**[00:00] Leonhart**

Open the gates!

**[00:02] Leonhart**

The king of Ozmargo has returned!

**[00:04] Vassal**

Lord Set! It's an emergency!

**[00:07] Set**

I understand.

**[00:09] Set**

Open the gates and summon the guard at once.

**[00:13] Set**

*Why has he come to me himself?*

**[00:16] Set**

*Can he be aware of that  
creature's existence?*

**[00:16] Guards**

It's the human king!

**[00:17] Guards**

To the gates!

**[00:18] Guards**

Acting king's orders!

**[00:25] Sariphi**

Do you think it's started?

**[00:27] Lanteveldt**

Any moment now.

**[00:28] Lanteveldt**

Let's hurry up and grab that diary...

**[00:30] Lanteveldt**

Sariphi?

**[00:32] Sariphi**

Don't you feel it?

**[00:33] Sariphi**

There's something near here.

**[00:35] Sariphi**

*Almost like someone is calling out.*

**[00:38] Lanteveldt**

Hey... Wait up!

**[00:49] Lanteveldt**

Wh-What is this thing?

**SIGN** The Archpriest and the Truth About the King

**[01:00] Lanteveldt**

An animal?

**[01:01] Sariphi**

It's badly hurt.

**[01:03] Lanteveldt**

Whoa, Sariphi! Don't just walk up to it!

**[01:07] Lanteveldt**

I've never seen a monster like that in...

**[01:09] Sariphi**

This person is no monster.

**[01:12] Lanteveldt**

"Person"?

**[01:14] Lanteveldt**

You don't mean this thing's a beast, do you?

**[01:16] Sariphi**

Hey, Bennu, could you cure  
their wounds for me?

**[01:21] Bennu**

Oh, all right. I'll just—

**[01:24] Bennu**

Huh?

**[01:25] Bennu**

Sorry, girlie, but I can't  
help you with this guy.

**[01:31] Lanteveldt**

What'd the holy beast say?

**[01:33] Sariphi**

Bennu says that his healing won't work...

**[01:36] Sariphi**

because they're no longer alive.

**[01:39] Lanteveldt**

Huh?

**[01:40] Capel**

Human girl.

**[01:43] Capel**

Why do you possess the king's magic?

**[01:46] Sariphi**

Was that your voice just now?

**[01:49] Sariphi**

The king's magic?

**[01:55] Capel**

I see.

**[01:56] Capel**

His Majesty has chosen you, then.

**[02:00] Sariphi**

Who are you?

**[02:04] Lanteveldt**

Why're you talking to yourself, Sariphi?

**[02:07] Sariphi**

Can't you hear him, Lante?

**[02:09] Capel**

As you can see, uttering words is beyond me.

**[02:13] Capel**

I am speaking directly to your mind.

**[02:17] Capel**

I am the former archpriest, Capel.

**[02:21] Capel**

As a hideous, silent demon,

**[02:25] Capel**

I have guarded the king's secret for a century.

**[02:29] Sariphi**

The archpriest...

**[02:30] Lanteveldt**

Archpriest?! Hang on!

**[02:34] Lanteveldt**

That's the second most  
powerful guy in Ozmargo!

**[02:37] Lanteveldt**

He disappeared during the last king's reign,  
and they never replaced him.

**[02:41] Lanteveldt**

But then...

**[02:42] Sariphi**

How did someone like you  
end up in this form?

**[02:46] Capel**

I know a great secret  
concerning the king's birth.

**[02:51] Capel**

And so that I might never  
unwittingly reveal it,

**[02:55] Capel**

I ensorcelled myself and went into hiding.

**[02:59] Capel**

But then a judge named Set discovered me.

**[03:03] Sariphi**

Then Set gave you these wounds?! How awful!

**[03:06] Sariphi**

Wait a second. I'll help you.

**[03:08] Capel**

There is no more need.

**[03:11] Capel**

Give me your hand.

**[03:15] Capel**

To save the king, I shall entrust  
you with the secret of his birth,

**[03:21] Capel**

which I have guarded since  
His Late Majesty's reign.

**[03:28] Soldier A**

Forgive me!

**[03:31] Jormungand**

Are you hurt?!

**[03:32] Leonhart**

I must apologize. As I feared,  
my human form is no match for beasts.

