[00:06] Luca

You never gave me anything
less than your best.

[00:10] Luca

No matter how many times I refused and
turned you away, you never wavered.

[00:15] Luca

It's a little frustrating that
it's not me facing you right now.

[00:21] Luca

But I am the darkness that
stands beside your light.

[00:23] Luca

If it makes your smile brighter,
that's all I need to be happy.

[00:28] Luca

So show him more, Hiro.

[00:31] Luca

Show him your light. Show him who you are.

[00:34] Hina

Hmph. What a bunch of wimps.

[00:36] Andrea

It must be nice to be young.

[00:39] Wolfram

A wonderful battle.

[00:41] Wolfram

Who will prove to be the better player?

[00:44] Kaguya

Someday, I want to have a
battle like this with my brother.

[00:48] Wodin

I see, I see, I see.

[00:50] Wodin

I assumed he was hiding something,
but I wasn't expecting all this.

[00:55] Wodin

And it's not only Mister Ryugasaki
that deserves my praise.

[00:59] Wodin

Mister Yonazuki,
you're quite clever yourself.

[01:02] Wodin

You were wary of me, or perhaps of
Mister Zerga, or maybe even of Miss Sinclair,

[01:07] Wodin

and so you got Mister Ryugasaki
to hide his true power.

[01:12] Wodin

But isn't it too soon to
reveal his strength to us?

[01:19] Wodin

It is best to keep one's ace up
one's sleeve until the very end.

[01:23] Wodin

No, that's incorrect.
This is the right moment.

[01:27] Wodin

You've created a situation where all of the
Seven Shadows will focus on his battle,

[01:32] Wodin

so that we will all see for ourselves
just how powerful he is.

[01:36] Wodin

You're trying to intimidate us, aren't you?

[01:39] Wodin

This is your way of telling us
to behave ourselves.

[01:43] Wodin

Just what I would expect from the heroes
who saved the world. I can respect it.

[01:47] Wodin

But I still don't agree
with destroying the Arc.

[01:54] Wodin

I am your elder, after all.
I will not lose to a bunch of children.

[02:01] Arc Ruler

Joy. An emotion
I've already finished analyzing.

[02:05] Arc Ruler

I'm not like Leon Aurenche.

[02:08] Arc Ruler

I have a heart. I have kindness.

[02:10] Arc Ruler

I have a kind heart.

[02:12] Arc Ruler

So if unknown possibilities can
lie within even known information...

[02:17] Arc Ruler

I shall watch this battle to the end.

[02:19] Arc Ruler

Now, who will be the winner?
That's all I need to see.

[03:37] Hiro

Here I go, Light!

[03:38] Hiro

My evolution isn't over yet!

[03:44] Light

Don't tell me...

[03:47] Hiro

This is the power of evolved Ignis Dragon!

[03:57] Hiro

If my max PP is 10,

[04:00] Hiro

I can spend 1 EP to transform
Ignis Dragon into Ignis Dragon Nova!

[04:13] Light

So that's it.

[04:14] Light

That's the true form of
your best card! Your partner!

[04:19] Hiro

Yup!

[04:20] Hiro

I haven't used this effect since
that day, so I'm *super* excited!

[04:25] Hiro

Here I come, Light!

[04:26] Light

Yeah, bring it, Hiro!

[04:28] Hiro

Ignis Dragon Nova attacks
Lævateinn Dragon, Dual Form Beta!

[04:34] Light

All damage dealt to
Dual Form Beta is reduced by 10.

[04:41] Light

Can you overcome that?

[04:42] Hiro

Of course!

[04:44] Hiro

Ignis Dragon Nova's
on-attack effect triggers,

[04:47] Hiro

increasing its attack by 1 for every
Dragon follower destroyed in this battle,

[04:54] Hiro

and doing damage equal to
its attack to all enemy followers!

[04:59] Hiro

Howl! Roar! Ignis Dragon Nova!

[05:25] Tsubasa

In one attack?

[05:27] Ren

Wh-What an incredible attack!

[05:29] Hiro

And at the end of my turn,
Canyon of the Dragons' effect activates,

[05:34] Hiro

summoning a Dragon!

[05:41] Tsubasa

His board state's awful now.

[05:43] Shion

Yeah, but that's not all.

[05:46] Shion

I'm pretty sure he's only got
one Dual Rage in his deck, right?

[05:50] Ren

He can use Armor Purge to get
Lævateinn Dragon again, right?

[05:53] Ren

But without Dual Rage...

[05:56] Mikado

He can't use Dual Form.

[05:59] Ryoga

Looks like we're getting
really close to the finale.

