[00:04] Light

I play the spell card Dragon Smash!

[00:08] Andrea

Its Last Words increase
my graveyard by one.

[00:12] Light

Dragon Smash's second effect activates
and creates a Drago Weapon!

[00:17] Light

I play Fastblade Dragonewt!

[00:20] Light

Fastblade Dragonewt's effect activates!

[00:23] Light

If I have at least 1 EP and
a Drago Weapon in play, it evolves!

[00:31] Light

Fastblade Dragonewt
attacks Deadsoul Sniper!

[00:35] Andrea

Deadsoul Sniper counters—

[00:37] Light

No, it can't!

[00:39] Light

Fastblade Dragonewt's
on-attack effect activates!

[00:42] Light

When attacking an enemy follower

[00:45] Light

and before damage is dealt, it deals damage
equal to its attack to the enemy follower!

[00:49] Andrea

Its Last Words increase my graveyard by 1.

[00:53] Light

Well, Ms. Andrea?

[00:56] Andrea

Well, you've graduated
from being a beginner.

SIGN Episode 25

SIGN So This Is Your True Form?

[01:02] Light

"So This Is Your True Form?"

[01:05] Andrea

My turn. Draw.

[01:09] Andrea

I play Rambling Undead.

[01:12] Andrea

Spell Card: Call of the Void.

[01:18] Andrea

I destroy one enemy follower.

[01:27] Andrea

And then with Necromancy 4,
it creates a Lich.

[01:33] Andrea

I end my turn.

[01:36] Light

My turn, then! Draw!

[01:39] Light

Spell Card: Dragon Emissary!

[01:42] Light

I add a card with cost 5
or greater to my hand

[01:46] Light

and reduce its cost by 1!

[01:50] Light

So you came for me, Laevateinn Dragon!

[01:53] Light

With my Drago Weapons in play...

[01:58] Light

Rambling Undead.

I'm worried about that follower.

[02:02] Andrea

You're cautious?

[02:04] Andrea

You're right to be.

[02:06] Andrea

Rambling Undead can destroy a randomly
chosen follower with its Last Words.

[02:12] Light

I see.

[02:13] Andrea

It is important to watch out for Last Words
when fighting a Shadowcraft deck.

[02:17] Andrea

Well done.

[02:20] Light

Thank you!

[02:22] Light

Then I'll play this instead!

Hammer Dragonewt!

[02:29] Light

Hammer Dragonewt's Overflow effect activates,

[02:32] Light

adds a Dragon Smash to my hand,

and sets its cost to 0!

[02:36] Light

I play the 0-Cost Dragon Smash!

[02:40] Light

I destroy Rambling Undead!

[02:45] Andrea

Rambling Undead's Last Words destroy

a randomly chosen enemy follower.

[02:54] Light

Hammer Dragonewt's Last Words

add a Dragon Smash to my hand,

[02:59] Light

and I play a Roc!

[03:02] Light

Drago Weapon's effect activates!

[03:05] Light

When an unarmed follower enters play,

[03:08] Light

the amulet is destroyed,

and the follower becomes armed!

[03:16] Light

An armed follower gets an

additional 1 defense and a new effect!

[03:23] Light

Armed Roc has Rush! I attack Lich!

[03:27] Light

Armed Roc's on-attack effect activates

and increases its attack by 2!

[03:32] Light

And if it attacks an enemy follower,

it does 2 damage to the enemy leader!

[03:44] Subaru

Nice! Light pulled off his armed combo!

[03:47] Ren

Now he's taken off

around half her defense!

[03:49] Gentleman

Not bad, Light Tenryu.

[03:55] Andrea

You're lucky, kids.

[03:57] Andrea

It's good not to be alone.

[03:59] Andrea

Draw!

[04:03] Andrea

The sixth angel descends upon us...

[04:18] Andrea

Reveal yourself to us,
manifestation of rebirth! Resurrection Lord!

[04:32] Light

That's... a legendary follower!

[04:35] Andrea

Resurrection Lord's effect activates.

[04:41] Andrea

It performs a Reanimate 3 with Necromancy 1.

