**[01:30] Bilac**

Th-This is...

**[01:33] Bilac**

Aroncaeth Hard Lapis, the material known as the king of coatings?!

**[01:38] Bilac**

And the "bright star plucked from the heavens," Lapisteria Stellar Crystal?!

**[01:44] Bilac**

Hang on a minute!

**[01:45] Bilac**

You got Lowenanva Amber Crystal, too?!

**[01:47] Bilac**

You don't see 'em at this size very often, either...

**[01:52] Bilac**

Hey, an Amurcidian Quartz!

**[01:57] Emul**

I have no idea what she's talking about.

**[02:01] Sunraku**

There's more where that came from, Bilac!

**[02:04] Bilac**

Crystal Leg?

**SIGN** Crystal Talon, Carapace, Leg, Pincer

**[02:05] Bilac**

Crystal Carapace?

**[02:06] Bilac**

Crystal Pincer?!

**[02:08] Sunraku**

I got the complete Crystal Scorpion set!

**[02:13] Bilac**

You saying you really went  
to the land of the crystals?!

**[02:17] Bilac**

All these rare materials are  
gonna make my head explode!

**[02:21] Emul**

He failed to retrieve the Crystal Scorpion  
Stinger, though, so that isn't—

**[02:26] Sunraku**

Here! Good little girls  
gotta eat their carrots!

**[02:31] Sunraku**

So, Bilac, I gotta know...

**[02:34] Sunraku**

What kind of weapon can you make  
with all these amazing materials?!

**[02:38] Bilac**

I never had any interest in gemstones  
outside of their material value, but...

**[02:48] Bilac**

When you've got a gem of this quality  
right in front of your eyes...

**[02:51] Bilac**

It's hard not to feel pretty delighted.

**[02:57] Bilac**

I think I finally get  
how the Cait Siths feel!

**[03:18] Bilac**

The heck was that about?!

**[03:21] Sunraku**

I was *asking* what you could make with 'em!

**[03:26] Bilac**

Right. Well...

**[03:28] Bilac**

For sure, I can sure make weapons outta  
the Crystal Scorpion parts and the ore...

**[03:33] Sunraku**

Yes, yes.

**[03:35] Bilac**

But gems like these are better  
off being made into accessories.

**SIGN** Smith

**[03:39] Bilac**

Which means it's less a  
job for a smith like me

**[03:42] Bilac**

and more a job for a jeweler.

**SIGN** Jeweler

**[03:43] Sunraku**

A jeweler?

**[03:46] Bilac**

You know those little items that  
produce effects when you slap 'em on?

**[03:49] Bilac**

Jewelers specialize in making  
the kind that incorporate gems.

**[03:55] Sunraku**

Oh, so they make accessories?

**[03:59] Sunraku**

So? Any jewelers here in Rabituza?

**[04:02] Sunraku**

*Not another of Emul's sisters, I hope?*

**[04:06] Bilac**

Sorry, but there aren't any jewelers in Rabituza.

**[04:09] Sunraku**

Aw, for real?

**[04:11] Sunraku**

Wait, it's not a rare job  
or something, is it?!

**[04:13] Sunraku**

What the hell?!

**[04:15] Sunraku**

All my great stuff is  
gonna go to waste, then!

**[04:17] Bilac**

Would you let me finish?

**[04:19] Bilac**

I've got a connection  
that can make it happen.

**[04:22] Bilac**

Though...

**[04:24] Bilac**

I really hate asking that guy for stuff...

**[04:30] Bilac**

Still, my pride as a blacksmith...  
as a craftsman...

**[04:34] Bilac**

bristles at letting these  
wonderful things go to waste.

**[04:40] Sunraku**

Quit putting on airs and call him in already!

**[04:43] Bilac**

All right. I guess I gotta.

**[04:46] Bilac**

I'll call him in, then.

**[04:48] Bilac**

Hey, Ignoramus. C'mon in.

**[04:52] Sunraku**

Shouldn't you call louder?

The guy's not in the next room, right?

**[04:56] Aramiys**

You called, my beauteous raven-haired lady?!

**[04:59] Sunraku**

Freaking hell!

**[05:03] Aramiys**

Were I tumbling into a bottomless ravine...

**[05:07] Aramiys**

You need only call my name,  
and I would appear at your side!

**[05:12] Sunraku**

The hell am I looking at?

**[05:16] Aramiys**

I am the Swordsmaster!

**SIGN** Swordsmaster

**[05:36] Sunraku**

And this windbag is the jeweler?

**[05:38] Bilac**

Nah, not him.

