Science-types Fell in Love,
So They Tried Having a Fight.

[01:30] Himuro

Tell me...

[01:32] Himuro

What were you doing with Kanade-chan?

[01:36] Kanade

Yukimura-senpai!

[01:37] Kanade

Thank you so much for earlier.

[01:40] Kanade

Thanks to that, I was able
to give my presentation...

[01:42] Kanade

Wait... Huh?

[01:44] Yukimura

I'm telling you, it wasn't like that!

[01:46] Yukimura

It was an emergency situation!

[01:48] Himuro

So you're saying that if it's
an emergency, it's fine?

[01:50] Himuro

There must have been another way!

[01:52] Yukimura

Hey, Kanade. You explain to her, too.

[01:55] Kanade

Huh? Explain what?

[01:57] Yukimura

Himuro saw the thing

before the presentation.

[02:00] Kanade

The thing before the presentation...?

[02:05] Kanade

No, no, no! It isn't what you're thinking!

[02:07] Kanade

My spirit was crushed! He had no choice!

[02:10] Kanade

Honestly, it had nothing to
do with romance or anything!

[02:12] Kanade

Besides, I have zero interest
in this nagging four-eyes!

[02:15] Yukimura

Hey! What do you think you're doing,
slipping that into the confusion?!

[02:17] Kanade

I'm telling the truth!

[02:19] Kanade

Himuro-senpai, there's nothing
for you to worry about...

[02:22] Himuro

I know.

[02:24] Himuro

I don't think you've done
anything wrong, Kanade-chan.

[02:26] Himuro

Rather...

[02:27] Himuro

What I cannot forgive is

[02:29] Himuro

that he can so easily
do that to a young woman,

[02:31] Himuro

and the societal dishonesty it implies!

[02:34] Himuro

After all, I want to hug Yukimura-kun, too!

[02:37] Yukimura

No, I'm telling you...

[02:39] Yukimura

It was a sort of emergency refuge,
extraordinarily extreme measures...

[02:42] Himuro

And that means you can
hug whomever you want?

[02:44] Himuro

What kind of excuse is that?

[02:45] Himuro

Like an emergency refuge?

[02:47] Kanade

*I feel like she's mad for
a different reason...*

[02:47] Himuro background

Extraordinarily extreme measures?

[02:49] Himuro background

What's that supposed to mean? You
just wanted to hug her, right?

[02:50] Inukai

Hello, my senpai!

[02:51] Yukimura background

No!

[02:52] Inukai

What did you think?

[02:52] Yukimura background

That was the most efficient way
of dealing with that situation!

[02:53] Inukai

Did you see my magnificent presentation...?

[02:55] Himuro background

You always make your escape like that!

[02:57] Himuro

What the deal, anyway?

[02:58] Himuro

Even for our seaside
close contact experiment,

[02:59] Himuro

you left in the middle and never came back!

[03:01] Yukimura

No, there were... unforeseen circumstances...

[03:05] Himuro

What kind of unforeseen circumstances?

[03:06] Inukai

Huh? Are they fighting?

[03:08] Himuro

Don't you have anything to say?

[03:12] Himuro

And even after that, all you did was focus
on Kanade-chan and her presentation,

[03:16] Himuro

and...

[03:17] Himuro; internal

H-Huh?

[03:18] Himuro

And to top it off, you went

and did that with Kanade-chan!

[03:21] Himuro

We still need to do our experiments, and you just...

[03:23] Himuro

It was the same for the pairing experiments, too, wasn't it?

[03:26] Himuro

You got excited over all kinds of people...

[03:28] Himuro; internal

What... am I saying...?

[03:32] Himuro

In the end, that's all it is, right?

[03:34] Himuro

For you, Yukimura-kun...

[03:36] Himuro

any woman works, doesn't she?

[03:38] Yukimura

No!

[03:41] Yukimura

That's enough, Himuro.

[03:44] Yukimura

So, what?

[03:45] Yukimura

I should ignore an underclassman preparing for a presentation?

[03:47] Yukimura

And as long as we can run our experiments, everything is fine?

[03:50] Yukimura

I should have just left Kanade in that state, and let her do her presentation?

[03:54] Himuro

Well, no, but...