[04:46] Andrea

And the reanimated follower gets Storm.

[04:50] Andrea

And Resurrection Lord has Ambush
until the end of the enemy's next turn.

[04:55] Andrea

Followers with Ambush can't be targeted
by effects or attacked by followers.

[05:01] Andrea

Deadsoul Sniper has Storm!
It attacks your leader!

[05:08] Andrea

Her on-attack effect does 1 additional damage.

[05:22] Andrea

I end my turn.

[05:23] Andrea

Resurrection Lord's Necromancy-4 effect
activates when it's played,

[05:28] Andrea

when my turn starts,
and when it attacks.

[05:31] Andrea

As long as I have enough cards
in my graveyard,

[05:34] Andrea

it will keep doing Reanimate 3
and giving my cards Storm.

[05:37] Andrea

It's resurrection incarnate.

[05:44] Light

I'm not done yet!

[05:46] Light

Draw!

[05:49] Light

Resurrection Lord is a powerful follower.

[05:52] Light

*But if she wants to use its Necromancy effect,
she needs four cards in her graveyard.*

[05:58] Light

*If I bring out my Laevateinn Dragon now,
I might just end up filling her graveyard.*

[06:03] Light

*And if I lose Laevateinn Dragon,
I can't win.*

[06:09] Light

Which means...

[06:10] Light

Spell Card: Draconic Fervor.

[06:18] Light

It restores my leader's defense by 3,
and I draw three cards.

[06:23] Light

I also get an additional maximum PP!

[06:27] Light

Breath of the Salamander!

[06:34] Light

It does 3 damage to Deadsoul Sniper!

[06:39] Andrea

You can use Enhance 6
to deal damage to all followers.

[06:44] Andrea

You played it normally, though.

[06:46] Light

Right, I thought it was better to use
Draconic Fervor to heal and draw.

[06:50] Andrea

Very astute.

[06:52] Andrea

And you're not playing a follower.

[06:53] Light

If you use a spell card on the follower
I play, it will build up your graveyard.

[06:58] Andrea

Astute again.

[07:00] Andrea

When playing against a Shadowcraft deck,

[07:02] Andrea

you should always keep an eye on
of the size of their graveyard.

[07:06] Andrea

You're doing your homework.

[07:07] Light

Right, someone taught me that!

[07:10] Andrea

I see.

[07:12] Light

Its Ambush ended.

[07:14] Andrea

You seem to know the basics.
Now onto something intermediate.

[07:19] Andrea

At the start of my turn,
Resurrection Lord's effect activates.

[07:24] Andrea

I use Necromancy 4 and Reanimate 3,
and give the card Storm.

[07:29] Andrea

And the Deadsoul Sniper, which now
has Storm, attacks your leader.

[07:33] Andrea

Its on-attack effect activates, too.

[07:42] Light

But you have only two cards
in your graveyard.

[07:45] Light

You can't use Resurrection Lord's effect.

[07:48] Andrea

I play Goblinmount Demon.

[07:53] Andrea

Its effect activates.

[07:58] Andrea

It does 3 damage to all my followers
when it enters play.

[08:08] Andrea

Deadsoul Sniper is destroyed,
and its Last Words activate

[08:11] Andrea

and increase my graveyard count by 1.

[08:13] Light

You can do that?

[08:15] Andrea

Shadowcraft decks are good

at filling their graveyard.

[08:20] Andrea

I play Skull Beast.

[08:22] Andrea

Then I evolve Resurrection Lord
and attack your leader!

[08:58] Andrea

Resurrection Lord's on-attack effect activates.

[09:07] Andrea

Deadsoul Sniper, which now has Storm,
attacks your leader.

[09:11] Andrea

Its on-attack effect activates, too.

[09:20] Subaru

Light!

[09:21] Ren

Light!

[09:25] Light

I'm fine.

[09:29] Light

Thank you, Ms. Andrea.

[09:32] Light

I'm learning a lot.

[09:33] Andrea

What will you do now?

[09:35] Light

Win, of course!

