[02:07] Sunraku

You were really strong...

[02:09] Sunraku

But I've seen enough of your
attacks for a lifetime...

[02:13] Sunraku

And your blade won't reach me ever again.

[02:18] Sunraku

The ultimate strike has been solved.

[02:25] Wethermon

Brilliant.

[02:29] Wethermon

You have broken through my ultimate strike.

[02:35] Wethermon

As "Clear Sky" transformed into
my ultimate, "Sky Clear"...

[02:42] Wethermon

So, again, do the words transform...
to describe your talent.

[02:57] Wethermon

"It is as clear as a cloudless sky."

SIGN The World Progresses, the Heroes Are Revealed

[03:06] Sunraku

Wait, was that a stupid pun?

SIGN Sky clear = Clear as the sky

[03:12] Sunraku

Er, that just slipped out.

[03:21] Wethermon

Setsuna said that to me often, as well.

[03:31] Wethermon

I say it again. Your talent is clear.

[03:34] Wethermon

Well done, descendant of the first pioneers.

[03:38] Sunraku

I thought he was totally insensate,

[03:42] Sunraku

but he actually reacted to me...

[03:49] Oikatzo

What, it's not over yet?!

[03:50] Pencilgon

No.

[03:51] song

*Into the gap between moments
spills a single wish*

[03:53] Pencilgon

He's reached his limit.

[04:10] song

*Distant days, so blurred
by tears they can't be seen*

[04:29] song

I carry the light of your love in my heart

[04:36] Wethermon

My body... fails.

[04:45] Wethermon

I will sleep.

[04:47] song

[06:01] Setsuna

I can't thank you enough.

[06:04] Setsuna

My wish...

[06:06] Setsuna

No, the wish of the Setsuna
of the long-distant past

[06:11] Setsuna

has been granted at long last.

[06:14] Sunraku

That's a weird way of putting it...

[06:16] Oikatzo

You're making it sound like
you're not really Setsuna.

[06:20] Pencilgon

Set-chan?

[06:22] Pencilgon

You *are* Setsuna, aren't you?

[06:28] Setsuna

Well, Arthur...

[06:30] Setsuna

It's true that I am Setsuna.

[06:33] Setsuna

But I'm not quite the
Setsuna who died that day.

[06:39] Setsuna

Setsuna's wish...

[06:41] Setsuna

"If my dearest love becomes
tied down by my death,

[06:46] Setsuna

find a way to stop him."

[06:49] Setsuna

I'm a remnant of her,
produced by those feelings.

[06:54] Setsuna

Like a manuscript, perfectly replicated,
right down to the handwriting.

[07:01] Sunraku

A remnant of the past, embodying the
real Setsuna's wish from long ago?

[07:08] Sunraku

Like a copy-paste of herself or something?

[07:13] Sunraku

That explains the whole "Setsuna
of Bygone Days," I guess...

[07:19] Setsuna

I am a remnant of Setsuna.

[07:21] Setsuna

I'm meant to disappear
once my role is fulfilled.

[07:24] Pencilgon

Wait! Set-chan!

[07:26] Setsuna

Don't be sad, Arthur.

[07:29] Setsuna

This was always going to happen,
once the world granted her wish.

[07:36] Setsuna

You are pioneers,

[07:38] Setsuna

the descendants of the Second Plan.

[07:40] Setsuna

You exist to throw open this world.

[07:43] Setsuna

If you wish to know of your roots...
of the truth of this world...

[07:52] Setsuna

Seek out "Bahamut."

[07:56] Oikatzo

Bahamut?

[07:58] Sunraku

Never heard of it, Katzo?

[07:59] Sunraku

It's basically a big fish that people treat like a dragon.

[08:02] Oikatz

Yeah, I know what a freaking Bahamut is!

[08:04] Oikatz

But what's it mean in the context of *this game*?

[08:08] Pencilgon

There's no monster in *SLF* called Bahamut, that I know of.

[08:12] Pencilgon

Set-chan, could you explain—

[08:16] Setsuna

You should find that answer on your own.

[08:19] Setsuna

That's what it means to throw open the future, after all.

[08:24] Setsuna

Arthur.

[08:26] Setsuna

Let me speak to you now, not as Setsuna,

[08:29] Setsuna

but as myself.

[08:33] Setsuna

Thank you for always coming to see me.

[08:37] Setsuna

[11:45] Library A

I just hope his wife's logged in.

[11:48] Library D

But what's the "world story" they mentioned in the GM announcement?

[11:53] Library C

Yeah, never heard that term before...

[11:54] Library E

It's safe to assume it's different from the regular story, right?

[11:59] Library E

If the regular story usually involves working with NPCs to explore the world,

[12:03] Library E

the "world story" must mean the world itself proceeding to a new stage, right?

[12:09] Library C

If that's the case, we could have some big changes in store!

[12:13] Library C

You think we should ask Schwarz Vulf to sniff around for us?

[12:16] Library A

I think we should look into Wethermon the Tombguard first.

know what it could be!

[24:19] Emul

But there was a vorpal bunny who
spotted the White Cloth Ghost!

[24:23] Emul

I got his story!

SIGN Horror! Undulating White Cloth Ghost!!

[24:26] Peatz

Oh, that was the thing I sold to that bird-man.

[24:30] Peatz

So I guess it had to be that bird-man...

[24:33] Peatz

Which means you had to be
there with him, right, Sis?

[24:37] Peatz

Oh? Well, I'd bet the bubbling

part would've been because

[24:41] Peatz

the bird-man was jumping and you
were under the cloth panicking—

[24:46] Emul

There's no need to tell them all that!

SIGN We are experiencing technical difficulties

[24:49] Peatz

Hey! Sis, you hit me in the head!

[24:51] Emul

Besides, I wasn't panicking!

[24:53] Emul

Sunraku-san just said "It would be
faster to run along the rooftops"

[24:56] Emul

and then he did a somersault, so I
was just trying to get my balance!

[25:00] Peatz

So it was you, Sis!

[25:02] Emul

Vorpal Sister Punch! Indeed!

[25:07] Emul

We had a little bit of white noise there.

[25:09] Emul

The rabbit we spoke to is
no longer fit to be shown.

[25:12] Peatz

How come?!

[25:14] Emul

Now, our next news item!

and make braised eel outta you!

[26:21] Emul

I-I must take action!

[26:24] Emul

My carrots...

[26:25] Emul

I mean, the vorpal carrots must be
protected for the sake of all Rabituzans!

[26:29] Emul

I must rush to the scene at once!

[26:32] Emul

[26:34] Emul