[03:57] Yukimura

I have not behaved in a manner I need feel ashamed of with Kanade.

[04:00] Yukimura

However, if Kanade and I had done something,

[04:03] Yukimura

are there any grounds for you to take issue with it?

[04:06] Yukimura

It isn't as if you and I are dating, are we?

[04:18] Himuro

That's true...

[04:19] Himuro

Strictly speaking, it isn't
as if we are dating, is it?

[04:37] Inukai

[04:46] Inukai

Now that we've finished our presentations,

[04:48] Inukai

we've got nothing left to worry about!

[04:50] Ikeda

Exactly!

[04:52] Ikeda

After studies are done, we must
play with everything we've got!

[04:54] Inukai

Let's enjoy Okinawa to our hearts' content!

[05:08] Ikeda

What do we do...

[05:10] Ikeda

At this rate, our fun research
training camp will...

[05:13] Ikeda

Can't you do anything about it, Ibarada-kun?

[05:16] Ibarada

You can just leave it.

[05:18] Ibarada

Aren't those two always arguing?

[05:21] Ikeda

I hope you're right...

[05:24] Yamamoto

You worry too much, Professor Ikeda.

[05:26] Yamamoto

Those two are rational and intellectual,

[05:29] Yamamoto

so if they talk, I'm sure they'll patch
things up more quickly than you'd think.

[05:32] Yamamoto

Come, come. Let's leave
the two of them alone.

[05:37] Kanade

I hope they'll be all right...

[05:38] Inukai

Yeah...

[05:44] Himuro

Yukimura-kun...

[05:45] Himuro

Do you know why I am angry?

[05:50] Inukai

Th-This question!

[05:52] Inukai

So many men have given the wrong answer,

[05:55] Inukai

and made the woman even angrier!
It's a question of legendary difficulty!

[05:58] Kanade

What? Is it?

SIGN "I don't know"

[06:00] Inukai

If you say, "I don't know"...

[06:02] woman

Well, figure it out!

SIGN "Why are you so angry?"

[06:03] Inukai

If you ask, "why are you so angry?"

[06:05] woman

Because you're like that!

SIGN "Because xxx?"

[06:08] Inukai

If you give the correct reason
for her anger, then...

[06:10] woman

If you know, then why'd you do it?

[06:13] Inukai

That's how it goes.

[06:14] Inukai

Once the question is asked, it's pretty
much decided the man's in the wrong.

[06:17] Inukai

Yukimura-senpai... How will you answer her?

[06:23] Yukimura

The act of me hugging Kanade
accounts for approximately 34%.

[06:27] Yukimura

It's likely that...

[06:28] Yukimura

the declaration, "it isn't as though we're
dating," accounts for approximately 30%.

SIGN Act of
Hugging Kanade

[06:32] Yukimura

Also, factors such as "poor physical condition
and ill humor associated with menstrual cycle"...

[06:37] Yukimura

I've made general estimates, however,
there are likely various specific items—

[06:43] Himuro

I see you don't understand at all.

[06:45] Himuro

Your degree of relative error
is off by at least 0.8.

[06:48] Himuro

And, "poor physical condition and ill humor
associated with menstrual cycle" accounts for 0%.

[06:54] Himuro

"Including such detailed items" accounts
for approximately 43% of my current anger.

[07:01] Yukimura

Hey! If you insist that I'm wrong,
show me the evidence!

[07:05] Yukimura

Hey! Himuro!

SIGN Evidence

[07:08] Rikekuma

Evidence!

[07:10] Rikekuma

Look it up in a dictionary yourself, bear.

[07:12] Rikekuma

This time, we'll be looking
at "relative error"!

SIGN Relative Error

[07:14] Rikekuma

Here we have 10 grams of boogers, bear.

[07:17] Rikekuma

But when stupid humans measure the weight,

[07:20] Rikekuma

the way they measure is so inept,
it ends up being 11 grams, bear.

[07:25] Rikekuma

In this case, the measurement error from the
theoretical weight of the b is 1 gram, bear.

[07:29] Rikekuma

This error is called "absolute error," bear.

