SIGN I'll Overcome My Fate!

[01:39] Wolfram

Your words are empty and without value.

[01:42] Wolfram

Merely the words of a child
who has no burdens!

[01:45] Wolfram

The effect of the amulet card
Armageddon Blade activates.

[01:49] Wolfram

At the start of my turn, I add the spell card
Condemnation: Guilty to my hand.

[01:54] Wolfram

Now, worship my great cause,
which is far different from your pathetic will.

[01:58] Wolfram

The blade bathed in the
seven virtues comes to me.

[02:03] Wolfram

Annihilate the heavens.

[02:05] Wolfram

Jamioral, Commander
of the Seven Planets.

[02:12] Wolfram

Its effect activates, adding a
Judgment Knight to my hand.

[02:17] Wolfram

And if I have Gilteral, Ruler of the
Seven Sins in play, I restore 1 EP.

[02:25] Wolfram

I play Judgment Knight.

[02:28] Wolfram

Its effect activates.

[02:31] Wolfram

The Jamioral, Commander of the
Seven Planets I have in play

[02:34] Wolfram

can no longer be destroyed
by effects nor banished.

[02:37] Wolfram

Light Tenryu, you should've been the one...

[02:43] Wolfram

to save the world.

[02:46] Wolfram

The savior.

[02:49] Wolfram

But you couldn't do it.

[02:51] Wolfram

No, you *chose* not to be the savior,
even though you had the right.

[02:55] Wolfram

Because of your laziness. Your sloth.

[02:58] Wolfram

If you had the power to judge sins,

[03:01] Wolfram

and the will to have a great cause,

[03:04] Wolfram

you could have changed the world.

[03:07] Light

Jamioral's on-evolve effect?

[03:09] Wolfram

Since you failed to be
who you should've been,

[03:12] Wolfram

I will destroy the world.

[03:15] Wolfram

I will destroy *you!*

[03:18] Light

Counterattack!

[03:19] Wolfram

As long as Apocalypse Sword is in play...

[03:22] Wolfram

Jamioral takes zero damage.

[03:26] Wolfram

If only someone other than you
had been chosen instead...

[03:35] Wolfram

maybe events would've been different.

[03:38] Wolfram

The effect of the amulet card
that Jamioral's effect put in play,

[03:41] Wolfram

Apocalypse Sword, activates.

[03:44] Wolfram

At the end of my turn, I add the spell card
Ruling: Judgment to my hand.

[03:50] Wolfram

And then, Gilteral's effect activates.

[03:53] Wolfram

If I have Jamioral in play,
my leader recovers 7 defense.

[03:59] Wolfram

If you had faced your own sin of weakness,

[04:01] Wolfram

you could have achieved your
great cause and become the savior

[04:05] Wolfram

you were supposed to be.

[04:07] Light

I can't be anyone but myself.

[04:09] Wolfram

And that makes you weak!

[04:10] Light

I don't live my life thinking
there's something I *have* to do!

[04:13] Light

I live my life thinking
there are things I *want* to do!

[04:17] Light

I want my words to reach you.

[04:19] Light

I want to stay with everyone.

[04:22] Light

To be true to myself, and to be honest.

[04:27] Light

I want to enjoy Shadowverse forever.

[04:31] Light

That's how I feel.

[04:33] Light

Nobody forced me to feel this way.
It's how I feel on my own!

[04:37] Light

True Arms Swiftblade Dragonewt's
effect activates.

[04:41] Light

If I have another True Arms
follower in play, it evolves.

[04:45] Light

True Arms Swiftblade Dragonewt
attacks Judgment Knight.

[04:49] Light

Its on-attack effect triggers,
doing 3 damage to the enemy leader!

[04:55] Wolfram

How many times must I tell you that
I don't care about your feelings?

[04:59] Light

There's nothing to be gained from
trampling on people's feelings.

[05:05] Light

True Arms Swiftblade Dragonewt
takes no combat damage.

[05:11] Wolfram

So is this world right, then? This world
filled with unfairness and inequality?

[05:16] Light

I won't say it's "right."

[05:18] Light

But I think everyone has their
own ideas of what's right and wrong.

[05:23] Light

Your "right" isn't "right" for everyone.

[05:27] Light

True Arms Dualblade Dragonfolk
has Storm and can attack twice.

[05:31] Light

It attacks your leader.

[05:35] Wolfram

So are you saying *you're* right, then?

[05:38] Light

I'm "right" to me!

[05:40] Wolfram

The world doesn't need
your childish version of "right."

[05:43] Wolfram

Why can't you understand that
you're just being a selfish child?

