[01:39] Wodin

Tempest Sorcerer's effect activates,

[01:42] Wodin

destroying one random enemy follower.

[01:47] Wodin

Next, I evolve Tempest Sorcerer.

[01:51] Wodin

Its on-evolve effect triggers, granting
a new effect to a spell card in my hand,

[01:58] Wodin

and a new effect to my leader.

[02:02] Shion

You gave End of the World an effect?

[02:05] Wodin

Correct.

[02:06] Wodin

And the second effect given
to me by Ruin Eye activates.

[02:11] Wodin

Whenever a follower evolves, I add either
a Ruin Arm or a Ruin Wing to my hand,

[02:16] Wodin

assuming I haven't
already played the card.

[02:19] Wodin

Spell Card: Insight.

[02:22] Wodin

I draw a card.

[02:24] Wodin

The leader effect granted to me
by Tempest Sorcerer activates.

[02:28] Wodin

Once per turn, whenever
I play a spell card, I recover 4 PP.

[02:34] Wodin

And now, behold!

[02:41] Shion

His appearance changed?

[02:43] Wodin

Spell Card: Ruin Arm.

[02:47] Wodin

It grants my leader a new effect.
And I end my turn.

[02:52] Wodin

First, Ruin Eye's first effect
activates and I draw a card.

[02:57] Wodin

And then, the effect granted
to me by Ruin Arm activates.

[03:01] Wodin

At the end of my turn,
I do 1 damage to all enemy followers.

[03:09] Wodin

I've beaten you once.

[03:11] Wodin

When I did, you were incomplete.

[03:14] Wodin

I've lost to you once.

[03:16] Wodin

When I did, you were still incomplete,
but you had grown enough to accept that.

[03:22] Wodin

You had a raw strength.

[03:24] Wodin

And now, during this third battle...

[03:27] Wodin

What will you do?

[03:28] Wodin

This is what I will do.

[03:30] Wodin

I'll aim for a place only I can reach!

[03:34] Shion

It's like you're a monster...

[03:36] Shion

...Wodin Kraft.

[03:37] Wodin

That's a compliment, Shion Otosaka.

[03:40] Shion

Not from my perspective!

[03:44] Shion

All you ever talk about
is wanting to know things.

[03:49] Shion

Spell Card: Check.

[03:53] Shion

It summons four Magical Pawns,

[03:55] Shion

and gives them Rush and an ability that
stops them from attacking your leader.

[03:59] Shion

Go study on your own time!
The world's in danger right now!

[04:05] Wodin

The world's in danger?
That's all you ever talk about.

[04:09] Wodin

I don't care about the world.

[04:12] Wodin

I'm just here to fulfill my
insatiable desire for knowledge.

[04:16] Wodin

The breadth of the world
grows with your knowledge.

[04:18] Wodin

With knowledge, the world is vast.
Without it, the world is tiny.

[04:22] Wodin

I want to live and die
in the biggest world I can!

[04:26] Wodin

I want to touch the Tree of Woe.

[04:28] Wodin

I want to use the legendary cards!
I want to meet Nexus!

[04:32] Wodin

And if I can become a god,
I want to do that, too!

[04:35] Wodin

Higher! Higher! Higher!

[04:37] Wodin

That's just how humans are!

[04:38] Shion

You don't get to decide that!

[04:41] Shion

What I'm saying is that
not all humans are like you!

[04:47] Shion

Spell Card: Skewer, is in effect.

[04:50] Shion

When I have three or
more followers in play,

[04:54] Shion

it does damage equal to the total attack of
my Magical Pawns to your Tempest Sorcerer.

[05:00] Shion

And then, I draw a card.

[05:02] Shion

Aren't you embarrassed? You're a grown-up.

[05:06] Shion

You're acting like a selfish child
when everyone else is suffering!

[05:10] Wodin

And aren't *you* embarrassed?

[05:13] Wodin

Don't *you* feel ashamed of the fact that
you lack the confidence to live for yourself?

[05:19] Wodin

I have the confidence.
I live for myself, and I will die for myself.

[05:25] Wodin

Will you live and die for the world?

[05:28] Wodin

That's just hypocrisy.

[05:31] Wodin

"Everyone else is suffering,
so you must suffer with them."

[05:35] Wodin

That logic is nothing
in the face of my solitude!

[05:40] Wodin

The second effect granted to me by Ruin Eye.

[05:42] Wodin

Whenever a follower evolves, I add either
a Ruin Arm or a Ruin Wing to my hand,

[05:47] Wodin

assuming I haven't
already played that card.

[05:51] Wodin

Now, let us reach the
highest heights of Shadowverse.

[05:55] Wodin

I play the spell card Ruin Wing.

[06:29] Wodin

Ruin Wing's effect activates,
granting my leader a new effect.

