**[00:05] Kids**

Bye!

**[00:06] Kids**

See you tomorrow!

**[00:09] Ren**

Subaru!

**[00:11] Subaru**

Hey! Find him?

**[00:13] Itsuki**

Nope.

**[00:15] Itsuki**

Nobody's seen Haruma.

**[00:17] Subaru**

Me, neither.

**[00:19] Subaru**

I'm actually in worse shape  
than when I started.

**[00:20] Tsubasa**

What?

**[00:22] Subaru**

I got separated from Light,  
and now I can't find him.

**[00:26] Ren**

Did something happen to him?

**[00:30] Subaru**

I've got a bad feeling...

**[00:40] Haruma**

Now, come on!

**[00:42] Haruma**

If you don't get to work,  
your turn will end.

**[00:47] Light**

Right.

**[00:50] Light**

I know.

**SIGN** Episode 14

**SIGN** What You Lack Is Inevitability!

**[02:23] Haruna**

What You Lack Is Inevitability!

**[02:27] Light**

My turn!

**[02:28] Light**

Draw!

**[02:33] Dragnir**

You okay, Light?

**[02:35] Light**

Yeah. No problems yet.

**[02:37] Dragnir**

But you're not acting  
quite like yourself...

**[02:42] Light**

I'm just fired up. That's all.

**[02:44] Light**

I'm counting on you, Dragnir!

**[02:48] Haruna**

Knuckle Dragon Dragnir?

**[02:50] Light**

Yes! My trustworthy partner!

**[02:54] Light**

His effect adds a Drago Weapon  
to my hand!

**[02:59] Light**

I play a Drago Weapon  
and Maelstrom Dragon!

**[03:07] Light**

Drago Weapon's effect activates!

**[03:10] Light**

When an unarmed follower  
enters play on my side,

**[03:13] Light**

the Drago Weapon is destroyed  
and the follower becomes armed!

**[03:19] Haruna**

So it gets 1 more defense  
and a new ability, huh?

**[03:23] Light**

And then I evolve Dragnir!

**[03:25] Light**

His evolve effect triggers  
and does 1 damage to an enemy follower,

**[03:30] Light**

or 3 damage if I have

an armed follower in play!

**[03:36] Light**

I'm not finished yet!

**[03:37] Light**

I attack with my evolved Dragnir and my Armed Maelstrom Dragon, which has Storm!

**[03:47] Light**

I'm sorry, Dragnir!

**[03:49] Dragnir**

Dora!

**[03:52] Light**

Okay, now—

**[03:53] Haruna**

You're safe, you think?

**[03:54] Haruna**

Nope. You're wrong.

**[03:58] Haruna**

Shadow Reaper's effect activates!

**[04:02] Haruna**

Each time one of my followers is destroyed,

**[04:04] Haruna**

it gets 1 additional attack and defense!

**[04:08] Haruna**

And at the end of my opponent's turn, it loses Ambush.

**[04:14] Haruna**

Shadowcraft gets stronger when its followers die.

**[04:18] Haruna**

Death only makes me stronger!

**[04:22] Haruna**

My turn! Draw!

**[04:25] Haruna**

I play Lesser Mummy!

**[04:28] Light**

That's...

**[04:29] Haruna**

Necromancy.

You've seen it at least, right?

**[04:32] Light**

An effect that destroys cards in your graveyard equal to its number, right?

**[04:36] Haruna**

Yup!

**[04:38] Haruna**

And it's got Necromancy 4, which gives it Storm!

**[04:46] Light**

So it can immediately attack my leader?

**[04:50] Haruna**

Take this!

**[04:52] Haruna**

Lesser Mummy attacks your leader!

**[04:59] Light**

You're not attacking with Shadow Reaper?

**[05:02] Haruna**

You're such a newbie.

Such a fool.

**SIGN** Spell Card: Soul Conversion!

**SIGN** I destroy one of my followers to draw two cards.

**SIGN** And then Shadow Reaper's effect activates!

**SIGN** Each time one of my followers is destroyed,

**SIGN** it gets 1 additional attack and defense!

**[05:24] Light**

You used a combo?

**[05:25] Haruna**

Putting together cards  
to maximize their effect.

**[05:29] Haruna**

That's a basic skill in Shadowverse.

**[05:31] Haruna**

I evolve Shadow Reaper...

**[05:35] Haruna**

and attack your leader!

**[05:42] Haruna**

And then I play a new Shadow Reaper!

