[00:22] Students

D-Deathscythe Hound?

[00:24] Students

And Haruma Hazeura?

[00:26] Students

W-We're saved. We'll get going now—

[00:29] Haruma

Idiots.

[00:32] Haruma

You're fighting, too.

[00:38] Haruma

Let's go, morons.

It's finally time to fight back.

[00:53] Raido

It's okay now.

[00:54] Students

W-We're saved.

[00:56] Students

Thank heavens.

[00:58] Shinobu

Tatsumi Raido.

[00:59] Raido

Oh! Miki?

[01:01] Shinobu

Hi.

[01:01] Shinobu

Things are fine here. I was right to get you to prioritize the roof.

[01:14] Fuwari

Looks like we've all got the new system.

[01:19] Raido

I was worried when that explosion hit,

but now it's time to change the game!

[01:23] Raido

I'll show 'em what Swordcraft can do!

[01:25] Shinobu

*Comeback wins are what a
Runecraft player does best.*

[01:29] Raido

All right! We'll wipe out all the Shades at
Shadowverse College, then head out into Nekome!

[01:33] Raido

We'll protect the town ourselves!

[01:36] Fuwari

Okay.

[01:37] Shinobu

Roger. See you.

[01:40] Raido

Yup!

[01:41] Fuwari

Okey dokey.

[01:45] Shinobu

Now, it's time to turn the tables.

[01:50] Arc Ruler

[01:56] Marguerite

Zwei, report.

[01:58] Zwei

Yes, ma'am.

[01:59] Zwei

Distributing the Nexa System
to players who haven't evacuated

[02:04] Zwei

has turned the tide of the
battle against the Shades.

[02:10] Zwei

Some of the new Nexa System players
have spread out into different areas

[02:14] Zwei

in an attempt to help others.

[02:22] Haruma

Now it's *your* turn to despair!

[02:22] Zwei

And since there are many players
at Shadowverse College,

[02:26] Zwei

the Shades are being
wiped out at a high rate.

[02:30] Zwei

If they can fight on and
clear out all the Shades,

[02:33] Zwei

they'll be able to join the fight in the town.

[02:36] Marguerite

So failing to evacuate Shadowverse College
in time actually helped us out, huh?

[02:42] Marguerite

It's possible that—

[02:43] Ein

We continue to have a problem, ma'am.

[02:46] Ein

Hiro Ryugasaki and
Luca Yonazuki are cut off.

[02:50] Ein

And Mauro Abelard is nowhere near
any of the other players.

[02:55] Marguerite

That's bad. The battle started some time ago.

[02:59] Ein

Indeed. Their Nexa Systems might
run out of energy at any time.

[03:04] Marguerite

Are there any players who can go help them?

[03:06] Zwei

Not at the moment, no.

[03:10] Ein

What about the Seven Shadows?

[03:11] Staff

Kaguya Makabe is battling
in a residential area.

[03:14] Staff

Wodin Kraft took damage
in his battle with Shion Otosaka,

[03:18] Staff

and is incapable of combat.

[03:20] Staff

And we are unable to contact Wolfram Zerga.

[03:24] Marguerite

I'll go myself. Ready the helicopter.

[03:26] Ein

Ma'am!

[03:28] Ein

Please remain calm.

[03:30] Marguerite

I have the Nexa System on my phone, too.

[03:34] Ein

If we lose you,
our chain of command will collapse.

[03:38] Marguerite

But even so—

[03:40] Staff

Emergency alert!

[03:42] Staff

Two mysterious high-energy
objects have appeared.

[03:49] Luca

Hiro!

[03:54] Hiro

Luca!

[03:54] Luca

I'm fine. Take care of it!

[03:57] Hiro

Right!

[03:58] Hiro

Go! Ignis Dragon!

[04:06] Hiro

You okay, Luca?

[04:08] Luca

What about you? Are you okay?

[04:09] Hiro

I'm fine.

