[00:31] Luca

It's turn 7.

[00:33] Luca

My turn.

[00:35] Luca

Let's see how long you can keep up.

[00:39] Luca

I play Oldblood King.

[00:41] Itsuki

That follower...

[00:43] Luca

It has Ambush.

[00:44] Luca

Followers with Ambush can't be
attacked or targeted with effects.

[00:48] Luca

Next, I play the spell card Summon Bloodkin,

[00:52] Luca

which summons two Forest Bats.

[00:55] Luca

Then, Oldblood King's effect activates.

[00:59] Luca

Each time a Forest Bat enters play,

[01:01] Luca

its attack is increased by 1 until
the end of the turn and it gets Storm.

[01:05] Luca

I attack with both Forest Bats.

[01:09] Itsuki

Strike back!

[01:15] Luca

I end my turn.

[01:16] Luca

Now, show me what you've got,
Itsuki Mitsutagawa.

[01:20] Itsuki

Right. My turn. Draw!

[01:24] Itsuki

*As long as Oldblood King is in play,
his Forest Bats will keep getting Storm.*

[01:31] Itsuki

But Luca's in Vengeance.

[01:33] Itsuki

*So I'll focus on targeting his leader,
instead of Oldblood King.*

[01:40] Itsuki

I play the spell card Thorn Burst,
dealing 3 damage to your leader.

[01:48] Itsuki

And I'm not done yet!

[01:49] Itsuki

I play Gazania Fox and Elf Girl Liza.

[01:53] Itsuki

Liza's effect means all my followers
no longer take damage from effects.

[01:58] Itsuki

And then, Gazania Fox's effect activates!

[02:02] Itsuki

Once per turn, when a follower
costing 2 or less enters play,

[02:06] Itsuki

I return that follower to my hand.

[02:09] Itsuki

Then, Gazania Fox's second effect triggers.

[02:12] Itsuki

When another of my
followers returns to my hand,

[02:15] Itsuki

once per turn, its attack and defense
increase by 1 and it gains Ambush.

[02:23] Mikado

A good play.

[02:25] Mikado

Ambush followers are hard to deal with,

[02:28] Mikado

meaning it's easier for it to
attack next turn. With this...

[02:31] Luca

With this, he might be able to
knock my defense down to zero?

[02:37] Luca

Don't underestimate Bloodcraft.

[02:42] Luca

On the night of vengeance,
darkness is eternal.

[02:46] Luca

I play Raven, Eventide Vampire.

[02:49] Luca

If I'm in Vengeance,
I can choose which version I play.

[02:52] Luca

I choose Raven, Noontide Vampire.

[02:55] Luca

Its effect activates,
summoning a Forest Bat.

[02:59] Luca

Then, its second effect triggers, restoring 1 to
my defense each time a Forest Bat enters play.

[03:06] Luca

And Oldblood King increases Forest Bat's
attack by 1, and gives it Storm.

[03:12] Luca

I play a Duskshade Bat
with Ward and Last Words.

[03:17] Luca

Duskshade Bat's effect gives it
Bane if I'm in Vengeance.

[03:22] Luca

I play the spell card Precious Bloodfangs.

[03:24] Luca

It does 1 damage to my leader
for every follower you have in play,

[03:29] Luca

then summons the same number of Forest Bats.

[03:32] Luca

Then, the effect I received
from Jormungand activates.

[03:36] Luca

When my leader takes damage during my turn,

[03:40] Luca

it does 3 damage to your leader
and all of your followers.

[03:48] Luca

Gazania Fox doesn't take damage
due to Liza's effect.

[03:52] Luca

Raven's effect activates,

[03:54] Luca

restoring 1 to my leader's defense
for each Forest Bat that enters play.

[03:58] Itsuki

Incredible. So this is how
Luca plays when he's serious.

[04:02] Luca

You still haven't made me play seriously.

[04:06] Luca

Two Forest Bats attack your leader.

[04:10] Luca

I end my turn.

[04:12] Itsuki

Your expectations are a heavy burden.