**[05:40] Bilac**

And you can just call him Ignoramus.

**[05:43] Aramiys**

And I believe you are...  
my lovely maiden's sister!

**[05:46] Emul**

Yes, Emul!

**[05:48] Emul**

And this is Sunraku-san!

**[05:50] Aramiys**

Now, how might this unworthy  
Aramiys serve you, milady?

**[05:55] Aramiys**

At your word, fair creature,  
I would challenge Lycagon itself!

**[05:59] Bilac**

Hey, great idea.  
Go dash yourself on that rock...

**[06:03] Bilac**

At least, that's what I'd like to say,

**[06:05] Bilac**

but I got a favor to ask you today.

**[06:07] Aramiys**

A favor? You have need of me, milady?!

**[06:09] Bilac**

I want you to ask your  
jeweler buddy, D'Arnyaata,

**[06:12] Bilac**

to whip up some accessories.

**[06:14] Aramiys**

Oho?

**[06:16] Bilac**

And I'm not talking any old accessories.

**[06:19] Bilac**

I'm talking about a masterwork.

**[06:23] Aramiys**

My, what a truly spectacular  
collection of jewels!

**[06:27] Emul**

Sunraku-san here collected them!

**[06:30] Sunraku**

'Sup?

**[06:32] Aramiys**

I first took you for a birdman,  
but you've the body of a human...

**[06:36] Aramiys**

Though I've never heard of a  
human with the head of a bird...

**[06:39] Sunraku**

I'm human, okay?

**[06:41] Bilac**

Not just any human, though.

**[06:44] Bilac**

He's been declared worthy  
by the Night Emperor,

**[06:46] Bilac**

he beat the Eternal Gravekeeper,

**[06:48] Bilac**

and he's Pops's underling.

**[06:52] Aramiys**

This human did that?

**[06:55] Aramiys**

You'll have to forgive me

**[06:58] Aramiys**

if I harbor doubts.

**[07:10] Aramiys**

I see.

**[07:12] Aramiys**

I suppose it *is* true!

**[07:15] Sunraku**

Is this guy for real?!

**[07:16] Bilac**

You lousy feline!

**[07:18] Bilac**

Quit screwing around in my sacred forge!

**[07:22] Emul**

Sunraku-san! Are you all right?

**[07:25] Aramiys**

Ah, fair lady! Your expressions  
of love do pain me so!

**[07:29] Aramiys**

A bit more to the right! Ow, ow, ow!

**[07:33] Aramiys**

Now, if I may, birdman of the blue...

**[07:35] Aramiys**

Rather, Sunraku-dono...

**[07:38] Aramiys**

May I assume you wish me to  
use *all* of these gemstones?

**[07:43] Sunraku**

Yeah... I guess the only other  
option is selling 'em, so...

**[07:48] Sunraku**

Take good care of 'em, Aramiys.

**[07:50] Aramiys**

It shall be done!

**[07:52] Aramiys**

This unworthy vice-captain  
of the Musketeers in Boots,

**[07:55] Aramiys**

the Wild Wind, Aramiys,

**[07:58] Aramiys**

shall see you the finest  
of accessories crafted.

**[08:03] Aramiys**

Kiss!

**[08:09] Bilac**

The hell you think you're doing?!

**[08:14] Aramiys**

I shall see you anon!

**[08:19] Sunraku**

He disappeared.

**[08:20] Emul**

A teleportation spell!

**[08:22] Bilac**

Frickin' Ignoramus.

**[08:24] Bilac**

I really hate that guy.

**[08:27] Sunraku**

Um, mind if I ask how  
you two know each other?

**[08:31] Bilac**

Huh?

**[08:32] Bilac**

I made a weapon for the jerk once. That's it.

**[08:36] Emul**

He's the vice-captain of the  
kingdom of Cait Siths, Cazzeria!

**[08:40] Emul**

He's much stronger than he  
appears at first glance!

**[08:43] Sunraku**

Yeah, I'll bet.

**[08:44] Sunraku**

I don't think he put his  
all into that attack, even.

**[08:47] Sunraku**

And he did call himself "Swordsmaster"...

**[08:50] Bilac**

Well, if we're talking  
pure fighting ability,

**[08:52] Bilac**

he's probably got me beat.

**[08:55] Sunraku**

Kingdom of the Cait Siths, Cazzeria, huh?

**[08:59] Sunraku**

I'd love to ask more questions about that,  
but I'm pretty tired all of a sudden.

**[09:04] Sunraku**

I think I'll get some rest.

**[09:06] Emul**

Oh?

**[09:07] Emul**

Well... if you're tired,  
then I suppose you must...