[05:47] Wolfram

Why do you refuse to accept
absolute fairness and equality?

[05:50] Light

Fairness and equality are wonderful things,
but you shouldn't have them forced on you.

[05:56] Light

You should pursue them
because you want them.

[05:59] Light

I can't be the person you want me to be.

[06:03] Light

I'm bad with words and
I'm no good at smiling.

[06:06] Light

And I'm sure there are a lot of people
who are better at Shadowverse than me.

[06:10] Light

I'm weak. But... But...

[06:14] Light

Even if I can't be the strongest savior...

[06:17] Light

I can be the strongest me!

[06:20] Wolfram

Are those your ideals?

[06:23] Wolfram

Your selfish conclusion?

[06:25] Light

If nothing else, it's a lot better than having
you force your ideals forced on me.

[06:29] Light

Wolfram, you're binding and twisting
other people and yourself with your ideals.

[06:35] Light

You're not really looking
at others or yourself.

[06:39] Light

I'm right here.

[06:41] Light

You're right there.

[06:42] Light

So I'm looking at you.

[06:44] Light

But you're not looking at me.

[06:47] Light

It's like you're facing me and the world,
but just talking to yourself the whole time.

[06:53] Light

I've told you what I want.

[06:56] Light

To enjoy Shadowverse,

and for you to hear my words.

[07:00] Light

Wolfram, what is *your* wish? Your *own* wish?

[07:05] Light

Equality. Fairness.

[07:07] Light

Are those really the things you wish for
from the bottom of your heart?

[07:12] Light

Answer me, Wolfram Zerga!

[07:16] Wolfram

Shut up.

[07:18] Wolfram

Tell you my wish?
If I do, will it come true?

[07:23] Wolfram

Armageddon Blade's effect activates,

[07:26] Wolfram

and at the start of my turn, I add the
spell card Judgment: Guilty to my hand.

[07:32] Wolfram

My wish? My wish, you say?

[07:34] Wolfram

How dare you.

[07:36] Wolfram

My wish is far greater than a child's wish.

[07:41] Wolfram

So make it come true.

[07:49] Wolfram

Bring him back to life.

[07:52] Wolfram

Take me back to that alley
so I can see him again.

[07:57] Wolfram

Spell Card: Judgment: Guilty.

[08:00] Wolfram

My opponent discards their entire hand.

[08:04] Wolfram

And my leader gains a new effect.

[08:09] Wolfram

You're just a child who knows nothing.

[08:12] Wolfram

Don't try to find out who I am.

[08:15] Wolfram

Someone like you has no right
to look inside my heart.

[08:18] Light

You call me a child, but I understand now.

[08:22] Light

You're the child.

[08:26] Light

I can tell that ever since that last day
you spent with the person you cared about...

[08:35] Light

time has stopped for you.

[08:39] Wolfram

What if it has?

[08:41] Wolfram

Can you bring that day back?

[08:44] Wolfram

I play the spell card Ruling: Judgment.

[08:49] Wolfram

It banishes all enemy followers.

[08:57] Wolfram

And it gives my leader a new effect.

[09:00] Wolfram

This world is unequal. That's why
he and I were born and raised differently.

[09:06] Wolfram

This world is unfair.

[09:08] Wolfram

That's why I lived and he died.

[09:11] Wolfram

If it was equal and fair,
that wouldn't have happened.

[09:15] Wolfram

Am I wrong?

[09:16] Wolfram

Is what I'm saying wrong?

[09:22] Light

The leader effect given to me
by True Dragon Meditation activates.

[09:26] Light

The next damage my leader takes
will be reduced to zero.

[09:29] Light

I don't know if what you're saying is wrong.

[09:33] Light

But you said you wanted fairness and
equality for the sake of the world

[09:36] Light

and for the sake of humanity,

[09:38] Light

as if your own will didn't matter.

[09:42] Light

You pretend to have a great cause,

[09:44] Light

but all you've actually done
is refuse to face yourself.

[09:47] Light

Is what I'm saying wrong?

[09:50] Wolfram

Even if I faced myself,
nothing would come back.

[10:02] Wolfram

You've never lost anything,
which is why you can say those things.

[10:05] Wolfram

You don't know what it's like
to have a wish not come true.

[10:14] Wolfram

You don't know the pain
of being unable to go back.

[10:18] Light

If you can't go back, then go forward.

[10:21] Light

That's what I've always done.

[10:25] Light

I've always gone forward!

[10:27] Light

Your words have finally
helped me to understand you.

[10:31] Light

You've given up. You're stuck.

[10:35] Light

That's not a bad thing.

[10:37] Light

But...

[10:38] Light

In Shadowverse, you go forward
and collide with each other.