**[03:38] Jormungand**

Leave the rest to me, sire.  
Take time to recuperate.

**[03:42] Leonhart**

No.

**[03:43] Leonhart**

Stopping Set's rampage is my duty.

**[03:47] Leonhart**

I'll fight my way to him!

**[03:48] Jormungand**

Yes, sire!

**[03:49] Set**

No need for that.

**[03:52] Set**

I'm amazed that you returned.

**[03:55] Set**

But I will thank you to refrain  
from further violence in my palace,

**[04:00] Set**

false king.

**[04:03] Leonhart**

Set!

**[04:05] Capel**

In His Late Majesty's time,

**[04:07] Capel**

the queen, who had always been sickly,  
quietly passed away.

**[04:13] Capel**

The late king's disappointment  
was immeasurable.

**[04:17] Capel**

Because at that time, the royal  
couple had yet to produce an heir.

**[04:24] (Flashback) Former King**

Archpriest Capel.

**[04:26] (Flashback) Former King**

Keep this matter private for the time being.

**[04:29] (Flashback) Former King**

Only you and I know of it.

**[04:32] (Flashback) Capel**

Meaning, sire?

**[04:34] (Flashback) Former King**

Find him with all haste,  
and bring him back to this realm.

**[04:39] (Flashback) Former King**

He is the only one with whom I share blood.

**[04:42] (Flashback) Capel**

You mean to turn to His Highness,  
your exiled younger brother, for an heir?!

**[04:48] Sariphi**

The last king had a brother?

**[04:50] Sariphi**

And he was exiled?

**[04:52] Capel**

When twin boys are born  
into the royal house,

**[04:56] Capel**

only the more promising is raised—  
a custom known as the "lion's drop."

**[05:01] Capel**

The younger brother was driven  
from the palace soon after birth.

**[05:05] Capel**

And again, only the late king  
and I are aware of that fact.

**[05:11] Capel**

I soon tracked him down and  
made a startling discovery.

**[05:18] Capel**

In the midst of a recent battle with humans,

**[05:23] Capel**

His Highness had secretly fled  
to Yoana and sired a child there.

**[05:29] Sariphi**

Then... that child is...

**[05:31] Capel**

Yes.

**[05:32] Capel**

The current king of Ozmargo.

**[05:36] Capel**

The late king's brother  
had already passed away.

**[05:39] Capel**

With no other choice, I took the babe  
from its mother before it opened its eyes,

**[05:44] Capel**

and I returned to this realm.

**[05:46] Capel**

The child was revealed alongside  
news of the queen's death,

**[05:51] Capel**

and the people greeted him as the son  
she had given her life to birth.

**[05:57] Capel**

But the late king was never able to accept  
that his heir was a human's son.

**[06:05] Capel**

Eventually, his mind took ill,  
and he, too, passed away.

**[06:10] Capel**

That is the truth of the  
king's birth as I know it.

**[06:16] Sariphi**

Then...

**[06:17] Sariphi**

His Majesty is a human's child,  
but he really is royalty, too.

**[06:23] Sariphi**

And you've kept that huge secret all alone.

**[06:28] Sariphi**

Thank you.

**[06:29] Sariphi**

I promise that I'll tell him  
what you entrusted to me.

**[06:42] Lanteveldt**

Sariphi.

**[06:44] Lanteveldt**

If you're gonna tell the king,  
we'd better go join him quick.

**[06:47] Sariphi**

Right.

**[06:49] Capel**

Please wait.

**[06:51] Capel**

There is one other truth  
I must impart to you.

**[06:57] Set**

You confound me.

**[06:59] Set**

To think that you would return  
for your own execution.

**[07:02] Set**

You are rebels, no longer  
even meriting a trial.

**[07:07] Set**

Thus,

**[07:09] Set**

I shall carry out your  
sentence here and now.

**[07:14] Sariphi**

Another one?

**[07:16] Capel**

To save the king.

**[07:18] Capel**

To save the tiny child whose  
destiny I set awry that day.

**[07:39] Bennu**

It looks like his spell of undeath broke.

**[07:42] Bennu**

Since he did his duty and passed on his  
secret, he can finally rest in peace.

**[07:51] Sariphi**

*Mr. Archpriest,*

**[07:53] Sariphi**

*your legacy is safe with me.*

**[07:59] Lanteveldt**

Sariphi.