**[09:13] Sunraku**

I'll take a quick nap, then come right back.

**[09:16] Sunraku**

And once I'm back, we'll seriously start  
searching for the magic operations unit.

**[09:20] Sunraku**

Gotta make an Ancient Craftsman  
out of Bilac, after all!

**[09:23] Emul**

Yes indeed!

**[09:24] Bilac**

You're a real bundle of energy, too, huh?

**[09:40] Rakuro**

So tired...

**[09:44] Rakuro**

Guess I'll log in again this evening...

**[09:48] Rakuro**

Huh? Got some emails...

**[09:52] Oikatzo**

*Hey, got a question for you!*

**[09:54] Oikatzo**

*Where are you right now?*

**[09:55] Oikatzo**

*There's a thing I wanna  
meet up and talk about!*

**[10:00] Pencilgon**

*Question for Sunraku-kun!*

**[10:02] Pencilgon**

*Where are you right now? Fivelle?*

**[10:05] Pencilgon**

*I'd like to meet up with you and  
discuss something in person.*

**[10:08] Pencilgon**

*You free this evening?*

**[10:10] Rakuro**

What the heck?

**[10:12] Rakuro**

Even a carnivorous plant is more subtle...

**[10:16] Rakuro**

The hell are those two plotting now?

**[10:20] Rakuro**

Well, either way,  
I've used too much brainpower.

**[10:25] Rakuro**

Gonna sleep now.

**[10:37] Sunraku**

Okay!

**[10:38] Sunraku**

That little nap was just what I needed!

**[10:41] Sunraku**

Let's resume the plan to cultivate Bilac!

**[10:45] Emul**

The goal: become an Ancient Craftsman!

**SIGN** Ancient Craftsman

**[10:47] Oikatzo**

Harrumph! Harrumph!

**[10:47] Pencilgon**

Hmph! Hmph!

**[10:47] Sunraku**

I sorta ended up ignoring  
their emails, but...

**[10:52] Sunraku**

Well, whatever.

**[10:54] Sunraku**

It was probably just gonna  
be annoying stuff anyway.

**[10:57] Sunraku**

Let's start by rounding up Bilac.

**[11:01] Sunraku**

Gotta get that magic operations unit  
from the Ruins of Past Glories!

**[11:05] Emul**

Ah, there's something I must  
tell you regarding that...

**[11:10] Aramiys**

Milady!

**[11:11] Aramiys**

Though I am ever pleased by the  
feel of your foot upon me...

**[11:14] Aramiys**

It really does hurt!

**[11:16] Bilac**

I'm trying to put you, and the world,  
out of our collective misery!

**[11:22] Aramiys**

Ouch! That's my spine!

**[11:26] Sunraku**

What's with this married

couple comedy routine?

**[11:29] Bilac**

Who the hell are you calling a couple?!

**[11:31] Sunraku**

Speaking of, Aramiys.

Didn't you go back to Cazzeria?

**[11:36] Sunraku**

What'd you do with my jewels?

**[11:38] Aramiys**

Rest easy, friend!

**[11:40] Aramiys**

I have delivered your jewels  
to their best destination,

**[11:42] Aramiys**

the jeweler D'Arnyaata!

**[11:45] Aramiys**

Then I returned to lend  
aid to my fair maiden!

**[11:50] Aramiys**

She is embarking on a journey to  
the wild frontier, is she not?

**[11:55] Aramiys**

If so...

**[11:56] Aramiys**

Then I, Wild Wind Aramiys,

**[11:59] Aramiys**

am obliged to offer my aid!

**[12:01] Sunraku**

Which means... what?

**[12:03] Emul**

It appears he intends to accompany us.

**[12:06] Sunraku**

For real?

**[12:08] Sunraku**

Bilac said he was stronger than her...

**[12:11] Sunraku**

Would having another post-level-90 character  
take the challenge out of things?

**[12:16] Sunraku**

I gotta think about this one...

**[12:20] Bilac**

I'd leave him behind if I could,

**[12:22] Bilac**

but he's gonna tag along,  
no matter what we say.

**[12:26] Bilac**

Apparently the Cait Siths'

king heard about you,

**[12:30] Bilac**

and got a whole head of steam  
about not just making accessories,

**[12:32] Bilac**

but putting the whole force  
of Cazzeria behind you.

**[12:36] Sunraku**

Huh?

**[12:37] Sunraku**

Why would he do that?

**[12:39] Bilac**

Cazzeria and Rabituza are sworn allies, see?

**[12:42] Bilac**

Being Pops's underling is a bigger  
deal than you probably thought.