SIGN "Absolute Error"

[07:32] Rikekuma

In contrast, "relative error"

SIGN Theoretical Value

SIGN Relative Error

SIGN Measured Value - Theoretical Value

SIGN Theoretical Value

[07:35] Rikekuma

is a ratio expressing the relationship of
the absolute value to theoretical value, bear.

[07:39] Rikekuma

In the case of these boogers,

SIGN "Relative Error"

[07:41] Rikekuma

the relative error is 0.1.

[07:44] Rikekuma

In the case of the relative
error of 0.8 Himuro mentioned,

[07:48] Rikekuma

if you measured boogers that
should weigh 10 grams,

[07:51] Rikekuma

it means that the measuring was so bad,
you got a weight of 18 grams, bear.

[07:55] Rikekuma

Whoever did the measuring
was useless scum, bear.

[07:57] Rikekuma

And whoever gathered 10 grams of
boogers is useless scum, too, bear.

[08:02] Inukai

You okay, Yukimura-senpai?

[08:05] Yukimura

I made her angry again.

[08:07] Yukimura

What could the problem have been...

[08:09] Yukimura

Excluding "poor physical condition and
ill humor associated with menstrual cycle,"

[08:13] Yukimura

the other details couldn't have
been so very inaccurate...

[08:16] Yukimura

If the reason for her anger is shifted in time,
then any estimate grows even more difficult...

[08:20] Inukai

*I kinda get the feeling
that's not the problem...*

[08:26] Kanade

Himuro-senpai!

[08:28] Himuro

Kanade-chan?

[08:29] Kanade

Um... Are you okay?

[08:37] Himuro

What do I do?

[08:39] Himuro

Asking something like,
"Do you know why I'm angry"...

[08:42] Himuro

Why did I go and ask him that question?

[08:45] Himuro

It makes me seem like some
stupid, annoying woman.

[08:48] Himuro

Yukimura-kun must hate me...

[08:50] Kanade

You'd asked before you even
thought about it, right?

[08:52] Kanade

That's just how it goes. I understand.

[08:54] Himuro

A question so difficult to respond to...

[08:57] Himuro

I can't even present any evidence, and I...

[08:59] Himuro

This isn't being intellectual at all!

[09:02] Kanade

Honestly, these people are just...

[09:31] Yukimura

This place...

[09:32] Yukimura

The numerical value here wasn't bad, either...

SIGN Details of the Argument

SIGN 11:05:34 Yukimura Shinya said the following:

"If Kanade and I had done something, are there any grounds for you

to take issue with it? It isn't as if you and I are dating, are we?"

SIGN Himuro Ayame struck Yukimura Shinya's left cheek with her open right hand

SIGN 11:06:46 With a hint of tears in her eyes, Himuro Ayame spoke as follows:

"That's true... Strictly speaking, it isn't as if we are dating, is it?"

[09:40] Yukimura

...after which, I said,

"it isn't as if we're dating, is it?"

[09:45] Yukimura

Immediately following, Himuro struck my left cheek with her open right hand.

[09:49] Yukimura

3.4 seconds later, with a hint of tears in her eyes,

[09:52] Yukimura

she said, "Strictly speaking, it isn't as if we are dating, is it?"

[09:57] Yukimura

These are the details of the recent confrontation.

[10:00] Yukimura

What do you think?

Where do you think the problem lies?

[10:04] Inukai

It's probably gotta be that last thing you said, Yukimura-senpai.

[10:07] Inukai

I think that was a huge misstep.

[10:10] Inukai

If I ever made that choice with Aika...

[10:14] Inukai

I'd get a bloodbath ending.

[10:15] Aika

You said you loved me!

[10:17] Yukimura

It was that bad?

[10:19] Yukimura

Based on the situation, I also believe that statement to be the primary factor, but...

[10:24] Yukimura

What makes it such a problem?

[10:26] Yukimura

It is a concrete fact that we are not dating,

[10:29] Yukimura

and Himuro herself acknowledges that.

[10:32] Yukimura

And it's the same for the way I handled Kanade.

[10:35] Yukimura

I haven't done anything wrong.

[10:37] Inukai

Well, yeah, that's true.

[10:40] Inukai

Everything you've said is a sound argument.

[10:44] Inukai

However...

