**SIGN** Day 61

**[00:03] Gobrou**

*It was the first time I had been hunting  
with Gobkichi in a while.*

**[00:09] Gobrou**

*We caught sight of 12 armed human soldiers.*

**[00:12] Gobrou**

Gobkichi, we're changing course! After them!

**[00:15] Gobkichi**

Right!

**[00:16] Gobrou**

*We followed them, and found them  
hiding on the side of a road, concealed.*

**[00:21] Gobrou**

*A little bit of eavesdropping and...*

**[00:24] Gobrou**

*It turns out they're here to kidnap  
the daughter of the elvish chieftain.*

**[00:29] Gobrou**

*They're targeting her on the way  
home from some sort of festival.*

**[00:32] Gobrou**

*I also learned that someone among  
the elves had tipped them off.*

**[00:38] Gobrou**

*About two hours after sunset...*

**[00:44] Gobrou**

There.

**[00:49] Gobrou**

*So, that's the chief's daughter.*

**[00:52] Gobrou**

*Elves are generally pretty attractive  
all around, but she's a cut above.*

**[01:09] Humans**

Target confirmed! Attack!

**[01:10] Gobrou**

*Well, I'd feel kinda bad  
just abandoning her, so...*

**[01:22] Gobrou**

Gobkichi, aren't they heavy?

**[01:24] Gobkichi**

Not even a little!

**[01:28] Gobrou**

We'll have to pray the others rest in peace.

**SIGN** Day 62

**[03:08] Gobrou**

*So, regarding the 12 humans  
we took prisoner...*

**[03:11] Soldier**

Okay, I'll talk!

**[03:12] Gobrou**

*It seems that the human army will  
make their move within 20 days.*

**[03:13] Soldier**

I'll talk, so don't kill me!

**[03:18] Gobrou**

*I took the abilities from all 12 of them,  
and didn't leave any leftovers.*

**[03:18] Narration**

*Secret Force, Vorpai Punisher, Hermit,  
Skill Ray, Contribute, Unlock, Release Trap,*

**[03:21] Narration**

*Sense Trap, Sense Enemy, Improved Assassination, Hidden Weapon Mastery, Humanbane,*

**[03:23] Narration**

*Vorpai Strike, Aura Slash, Back Attack, Needleshot, Throw, Severe Pain Resistance,*

**[03:25] Narration**

*Charm Resistance, Assassination Resistance.*

**[03:32] Gobrou**

Finally awake, huh?

**[03:38] Gobrou**

Those wings... The other elves  
don't have anything like those.

**[03:42] Elf Girl**

Wh-Where in the world am I?

**[03:44] Elf Girl**

What happened to my guards? Did they—

**[03:47] Gobrou**

Settle down.

**[03:48] Elf Girl**

Are you going to rob me of my chastity?!

**[03:51] Gobrou**

I don't even wanna dignify

that with a response.

**[03:54] Elf Girl**

Forgive me for losing my composure.

**[03:56] Gobrou**

*When the timing was right,  
I told her how things had gone down.*

**SIGN** m 0 0 | 100 0 100 43 0 43

**SIGN** I've prepared

which has a calming effect

**[04:00] Elf Girl**

That's terrible!

Couldn't you have saved the others?

**[04:04] Elf Girl**

Keeping quiet and just letting it play out...  
How could you do something so awful?!

**[04:05] Gobrou**

*That's a fair response, I guess.*

**[04:09] Elf Girl**

You are so, so mean!

**[04:14] Gobrou**

Listen, this beef between you and  
the humans is none of our business.

**[04:20] Gobrou**

Besides, there's a traitor among your people.

**[04:25] Gobrou**

If you've got time to freak out,

**[04:28] Gobrou**

maybe you should worry  
about dealing with that instead.

**[04:39] Gobrou**

Rest up for today.  
I'll send you home tomorrow.

**[04:44] Gobjii**

Now, what's this I hear  
about a fine piece of elf?

**[04:48] Gobjii**

Can I get a taste?

**[04:51] Gobrou**

Hell no, you can't!

**[04:53] Gobjii**

You're no fun at all!

**SIGN** Day 63

**[04:58] Gobrou**

*Today, we left the village to see her home.*

**[05:03] Gobrou**

So, what's up with those wings

that were coming out of your back?

**[05:08] Elf Girl**

Those... are something only high elves have.

**[05:13] Elf Girl**

We normally hide them inside of our bodies.