**[12:47] Bilac**

Plus, you beat one of the Colossi.

**[13:06] Bilac**

I'm guessing you still don't grasp  
how much pull that gives you.

**[13:12] Aramiys**

My will is the will of Cazzeria itself!

**[13:17] Aramiys**

Stand back as I slay all  
who stand in milady's way!

**[13:24] Bilac**

Cait Siths love their gemstones, see?

**[13:27] Bilac**

Their jewelers, especially,  
are skilled as hell,

**[13:31] Bilac**

but they're famous for pocketing  
the materials you give 'em.

**[13:33] Sunraku**

Huh? What the heck?!

**[13:36] Bilac**

I listed your accomplishments  
to try to head that off,

**[13:41] Bilac**

but it looks like it came with  
a real pain-in-the-ass price.

**[13:43] Aramiys**

Now, Sunraku-dono!

**[13:45] Aramiys**

We must begin, post-haste!

**[13:46] Aramiys**

Let us lead milady to ever-greater heights!

**[13:49] Sunraku**

By the way, what else might my "pull" get me?

**[13:54] Bilac**

Well, you got the Night Emperor's  
approval tattooed on you,

**SIGN** Werewolf

**[13:58] Bilac**

so you could land yourself a  
werewolf or lizardman bride.

**[14:04] Sunraku**

Hey, can we not?

**[14:07] Bilac**

Well, other than that...

**[14:09] Bilac**

If you're not careful, you could start a war.

**[14:14] Sunraku**

C'mon, I'd never do that.

**[14:16] Sunraku**

I'm a pure, righteous player, here.

**[14:21] Bilac**

Well, either way, you'd better come  
to grips with what you've done,

**[14:25] Bilac**

or things could get messy real quick.

**[14:28] Bilac**

I'm just telling you to be careful.

**[14:31] Sunraku**

Sure...

**[14:33] Bilac**

Hey, Ignoramus! Time to haul ass!

**[14:36] Bilac**

Are you ready or not?!

**[14:37] Aramiys**

But of course, milady!

**[14:39] Aramiys**

Say the word and it is done!

**[14:42] Emul**

This has become quite a grandiose matter!

**[14:45] Sunraku**

Yeah...

**[14:46] Sunraku**

But meh, I'm sure it's fine.

**[14:48] Sunraku**

Even if the whole world turns against me...

in other worlds anyway.

Ouch! Ouch!

Chill, you guys!  
You're gonna tear the fabric!

**[15:26] Sunraku**

Sheesh.

**[15:28] Sunraku**

Even moving through town's  
a pain in the ass now.

**[15:31] Sunraku**

Never thought I'd have to  
wear this getup again...

**[15:34] Emul**

Oh, look, they're selling carrots!

**[15:37] Emul**

Might we buy some?!

**[15:38] Sunraku**

You've had plenty already, Emul-chan!

**[15:43] Sunraku**

I got mahni to spare, thanks to  
the Crystal Scorpion battle,

**[15:47] Sunraku**

but conserve those mana potions, got it?

**[15:50] Aramiys**

That hurts!

**[15:51] Bilac**

Knock it off already!

**[15:54] Sunraku**

If you run out, you'll have to  
join us in the robe of hell.

**[16:01] Emul**

Y-Yes, sir!

**[16:03] Sunraku**

Well, it beats walking around  
in the chimera getup.

**[16:08] Sunraku**

At least this thing is  
official game equipment.

**[16:12] Sunraku**

As long as I act confident,  
no one'll suspect a thing!

**[16:18] Bilac**

With that getup, people are gonna  
give you a wide berth anyway.

**[16:23] Sunraku**

Yeah, I'm pretty used to that by now.

**[16:39] Emul**

That one's really staring at us, Sunraku-san!

**[16:42] Sunraku**

Stay cool, Emul!

**[16:44] Sunraku**

Just act like you belong here!

**[16:45] Sunraku**

And you guys, hold still!

**[16:47] Emul**

She's approaching us!

Um... how can I help you, Miss Magical Girl?

**[16:56] Sunraku**

Ah! Are you perhaps wondering  
about this outfit of mine?

**[17:43] Professor**

You match the characteristics of a player  
I've been searching for, you see.

**[17:48] Professor**

Could I have a moment of your time?

**[17:49] Sunraku**

*A magical girl avatar with

**[17:52] Sunraku**

*Is that the gimmick?!*

**[18:48] Sunraku**

*But I kinda wanna get  
where I'm going already...*

**[18:51] Sunraku**

*I've already taken up enough time on detours.*

**[18:54] Sunraku**

*Plus, if info about Emul  
and the others gets out,*

**[18:56] Sunraku**

*it's gonna open up a whole can of worms...*

**[18:59] Professor**

Have you felt it, by chance?