**[08:00] Sariphi**

Right.

**[08:02] Sariphi**

*Wait for me, Leo. I'll be there soon.*

**[08:08] Anubis**

What is the matter?

**[08:09] Set**

*His spell is broken?*

**[08:12] Set**

*Who could have...*

**[08:15] Set**

*Don't tell me...*

**[08:17] Set**

Chancellor,

**[08:19] Set**

it appears that we have fallen for a feint.

**[08:23] Set**

That human girl has snuck into the palace,

**[08:27] Set**

likely escorted by the captain of her guard.

**[08:31] Set**

Gather a force, and search  
every nook and cranny.

**[08:34] Anubis**

Understood.

**[08:36] Anubis**

I shall see to it at once.

**[08:39] Jormungand**

Abi!

**[08:42] Leonhart**

Sariphi!

**[08:52] Jormungand**

Sire!

**[08:55] Set**

I would advise against overexerting yourself.

**[08:57] Set**

You must be in far greater pain  
than the captain of your guard.

**[09:02] Set**

Humans are truly tragic creatures.

**[09:06] Jormungand**

Sire...

**[09:07] Set**

And yet, to have broken my restraints,  
even for a moment,

**[09:12] Set**

shows how deeply you care for that girl.

**[09:15] Set**

In deference to your love, I shall send  
you both to your graves together.

**[09:24] Set**

A lovely view, is it not?

**[09:26] Set**

How does it feel to look out from there  
on what was once your kingdom,

**[09:32] Set**

human king?

**[09:40] Set**

Oh, you needn't worry.

**[09:44] Set**

I shall take it upon myself to restore  
this kingdom to its proper form.

**[09:49] Set**

A nation in which species are sorted  
into a definite class system.

**[09:54] Set**

To conceal your hideous blood,  
you mixed the wheat with the chaff.

**[09:59] Set**

I will remake this realm  
into one of order and beauty.

**[10:04] Set**

Wheat with wheat, chaff with chaff,  
and a king with royal blood.

**[10:10] Set**

That is how a kingdom ought to be!

**[10:13] Leonhart**

No!

**[10:15] Leonhart**

I didn't strive for a land in which  
different species merely live together,

**[10:22] Leonhart**

but one in which everyone  
can live as themselves.

**[10:26] Leonhart**

No one can choose their birth.

**[10:28] Leonhart**

Some have long tails,  
others horns, hooves, or scales.

**[10:36] Leonhart**

But whatever their species, everyone should  
be able to take pride in themselves

**[10:41] Leonhart**

and live without anyone  
trampling on that pride.

**[10:45] Leonhart**

A nation must be a place  
where that is possible!

**[10:49] Leonhart**

Perhaps, as you say, I have no right to rule.

**[10:54] Leonhart**

But I have a duty to stop you!

**[10:58] Leonhart**

Until I've done that,

**[11:00] Leonhart**

I am still the king of this realm!

**[11:04] Set**

A king's duty?

**[11:06] Set**

You have no such thing.

**[11:09] Set**

You have only...

**[11:12] (Flashback) Set's Mother**

Set,

**[11:14] (Flashback) Set's Mother**

the truth is that you have  
royal blood in your veins.

**[11:19] (Flashback) Set's Mother**

Look. By all rights, you should  
be standing at the king's side.

**[11:24] (Flashback) Set's Mother**

You should have been welcomed and  
acclaimed by all as our next king.

**[11:31] (Flashback) Set's Mother**

I'm sorry that I was only able to  
give birth to you in this form.

**[11:36] (Flashback) Set's Mother**

That I wasn't able to give you  
the appearance of royalty.

**[11:40] Young Set**

*Mother and I are always  
in a corner of the palace.*

**[11:44] Young Set**

*Because I don't look like the king,*

**[11:47] Young Set**

*no one looks at us or pays us any attention.*

**[11:51] Young Set**

*If I looked like he does, then...*

**[11:55] Set**

You have only...

**[11:56] Set**

your just deserts for deceiving us  
and continuing to play at kingship!

**[12:03] Set**

When I slay you with my own hands,

**[12:05] Set**

I will be able to take pride  
in myself for the first time.

**[12:11] Leonhart**

*Sariphi...*

**[12:18] Lanteveldt**

There are more soldiers around.