**[05:53] Haruna**

Hey, I'm starting  
to like the look on your face.

**[05:56] Haruna**

That's right. Suffer!

**[06:00] Light**

Why, Haruma?

**[06:01] Light**

Why are you saying this?

**[06:06] Light**

My turn. Draw!

**[06:09] Light**

I play the spell card Dragon Smash!

**[06:13] Light**

It does 3 damage to an enemy follower!

**[06:20] Light**

And then I play a Drago Weapon!

**[06:24] Light**

And then I play Dragon Warrior!

**[06:28] Haruna**

Good draw!

**[06:29] Light**

Drago Weapon's effect arms Dragon Warrior!

**[06:35] Light**

Armed Dragon Warrior can evolve without using EP!

**[06:39] Light**

Evolve!

**[06:49] Light**

Its evolve effect does 3 damage to an enemy follower!

**[06:54] Light**

And then does 1 damage to all followers!

**[07:00] Haruna**

Way to turn it around.

**[07:02] Haruna**

You've got my praise.

**[07:04] Haruna**

But...

**[07:05] Haruna**

You're only prolonging your suffering!

**[07:11] Light**

Is making people suffer your Shadowverse, Haruma?

**[07:16] Light**

Is that how you really feel?

**[07:19] Haruna**

Let me ask you, then.

**[07:21] Haruna**

Is that how you play?

**[07:23] Light**

What?

**[07:24] Haruna**

Constantly running your mouth...

**[07:27] Haruna**

It's so ridiculous I have to laugh!

**[07:32] Haruna**

Shadowverse is strength versus strength. Card versus card.

**[07:37] Haruna**

Nothing else. Nothing more.

**[07:42] Light**

That follower...

**[07:43] Haruna**

Urd.

**[07:46] Haruna**

She destroys one follower on the field,

**[07:51] Haruna**

and creates a follower with the same name  
on her owner's side.

**[07:56] Light**

But why?

**[07:58] Haruna**

Idiot! Look carefully!

**[08:01] Light**

My armed Dragon Warrior...

**[08:04] Haruna**

Yes. Urd's effect returns it  
to its unevolved state.

**[08:15] Haruna**

Shadowverse means mastering every card.

**[08:19] Haruna**

Understand?

**[08:22] Haruna**

And then I play Skull Predator.

**[08:25] Haruna**

Its effect adds a Skeleton to my hand.

**[08:30] Haruna**

Listen up.

**[08:32] Haruna**

All that crap about feelings and stuff?

**[08:35] Haruna**

You don't need that in Shadowverse!

**[08:38] Haruna**

You win or you lose.

That's all.

**[08:40] Haruna**

That's all there is to Shadowverse!

**[08:43] Light**

I see.

So that's how you think.

**[08:46] Haruna**

It's not how I think.

It's truth.

**[08:49] Haruna**

Everything else is an illusion.

**[08:51] Haruna**

If you think otherwise,  
prove it to me.

**[08:54] Haruna**

Not with words,

but with Shadowverse!

**[09:03] Light**

My turn! Draw!

**[09:07] Light**

This isn't...

**[09:09] Light**

No, it's not over yet!

**[09:11] Light**

I play Luxfang Kit!

**[09:14] Light**

And then I play the spell card Dragonic Armor!

**[09:18] Light**

It arms 1 unarmed dragon follower!

**[09:24] Light**

I evolve Armed Kit!

**[09:32] Light**

Attack Urd!

**[09:35] Haruna**

Hit back!

**[09:44] Haruna**

And? What now?

**[09:47] Light**

Armed Kit's on-attack effect  
gives me two cards!

**[09:51] Haruna**

Nice. I love how desperate you are.

**[09:55] Haruna**

Draw the cards!

**[09:56] Haruna**

Show me you can beat me  
at luck, at least!

**[10:01] Light**

*Draw!*

**[10:03] Light**

And now I play Hammer Dragonewt!

**[10:06] Light**

Its Overflow effect activates!

**[10:09] Light**

I add a Dragon Smash to my hand,  
and its cost becomes 0!

**[10:16] Haruna**

What will you do with that?

**[10:18] Haruna**

Come on.

You've still got Play Points, right?

**[10:22] Light**

*What do I do?*

**[10:27] Light**

I play the spell card Dragon Emissary!

**[10:31] Haruna**

You add a card with a cost greater than 5 from your deck to your hand

**[10:35] Haruna**

and decrease its cost by 1?

