:10] Karios

I'm thirsty, but I'm also finally bored with all the drinks.

[20:15] protagonist

That's because you're buying at least five of them every day.

[20:19] protagonist

Guess it's about time to change my stock.

[20:22] protagonist

What's my current status?

[20:25] protagonist

*Oh! After replenishing over and over,
and selling over 400 items,*

[20:29] protagonist

I have over 3,000 points!

[20:30] protagonist

Okay, what to add?

[20:34] protagonist

It's best to put the customer's needs first.

[20:37] protagonist

So, I know!

[20:43] Karios

The darn items have changed!

[20:46] Karios

Three silver coins is steep, but if there's
new stuff to try, I have to spring for it!

SIGN Oden

[20:53] Karios

Whoa, that's hot.

[20:55] Karios

How do you open it?

[20:57] Gorth

Hey, there are pictures drawn on it.

[20:58] Gorth

Is that how to open it and eat what's inside?

SIGN Oden

[21:01] protagonist

*This became famous in a
certain "electric town."*

[21:03] protagonist

*A kind and meticulous
explanation was added to it,*

SIGN How to enjoy this product

[21:06] protagonist

*so even foreign tourists
can understand the product.*

[21:09] Karios

Ah, it opened.

[21:11] Gorth

Sure smells good.

[21:16] Karios

Wow, this is the stuff!

[21:18] Karios

This might be my favorite!

[21:20] Karios

I've never had these ingredients, and they're steeped in a complex yet light flavor!

[21:25] Karios

Damn! This makes me want strong drink!

[21:27] Gorth

My turn!

[21:28] Karios

Hey! I was just about to buy something else!

[21:31] protagonist

That hooked them! Looks like I can count on lots of canned oden sales!

[21:37] protagonist

Several days passed.

[21:39] protagonist

After that, word got around about the canned oden,

[21:42] protagonist

and it caused a bit of a boom in the village.

[21:46] protagonist

Must be because the weather had recently turned colder.

[21:49] protagonist

A new sports drink I had recently stocked up on is also doing well.

[21:54] protagonist

During the day, I make canned oden unavailable.

[21:56] protagonist

That's when the inn's restaurant does peak business, so I try not to disrupt that.

[22:01] protagonist

Instead, I help with pulling in guests.

[22:07] protagonist

I think this is the girl Lammis saved in the alley.

[22:10] Suori

Uh...

[22:11] Boxxo

Hello there.

[22:12] Suori

I was going to talk first so I'd have the negotiating advantage!

[22:19] protagonist

Hey!

[22:23] protagonist

What was that about?

[22:26] protagonist

*When evening comes,
Lammis carries me to the gate.*

[22:30] protagonist

*She says carrying me in a
bear hug is inconvenient,*

[22:32] protagonist

*so she purchased a wooden
frame that goes on her back.*

[22:39] Karios

I'm stuffed.

[22:41] Lammis

I'm heading back now!

[22:44] Lammis

An interesting guest came to the inn today.

[22:47] Boxxo

Hello there.

[22:48] Lammis

How were things over your way?

[22:50] Boxxo

You might win an extra item!

[22:52] Lammis

Did you have fun, maybe?

[22:56] Lammis

I hope someday you can do lots of talking.

[22:59] Lammis

*That's part of why I'll hurry and
save up so we can go see Hulemy.*

[23:04] Boxxo

Thank you very much.

[23:06] Lammis

Don't thank me!

[23:08] Lammis

I was the one you saved, Boxxo.

[23:12] protagonist

Boxxo?

[23:13] Lammis

*It's a pain to go on calling you
"you," so what do you think?*

[23:17] Boxxo

You win!

[23:18] Lammis

Great! Here's to the future, Boxxo!

[23:22] protagonist

Being a vending machine in

another world is ridiculous,

[23:27] protagonist

*but there I was, starting to think
this wasn't such a bad life.*