**[05:16] Gobrou**

*High elves are what happen when elves rank up, and the wings allow them to fly.*

**[05:22] Elf Girl**

They're usually not meant to be shown to others,

**[05:24] Elf Girl**

but because I'm still so inexperienced, they pop out sometimes...

**[05:29] Gobrou**

*And so, after three hours of walking,*

**[05:33] Gobrou**

*we arrived at the elf village, but...*

**[05:40] Gobrou**

*Over 25 of them, with mythril arrowheads.*

**[05:45] Gobrou**

*Ogres like us should be able to survive a couple dozen shots.*

**[05:48] Elf Girl**

Please wait! They saved my life!

**[05:57] Gobrou**

*It was touch-and-go for a while, but we were allowed to enter the village.*

**[06:03] Elf Girl**

Father!

**[06:05] Elf Girl**

Forgive me for worrying you.

**[06:07] Elf Chief**

You needn't apologize.

I'm glad to see you've returned safely.

**[06:11] Elf Chief**

You have my deepest gratitude for saving my daughter.

**[06:16] Elf Chief**

I am the chief of this village.

**[06:19] Gobrou**

So, getting right to business...

**[06:22] Gobrou**

I didn't rescue your girl purely out of good will.

**[06:27] Elf Chief**

A reward, then?

**[06:29] Elf Chief**

Hey. Bring it here.

**[06:31] Servant**

Very good, sir.

**[06:33] Gobrou**

*I'm letting him display  
what his kid means to him.*

a grasp on his judgment.*

And what is that?

**[07:07] Gobrou**

The movements of the  
human army, for instance.

**[07:10] Elf Chief**

I believe we will be fast friends.

**[07:13] Gobrou**

*The elven father gave us

**[07:24] Elf Chief**

I hope you don't mind me asking,

**[07:29] Elf Chief**

but a group of our elite fighters

has been missing for nearly 20 days...

**[07:35] Elf Chief**

Have you heard anything?

**[07:36] Gobrou**

Nah, sure haven't!

**[07:40] Gobrou**

*On the way back, they even  
had going-away presents for us.*

**[07:44] Gobrou**

These are medicines and  
fine liquor made in our village.

**[07:47] Gobrou**

I hope you'll enjoy them.

**[07:49] Gobrou**

We've got eight new hobgoblins.*

**[08:26] Gobrou**

Don't take those glasses off

*That should ensure no more skeletons show up.*

**[12:33] Ogrou**

*And there was one other thing...*

**[12:35] Ogrou**

*I had the kobolds practice group hunting.*

**[12:38] Ogrou**

*The idea was to increase our  
number of black wolf familiars,*

**[12:42] Ogrou**

*but they proved to move  
far better than I expected,*

**[12:46] Ogrou**

*letting us collect a total of 20.*

**[12:49] Ogrou**

*There were no pack leaders in that number,*

**[12:51] Ogrou**

*but the additional wolves should  
prove useful as familiars.*

**[12:54] Ogrou**

*And along the way, we encountered a stamp boar,  
which are said to be as hard as stone.*

**[12:59] Earthe**

How am I supposed to keep quiet  
after hearing that?!

**[13:12] Earthe**

**SIGN** You Have Learned the Ability:

**SIGN** Day 69

**[17:42] Ogrou**

*How long has it been since it last rained?*

**[17:45] Ogrou**

*Oh, well. Guess I'll spend the day crafting.*

**[17:49] Red**

Oh, Ogrou! Come on and spar with me!

**[17:52] Ogrou**

*The short-haired redhead  
has been making steady progress,*

**[17:56] Ogrou**

*which has led her to ask for training lately.*

**[17:59] Ogrou**

*She's gone from reminding me  
of a puppy or a smaller dog*

**[18:03] Ogrou**

*to feeling more like a Doberman.*

**[18:06] Ogrou**

*And so I started the morning sparring with her.*

**[18:11] Ogrou**

*After working up a sweat,  
I headed to the blacksmith.*

**[18:15] Ogrou**

*Lately, she's been visiting the elves and  
discussing new weapon ideas with them.*