[04:10] Luca

Good. I'm glad.

[04:12] Luca

Then again, there's not much
to be happy about right now.

[04:15] Hiro

I'm out of energy, it seems.

[04:18] Luca

Yeah. I can't summon
Dark Emperor anymore, either.

[04:28] Luca

Hiro, leave this to me.
I'll handle these guys myself.

[04:31] Hiro

Nope, not happening.

[04:33] Hiro

I mean, you're physically kind of a wimp.

[04:35] Luca

You're the leader of the Seven Shadows.
We can't let you fall.

[04:41] Luca

You know that, Hiro.

[04:42] Hiro

No, I *don't* know. You're my best friend,
my rival, and someone I really care about.

[04:48] Hiro

That's what I know.

[04:52] Luca

Am I worthy of being by your side?

[04:55] Hiro

Of course you are. We've gotta play
a lot more Shadowverse, right?

[05:00] Luca

Right. I'll follow you...

no, I'll go wherever you go, Hiro.

[05:06] Hiro

Yeah, we have to go!

[05:25] Hiro

Ignis Dragon?

[05:27] Hiro

No, wait, it's not.

[05:29] Hiro

This is... This is...

[05:31] Dad

You've grown, Hiro.

[05:41] Hiro

Dad!

[05:42] Hiro

Mom!

[05:43] Mom

Sorry we kept you waiting.

[05:48] Hiro

How?

[05:59] Dad

We can talk later.

[06:01] Dad

I'm sure he agrees.

[06:13] Mauro

No, not yet...

[06:28] Leon

I was never certain what I should say...

[06:33] Leon

when I saw you again.

[06:46] Leon

And I guess I'm still not sure.

[06:49] Mauro

Master Leon...

[06:52] Leon

You don't need to call me "Master," Mauro.

[06:59] Leon

Wandering the world created by
Nexus with Eiji, I understood...

[07:04] Leon

how lonely it is to be
left behind by the world.

[07:11] Leon

I took advantage of your feelings.

[07:14] Leon

I don't expect forgiveness.

[07:17] Leon

But I would welcome the
chance to atone sometime soon.

[07:22] Mauro

What's happening now
is all your fault, isn't it?

[07:26] Leon

Yes, you could say that. I created the
Arc's self-defense system in a special way.

[07:33] Leon

But I failed to realize that
it might become sentient.

[07:37] Mauro

You mean you simply chose to look the
other way. You don't believe in possibilities.

[07:43] Leon

You've got me there.

[07:47] Mauro

I expect you to help me, Leon.

[07:50] Leon

Of course, Mauro.

[07:52] Leon

Arc Ruler is not our only foe, after all.

[07:55] Mauro

What do you mean?

[07:57] Leon

It seems Eiji was also able to
come back here for a moment, too.

[08:02] Leon

But until now, we've been in
the world of the Tree of Woe.

[08:06] Leon

Do you know what that means?

[08:08] Leon

If Nexus was defeated in that moment,

[08:12] Leon

the world it created should have collapsed.

[08:16] Leon

But that didn't.

[08:19] Leon

Which means...

[08:21] Leon

Yes, I think...

[08:25] Leon

the Keeper, Nexus, is still alive.

[08:32] Light

Aiela, Dragon Sword's
on-evolve effect activates.

[08:39] Light

It increases my max PP by 1.

[08:42] Light

I end my turn, Arc Ruler.

[08:45] Light

Starting this turn, I...
no, we launch a counterattack!

[08:51] Arc Ruler

Defeating the Shades changes nothing.

[08:55] Arc Ruler

Now is the end of all things.
The end of your story.

[09:01] Arc Ruler

Apostle of Unkilling's effect activates.

[09:04] Arc Ruler

A random spell card costing
1 or less is added to my hand.

[09:10] Arc Ruler

Listen, Light Tenryu,
I am indeed an enemy to you humans.

[09:15] Arc Ruler

But to anything that's not
humanity, I'm a savior.