[04:16] Itsuki

Luca, can I ask you something?

[04:19] Luca

Go ahead.

[04:20] Itsuki

Why do you expect so much from me?
Because I'm the president of Seventh Flame?

[04:26] Itsuki

Is that really all?

[04:29] Luca

Well...

[04:32] (Flashback) Wolfram

I've turned off the cameras
to give us some privacy.

[04:35] Luca

I guess I can tell you.

[04:37] Luca

I have two reasons.

[04:39] Luca

The first is a personal one. The second is
part of my job as one of the Seven Shadows.

[04:45] Luca

I've already told you the first.

[04:47] Luca

I want to create a place for him...
for Hiro Ryugasaki.

[04:55] Luca

A place where he can fight
with his true strength.

[05:01] Luca

And I need strong players for that.

[05:04] Luca

Ones who can surpass the
World Ranking, surpass me,

[05:07] Luca

and become the strongest of them all.

[05:10] Luca

That's the first reason.

[05:14] Luca

And the second is...

[05:17] Luca

the Arc.

[05:20] Luca

The Arc is too much for just
the Seven Shadows to handle.

[05:24] Luca

The only thing connecting the Seven Shadows
is our prowess at Shadowverse.

[05:29] Luca

But that's not enough.

[05:31] Luca

When danger strikes,
what's needed isn't strength.

[05:36] Luca

Though I can't have someone
who's too weak, obviously.

[05:40] Luca

I'm not interested in any player
who'd lose to me and simply disappear.

[05:45] Luca

They can go back where they came from.

[05:48] Luca

In your case, your clubroom.

[05:49] Luca

And in yours, the throne of
your own self-righteousness.

[05:54] Luca

That may sound cruel, but this is
no longer a place for children to play.

[05:58] Luca

There's no room for those who lack resolve.

[06:06] Mikado

Resolve?

[06:09] Itsuki

You're very harsh, Luca.

[06:12] Itsuki

But I also feel an equal amount
of gentleness within you.

[06:16] Luca

You do?

[06:17] Itsuki

Yes.

[06:19] Itsuki

Because your smile is kind.

[06:24] Itsuki

And that's why I want to beat you!

Jormungand

[06:40] Itsuki

First, I play Elf Child May.

[06:43] Itsuki

Her effect does 1 damage
to a random enemy follower.

[06:48] Itsuki

And then, Gazania Fox's effect activates.

[06:52] Itsuki

When a follower costing
2 or less enters play,

[06:54] Itsuki

once per turn, that follower returns to my hand,

and its own attack and defense are raised by 1.

[07:00] Luca

And?

[07:01] Itsuki

And then...

[07:08] Itsuki

Yeah, you're right, Slade.

[07:11] Itsuki

I play Slade, Blossoming Wolf!

[07:14] Itsuki

Slade's effect activates.

[07:16] Itsuki

It lowers the cost of a Forestcraft follower with a cost of 5 or greater by 2,

[07:21] Itsuki

and gives it Ambush.

[07:23] Itsuki

Evolve, Slade!

[07:27] Itsuki

If I've returned three or more cards to my hand during this battle,

[07:32] Itsuki

it reduces the attacks and defenses of all enemy followers to 1!

[07:37] Itsuki

Next, I play Blossoming Twinfangs!

[07:40] Itsuki

I return a follower or an amulet card to my hand and choose a card to play.

[07:47] Itsuki

And if that card's cost is 2 or more, it does 1 damage to all enemy followers!

[07:57] Itsuki

You've lost your Ward.

[07:59] Itsuki

Gazania Fox attacks your leader!

[08:10] Itsuki

Now, Luca's defense is down to 4.

[08:20] Luca

Duskshade Bat's Last Words restores my leader's defense by 3,

[08:25] Luca

and if I'm in Vengeance, I draw a card.

[08:28] Itsuki

I should've expected nothing less. But my turn's not over yet!

[08:34] Itsuki

Pure white fangs, dance!

[08:41] Itsuki

It's all up to you now! Cosmos Fang!

[08:44] Luca

You've finally played your best card.