We must be getting close to the king.

**[12:21] Sariphi**

Are you all right, Lante?

**[12:23] Lanteveldt**

This is a piece of cake.

**[12:24] Lanteveldt**

Wait, a dead end?

**[12:28] Anubis**

That's as far as you go, wench.

**[12:32] Lanteveldt**

Sariphi—

**[12:33] Lanteveldt**

Stop it, damn you! Let go!

**[12:36] Lanteveldt**

Why do I feel so weak?

**[12:38] Anubis**

You didn't notice? I laid wards in advance.

**[12:42] Anubis**

I arranged things so that  
you would flee this way.

**[12:46] Bennu**

So that's why I feel my power draining away.

**[12:51] Lanteveldt**

I'm disappointed in you, Chancellor.

**[12:54] Lanteveldt**

I never liked you,

**[12:57] Lanteveldt**

but I thought your loyalty to the  
king was the real deal, at least.

**[13:01] Lanteveldt**

In the end, though, you're just  
another stupid supremacist!

**[13:06] Anubis**

Take him away.

**[13:07] Soldiers**

Yes, sir.

**[13:09] Lanteveldt**

Sariphi!

**[13:10] Sariphi**

Lante! Don't worry about me!

**[13:15] Anubis**

You seem awfully confident.

**[13:19] Anubis**

What have you come back here to do?

**[13:21] Sariphi**

We discovered His Majesty's origins and—

**[13:23] Anubis**

That's of no consequence now.

**[13:25] Sariphi**

Yes, it is!

**[13:26] Sariphi**

You must know what's going  
on outside this palace.

**[13:31] Sariphi**

That's why His Majesty came back.

**[13:33] Sariphi**

And where he goes, I go.

**[13:37] Sariphi**

I've made up my mind  
to stay with him forever.

**[13:42] Anubis**

I thought as much.

**[13:45] Anubis**

The king taking a human form  
doesn't trouble *you* in the least.

**[13:51] Anubis**

Tell me one thing:  
When did you learn of this?

**[13:56] Anubis**

Have you... known all along?

**[14:00] Sariphi**

Yes.

**[14:01] Sariphi**

Ever since my first night  
of revelation in the palace,

**[14:05] Sariphi**

when I was supposed to be sacrificed.

**[14:09] Anubis**

I see.

**[14:10] Anubis**

While I, on the other hand, was fooled  
by him from the very beginning.

**[14:16] Sariphi**

That's not—

**[14:18] Anubis**

Answer me one final question.

**[14:20] Anubis**

I won't tolerate evasion or deceit.

**[14:23] Anubis**

At the slightest sign of a lie, I'll kill you.

**[14:26] Anubis**

If he had no human blood like yours,

**[14:32] Anubis**

if he were purely a beast man,

**[14:36] Anubis**

would you still have  
loved him from the first?

**[14:40] Sariphi**

Well...

**[14:42] Sariphi**

I don't know.

**[14:49] Set**

A waste of effort.

**[14:50] Set**

Straining too hard will  
only tear your limbs off.

**[14:53] Set**

Humans are such frail creatures.

**[14:57] Set**

Struggle all you wish. It will  
only make you more pathetic.

**[15:02] Leonhart**

*Say whatever you like.*

**[15:05] Leonhart**

*I may be in human form now,  
but I'm still the king of beasts!*

**[15:11] Leonhart**

*I'll never give in to someone who fails  
to protect this realm and its people!*

**[15:17] Anubis**

Please stop.

**[15:19] Anubis**

To continue would be meaningless.

**[15:21] Leonhart**

Anubis...

**[15:22] Leonhart**

Sariphi!

**[15:23] Set**

As expected of our chancellor,  
you work quickly.

**[15:27] Set**

However...

**[15:29] Anubis**

I haven't killed her.  
She is merely unconscious.

**[15:32] Set**

I see. Then the cast is all assembled.

**[15:36] Set**

Let us begin with the girl's execution.

**[15:39] Set**

By your hand, Chancellor.

**[15:44] Anubis**

Mine?

**[15:45] Set**

This girl conspired with the  
false king to deceive you.

**[15:49] Set**

They trampled on your pride and dignity.

**[15:52] Set**

You have every right.