[06:34] Wodin

The effect granted to me
by Tempest Sorcerer activates,

[06:37] Wodin

restoring 4 PP once per turn
whenever I play a spell card.

[06:43] Wodin

Evolving Blade Mage has lowered
Piercing Rune's cost to 2, and I play it now.

[06:50] Wodin

It does 2 damage to one enemy
follower and the enemy leader.

[06:57] Wodin

Spell Card: Mysterian Knowledge.

[07:00] Wodin

It adds either a Mysterian Missile
or a Mysterian Circle to my hand.

[07:06] Wodin

Mysterian Circle.

[07:08] Wodin

It summons a Clay Golem and gives it Ward.

[07:11] Wodin

And this will end it.

[07:13] Wodin

I play Enchanted Sword, its cost having
been reduced to zero by Spell Boost.

[07:17] Wodin

It increases Blade Mage's
attack and defense by 2.

[07:22] Wodin

Blade Mage attacks your leader.

[07:31] Shion

This is...

[07:32] Shion

Th-This is...

[07:35] Shion

This is what Shadowverse is like

when your life's on the line?

[07:39] Wodin

So it seems.

[07:42] Wodin

I end my turn.

[07:43] Wodin

And my leader effect activates.

[07:47] Wodin

Ruin Eye draws me a card.

[07:51] Wodin

And Ruin Arm does 1 damage
to all enemy followers.

[07:58] Wodin

Ruin Wing's first effect summons an Ogler.

[08:04] Wodin

And its second effect...

[08:07] Wodin

...adds Ruin World to my hand.

[08:11] Wodin

It's time.

[08:13] Wodin

It's time for me to reach
the realm of the gods.

[08:16] Wodin

The place Leon Aurenche glimpsed.

[08:21] Wodin

The unknown shall once again become known!

[08:25] Shion

Draw!

[08:28] Shion

The effect granted to me by Blitz activates.

[08:32] Shion

It summons a Magical Knight.

[08:35] Shion

*The Ruin World he just added to his hand
is likely an incredibly powerful spell card.*

[08:41] Shion

*Things don't look good, but I've had
enough Magical Pawns destroyed.*

[08:48] Shion

*Magical Rook's effect means that
each time a Magical Pawn is destroyed,*

[08:52] Shion

*the card in my hand with the highest
original cost has its cost reduced by 1.*

[08:56] Shion

I have insurance if I need it.

[08:58] Shion

It's too early to give in.

[09:01] Shion

I'm just getting started!

[09:03] Shion

I play Magical Strategy with Enhance!

[09:08] Shion

It summons not just two Magical Pawns,
but a Magical Knight and a Magical Bishop, too!

[09:14] Shion

And first, I do this!

[09:19] Wodin

I have a card with Ward.

[09:21] Shion

It doesn't matter.

[09:22] Shion

Magical Knight can ignore Ward and attack!

[09:29] Shion

And then, Magical Bishop's effect activates.

[09:32] Shion

Once per turn, when a Magical Pawn
enters play during my turn,

[09:35] Shion

it does 2 damage to all enemy followers.

[09:38] Shion

Do you want to be a god, Wodin Kraft?!

[09:43] Wodin

No. I just want to know
what gods see, Shion Otosaka.

[09:52] Shion

Eight Magical Pawns have been
destroyed during this battle.

[09:56] Shion

From now on, all Magical Pawns
will be granted Storm.

[10:00] Shion

Along with Magical Rook,
they attack your leader!

[10:10] Wodin

I see. So this is the pain of a battle
where your life is at stake.

[10:13] Shion

I don't understand!

[10:14] Shion

I think and think about it,
and I just can't understand you.

[10:18] Shion

Have you been playing Shadowverse
for so long just to do this?

[10:23] Wodin

You can't understand?

[10:26] Wodin

Well, at this point, there's no helping that.

[10:28] Wodin

You and I were similar.

But we've taken different paths.

[10:33] Wodin

I had hopes for you, though.

[10:36] Wodin

Out of all the candidates I've found,
you were the one that was closest to me.

[10:44] (Flashback) Wodin

All right. Let's begin.

[10:49] (Flashback) Wodin

Down the path to knowing
everything in the world.

[10:53] (Flashback) Students

You're amazing.

[10:55] (Flashback) Wodin

Not at all.

[10:59] (Flashback) Students

It's almost impossible
to skip grades to get here,

[11:02] (Flashback) Students

and he still wants more knowledge?

[11:04] (Flashback) Students

You can't know everything in the world
even if you live thousands of years.

[11:09] (Flashback) Students

He truly seeks that. He's incredible.

[11:15] (Flashback) Wodin

I see. So it will take 200 years.

[11:18] (Flashback) Wodin

Then, I must admit,
it's an impossible task to complete alone.

[11:23] (Flashback) Wodin

I need someone to carry on my work.