[08:46] Itsuki

I end my turn,
and Cosmos Fang's effect activates.

[08:51] Itsuki

I return a follower to my hand and
restore my leader's defense by its cost.

[08:59] Itsuki

This is how I play when I'm serious, Luca.

[09:02] Luca

I see. You've surprised me a little again.

[09:05] Luca

You used Slade to clear the board,
then gave Cosmos Fang Ambush.

[09:10] Luca

And on the next turn, the untargetable
Cosmos Fang will do massive damage.

[09:15] Luca

A wonderful combo.

[09:17] Luca

But I already know about it.

[09:19] Luca

I want to see what lies beyond.

[09:22] Luca

Show me what lies beyond that!

[09:26] Luca

Vermilion Killer!

[09:28] Luca

Vermilion Killer's effect activates.

[09:31] Luca

If I'm in Vengeance, I recover 4 PP.

[09:35] Luca

Then, I play Emeraldalda, Demonic Officer.

[09:40] Mikado

Emeraldalda?

[09:41] Mikado

*Emeraldalda destroys one enemy follower,
and if you're in Vengeance, she gets Storm.*

[09:46] Mikado

*But Cosmos Fang has
Ambush and is untargetable.*

[09:52] Mikado

It can only destroy Gazania Fox.

[09:54] Mikado

*But he can still evolve Cosmos Fang
in the next turn and win.*

[09:59] Mikado

W-Wait, I get it now!

[10:02] Luca

Vermilion Killer's
second effect activates.

[10:06] Luca

When a follower with
a targeting effect enters play,

[10:09] Luca

all enemy followers
are hit with its effect.

[10:12] Luca

Ambush simply means an effect can't
target you. It can still affect you.

[10:17] Luca

Emeralda's effect activates
and is strengthened by Vermilion Killer.

[10:21] Luca

All enemy followers are destroyed!

[10:28] Itsuki

Cosmos Fang!

[10:37] Luca

I play a Spiderweb Imp with Ward.

[10:39] Luca

Well, now. I've easily
destroyed your best card.

[10:43] Luca

And I haven't played mine.

[10:45] Luca

What will you do?
No, I won't even bother to ask.

[10:48] Luca

Stand, Itsuki Mitsutagawa!

[10:50] Luca

I know you can!

[10:52] Mikado

It's impossible. He's too strong.

[10:55] Mikado

Beating him is impossible.

[11:06] Mikado

How can you still stand?

[11:11] Mikado

How can you...

[11:24] Itsuki

Chairman Shirogane? Why?

[11:29] Mikado

I don't know.

[11:31] Mikado

My body...

[11:38] Mikado

My body just moved on its own.

[11:42] Mikado

You still have defense left.

[11:45] Mikado

Continue your battle.

[11:49] Itsuki

Thank you.

[11:55] Mikado

I don't understand.

[11:59] Mikado

How can you stop yourselves from giving up?

[12:06] Itsuki

I'm sorry. I couldn't stand up on my own.

[12:10] Itsuki

I'm ashamed.

[12:12] Luca

It's fine. That's who you are, right?

[12:15] Itsuki

Yup.

[12:16] Itsuki

My weakness and my strength...

[12:18] Itsuki

Both make me who I am!

[12:24] Itsuki

Windflower Tiger's Enhance effect triggers,
summoning a Salvia Panther.

[12:31] Itsuki

And when Salvia Panther is in play,

[12:34] Itsuki

Windflower Tiger's defense increases by 2,

[12:37] Itsuki

and it can no longer be
targeted by enemy effects.

[12:39] Itsuki

Slade, evolve!

[12:42] Itsuki

Its on-evolve effect triggers!

[12:49] Itsuki

Slade attacks Spiderweb Imp.

[12:53] Itsuki

And Salvia Panther

attacks Vermilion Killer.

[12:55] Itsuki

Salvia Panther's Last Words activate.

[12:58] Itsuki

If Windflower Tiger is in play,
it summons a Salvia Panther without Rush.

[13:04] Itsuki

And I'm not done. Elf Child May!