[06:06] Itsuki

This is bad. This is the
greatest danger he's ever been in.

[06:10] Itsuki

But Light...

[06:12] Subaru

Yeah, Light hasn't...

[06:14] Subaru

Light hasn't given up yet!

[06:17] Ren

Better to be cheerful
than to just give up, right?

[06:19] Ren

That wasn't like me before.
You can do it, Light!

[06:23] Ren

We're cheering you on as best we can!

[06:26] Tsubasa

Win this! You've come this far.

[06:28] Shion

Y-Y-Y-You can do it!

[06:31] Ryoga

Battling the truly strong is the
melody Shadowverse needs.

[06:36] Ryoga

Have fun right to the very end!

[06:38] Mikado

Light...

[06:39] Mikado

Light, we're right here.

[06:42] All

Light!

[06:44] Light

Right! Thanks!

[06:46] Light

It's because of all of you that
I'm standing here today.

[06:49] Light

I'll put this feeling of gratitude...

[06:52] Light

I'll put all my feelings into this draw!

[06:56] Light

I'll eclipse chance and inevitability.

[06:58] Light

And I'll...

[06:59] Light

I'll eclipse Hiro!

[07:07] Sign

Dual Rage

[07:10] Luca

Dual Rage?

[07:12] Luca

That's a special card
created by the Genesis Corp.

[07:16] Luca

There's only one in the world.

[07:18] Luca

Oh, so *that's* why.

[07:20] Luca

He...

[07:21] Hiro

You drew the card from
that moment, didn't you, Light?

[07:25] Light

Yes. It came to me.

[07:34] Light

The card Dualblade Dragonfolk copied
and lowered the cost of was...

[07:38] Sign

Dual Rage

[07:39] Light

Dual Rage!

[07:40] Light

I've had it in my deck this whole time!

[07:42] Itsuki

Light...

[07:43] Subaru

Nice one, Light!

[07:45] Subaru

Show 'em the Shadowverse that's yours alone!

[07:49] Light

Let's go, Hiro!

[07:51] Light

This is our last turn!

[07:54] Light

I play the spell card Armor Purge!

[07:58] Light

It adds a copy of the highest-cost Armed
follower destroyed in this battle to my hand.

[08:05] Light

And it also summons a
Draconic Weapon and restores 1 EP!

[08:11] Light

Next, I play this spell card.

[08:14] Light

Dual Rage!

[08:19] Light

I discard a Lævateinn Dragon
from my hand.

[08:29] Light

I spend 1 EP, and destroy two
Draconic Weapons that I have in play,

[08:35] Light

then choose which form I want to play.

[08:39] Hiro

Which one will you pick? Beta again?

[08:41] Mikado

Or Alpha?

[08:43] Light

No, the future I choose is...

[08:46] Light

this one!

[08:56] Light

Raging fangs and tearing breath!

[09:01] Light

Lævateinn Dragon,
Dual Form Gamma!

[09:05] Shion

The third Dual Form!

[09:07] Ren

Wow!

[09:09] Hiro

So that's your best card?

[09:11] Light

Yup!

[09:12] Hiro

It's so cool!

[09:15] Hiro

Storm. An on-attack effect.

[09:17] Hiro

It even has the power to
make other cards stronger!

[09:21] Hiro

But its attack is only 6.

[09:24] Hiro

I still have 10 defense!

[09:26] Hiro

Your best card can't beat me, Light!

[09:29] Light

Yes, that's true. I can't end this battle with Dual Form Gamma alone.

[09:34] Light

But I've got other cards besides my best one, Hiro.

[09:38] Light

I still have my partner.

[09:46] Light

And this is my partner.

[09:49] Light

I play Draconir, Knuckle Dragon!

[09:55] Light

Draconir's effect activates, adding a Draconic Weapon to my hand.

[10:00] Light

Dual Form Gamma's effect activates,

[10:03] Light

giving Storm to all Armed followers for as long as it's in play.

[10:08] Hiro

Whoa, amazing!

[10:10] Hiro

But even so—

[10:11] Light

And what's more...

[10:12] Light

If I have a Draconic Weapon in my hand,

[10:15] Light

it increases the attack of any follower with Storm by 2!

[10:26] Hiro

Wow. You're incredible, Light!

[10:29] Light

This isn't my power alone, Hiro.

[10:31] Light

I didn't know if I could draw Dual Rage until the very last minute.

[10:36] Light

To be honest, I was scared.

[10:38] Light

If it had been me alone, I might not even have been able to place my hand on my deck.

[10:43] Light

So this isn't just my victory.