[10:42] Light

And you don't know how fun that is!

[10:44] Wolfram

I don't need "fun."

[10:46] Wolfram

It means nothing.

[10:49] Light

No, that's not true! Fun is the
strongest feeling of them all!

[10:52] Light

It's the strongest of energies,
letting you overcome any pain!

[11:01] Light

I'll show you that...

[11:04] Light

in this battle, and in my own way.

[11:26] Wolfram

So you've played it.

[11:28] Light

Arclight Ruler's Enhance effect triggers.

[11:33] Light

I add the spell card

Proof of Truth to my hand.

[11:36] Light

And if I have 1 or more EP,

I add a Lævateinn Dragon to my hand,

[11:41] Light

plus it gains Storm and

it cannot be banished from my hand.

[11:45] Light

Next, I—

[11:46] Wolfram

You play Proof of Truth?

[11:50] Wolfram

Do it. Go right ahead.

[11:52] Wolfram

But it will do you no good.

[11:54] Wolfram

I'll admit to being impressed at how you drew
the legendary card at the perfect time.

[12:00] Wolfram

But that is all you have accomplished.

[12:02] Wolfram

You will lose. You cannot beat me.

[12:05] Wolfram

I have two leader effects.

[12:08] Wolfram

The first is the one that
Armageddon Blade gave me:

[12:11] Wolfram

When I have at least one follower in play,

[12:13] Wolfram

if my leader's defense
falls to zero, it gets reset to 1.

[12:17] Wolfram

And the other one I gained
from Apocalypse Sword:

[12:20] Wolfram

Until my leader takes damage 14 times,
all damage to the leader is set to zero.

[12:25] Wolfram

And there's more.

[12:27] Wolfram

I have the spell cards Condemnation: Guilty
and Ruling: Judgment in my hand.

[12:32] Sign

Condemnation: Guilty

[12:33] Wolfram

If Gilteral is destroyed
during my opponent's turn,

[12:36] Wolfram

I can banish Condemnation: Guilty
and summon another Gilteral.

[12:41] Wolfram

And if Jamioral is destroyed,

[12:41] Sign

Ruling: Judgment

[12:44] Wolfram

I can banish Ruling: Judgment
to summon another Jamioral.

[12:51] Wolfram

And Gilteral cannot be targeted by effects.

[12:55] Wolfram

And if Jamioral is targeted by
an opponent during their turn,

[12:59] Wolfram

the opponent's leader takes 14 damage.

[13:05] Wolfram

And even if you do survive that...

[13:07] Wolfram

On my next turn,
Jamioral and Gilteral will attack, and...

[13:14] Wolfram

So now even you understand.

[13:16] Wolfram

You're certain to lose,
and I'm certain to win.

[13:21] Wolfram

I won't tell you to surrender.

[13:24] Wolfram

You will die here!

[13:35] Light

I understand your strength
more than I even want to.

[13:38] Light

And I also understand how you
feel more than well enough.

[13:42] Light

I choose to fight you with all I've got.

[13:47] Light

Here I go.

[13:48] Light

This is all I have!

[13:51] Light

I play the spell card Proof of Truth!

[13:56] Light

First, I banish my hand
and all my followers.

[14:05] Light

And then...

[14:10] Light

I select one legendary card from
each class and add them to my hand.

[14:19] Wolfram

No matter what you pick,
you will still kneel before this power.

[14:24] Wolfram

Odin. Cassiopeia. Bloody Mary. Dark Jeanne.
Galmieux. Gilnelise. All of them.

[14:31] Wolfram

Every single last one of them will be useless!

[14:40] Light

I...

[14:43] Light

I pick...

[14:46] Subaru

Hey, Light!

[14:49] Club

Light!

[14:50] Club

Light!

[14:51] Club

Light Tenryu!

[14:53] Club

I know you can hear us.

[14:54] Club

Your rhythm is reaching us.

[14:57] Club

You are not alone, Light Tenryu.

[15:02] Light

That's right. What my "all" amounts to is...

[15:11] Light

I've always fought my battles
with you beside me.

[15:15] Draconir

Not just me.

[15:19] Light

Yeah. You've all been here with me.

[15:25] Light

This is my last turn. Of my last battle.

[15:28] Draconir

No.

[15:30] Draconir

We're gonna keep battling
for a long, long time!

[15:34] Light

Yeah, you're right.

[15:37] Light

I hope you'll always be
by my side, Draconir.

[15:39] Draconir

I'm always with you, Light!

[15:51] Light

This is my choice.

[15:53] Light

This is my all!

[16:01] Wolfram

The Digital Friends?