[13:10] Itsuki

And then, I play Elf Girl Liza.

[13:13] Itsuki

Its effect activates, and my followers
no longer take damage from effects.

[13:19] Itsuki

I end my turn, Luca.

[13:21] Luca

So your next move was to clear my board
while filling your own with followers.

[13:27] Luca

And you used Liza to make
them harder to destroy?

[13:30] Luca

You used Gazania Fox to return Slade and
Liza to your hand so you could do this, right?

[13:35] Itsuki

Yes. I thought even Cosmos Fang might not
work on you, so I came up with a backup plan.

[13:43] Luca

I see. That's a problem.

[13:48] Luca

It really is a problem. Because, you see...

[13:54] Luca

Well...

[13:56] Luca

You're getting my blood boiling!

[14:01] Luca

Splendid, Itsuki.

[14:03] Luca

But even now...

[14:05] Luca

you can't say you've surpassed your limits!

[14:11] Luca

Show me what you can do
beyond simply being yourself!

[14:17] Itsuki

Dark Emperor!

[14:19] Luca

Dark Emperor's Vengeance effect triggers,
destroying two enemy followers!

[14:26] Itsuki

Slade!

[14:27] Luca

Dark Emperor, evolve.

[14:40] Luca

Spell Card: Blood Drinker's Brand.

[14:42] Luca

It does 4 damage to one of my followers,
and if it's a Bloodcraft follower, it gets Drain.

[14:48] Luca

Dark Emperor cannot be damaged
by effects, so it only gets Drain.

[14:52] Luca

And then, the Vengeance effect
of Blood Drinker's Brand activates.

[14:56] Luca

I recover 2 PP, then play a Spiderweb Imp,

[15:00] Luca

and attack Windflower Tiger
with Dark Emperor!

[15:08] Luca

Drain restores defense to
my leader equivalent to its attack.

[15:13] Luca

And I end my turn.

[15:15] Mikado

No... He did it so easily.

[15:21] Mikado

You...

[15:22] Mikado

You still think you can win?

[15:25] Itsuki

I don't know.

[15:28] Itsuki

I gave it everything my
Shadowverse had in that last turn.

[15:32] Itsuki

So maybe there's nothing else I can do.

[15:35] Itsuki

But even so, I'll keep moving forward.

[15:38] Itsuki

I want to see how Luca plays when
he's serious. I want to win this battle.

[15:42] Itsuki

And...

[15:45] Itsuki

I have to do my best,
because you were here to help me up!

[15:54] Itsuki

Here I go, Luca.

[15:56] Itsuki

This is what lies beyond my limits!

[16:01] Itsuki

I've got it!

[16:03] Itsuki

I play Rose Deer!

[16:09] Itsuki

Its effect adds a Thorn Burst to my hand,

[16:14] Itsuki

and I attack Spiderweb Imp
with Liza and Rose Deer!

[16:19] Luca

And then?

[16:20] Itsuki

Rose Deer's second effect activates,

[16:23] Itsuki

adding two random
1-cost followers to my hand,

[16:27] Itsuki

and recovering 2 PP.

[16:29] Itsuki

Okay! Gerbera Bear!

[16:33] Itsuki

It adds a Floral Breeze to my hand.

[16:36] Itsuki

Floral Breeze!

[16:40] Itsuki

Gerbera Bear is returned to my hand
and my defense is restored by 1.

[16:45] Itsuki

Salvia Panther attacks your leader!

[16:50] Luca

Wonderful, Itsuki Mitsutagawa!

[16:53] Itsuki

I'm not done yet.

[16:54] Itsuki

Spell Card: Floral Breeze.

[16:57] Itsuki

I return Liza to my hand,
and my defense is restored by 1.

[17:02] Itsuki

And lastly, I play Elf Guard and Elf Girl Liza!

[17:11] Itsuki

I end my turn.

[17:13] Luca

An excellent move. You've pinned your hopes on your next turn, huh?

[17:16] Itsuki

Yes. After all, you have 11 defense.