SIGN Andrea Rondo

SIGN Class: Shadowcraft

Birthday: Unknown

Likes: Quiet Nights

SIGN Dragontamer

[09:50] Light

She has no cards in play
with dangerous Last Words.

[09:54] Light

And her graveyard count is 1.

[09:56] Light

Now's the time to play my best card!

[10:01] Light

The dragon's blade guides me to heaven!

[10:05] Light

How! Laevateinn Dragon!

[10:10] Andrea

You were saving it, weren't you?

[10:12] Light

Yes!

[10:12] Light

Now I play Luxfang Kit and arm it!

[10:20] Andrea

You can't defeat all my followers with that.

[10:23] Light

I know!

[10:25] Light

But if I can use Laevateinn Dragon
to its fullest potential, I can win!

[10:28] Light

I'm strong enough now
to fly with you to heaven!

[10:32] Light

Now, let's go!

[10:34] Light

I evolve Laevateinn Dragon!

[10:52] Light

And then its effect activates!

[11:19] Light

So that's it...

SIGN Laevateinn Dragon Attack Mode

[12:08] Light

So this is your true form?

[12:14] Tsubasa

What is that?

[12:16] Ren

It's so cool!

[12:17] Andrea

That's not a normal evolution!

[12:19] R

Yes. It's Laevateinn Dragon's effect!

[12:22] R

If there's a Drago Weapon in play
when it evolves, it destroys the Drago Weapon,

[12:28] R

and I can choose from one
of three evolutions.

[12:34] R

This is one of its evolved forms!

[12:38] R

The dragon's power is a pair
of raging fangs!

[12:41] R

Laevateinn Dragon Attack Mode!

[12:51] R

Here I go!

[12:52] R

I attack Goblinmount Demon
with Attack Mode!

[12:55] R

Attack Mode's effect activates!

[12:58] R

If it's attacking a follower, its attack
increases by 1 and its defense by 2!

[13:07] R

And it also gets the ability
to attack twice in a turn!

[13:12] R

Now I attack Resurrection Lord!

[13:15] R

Its effect strengthens it!

[13:21] R

I'm not done yet!

[13:23] Light

Attack Mode's second effect:

[13:25] Light

While it's in play, all armed
followers are strengthened!

[13:33] Andrea

Its attack and defense went up!

[13:36] Light

That's not all! They get Rush, too!

[13:39] Light

Armed Kit attacks Deadsoul Sniper!

[13:44] Light

Armed Kit's effect activates,
and I draw two cards!

[13:49] Light

I end my turn, Ms. Andrea!

[13:53] Andrea

I suppose that explains
why you're the chosen one.

[13:56] Andrea

Draw.

[13:59] Andrea

Rambling Undead.

[14:02] Andrea

Skull Beast attacks Armed Kit.

[14:09] Andrea

And Spell Card: Death's Breath.

[14:13] Andrea

It creates three Zombies,

[14:15] Andrea

and with Necromancy 6, their defense

increases by 1 and they get Ward.

[14:21] Andrea

The ending of a Shadowverse game is the most important part.

[14:23] Andrea

Consider your next plays carefully, or else you'll lose.

[14:28] Light

All right!

[14:29] Light

I'll give you my all!

[14:32] Light

My turn! Draw!

[14:35] Light

That's Breath of the Salamander.

[14:37] Light

It does 3 damage to an enemy follower.

[14:43] Light

And if I play it with Enhance 6, it will do 2 damage to all followers!

[14:50] Light

Dragon Wings can do 1 damage to all followers, so if I use them together...

[14:56] Light

I can take out all the Zombies with Ward and Defense 3!

[15:00] Light

I can do this!

[15:02] Light

No, wait!

[15:05] Light

She has a Rambling Undead!

[15:07] Light

If I play Breath of the Salamander at Enhance 6,

[15:10] Light

it will destroy that follower, too!

[15:12] Light

And its Last Words will...

[15:19] Light

destroy Laevateinn Dragon Attack Mode!

[15:23] Light

I won't be able to wear down her defense, then.

[15:26] Light

I have 5 defense. She could easily beat me on her next turn.