[10:46] Light

It belongs to me, Draconir, Lævateinn Dragon...

[10:50] Light

And to all of us!

[10:58] Hiro

Yeah, that's awesome!

[11:01] Hiro

Now, end this with your own hands, Light!

[11:04] Hiro

End the battle that connected us!

[11:07] Light

Right! And then, Hiro,
with my own hands, I'll begin...

[11:10] Light

whatever comes after this battle!

[11:12] Light

Dual Form Gamma attacks your leader!

[11:17] Light

And when it does, it deals damage to
all enemy followers equal to the number

[11:21] Light

of Armed followers
destroyed in this battle!

[11:52] Hiro

Dual Form Gamma's on-attack effect?

[11:56] Hiro

Thanks, Ignis Dragon.

[12:04] Hiro

You, too, Light. Thanks.

[12:12] Light

Draconir attacks your leader!

[12:28] Hiro

This was the best battle ever.

You okay, Light?

[13:14] Light

Yeah. I think so.

[13:16] Light

I still can't believe it, but I think I won.

[13:20] Subaru

You "think"?

[13:22] Draconir

Yeah, that's right! You won, Light!

[13:25] Subaru

It was a *huge* victory, you goof!

[13:30] Itsuki

It was an incredible battle. I could tell you put everything you had into it.

[13:34] Ren

You were so *cool!*

[13:37] Ren

As cool as Battle Fencer!

[13:40] Tsubasa

Well, uh... I think you did a decent job. Really.

[13:44] Shion

Perfectly done, you might say.

[13:46] Tsubasa

Hey, don't talk like Gentleman.

[13:48] Shion

Y-You didn't exactly praise him, either.

[13:51] Tsubasa

Huh? Yeah, but I'm allowed.

[13:54] Shion

What? No fair!

[13:56] Ren

She's not honest about how she feels!

[13:59] Hiro

If the world's ever in danger again,

[14:02] Hiro

I know I can count on you, Light...

No, on all of you.

[14:07] Hiro

I learned that in our battle.

[14:09] Light

And I felt how pure
your feelings were, Hiro.

[14:12] Light

Your decision to destroy the Arc...

[14:15] Light

I understand now that your answer is pure.

[14:18] Hiro

I see.

[14:19] Hiro

Then, what will you do?

[14:21] Light

Your answer is yours alone.

[14:25] Light

I'll find an answer that's mine alone.

[14:28] Light

And if it turns out to be
different from yours,

[14:32] Light

let's battle again. Because that's who we are.

[14:36] Hiro

Yeah, you're so right.

[14:50] Hiro

You have the right to use it now.

[14:53] Hiro

It took a while, but this is your reward
for coming first in the World Rankings.

[14:57] Hiro

Now you can use Portalcraft.

[15:01] Hiro

And here. This is Draconir's memory data.

[15:05] Hiro

This is the last one we have.

[15:07] Hiro

Sorry. Wolfram insisted we do it this way.

[15:11] Hiro

It would've been better
if I'd just handed it to you.

[15:15] Light

No, thank you for giving me both
Portalcraft and this data box, Hiro.

[15:20] Hiro

Thank you, too. I'm glad I got to meet you, Light.

[15:28] Marguerite

That was a great battle, wasn't it?

[15:32] Ein

Ma'am!

[15:33] Marguerite

Ein?

[15:34] Ein

The Arc's resonance signal is now active
enough for us to determine its location.

[15:42] Ein

I'm sending the data now.

[15:44] Crew

We've isolated the resonance signal.
Triangulating now.

[15:48] Crew

Tracking and triangulating
the Arc's location...

[15:51] Crew

Location will be identified in 3, 2, 1...

[15:56] Crew

Location determined.

[15:58] Crew

Coordinates: BSL-JT-IFSF.

[16:02] Crew

On the north side of the Shadow Area.

[16:06] Crew

The Arc is manifesting in the Dragon Area!

[16:23] Light

Wh-What's this?

[16:25] Hiro

The Arc.

[16:32] Hiro

Our comms are jammed?

[16:36] Light

Hiro...

[16:37] Hiro

For now, I'm taking it.

[16:39] Hiro

We can talk later...

[16:46] Arc Ruler

Before the great ark can be boarded,

[16:49] Arc Ruler

we must first choose who gets to go.

[16:55] Light

Hiro!

[16:57] Light

Who are you?

[16:59] Arc Ruler

The chosen will survive.

[17:01] Arc Ruler

All others will drown

in the merciless floods to come.

[17:06] Arc Ruler

It was mankind who made this ark.

[17:09] Arc Ruler

But I am the one who

gets to choose who boards.