[11:29] Wodin

But that doesn't matter anymore.

We're onto Plan B now.

[11:34] Wodin

If there is no one to carry on my work,

[11:36] Wodin

I must simply gain immortality.

[11:39] Wodin

The Tree of Woe. Nexus.

I don't care what.

[11:43] Wodin

I shall rely on these supernatural powers
to achieve my goal myself.

[11:48] Wodin

I'm a grown-up, after all.

[11:51] Wodin

Unlike a child like you, I don't hesitate.

[11:54] Wodin

I will believe in everything
I've built up so far...

[11:59] Wodin

and follow my path!

[12:12] Shion

Ruin World

[12:25] Shion

What's this?

[12:27] Wodin

First, the effect granted by
Tempest Sorcerer activates, restoring 4 PP.

[12:33] Wodin

Shion Otosaka, if you had
continued to grow in solitude,

[12:37] Wodin

you would have become a

seeker of knowledge like me.

[12:40] Wodin

But you chose a different path.

You chose your comrades.

[12:44] Wodin

You accepted your own immaturity.

[12:46] Wodin

I'll give you credit, though,
for that's a wonderful thing.

[12:50] Wodin

And that's why I will no longer act
like a teacher toward you.

[12:55] Wodin

Yes, right now...

[12:58] Wodin

Right now, I am your enemy!

[13:01] Wodin

Ruin World's effect activates,
doubling all numbers in my leader's effects.

[13:08] Wodin

I draw two cards.

[13:10] Wodin

I deal 2 damage.

[13:12] Wodin

I summon two Oglers.

[13:14] Wodin

And when my leader has
at least three effects...

[13:22] Shion

Wh-What?

[13:23] Wodin

I add the Card of God to my hand.

[13:27] Wodin

What's more, Ruin World is the 13th type
of Spell Card I've played in this game.

[13:34] Wodin

End of the World's cost is zero.

[13:38] Wodin

It deals 20 damage to your leader!

[13:52] Shion

Spell Card: Sacrifice.

[13:55] Shion

When my leader's defense
reaches zero or lower,

[13:58] Shion

it destroys all Magical Pawns in play,

[14:01] Shion

and restores my leader's defense to 1.

[14:04] Shion

Then, the card is banished.

[14:06] Shion

I know how you play.

[14:08] Shion

I refuse to be defeated by that thing!

[14:11] Wodin

I should hope not.

[14:13] Wodin

Spell Card: Golem Assault.

[14:16] Wodin

It adds two Conjure Guardians to my hand.

[14:19] Wodin

Conjure Guardian!

[14:21] Wodin

It summons a Guardian Golem with Ward.

[14:25] Wodin

It surprises me to say that End of the World was just the opening act.

[14:29] Wodin

But of course it is.

[14:31] Wodin

For now, you too know the true power of spells.

[14:35] Wodin

But Shion Otosaka, the true Shadowverse is just beginning.

[14:43] Wodin

Once, the CEO of Genesis Corp, Leon Aurenche, became the enemy of the whole world.

[14:45] Wodin

Calamity's Genesis

[14:48] Wodin

He joined forces with the supernatural Nexus and became a god.

[14:54] Wodin

This is a copy of the card he used at the time.

[14:58] Wodin

It's only a copy, and as such, less powerful.

[15:01] Wodin

But it's still the very strong, extremely powerful Card of God!

[15:05] Wodin

Ruin Eye. Ruin Arm. Ruin Wing. Ruin World. Combined, they have got me to this point!

[15:12] Wodin

This is the true Shadowverse,
which you know nothing of.

[15:15] Wodin

Spell Card: Calamity's Genesis!

[15:35] Wodin

Its effect activates, adding two
Magisterial Dreadnoughts to my deck.

[15:40] Wodin

I end my turn, but of course,
it's not over yet.

[15:44] Wodin

First, the effects I gained
from the Ruin series activate.

[15:52] Wodin

And Calamity Genesis's second effect.

[15:56] Wodin

During my turn, it randomly adds a
follower of 5 cost or higher to my deck.

[16:04] Wodin

So this is the power of a god?
I see. I understand.

[16:08] Wodin

It's quieter than I expected.

[16:10] Wodin

But it's just getting started, I'm sure.

[16:13] Wodin

Now, I've made it this far. But what about you?

[16:17] Wodin

Are you still down below me?

[16:20] Wodin

In a place where you have no confidence
and can only let others decide for you?

[16:23] Shion

No!

[16:24] Shion

Nobody's deciding anything for me!

[16:27] Shion

I play Pin!

[16:29] Shion

One enemy follower can no longer attack
until the start of my next turn.

[16:34] Shion

It also draws three cards
and restores 5 defense.

[16:39] Shion

Magical Bishop's effect activates.