**[10:38] Haruna**

What will you draw with it?

**[10:41] Light**

What else?

**[10:42] Light**

My best card!

**[10:49] Light**

Okay! I end my turn!

**SIGN** Haruma Hazeura

**SIGN** Class: Shadowcraft

Birthday 8/8

Likes: Lollipops

**[10:59] [SONG] Onscreen**

Armed Kit

**[11:06] Light**

Okay! I end my turn!

**[11:09] Haruna**

Looks like you've got decent luck.

**[11:12] Haruna**

But you know... Luck is meaningless in the face of true strength!

**[11:16] Haruna**

My turn! Draw!

**[11:20] Haruna**

First, Skull Predator's effect activates!

**[11:29] Haruna**

And at the start of my turn,

**[11:31] Haruna**

I discard the Skeleton in my hand and draw a card!

**[11:36] Haruna**

I play Skull Beast!

**[11:39] Haruna**

And then I play the spell card Death's Breath to create three Zombies!

**[11:44] Light**

Three followers, this quickly?

**[11:46] Haruna**

That's not all!

**[11:48] Haruna**

Death's Breath's Necromancy effect activates!

**[11:51] Haruna**

Necromancy 6! Each Zombie's defense increases by 1, and they get Ward!

**[11:56] Light**

What?

**[11:58] Haruna**

Skull Predator attacks Hammer Dragonewt!

**[12:02] Light**

Hammer Dragonewt's Last Words activate and add a Dragon Smash to my hand!

**[12:09] Haruna**

Useless!

**[12:10] Haruna**

There's too much of a difference between you and me!

**[12:13] Haruna**

A difference in skill!

**[12:14] Haruna**

You actually know that, don't you?

**[12:17] Haruna**

That you can't beat me.

**[12:21] Haruna**

What you're thinking shows on your face.

**[12:24] Haruna**

I end my turn!

**[12:27] Light**

Draw!

**[12:28] Light**

It's not certain whether I'll win or lose yet!

**[12:31] Light**

Not yet!

**[12:32] Light**

I still have my best card!

**[12:35] Light**

The dragon's blade guides me to heaven!

**[12:42] Light**

How! Laevateinn Dragon!

**[12:52] Light**

Laevateinn Dragon has Rush!

**[12:55] Light**

I attack a Zombie!

**[12:59] Light**

And then its on-attack effect triggers!

**[13:04] Light**

It restores 2 PP,

**[13:07] Light**

and if I don't have a Drago Weapon in play,

**[13:09] Light**

it creates one!

**[13:11] Light**

Then I play Roc!

**[13:14] Light**

The Drago Weapon arms it!

**[13:18] Light**

Armed Roc has Storm!

**[13:22] Light**

I attack a Zombie!

**[13:24] Light**

And then Armed Roc's on-attack effect triggers  
and does 2 damage to the enemy leader!

**[13:32] Light**

And then I play my 0-cost Dragon Smash!

**[13:37] Light**

It does 3 damage  
to an enemy follower...

**[13:43] Light**

and creates a Drago Weapon!

**[13:46] Haruna**

Hey now, are you sure  
you should use all those cards?

**[13:53] Light**

And lastly,  
I play Maelstrom Dragon and arm it!

**[13:57] Light**

Armed Maelstrom Dragon has Storm  
and attacks Skull Beast!

**[14:15] Light**

I end my turn.

**[14:17] Haruna**

You're so wimpy, I'm not even yawning.

**[14:20] Haruna**

Winning is what Shadowverse is all about!

**[14:25] Haruna**

And if you're not serious about winning,

**[14:28] Haruna**

disappear into the abyss!

**[14:33] Haruna**

Come forth, great scythe,  
and slice it all in half!

**[14:36] Haruna**

Manifest! Deathscythe Hound!

**[14:50] Light**

This is Haruma's...

**[14:52] Haruna**

Deathscythe Hound's effect activates!

**[14:57] Haruna**

All followers in play  
with 1 defense are destroyed!

**[15:10] Haruna**

My destroyed Bone Chimera's Last Words activate  
and create two Skeletons!

**[15:16] Light**

What power!

**[15:18] Light**

And...

**[15:19] Haruna**

Deathscythe Hound has Ambush.

**[15:22] Haruna**

Well, it's true power  
is even greater, though.

**[15:26] Haruna**

I end my turn.

**[15:28] Haruna**

Now, it's your turn!

**[15:31] Light**

My turn! Draw!