**[19:02] Professor**

The distinctiveness of the  
scenario flags in *SLF*...

**[19:08] Professor**

Unlike a normal game, which guides you  
purposely through a series of events,

**[19:14] Professor**

players must find the carefully hidden flags for themselves.

**[19:20] Sunraku**

That's true.

**[19:22] Professor**

It truly is a game for the pioneer spirit.

**[19:24] Professor**

I've never seen a game with so much to discover.

**[19:28] Professor**

But most intriguing at all is

**SIGN** Sunraku

**[19:31] Professor**

the part that fills the core of the world, the Seven Colossi.

**[19:37] Professor**

They're so difficult to fight that we researchers have hit a wall.

**[19:43] Professor**

So when I heard that someone had slain one of them—Wethermon the Tombguard—

**[19:50] Professor**

my heart danced with joy.

**[19:53] Professor**

Sunraku-kun.

**[19:55] Professor**

Will you join us in exploring the truth of this world?

**[21:37] Narrator**

This world is filled with too many games to count,

**[21:43] Narrator**

though the vast majority simply come and go in obscurity.

**[21:51] Narrator**

The greatest of all games

**[21:54] Narrator**

is the fully immersive VR game boasting over 30 million players worldwide—

**[21:59] Narrator**

*Shangri-La Frontier*, which rightly earns the title of "god-tier game"!

**[22:07] (Flashback) Oikatzo**

Okay, let's do this!

**[22:18] (Flashback) Pencilgon**

Watch me, Set-chan.

**[22:21] Sunraku**

*The truth of this world...*

**[22:24] (Flashback) Setsuna**

If you wish to know of your roots...  
of the truth of this world...

**[22:31] (Flashback) Vysache**

Would you like to know the  
truth of this world, son?

**[22:38] Narrator**

Can the lover of trash games,  
Rakuro Hizutome AKA Sunraku

**[22:44] Narrator**

unlock the truth of this world?!

**[22:57] Narrator**

And there was another  
thing he didn't realize...

**[23:01] Narrator**

That the night of his rematch  
with one of\* SLF \*Seven Colossi,

**[23:10] Narrator**

Lycagon the Nightslayer,  
was not that far off...

Bilac, the Vorpal Bunny blacksmith.

**[23:38] Narrator**

Day after day, she works at her anvil,

**[23:40] Narrator**

dreaming of someday reaching,  
and surpassing, her father's greatness.

**[23:48] Sunraku**

I got you some pretty rare stuff here.

**[23:50] Bilac**

Well... they've got pretty  
good specs, sure...

**[23:54] Bilac**

But my blacksmith instinct is telling me they're not quite right.

**[23:57] Sunraku**

Your instinct is pretty selfish.

**[24:00] Sunraku**

So, what kind of ore would your instinct rather have?

**[24:04] Bilac**

More like... well...

**[24:06] Bilac**

Let's see...

**[24:07] Bilac**

I wanna make an alloy.

**[24:09] Sunraku**

So you need iron ore, huh?

**[24:11] Sunraku**

All right.

**[24:13] Sunraku**

Let's go, Emul!

**[24:14] Emul**

Righty-o!

**[24:17] Emul**

Sunraku-san! You must run faster!

**[24:22] Sunraku**

Okay. We got it.

**[24:27] Sunraku**

You got a problem with this, too?!

**[24:29] Bilac**

Well... if I wanna make stronger weapons, I kinda need gemstones, too...

**[24:35] Sunraku**

Fine, fine.

**[24:36] Sunraku**

I'll get you some gemstones, then!

**[24:38] Sunraku**

Let's go, Emul!

**[24:39] Emul**

W-We're not going *there*, are we?!

**[24:49] Sunraku**

That should... do it, right?

**[24:53] Bilac**

While you were out, I started thinking.

**[24:56] Bilac**

Maybe it'd be better to use monster materials or wood or something.

**[25:02] Sunraku**

I've got better materials right here.

**[25:05] Bilac**

What?

**[25:06] Sunraku**

Ore.

**[25:07] Sunraku**

Gems.

**[25:08] Sunraku**

And a head as hard as either of them!

**[25:18] Sunraku**

Don't totally change directions  
right before the job!

**[25:22] Bilac**

You're the one who said you  
wanted the ultimate weapon!

**[25:26] Emul**

W-W-Wait, you two!

**[25:28] Emul**

Please, no fighting!