**[18:16] Ogrou**

*Hey, more mythril! That'll be a big help.*

**[18:21] Kirue**

*Oh, no, it's all part of our studies.*

**[18:21] Ogrou**

*By the way, their names are Kirue and Arue.*

**[18:26] Ogrou**

*Mythril has to be turned into an  
amalgam before being processed.*

**[18:30] Ogrou**

*The spirit stone alloy used in my  
halberd is also a type of amalgam.*

**[18:35] Ogrou**

*She's working on developing  
a repeating crossbow,*

**[18:40] Ogrou**

*and things are looking so good that  
I asked her to move on to manufacturing.*

**[18:44] Ogrou**

*Could you use this to whip me up  
another weapon?*

**[18:45] Ogrou**

*I also provided her with some more amalgam.*

**[18:47] Ogrou**

*I'm counting on you.*

**[18:49] Smith**

*I'll take care of it!*

**[18:51] Ogrou**

*That evening, I helped out our chef sisters.*

**[18:53] Older sister**

*Can I get a soup plate?*

**[18:54] Ogrou**

*It turns out, they've both obtained  
a new job too: head cook.*

**[18:56] Little Sister**

How's that food arrangement going?

**[18:59] Ogrou**

*After dinner, I had them try to  
recreate dishes from my past life.*

**[19:01] Older Sister**

Wow! It's so crunchy!

**[19:03] Ogrou**

*Like potato chips and such.*

**[19:05] Older sister**

I've never heard of most of these dishes,  
but they're really interesting!

**[19:09] Little sister**

The more complex they are,  
the more we can learn!

**[19:12] Ogrou**

*After that, I had a meeting with the alchemist  
about manufacturing magical items.*

**[19:17] Alchemist**

The black skeleton bones  
turned out to be very handy.

**[19:22] Alchemist**

This bone nail has the ability to freeze  
whoever's struck with it in place.

**[19:27] Alchemist**

It's the first thing I've produced  
since becoming an item creator.

**[19:33] Alchemist**

Think of it as me, and take good care of it.

**[19:38] Ogrou**

*Her unusually playful attitude got to me.*

**[19:42] Ogrou**

*And then...*

**[19:43] Dhami**

There you go, sneaking around again!

**[19:46] Ogrou**

*As for what happened next...*

**[19:50] Ogrou**

*I won't elaborate.*

**SIGN** Day 70

**[19:52] Underling 1**

Ogrou! Come quick!

**[19:55] Underling 1**

Th-There are some strange elves  
at the entrance!

**[20:01] Elf Messenger**

We're here on behalf  
of your friend, our chief.

**[20:05] Ogrou**

*They passed by their old  
comrades on the way in, but...*

**[20:09] Ogrou**

*The earrings had a disguise effect  
that made them appear to be dark elves.*

**[20:15] Elf messenger**

The human army is finally  
advancing on the Kudel Woods,

**[20:21] Elf messenger**

with a large force that we'll  
be unable to repel on our own.

**[20:25] Elf messenger**

I've come here to secure your assistance.

**[20:29] Ogrou**

Well, whatever happened to your elite force?

**[20:33] Elf messengers**

W-We've been told to consider them dead.

**[20:37] Ogrou**

I-I see...

**[20:39] Elf Messenger**

Price is of no concern. Our chief wants  
the enemy to be eliminated completely.

**[20:45] Elf Messenger**

However, the contract will be considered  
void in the event of a retreat.

**[20:50] Ogrou**

I appreciate the warning and  
humbly accept the job.

**[20:54] Ogrou**

But we're making our own moves.

**[20:57] Ogrou**

Give this to your chief.

**[20:59] Ogrou**

It will let him communicate with us.

**[21:02] Elf Messenger**

I'll see to it.

**[21:05] Elf Messenger**

If you'll excuse me.

**[21:06] Ogrou**

*Yes, information is always a crucial weapon.*

**[21:10] Ogrou**

*I've got my creations  
canvassing the woods already.*

**[21:14] Ogrou**

"If you want peace, prepare for war," huh?

**[21:20] Ogrou**

Gather the others.

**[21:24] Ogrou**

It's time to put everything  
we've been working on to use.

**[21:26] Ogrou**

Starting today, we're a mercenary company!

**[21:29] Ogrekichi**

Wh-What do you mean?

**[21:31] Ogrou**

Put simply, we're a  
professional force of fighters.

**[21:36] Earthe**

That sounds rad!

**[21:37] Spellsei**

And what'll we be called?

**[21:41] Ogrou**

Parabellum.

**[21:44] Ogrou**

And now, Parabellum Mercenary  
Company, prepare for battle!

**[21:50] Ogrekichi**

Parabellum!

**[21:51] Everyone**

Parabellum! Parabellum!

**[21:55] Everyone**

Parabellum!

**[21:56] Ogrou**

*Now... it's time for our first big job.*