**[15:34] Light**

First, I play Imprisoned Dragon!  
It has Ward!

**[15:39] Light**

And then Dragon Smash!

**[15:42] Light**

I do 3 damage to your Skeleton  
and creates a Drago Weapon!

**[15:48] Light**

And then, Lance Lizard!

**[15:50] Light**

Lance Lizard has Rush!

**[15:53] Light**

I attack the other Skeleton!

**[15:56] Light**

Its on-attack effect triggers!

**[15:59] Light**

When I have a Drago Weapon in play,

**[16:01] Light**

its defense increases by 2,  
and it does 2 damage to the enemy leader!

**[16:10] Light**

And then I use Laevateinn Dragon  
to attack your leader!

**[16:45] Haruna**

Your hand is empty.

**[16:47] Haruna**

End your turn!

**[16:53] Light**

Haruma...

**[16:54] Light**

I want to understand you!  
Understand your Shadowverse!

**[17:00] Haruna**

Impossible.

**[17:01] Haruna**

You're not up for it.

**[17:03] Haruna**

Someone like you...  
as weak as you...

**[17:07] Haruna**

could never understand a thing!

**[17:11] Haruna**

I'll tell you one last thing,  
before the end.

**[17:14] Haruna**

Shadowverse is a game  
of both chance and inevitability.

**[17:17] Haruna**

One alone isn't enough to win.

**[17:20] Haruna**

What you lack is inevitability!

**[17:28] Light**

This is...

**[17:30] Haruna**

Deathscythe Hound's  
first Necromancy effect activates!

**[17:35] Haruna**

At the start of my turn,  
it evolves with Necromancy 10!

**[17:52] Haruna**

Now, I'll end this!

**SIGN** Spell Card: Call of the Void!

**[18:06] Light**

My Ward!

**[18:08] Haruna**

And then, Amulet Card: Midnight Haunt!

**[18:15] Haruna**

I increase my graveyard count by 13!

**[18:19] Haruna**

I'll finish this.

**[18:21] Haruna**

Rip him apart, Deathscythe Hound!

**[18:30] Light**

Not yet...

**[18:32] Light**

I still have defense.

**[18:35] Haruna**

You're so stupid.

**[18:39] Haruna**

This is Deathscythe Hound's true power.

**[18:43] Haruna**

When it attacks,  
its second Necromancy effect activates!

**[18:47] Haruna**

With Necromancy 10,  
it does 6 damage to all enemy followers,

**[18:51] Haruna**

and the enemy leader as well!

**[19:34] Haruna**

Wimp.

You shouldn't be playing Shadowverse.

**[19:38] Light**

Why are you saying that?

**[19:41] Haruna**

'Cause you're weak.

So weak you can't even beat me!

**[19:47] Haruna**

Quit Shadowverse.

**[19:58] Light**

Dragnir...

**[20:03] Haruna**

Cards are for playing.

**[20:05] Haruna**

Not for protecting yourself.

**[20:08] Light**

W-Wait, Haruma!

**[20:11] Dragnir**

Y-You okay?

**[20:13] Light**

Sorry... Thanks...

**[20:15] Dragnir**

Light, why didn't you call the others?

**[20:19] Light**

Because he... Haruma...

**[20:23] Light**

I thought I had  
to handle him myself.

**[20:29] Light**

I'm sorry for the trouble  
I caused, Dragnir!

**[20:32] Dragnir**

It's no trouble at all!

**[20:34] Dragnir**

I'm your partner!

**[20:35] Dragnir**

We'll always battle together!

**[20:39] Light**

Yeah, that's right.

**[20:41] Dragnir**

Yeah!

**[20:46] Light**

Haruma Hazeura was a terrifying foe.

**[20:50] Light**

If I'm going to understand him,  
I need to get stronger!

**[21:00] (Flashback) Light**

I want to understand you!  
Understand your Shadowverse!

**[21:15] Haruna**

You're always such a nasty jerk, Mikado.

**[21:20] Mikado**

Am I?

**[21:22] Haruna**

What do you want?

**[21:24] Mikado**

I came to praise you  
for your hard work.

**[21:28] Haruna**

You really make me mad.

**[21:32] Mikado**

So, I'm thinking  
of something interesting.

**[21:36] Mikado**

I'll message you the details later!

**[21:38] Haruna**

Everybody just makes me so mad.

**[21:42] Haruna**

Strength.

**[21:44] Haruna**

If I only had more strength...