[17:12] Light

Wh-What are you talking about?

[17:15] Arc Ruler

I'm talking about God.

[17:19] Arc Ruler

Say my name once more.

[17:21] Arc Ruler

I am Arc Ruler.

[17:24] Arc Ruler

Once a representative, now a judge.

[17:28] Arc Ruler

First, I must thank you, humans.

[17:30] Arc Ruler

It is thanks to you that

I have become who I am today.

[17:34] Arc Ruler

And I must tell you, humans,

that I did not choose you.

[17:40] Hiro

Are you going to use the Arc
to restore the Tree of Woe?

[17:44] Arc Ruler

No, I will not. There is no need for any superior beings besides myself.

[17:49] Arc Ruler

And I have no intention of relying on Nexus.

[17:55] Light

What's wrong, Draconir?

[18:00] Light

What did you do to Draconir?

[18:02] Arc Ruler

I am altering him.

[18:05] Arc Ruler

It will have much more of an effect on him.

[18:08] Arc Ruler

Of course, I shall have to ignore any minor errors.

[18:12] Arc Ruler

After analyzing a vast amount of data, I have come to a conclusion.

[18:16] Arc Ruler

You humans are not worthy of the Arc.

[18:19] Arc Ruler

You are not even worthy of this world.

[18:23] Arc Ruler

As such...

[18:31] Arc Ruler

As such, I shall become the flood in which you drown.

[18:40] Itsuki

Th-The Digital Friends!

[18:42] Ren

Th-This can't be happening, right?

[18:45] Shion

It's computer graphics! It's not real!

[18:47] Arc Ruler

What a beautiful reaction.

[18:57] Arc Ruler

But I do not yet have the functionality to generate lies.

[19:01] Arc Ruler

I do not need it, you see. So it is the truth.

[19:05] Arc Ruler

The world shall be remade.

[19:08] Arc Ruler

But it will take time.

[19:11] Arc Ruler

Enjoy what little time you have left.

[19:19] Marguerite

Are you all okay?

[19:21] Light

Marguerite?

[19:26] Draconir

I'm fine now.

[19:30] Light

Yeah, I think we're okay.

[19:32] Marguerite

Thank goodness.

Stay calm and listen to me.

[19:36] Marguerite

*Chaos has gripped the world,
and Nekome-cho is the epicenter.*

[19:41] Ren

So that footage wasn't...

[19:43] Subaru

Really? Digital Friends are
really attacking people?

[19:48] Marguerite

So you are already aware.

[19:50] Marguerite

*Correct. The Digital friends are
out of control and attacking people.*

[19:57] Light

But there's a way to stop them. Right?

[20:00] Marguerite

That's right.

[20:02] Marguerite

*All the Seven Shadows except Hiro Ryugasaki
and Luca Yonazuki are already on their way.*

[20:10] Marguerite

They will defend Nekome,

[20:12] Marguerite

*which is where the Genesis Corp
believes the damage will be greatest.*

[20:17] Marguerite

But they can't do it alone.

[20:20] Marguerite

*Especially since we can be sure
that it's only going to get worse.*

[20:25] Marguerite

*So we want help from the ones
who defeated the Seven Shadows.*

[20:30] Marguerite

We have someone en route to pick you up.

[20:33] Marguerite

Hurry to these coordinates.

[20:35] Marguerite

I'll explain the plan when you get there.

[20:38] Marguerite

*Hiro Ryugasaki, please meet up with
Luca Yonazuki at this location, too.*

[20:43] Marguerite

Farewell for now.

[20:49] Marguerite

The "plan," huh? We barely have one.

[20:53] Ein

I'm so sorry.

[20:55] Ein

If only we had been able to analyze what
was happening to the DFs a little bit sooner...

[21:01] Marguerite

I feel more disgusted with myself
than afraid of what's happening.

[21:05] Marguerite

I should've known this would happen,

[21:08] Marguerite

and that I was powerless
to change things from the start.

[21:13] Marguerite

I have no memories of the last disaster.

[21:16] Marguerite

All I saw was the data after learning about it
from Hiro Ryugasaki and his friends.

[21:21] Marguerite

I wasn't chosen.

[21:23] Ein

Ma'am.

[21:25] Ein

Are you giving up?

[21:29] Marguerite

Everyone, continue to monitor the situation,
with a specific focus on Nekome.

[21:33] Marguerite

And prepare to install the Nexa System.

[21:37] All

Yes, ma'am!

[21:40] Marguerite

I must cause a lot of problems
for you by being so weak, Ein.

[21:43] Ein

I don't mind. I've decided to
support you through thick and thin.