[15:32] Light

Maybe I could use Draconic Fervor to heal?

[15:34] Light

*No, without a Ward card in my hand,
it would be hard to shift to defense now.*

[15:40] Light

Think!

[15:41] Light

If I want to win this battle...

[15:44] Light

I need this!

[15:46] Light

First, I play two Dragontamers!

[15:52] Light

Their Overflow effect increases the attack
and defense of one of my followers by 2!

[16:01] Light

And then I play Dragon Smash!

[16:07] Light

I do 3 damage to one Zombie
and create a Drago Weapon!

[16:12] Light

I play Breath of the Salamander
and do 3 damage to an enemy follower!

[16:19] Light

And lastly, Attack Mode!

[16:23] Light

Attack the Zombie!

[16:25] Light

Its effect increases its attack by 1
and its defense by 2!

[16:32] Light

And then...

[16:33] Light

When it attacks an enemy follower,
it gets the ability to attack twice this turn!

[16:43] Light

I attack your leader with
Laevateinn Dragon Attack Mode!

[16:49] Light

Slice through!

[17:17] Andrea

Well done.

[17:24] Andrea

Enhance activates automatically
when you have enough PP for its effect.

[17:31] Andrea

So if you had 6 or more PP,

[17:33] Andrea

your Breath of the Salamander
would've destroyed Rambling Undead.

[17:37] Andrea

You used your two Dragontamers and
Dragon Smash to use up your play points

[17:41] Andrea

before playing Breath of the Salamander,
stopping the Enhance from activating.

[17:45] Andrea

You did a good job
not messing up at the end.

[17:48] Light

Thank you! It worked out somehow!

[17:51] Light

Thank you, Ms. Andrea.

[17:54] Light

You've made me confident
I can win against a Shadowcraft deck.

[18:00] Andrea

It was a good battle.

[18:03] Andrea

But remember to complete your other
studies and not just play Shadowverse.

[18:15] Subaru

You did good, Light!

[18:16] Itsukie

I can't believe you beat a Grand Master!

[18:19] Ren

It was an amazing battle!

[18:21] Gentleman

You're a bit of a mess, though!

[18:23] Tsubasa

Don't say that.

[18:26] Light

Thank you!

[18:28] Light

I was able to play until the very end,
because you were all with me!

[18:41] Mikado

Okay, so you learned a little
about Shadowverse.

SIGN SVC Class Usage Distribution

[18:44] Mikado

If you've crossed the wall,
maybe I can play with you a little.

[18:51] Mikado

Let's see what you've got at the
Shadowverse team tournament.

[18:56] Mikado

I can't wait to find out.

[20:35] Dragnir

Mayti's voice is coming from over here!

[20:39] Dragnir

This way!

[20:41] Dragnir

That's her! I'm coming!

[20:53] Dragnir

Why did you dodge me?!

[20:58] Dragnir

Of course!

I was trying to save you!

[21:02] Dragnir

Huh? You weren't drowning?

[21:07] Dragnir

Then, what were you doing?

[21:10] Dragnir

Playing in the water?

[21:24] Dragnir

We don't have time for this.

[21:26] Dragnir

We have to bring them
what they forgot.

[21:29] Dragnir

Stop it!

[21:50] Dragnir

What do we do?

[21:51] Dragnir

Everybody's stuff...

[22:02] Dragnir

Wh-What?

[22:24] Dragnir

Garueru?

[22:35] Dragnir

What?

Did we drop this ordinary bag,

[22:39] Dragnir

or this bromide of Mikado Shirogane?

[22:44] Dragnir

The ordinary bag, obviously.

[22:47] Dragnir

What? If we pick the bromide,

[22:51] Dragnir

we'll also get bonus gold bromides of Light,
Itsuki, Subaru, Gentleman, Ren, and Tsubasa?

[23:00] Dragnir

You want the bromide?

[23:03] Dragnir

You all do?

[23:07] Dragnir

That's a problem. I'm not sure.

[23:12] Dragnir

There's more?

[23:15] Dragnir

If we get the bromides,
we can become even stronger DigiFriends?