[10:45] Inukai

There are times in this world when presenting a sound argument

[10:48] Inukai

isn't what you should do, I guess...

[10:55] Kanade

Himuro-senpai, I...

[10:58] Himuro

Hm? What is it, Kanade-chan?

[11:01] Kanade

I'm really sorry.

[11:04] Kanade

Because of me...

[11:06] Kanade

Himuro-senpai and Yukimura-senpai are...

[11:09] Kanade

I never thought... things would turn out this way...

[11:12] Kanade

I... I don't know how to apologize to you...

[11:15] Himuro

I told you, none of this is your fault, Kanade-chan.

[11:18] Kanade

But... it's because Yukimura-senpai spent all that time with me that...

[11:23] Himuro

But thanks to that, your presentation went wonderfully.

[11:26] Himuro

The truth is... I understand.

[11:30] Himuro

Yukimura-kun hasn't done anything wrong.

[11:33] Himuro

I've just gone and gotten

angry on my own. That's all.

[11:37] Himuro

When he said that it wasn't
like we were dating,

[11:41] Himuro

it was completely valid, but somehow I
found it utterly hateful and provoking.

[11:45] Himuro

Before I knew it, I'd hit him.

[11:48] Himuro

In this state, I don't suppose
I could call it "love"...

[11:51] Kanade

You're wrong!

[11:52] Himuro

What?

[11:53] Kanade

You have it backwards!

[11:55] Kanade

It's because you love him
that you felt that way.

[11:58] Kanade

It's happened to me, too.

[12:00] Kanade

Getting jealous because the person I love
is paying attention to someone else...

[12:03] Kanade

Getting angry when their
feelings don't turn my way...

[12:08] Kanade

Love is just that kind of thing.
I'm sure of it!

[12:11] Himuro

Is it... really?

[12:14] Himuro

In that case...

SIGN Defining Jealously Frequency

[12:18] Himuro

To be honest, this was a blind spot.

[12:20] Himuro

American psychologist, Berscheid, said that
romantic emotions include both love and hate.

[12:27] Himuro

Up to this point, we've focused
on emotions of affection,

[12:30] Himuro

but in romance, there are

negative emotions, as well.

[12:33] Himuro

If we categorize them as
"contradictory emotions," then...

[12:37] Himuro

I knew it.

[12:38] Himuro

From the time of our argument today,

[12:40] Himuro

my contradictory emotion counter
has risen dramatically.

[12:44] Himuro

If we can establish that this
phenomenon is repeatable,

[12:48] Himuro

then it may prove to be the key to
finding the conditions of "love."

[12:50] Kanade

Um... what would that mean, exactly?

[12:54] Himuro

For example, Yukimura-kun could be
made to flirt with another woman.

SIGN stare

[12:58] Himuro

Then, we take the amount I want to knee him
in the face and make it a fixed quantity.

[13:03] Kanade

What?

[13:04] Kanade

You're really okay with that, Himuro-senpai?

[13:07] Himuro

I'm not.

[13:08] Himuro

But this feeling of not being okay,
and the depression I've felt today,

[13:12] Himuro

might just prove to be a
new lead in our research.

[13:15] Himuro

Tomorrow, first thing, I'll have to
discuss this with Yukimura-kun and—

[13:24] Himuro

Guess I can't since we're
in the middle of a fight.

[13:28] Kanade

Tomorrow... why don't you and
Yukimura-senpai patch things up?

[13:32] Kanade

I'm sure Yukimura-senpai
wants the same thing.

[13:36] Kanade

And I want to see the two of you the way you
always are, having fun doing your research.

[13:43] Himuro

You're right...

[13:44] Himuro

I'm sure... we'll be able to reconcile.

It's such a strange thing...

[17:19] Himuro

I was always fine on my own, and now...

[17:21] Himuro

*for the sake of a connection
with another person...*

[17:24] Himuro

I've become so desperate.

[17:27] Himuro

But... I met him...

[17:30] Himuro

spent time with him...

[17:32] Himuro

researched with him...

[17:34] Himuro

did all kinds of things with him...

[17:40] Himuro

*And for the first time, being
with someone made me feel happy.*

[17:45] Himuro

*That's why I was really looking
forward to this trip.*

[17:49] Himuro

*Going to a southern island with
Yukimura-kun for the first time...*

[17:52] Himuro

spending time there, running experiments...