**[15:59] (Flashback) Anubis**

You don't know?

**[16:00] (Flashback) Anubis**

What do you mean by that?!

**[16:02] (Flashback) Anubis**

Can't you love a pure-blooded beast, then?

**[16:05] (Flashback) Anubis**

So that's all you amount to.

**[16:07] (Flashback) Anubis**

You can only *truly* love  
other humans like yourself!

**[16:11] (Flashback) Sariphi**

That's not it. I don't really  
understand what you're asking.

**[16:16] (Flashback) Sariphi**

I mean, His Majesty is both.

**[16:19] (Flashback) Sariphi**

He has both beast and human blood,  
and he agonized over that a lot.

**[16:26] (Flashback) Sariphi**

And now he's kinder than anyone else.

**[16:28] (Flashback) Sariphi**

That's His Majesty.

**[16:32] (Flashback) Sariphi**

That's the king I love.

**[16:35] (Flashback) Sariphi**

My Leonhart.

**[16:40] Set**

What?!

**[16:41] Set**

Y-You dare?!

**[16:53] Sariphi**

Leo!

**[16:55] Set**

Anubis!

**[16:56] Set**

Not content with betraying me,  
you would return to your former king?!

**[17:02] Anubis**

Return? Betray?

**[17:05] Anubis**

Whatever do you mean?

**[17:07] Anubis**

Have I ever, even once, called you king?

**[17:11] Anubis**

I serve the true king.

**[17:13] Anubis**

Though he may bizarrely have  
assumed human form, my king

**[17:18] Anubis**

is this man and no other!

**[17:21] Set**

Curse you!

**[17:27] Jormungand**

Abi!

**[17:31] Set**

Now I'll finish you—

**[17:34] Set**

Wh-What?!

**[17:36] Galois**

We folk of the sea shall not sit  
by in our lord's hour of need.

**[17:41] Galois**

We have come to restore this realm  
and its people to our king.

**[17:48] Galois**

The full might of the  
Istanese navy has arrived!

**[17:52] Sariphi**

Grandpa Galois! And Joz, too!

**[17:55] Galois**

Forward!

**[18:01] Soldier E**

Hey, state of emergency!

**[18:03] Soldier E**

Lord Set called up the whole guard!

**[18:05] Soldier C**

What happened?

**[18:07] Soldier D**

What do we do with him?

**[18:08] Soldier E**

Just get a move on!

**[18:16] Lanteveldt**

I don't know what's going on,  
but this looks like my chance.

**[18:18] Amit**

P-Please stay still!

**[18:20] Lanteveldt**

Huh?

**[18:22] Lanteveldt**

Princess Amit?

**[18:24] Lanteveldt**

And the blobs, too.

**[18:26] Lanteveldt**

What're you doing here?

We told you to wait outside.

**[18:29] Amit**

W-We're terribly sorry, but we  
simply couldn't stand idly by.

**[18:34] Amit**

And when we reached the palace, we met  
gentlemen from the Istanese navy, so...

**[18:39] Lanteveldt**

The Istanese navy?!

**[18:40] Lanteveldt**

So that's what this fuss is about!

**[18:42] Lanteveldt**

All right, then! What're we—

**[18:44] Amit**

Please wait a moment!

**[18:46] Amit**

M-Might you help us find  
what we're searching for?

**[18:50] Amit**

If we succeed, we may be able  
to rescue the king from his plight.

**[19:01] Joz**

Don't push yerself too hard, boss.

**[19:03] Joz**

Ya complained about yer hip  
actin' up just yesterday.

**[19:06] Galois**

You needn't worry.

**[19:11] Galois**

Old I may be, but I, Galois,  
was once known as the Sea God.

**[19:17] Galois**

No fledgling will get the better of me yet!

**[19:21] Ocelot**

Neither hate the beasts nor fear them.

**[19:25] Ocelot**

Take the refugees under

your protection at once!

**[19:27] Ocelot**

The king of Maskviana commands it!

**[19:30] Sorting Squad Captain**

Running to filthy humans for succor,

**[19:33] Sorting Squad Captain**

you lesser species?!

**[19:38] Ilya**

Get them out of here, fast!

**[19:39] Protecting Soldier 1**

Come on!

**[19:40] Protecting Soldier 2**

This way!

**[19:41] Ei**

Tha...