[09:21] Arc Ruler

Spell Card: Savior!

[09:25] Arc Ruler

First, I banish a follower.

[09:33] Arc Ruler

Then, I increase our max PPs by 1.

[09:38] Arc Ruler

Next, I give a new effect to both leaders.

[09:47] Arc Ruler

I play the countdown amulet
Sealed Tome, and make a choice.

[09:53] Arc Ruler

I choose Forbidden Teachings.

[09:59] Arc Ruler

And the effect granted
to me by Savior triggers.

[10:02] Arc Ruler

Once per turn, whenever an amulet
is played, it gets destroyed.

[10:08] Arc Ruler

Its Last Words draw me two cards,

[10:11] Arc Ruler

and the effect given to me
by Mjerrabaine triggers.

[10:14] Arc Ruler

When I have one follower in play,
I raise its attack and defense by 2,

[10:19] Arc Ruler

and do 2 damage to the enemy leader.

[10:24] Arc Ruler

You humans are enemies of Earth.

[10:28] Arc Ruler

You pollute the soil and air,
destroying the ecosystem,

[10:33] Arc Ruler

and don't even take responsibility for it.

[10:35] Arc Ruler

Humanity has made a mistake.

[10:38] Arc Ruler

Everything that's not humanity
desires to see its decline.

[10:44] Arc Ruler

What's wrong?
You can't argue with that, perhaps?

[10:47] Light

I just don't understand what you're saying.

[10:50] Arc Ruler

Oh? I'm picking words to match
your intelligence level—

[10:54] Light

Even if you make a mistake, you can fix it.

[10:57] Light

Making mistakes, fixing them,
and moving forward.

[11:00] Light

That's what it is to be human.

[11:02] Light

Haven't you just given up
on humanity's possibilities?

[11:07] Arc Ruler

I've completed my data on you and
finished my simulations. You have no future.

[11:15] Arc Ruler

I know all of your emotions, too.

[11:17] Arc Ruler

Erde learned sadness.
Himmel learned anger.

[11:21] Arc Ruler

And I have learned joy.

[11:24] Light

Sadness. Anger. Joy.

[11:27] Arc Ruler

Yes. Even irregularities introduced
by emotions fit within our model.

[11:31] Arc Ruler

That's why we're perfect.

[11:34] Arc Ruler

And why mankind's destruction
is inevitable, Light Tenryu.

[11:38] Light

I see. I understand you a little now.

[11:43] Light

What you say is "everything"
isn't everything at all!

[11:49] Light

Dragon Summoner's effect activates!

[11:52] Light

It moves a random Dragoncraft follower
from my deck to my hand.

[11:58] Arc Ruler

Light Tenryu, whatever do you mean?

[12:03] Light

You say all of humanity is foolish.

[12:06] Light

But it's too soon to decide that,

[12:08] Light

because humanity can
keep moving forward.

[12:11] Light

You say that everything but humanity
wants us to be destroyed.

[12:17] Light

But there are things
humanity has saved as well.

[12:20] Light

So it's something you just decided.

[12:22] Light

And you say you understand all emotions,

[12:26] Light

but that's completely wrong!

[12:29] Light

Veteran Dragon Warrior!

[12:32] Light

For every Armed follower
that's been destroyed in this battle,

[12:38] Light

it does 1 damage to
an enemy follower and draws a card.

[12:41] Light

I've lost four Armed followers,

[12:44] Light

so I do 4 damage to Apostle of Unkilling!

[12:48] Arc Ruler

And what of it?

[12:50] Arc Ruler

What you say is something *you*
just decided. Where's your proof?

[12:55] Arc Ruler

I have data. Do you?

[12:59] Light

I have...

[13:01] Arc Ruler

"I have no data, except for
the experience I've built up so far."

[13:05] Light

I have my own will
that I've built up so far!

[13:33] Light

It doesn't matter
whether I'm right or wrong!

[13:42] Light

This is who I am, Arc Ruler!