[17:55] Himuro

*And just maybe... a wonderful
phenomenon might occur...*

[17:58] Himuro

I got my hopes up just a little.

[18:01] Himuro

But the reality was different.

[18:06] Kanade

A glasses case! That would
be good, wouldn't it?

[18:10] Himuro

Yukimura-kun doesn't really pay attention
to how he treats his glasses.

[18:14] Himuro

The affinity index on this
seems like it would be high.

[18:16] Kanade

Oh!

[18:17] Kanade

It looks like they inscribe
names and things on them.

[18:20] Himuro

Really?

[18:21] Himuro

In that case...

[18:23] Himuro

It's my fault.

[18:25] Himuro

I threw the experiment into disarray...

[18:28] Himuro

I got angry over trivial things...

[18:30] Himuro

Tomorrow, our trip ends...

[18:33] Himuro

But...

[18:34] Himuro

*Yukimura-kun and I haven't
accomplished anything yet.*

[18:38] Himuro

I'll have the thesis ready in 30 minutes.
If you'll just wait a little.

[18:41] Kanade

It's amazing you can pull
off a stunt like that.

[18:44] Himuro

But... it's not too late yet.

[18:47] Himuro

I will reconcile with you,

[18:49] Himuro

*because I want to do something
on this trip together with you.*

[18:52] Kanade

I don't know if this wrapping really
gives off a "gift" sort of feel.

[18:55] Yamamoto

I have pens and things in my
room. I'll go decorate it!

[18:58] Kanade

That's a manga artist for you!

SIGN Apology Thesis

[19:08] Himuro

All right. It's finished!

[19:09] Kanade

That's amazing! It looks like a present!

[19:12] Himuro

Thank you, both of you. I'm off.

[19:14] Yamamoto

Fight!

[19:16] Kanade

Hang in there, okay?

[19:21] Himuro

Yukimura-kun...

[19:22] Himuro

I wonder if he'll forgive me.

[19:24] Himuro

I wonder if he'll be happy.

[19:26] Inukai

Yukimura-senpai?

[19:28] Inukai

He left a minute ago.

[19:30] Inukai

He said he was going to the ocean,
so... he's probably outside....

[19:34] Inukai

Himuro-senpai!

[19:36] Himuro

Will we be able to go back to normal?

[19:37] Himuro

Researching together...

[19:39] Himuro

Doing experiments...

[19:54] Himuro

*Whether this feeling is "love" or not
still hasn't been decided, but...*

[19:59] Himuro

*if it's allowed for someone like me,
someone who was always alone, then...*

[20:12] Yukimura

Himuro?

[20:22] Himuro

Here. This's for you.

[20:24] Yukimura

What is it?

[20:27] Himuro

Open it.

[20:28] Himuro

That's... how I truly feel about you...

[20:41] Himuro

Wait...

[20:42] Himuro

It's not supposed to be...

[20:48] Himuro

Please, forget this happened...

[20:54] Himuro

Why?

[20:55] Himuro

Why is it broken?

[20:57] Himuro

When?

[20:58] Himuro

Was it when I fell?

[21:00] Himuro

*Why doesn't anything on
this trip work out right?*

[21:05] Himuro

Because it wasn't possible?

[21:07] Himuro

*For someone like me,
who always pushed others away,*

[21:11] Himuro

*to do something like this,
after all this time...*

[21:18] Himuro

Do not confuse causation and correlation.

[21:21] Himuro

I am a science-type.

[21:23] Himuro

Calm down.

[21:24] Himuro

Think about it logically.

[21:27] Himuro

Correct your physical appearance.

[21:29] Himuro

Look ahead.

[21:31] Himuro

Always boldly beautiful...

[21:34] Himuro

Dignified... I have to be...

You're as cute as always today, Aika...

[21:48] Inukai

Oh, welcome back.

[21:50] Inukai

Himuro-senpai stopped by a minute ago...

[21:53] Yukimura

I know.

[21:55] Inukai

What happened?

[21:59] Yukimura

I will now commence
reconciliation with Himuro,

meticulously and completely.