[17:20] Itsuki

If even a single follower survives,

[17:23] Itsuki

I can use Gerbera Bear to set my EP to 1, then evolve it.

[17:27] Itsuki

And if I use Elf Song to enhance it...

[17:29] Itsuki

I can still win.

[17:32] Itsuki

I can still surpass your expectations!

[17:39] Luca

This really...

[17:41] Luca

This really makes my blood boil.

[17:43] Luca

Yes, I'm admitting that to you!

[17:46] Luca

And I'll admit it to myself!

[17:51] Luca

You've made me play for real!

[17:54] Luca

Try to withstand this, Itsuki! This is...

[17:57] Luca

This is Luca Yonazuki!

[18:01] Luca

Blood Pact.

[18:02] Luca

It does 2 damage to my leader and I draw two cards!

[18:09] Itsuki

Vengeance...

[18:11] Luca

It also activates the effect I received from Jormungand,

[18:14] Luca

doing 3 damage to the enemy leader and all followers.

[18:18] Itsuki

Liza's effect is active, which means

my followers don't take damage.

[18:27] Itsuki

I still have Ward—

[18:28] Luca

Doesn't matter.

[18:30] Luca

Spell Card: Savage Hunt.

[18:34] Luca

It destroys one enemy follower.

[18:40] Luca

And I draw a card.

[18:42] Luca

This is my Shadowverse!

[18:45] Luca

Thank you, Itsuki.

[18:47] Luca

I haven't been this excited since that day.

[18:57] Itsuki

Same to you. Thank you.

[19:02] Itsuki

Dark Emperor and Razory Claw.

[19:04] Itsuki

That's 10 damage in total.

[19:06] Itsuki

I'm hitting you with everything I've got!

[19:11] Itsuki

It was fun. So much fun.

[19:30] Luca

It was a wonderful battle.

[19:32] Itsuki

Yup. Though I got stomped again.

[19:36] Luca

Nah.

[19:37] Luca

Blood Pact and Savage Hunt's effects
allowed me to draw Razory Claw.

[19:42] Luca

I'm not sure what would've
happened without it.

[19:45] Luca

I've seen your resolve.

[19:47] Itsuki

Right.

[19:54] Luca

Well, that's the seventh battle.

[19:57] Luca

You're behind, 3-4.

[20:00] Luca

One more loss and you're done.

[20:03] Luca

All of the Seven Shadows
have fought you now.

[20:06] Luca

The only ones who'd want to battle again are...

[20:10] Sign

Hiro Ryugasaki

[20:11] Luca

me and him.

[20:13] Luca

So why don't you battle me again?
If you're not afraid to, that is.

[20:20] Itsuki

I'd love to.

[20:22] Luca

Excellent. Then...

[20:24] Itsuki

But it won't be me who battles you.

[20:28] Itsuki

It'll be...

[20:31] Itsuki

Right, Chairman Shirogane?

[20:35] Mikado

Why are you passing it on to me?

[20:37] Mikado

You should try and
get your revenge instead.

[20:39] Itsuki

I'd love to do that.

[20:44] Itsuki

But something's bothering you,
right, Chairman Shirogane?

[20:49] Itsuki

Maybe a battle will help you
get over whatever it is.

[20:53] Mikado

Is that why?

[20:55] Mikado

One more loss and we're finished!

[20:58] Mikado

And yet...

[20:59] Light

It's fine.

[21:04] Light

Right, Mikado?

[21:08] Mikado

Fool.

[21:13] Draconir

He's telling you to do it.

[21:29] Mikado

You're all fools.

[21:33] Subaru

You sure it's okay to
leave it to that guy, boss?

[21:37] Tsubasa

It could've been you, you know.

[21:40] Ren

You still haven't fought.

[21:43] Light

True. But right now,
Mikado needs Shadowverse.

[21:48] Light

That's what I think.

[21:50] Luca

I'm surprised.
I thought you quit Shadowverse.

[21:58] Luca

Sheesh. Sure, but...

[22:02] Luca

Don't disappoint me.

[22:07] Luca