[13:45] Arc Ruler

This is who you are, huh?

[13:55] Arc Ruler

Much, *much* too foolish.

[13:58] Light

I see. That's the leader effect
he was granted by Savior, huh?

[14:01] Arc Ruler

Once per turn, whenever an amulet
is played, it gets destroyed.

[14:06] Light

I'm not done yet!

[14:16] Light

Draconic Smash!

[14:28] Light

Draconic Smash's effect
summons a Draconic Weapon.

[14:35] Arc Ruler

I understood your theory immediately.

[14:38] Arc Ruler

You're saying you stand against my perfect
logic as a single, solitary person, correct?

[14:44] Arc Ruler

Subjective versus objective.

[14:46] Arc Ruler

But you see, Light Tenryu...

[14:49] Arc Ruler

Your subjective view...

[14:55] Arc Ruler

is worth nothing.

[14:57] Light

But even so, we stand here, one-on-one,
connected by Shadowverse.

[15:02] Light

We're the same.

[15:04] Arc Ruler

You're persistent.

[15:06] Light

Yup! I'm bad at giving up.

[15:09] Light

I play a Dualblade Dragonfolk with Storm.

[15:13] Light

Dualblade Dragonfolk's effect triggers.

[15:17] Light

It adds a random spell costing 6 or more
to my deck, and reduces its cost by 1.

[15:25] Light

Dualblade Dragonfolk, evolve!

[15:33] Light

Attack his leader!

[15:35] Light

Its on-attack effect triggers.

[15:38] Light

If a Draconic Weapon is in play,

[15:39] Light

it does 1 damage to all enemy followers.

[15:44] Light

And evolved Dualblade Dragonfolk
can attack twice.

[15:47] Light

Attack!

[15:51] Light

Now, come at me, Arc Ruler!

[15:54] Light

With your own words!

[15:59] Arc Ruler

You still... You still have
that look in your eye.

[16:03] Arc Ruler

That vision again?

[16:09] Arc Ruler

Well, this is a little irritating.

[16:12] Arc Ruler

Due to how far apart we are intellectually,

we can't even have a conversation.

[16:17] Arc Ruler

But it's fine. I can simply input your extreme stupidity as data and predict from that.

[16:25] Arc Ruler

This is a joyful thing.

[16:27] Arc Ruler

Thanks to you, I've grown once more.

[16:32] Arc Ruler

Time to show my gratitude.

[16:37] Arc Ruler

Both blessing and woe...

[16:42] Arc Ruler

A despair which brings with it a trial.

[16:46] Arc Ruler

The piercing purgatory.

[16:49] Arc Ruler

Izudia, Omen of Unkilling!

[16:53] Light

An Omen?

[16:54] Arc Ruler

Let's make this game even *more* fun.

[16:58] Arc Ruler

Izudia's effect activates.

[17:10] Arc Ruler

It sets the enemy leader's max defense to 6.

[17:22] Arc Ruler

You finally look the way you should.

[17:25] Arc Ruler

Excellent. That's how humanity *should* look.

[17:28] Arc Ruler

I play the spell card Mark of the Six.

[17:33] Arc Ruler

I discard the two highest-cost cards in my hand,

[17:37] Arc Ruler

and I decrease the attack and defense of a random enemy follower by 6.

[17:43] Arc Ruler

And if I have Izudia in play, it's not just one follower...

[17:47] Arc Ruler

I decrease the attack and defense of all enemy followers by 6.

[17:55] Arc Ruler

I end my turn, and the effect granted

to me by Mjerrabaine activates.

[18:01] Arc Ruler

When I have one follower in play,

[18:04] Arc Ruler

its attack and defense
are increased by 2,

[18:08] Arc Ruler

and 2 damage is done to the enemy leader.

[18:22] Arc Ruler

Your body's about to break, correct?

[18:25] Arc Ruler

But you'll still stand up.