**[19:44] Ei**

Thank you!

**[19:50] Sorting Squad Captain**

Damn you, human!

**[19:54] Ilya**

Do your worst, monster.

**[19:57] Set**

What's taking you so long?!

**[19:58] Set**

Why are you struggling  
to best these sea scum?!

**[20:01] Vassal**

Lord Set, it's an emergency!

**[20:03] Vassal**

The Kingdom of Sarbul has  
sent an urgent message!

**[20:07] Sariphi**

Sarbul?

**[20:08] Sariphi**

That's Tetra's home.

**[20:10] Tet**

My people, all the lands of Ozmargo

**[20:14] Tet**

are now faced with a choice  
of grave importance.

**[20:17] Tet**

We would be first-class subjects  
under the new king's system.

**[20:23] Tet**

Accepting that status may pave  
the way for our future prosperity.

**[20:28] Tet**

I, however,

**[20:29] Tet**

reject it!

**[20:32] Tet**

Some may view my choice as folly.

**[20:36] Tet**

But for the youth on whom the future rests—

**[20:40] Tet**

for the children who will inhabit that future—

**[20:42] Tet**

we must not leave a world where one's  
species determines one's standing!

**[20:47] Tet**

Our Sarbul stands behind the king of Ozmargo,

**[20:50] Tet**

who has championed the equality  
of species since his accession!

**[20:56] Tetra**

*Sariphi,*

**[20:58] Tetra**

*we're on your side!*

**[21:01] Vassal**

As has Lord Braun Breuse,  
overlord of Maasya,

**[21:04] Vassal**

King Ur I of Bolstobas, and others.

**[21:07] Vassal**

If the king of Ozmargo does  
not resume his reign,

**[21:10] Vassal**

they are all prepared  
to do battle for his cause!

**[21:17] Amit**

Here it is!

**[21:18] Amit**

A fixed magical array. This is what is  
clearing the miasma from the skies.

**[21:23] Lanteveldt**

Good job figuring that out.

**[21:25] Amit**

Given how long the spell  
has remained in effect,

**[21:28] Amit**

I felt certain that there  
was some trick to it.

**[21:30] Lanteveldt**

So if we destroy this, then—

**[21:34] Lanteveldt**

Ow! That stings!

**[21:36] Lanteveldt**

What the hell?! More wards?!

**[21:38] Amit**

This is a blood pact.

**[21:40] Amit**

The caster's blood serves as a medium to control the spell.

**[21:45] Amit**

Unless we have enough blood to overwrite the pact...

**[21:49] Lanteveldt**

Princess Amit?!

**[21:51] Set**

What is the meaning of this?

**[21:53] Set**

I can understand the sea scum revolting, but I made those lands first-class subjects!

**[22:00] Set**

Curse their moral posturing!

**[22:01] Sariphi**

They aren't just posturing!

**[22:03] Leonhart**

Sariphi...

**[22:05] Sariphi**

I know that some people enjoy keeping others down,

**[22:11] Sariphi**

but no one is born deserving to be treated as lesser.

**[22:16] Sariphi**

His Majesty worked hard to stop that from happening!

**[22:20] Sariphi**

The people who are willing to fight alongside him now

**[22:23] Sariphi**

are the ones who really understood that.

**[22:28] Sariphi**

If you really want to be king,

**[22:31] Sariphi**

listen to everyone's voices, and look at the people who live in this realm.

**[22:35] Sariphi**

Why would anyone look to you when you don't even try to see them?!

**[22:43] Set**

Silence.

**[22:44] Leonhart**

Sari—

**[22:45] Set**

Be silent!

**[22:54] Leonhart**

*Sariphi.*

**[22:56] Leonhart**

*You,*

**[22:57] Leonhart**

*all of you,*

**[22:59] Leonhart**

*gave strength to a weakling like me!*

**[23:03] Leonhart**

*So...*

**[23:04] Leonhart**

*So I will...*

**[23:10] Set**

What?!

**[23:18] Leonhart**

*...repay your devotion!*

**[23:25] Sariphi**

Hey, Leo, do you remember when  
I first came here as a sacrifice?

**[23:32] Sariphi**

You were the strongest,  
kindest person there was.

**[23:35] Sariphi**

I hope that your feelings reach  
everyone in your kingdom.