[16:42] Shion

Every time I play a spell card,
it summons a Magical Pawn.

[16:45] Shion

And then, once per turn,
when a Magical Pawn enters play,

[16:50] Shion

it does 2 damage to all enemy followers!

[16:54] Wodin

Weak.

[16:55] Shion

That's not all.

[16:56] Shion

Spell Card: Magic Missile!

[16:59] Shion

It does 1 damage to an enemy
follower, and I draw a card.

[17:04] Shion

Magical Bishop's effect
summons a Magical Pawn.

[17:09] Shion

Both Magical Pawns
with Storm attack your Oglers.

[17:13] Shion

I'm not here because
somebody told me to come.

[17:16] Shion

I'm here of my free own will to stop you!

[17:21] Wodin

It may look like your own will,
but that's just an illusion.

[17:25] Wodin

Doing your best because the world's in
danger isn't *your* will. It's someone else's.

[17:30] Wodin

It's *everyone's* will!

[17:32] Wodin

Everyone else is doing that,
so you will, too.

[17:34] Wodin

Everyone else is doing their best,
so you will, too. And that's fine.

[17:37] Wodin

But that's all the resolve you have.

[17:40] Wodin

I have reached the level of a god
all on my own. You can't beat me!

[17:46] Wodin

Abomination Awakened cannot attack.
For now, at least.

[17:50] Wodin

I end my turn.

[17:51] Wodin

And all of my leader effects activate.

[17:58] Wodin

And because I have nine cards in my hand,
Abomination Awakened's effect activates.

[18:04] Wodin

If I have nine cards in my hand, it evolves.

[18:07] Wodin

I've seen what Leon Aurenche saw.

[18:11] Wodin

Now I want to know how it feels
to use the legendary cards.

[18:14] Wodin

After that, I want to see the
Tree of Woe and talk to Nexus.

[18:18] Wodin

Ah, I can't wait.

[18:20] Shion

I'll never let you do any of that!

[18:23] Shion

I'll stop your unstoppable desires here!

[18:30] Wodin

You really think you can?

[18:32] Wodin

I'd say the probability is extremely low.

[18:35] Shion

Even if it is, I won't hesitate anymore.

[18:38] Shion

No, I won't be *afraid* of
hesitating as I move forward!

[18:41] Shion

That's my decision!

[18:46] Shion

Magical Bishop's effect activates!

[18:56] Wodin

I heard that answer in our second battle!

[18:58] Wodin

Is that still where you are? I'm up here!

[19:02] Shion

Don't look down on others like that!

[19:04] Wodin

I'm not.

[19:06] Wodin

I'm saying you haven't grown!

[19:08] Shion

I *have* grown.

[19:10] Shion

It's just so small, you can't see it!

[19:21] Wodin

And what growth is that?

[19:24] Wodin

Answer me, Shion Otosaka!

[19:27] Shion

The fact that I'm standing
here now is my answer!

[19:34] Shion

The old me would never have decided
to protect Shadowverse College.

[19:39] Shion

She wouldn't have had the
courage to stand before you.

[19:43] Shion

But the battle with Arc Ruler has begun.

[19:47] Shion

I can see how hard everyone is working,
and I feel like I have to do my best, too.

[19:53] Shion

It's a small step...

[19:55] Shion

but it's a big step for me!

[19:59] Shion

Do you understand that, Wodin Kraft?!

[20:02] Wodin

How subjective.

[20:05] Wodin

My growth is objective.

[20:08] Wodin

It is clear.

[20:09] Wodin

It can be seen.

[20:11] Wodin

I have reached the level of a god,
and to me, your growth is as dust!

[20:16] Wodin

Come forth, unstoppable giant!

[20:23] Wodin

Magisterial Dreadnought!

[20:25] Wodin

If five or more followers of mine

costing at least 5 PP have been destroyed,

[20:29] Wodin

it is summoned directly from my deck.

[20:32] Wodin

And when it enters play, it also summons a World Eliminator with Rush.

[20:43] Shion

So this is...

[20:44] Wodin

Yes! It's the power of a god!

[20:46] Wodin

Can an uncertain human like you win?

[20:49] Wodin

Against a certain god like me?

[20:53] Wodin

Cursed Mage.

[20:57] Wodin

Its effect activates. I discard two cards and add Sinner's Spell: Gate to my hand.

[21:05] Wodin

I play Sinner's Spell: Gate.

[21:16] Wodin

I end my turn.

[21:18] Wodin

And my leader effects activate!

[21:27] Wodin

Just a little more. Just a little more and the legendary cards will be mine.

[21:32] Shion

Don't underestimate me.

[21:34] Shion

This battle isn't over yet!

[21:36] Wodin

Oh? You think you can still turn this around?

[21:39] Shion

Of *course* I can!

[21:45] Shion

I still have my best card...