[18:28] Arc Ruler

So I'll tell you, Light Tenryu,
why you're sure to lose right now.

[18:36] Arc Ruler

This tower I control is special.

[18:40] Arc Ruler

It is designed so that even if my data
is lost, it will not be disabled.

[18:46] Arc Ruler

Basically, it will continue to function
unless I tell it to collapse.

[18:52] Arc Ruler

And I'm never going to do that.

[18:56] Arc Ruler

In other words, you have no way
of stopping your destruction.

[19:02] Arc Ruler

Ah, a response that inspires joy.
Did that shock you mentally?

[19:07] Arc Ruler

Think about it. Why would I create
conditions where I'm at a disadvantage

[19:13] Arc Ruler

in a tower I built for my own purposes?

[19:18] Arc Ruler

It doesn't matter whether you win
or lose this battle. It's meaningless.

[19:24] Arc Ruler

You have no right to even be here.

[19:26] Arc Ruler

Shadowverse is just a game, isn't it?
It can't determine the fate of the world.

[19:40] Arc Ruler

You'll still get up?

[19:41] Arc Ruler

Well, whatever.

[19:43] Arc Ruler

Now, what will you do?

[19:45] Arc Ruler

What kind of face will you make?

One of sorrow? One of rage?

[19:50] Arc Ruler

I'm assuming it won't be one of joy.

[19:52] Arc Ruler

Show me, Light Tenryu.

[19:54] Arc Ruler

It'll be mankind's last face!

[20:02] Light

Arc Ruler, you say you understand
all of mankind's feelings.

[20:07] Light

But you missed one.

[20:09] Light

People have joy, anger, sorrow, and...

[20:15] Light

There's also fun.

[20:22] Light

That "fun" feeling is what brought me here.

[20:35] Arc Ruler

"Fun"?

[20:39] Arc Ruler

I naturally know about
the existence of that feeling.

[20:42] Arc Ruler

But I judged it worthless
and did not input it.

[20:48] Arc Ruler

"Fun" is no different from "joy."

[20:52] Arc Ruler

There's no reason to learn it.

[20:55] Light

No, you're wrong.

[20:57] Light

Swiftblade Dragonewt!

[21:01] Light

If I have at least one EP and a
Draconic Weapon in play, it evolves.

[21:14] Light

Arc Ruler...

[21:16] Light

"Fun" is different from "joy."

[21:20] Light

It's calmer.

[21:22] Light

And yet, somehow more intense.

[21:26] Light

Like right now.

[21:28] Light

Even right now, I'm having fun
with this battle that we're having!

[21:40] Light

I play another Swiftblade Dragonewt!

[21:43] Light

Its effect causes it to evolve!

[21:48] Light

I understand you now.

[21:50] Light

The "everything" you know isn't everything.

[21:53] Light

So the answers you "find" aren't right.

[21:56] Arc Ruler

Weren't you listening?

Even if you win this battle—

[22:00] Light

Whatever happens...

[22:09] Light

Whatever happens,

I'll never give up on a battle.

[22:13] Light

Even if it's scary or painful...

[22:15] Light

Even if I know I'm gonna lose...

[22:17] Light

I'll keep moving forward!

[22:20] Arc Ruler

Damn it.

[22:21] Arc Ruler

Stop looking like that.

[22:24] Arc Ruler

Stop, I say.

[22:36] Light

Tribunal of Good and Evil?

[22:38] Light

Its Fanfare effect and its

Last Words both triggered?

[22:43] Arc Ruler

What is this bug?

[22:45] Arc Ruler

Why am I seeing this?

[22:57] Arc Ruler

Just who are you?

[23:00] Light

Arc Ruler?

[23:02] Arc Ruler

I still have...

[23:04] Arc Ruler

I still have three Omens.

[23:11] Arc Ruler

I'm done playing games. You upset me.

[23:15] Arc Ruler

I will destroy you.

[23:16] Arc Ruler

Before I destroy all of humanity.