That... That alone won't be enough—

[16:06] Subaru

But that's not all.

[16:10] Light

Y-You guys?

[16:12] Light

But how?

[16:13] Subaru

Call it the power of friendship, I guess.

[16:16] Itsuki

After you disappeared,

Arc Ruler came to us and said...

[16:22] Tsubasa

...that there was still

something we could do.

[16:26] Shion

Using Arclight Ruler's power,

[16:29] Shion

all card data can be summoned

anywhere in any dimension.

[16:33] Shion

And that "all" includes the

Digital Friends, of course.

[16:38] Ren

The Digital Friends and we

possess a strong, special bond.

[16:42] Ren

So...

[16:43] Mikado

So if Arclight Ruler's power were

used to summon the Digital Friends,

[16:49] Mikado

we would also be summoned...

[16:51] Ryoga

...across time and space.

[16:53] Ryoga

Not a bad jam session, huh?

[16:55] Subaru

So, Wolfram Zerga...

[16:59] Subaru

The battle's just getting started!

[17:03] Wolfram

This... This...

[17:05] Wolfram

This is all you have?

[17:08] Wolfram

A group of people without
the right is your "all"? Absurd!

[17:11] Light

I'm no one special.

[17:13] Light

I'm just a Shadowverse player.

[17:16] Light

I've won some and lost some.

[17:19] Light

I've made mistakes. I've almost given up.

[17:23] Light

But even so, I became the person I am today
because everyone was with me.

[17:28] Light

That's why I've always been
able to love Shadowverse!

[17:31] Light

So everyone...

[17:32] Light

The time I spent with everyone...

[17:34] Light

is my "all," Wolfram Zerga!

[17:38] Light

Proof of Truth has a True ability.

[17:42] Light

If I have 1 or more EP, I can spend it...

[17:48] Light

setting the cost of all of
the cards in my hand to zero,

[17:51] Light

and giving them all a new effect.

[17:56] Light

Here I go!

[17:57] Light

Draconir!

[18:15] Light

I'm counting on you, Demonium.

[18:26] Ryoga

Make it loud.

[18:28] Light

Yeah. Leave it to me.

[18:30] Both

Demonium's effect triggers,
giving my leader a new effect!

[18:35] Light

And then, I play Slade!

[18:50] Itsuki

I'll put every bit of gratitude
I have into this.

[18:53] Light

Yeah. Me, too.

[18:55] Both

Slade's effect activates.

[18:57] Both

One enemy follower has its attack
and defense reduced to 1.

[19:02] Both

And my leader recovers
that same amount of defense.

[19:04] Wolfram

Jamioral's effect triggers.

[19:07] Wolfram

When this follower is targeted,
the enemy leader takes 14 damage.

[19:27] Light

The effect given to me
by Demonium activates.

[19:30] Light

When my leader is damaged,
5 damage is done to all enemy followers.

[19:37] Light

And 3 damage is done to the enemy leader!

[19:44] Wolfram

Not enough. Nowhere near enough.

[19:48] Light

I'm not done yet.

[19:52] Light

Tsubasa.

[19:53] Tsubasa

Hang in there.

[19:55] Tsubasa

It's time for you and Wingy to shine, right?

[19:58] Light

Yeah!

[20:00] Light

I play Wingy!

[20:14] Both

Wingy's effect activates.

[20:17] Both

One follower of mine gains Ward.

[20:20] Both

And if its cost is 2 or less,
it also gains Storm.

[20:23] Light

Next, I play Baccherus!

[20:38] Subaru

Let's do this.

[20:39] Itsuki

Yeah, let's give it our all.

[20:41] Tsubasa

Let's make it flashy.

[20:43] All

Slade, Wingy, and Baccherus
all have Storm, and attack your leader!

[20:53] Wolfram

Useless. It's useless!

[21:00] Wolfram

This won't...

[21:07] Light

Draconir's effect activates.

[21:09] Light

Each time a follower attacks,
the enemy leader takes 1 damage.

[21:18] Wolfram

This can't...

[21:21] Wolfram

This can't possibly...

[21:23] Light

It *will* reach you! I promise!

[21:25] Light

The effect given to me
by Proof of Truth activates.

[21:28] Light

When I have zero attacks left,
it returns to my hand.

[21:32] Light

And then, Slade's effect activates!

[21:34] Light

When returned to my hand,

[21:36] Light

it reduces the cost of all cards
with a cost of 5 or more in my hand by 1.

[21:40] Light

Let's end this.

[21:42] Light

Everything that's come before...

[21:44] Light

Everything that will come after...

[21:46] Light

And...

[21:48] Light

I will overcome my fate!
