[00:43] K

Immortality...

SIGN <Inside of the system, you can no longer die.>

[00:46] K

Immortality?!

[00:48] K

Is that allowed?!

[00:50] K

That's like the ultimate cheat skill
that people all over the world

[00:54] K

through history have been chasing!

[00:58] K

Game over, I win!

[00:59] K

You can do that to me, or this...

[01:01] K

And even a bit of that stuff!

[01:05] K

Da-da-da-da!

[01:06] K

But I'm not dying! Not me!

[01:08] K

Never dead!

[01:11] K

I can even beat Mother now!

SIGN Champion

[01:18] K

I was freaking out so much over
Immortality that I missed this title!

[01:21] K

It says "Champion"! That's the opposite
of how I usually feel!

SIGN Champion:

Obtained Skills

Be recognized as a champion.

Upon visual contact, inflict the "Fear" Heresy effect on others.

A title bestowed on those worthy of being called champions.

[01:23] K

Which is more like a chump peon!

[01:24] K

And on top of that, there's Fear!

[01:26] K

Looks like this li'l spider
is so sexy—er, scary,

[01:30] K

that anyone who sees her
will be knocked out!

[01:32] K

I've finally been recognized
as the champion I am!

[01:36] K

By who, though?

[01:37] D

By an administrator, of course.

[01:41] K

That voice...

[01:44] D

Hi there! It's D again.

SIGN Am I Getting, Ahead Of Myself?

[03:19] D

Hello? You can hear me, right?

[03:22] D

It's, me, D.

[03:25] K

I hear nothing! I hear not
a single thing, not me!

[03:28] D

Oh, would you look at that?

[03:30] D

*I just so happen to have a
spider-destruct button handy.*

[03:33] K

Y'ello? Sorry about that!
Forgive me! Don't press the thing!

[03:37] K

Why do you even have a button like that?!

[03:38] D

It was just a joke.

[03:40] D

*Besides, I wouldn't actually need a button
to turn you into squishy fireworks.*

[03:48] D

Don't worry, though.

[03:49] D

I couldn't bear to see such an entertaining

personality taken out before her time.

[03:54] K

Really?! Wow, thanks!

[03:59] K

Well, good talk!

[04:01] D

Spider-destruct...

[04:02] K

Sorry!

[04:03] D

I'm just teasing, of course.

[04:06] K

What do you even want?

[04:07] D

*I thought I should congratulate
you on your newfound immortality.*

[04:13] D

*Zana Horowas are distinguished
by their immortality.*

[04:17] D

*Although I'm surprised that one
actually managed to evolve.*

[04:22] D

*Congratulations! You're a
one-of-a-kind monster now!*

[04:28] D

Have a round of applause!

[04:30] K

What exactly are you after?

[04:33] D

As I mentioned, I want entertainment.

[04:36] D

But I'm in a good mood today,

[04:38] D

*so I thought I could do you a favor,
and enlighten you about a few things.*

[04:42] K

Really?!

[04:44] K

Then why did I reincarnate in
this world in the first place?

[04:48] D

Allow me to explain!

[04:50] D

You died in Japan, on Earth.

[04:52] K

So I really did die.

[04:55] K

How'd that happen?

[04:57] D

*It has to do with something the previous
Hero and Demon Lord got up to.*

[05:02] D

*The two of them were prodigious
masters of Dimensional Magic,*

[05:06] D

*and created magic that let them
escape the boundary of this world.*

[05:11] K

What the hell's that? Sounds sweet.

[05:13] D

Very.

[05:15] D

*The problem is, the system's support
doesn't extend to outside of the system.*

[05:20] D

*And without that support, they were unable
to control the complex transcription*

[05:24] D

that allowed them to go beyond this world.

[05:26] D

*Because of that, the spell
went out of control,*

[05:29] D

*and in the location outside of the
world that they managed to contact...*

[05:32] D

*Well, as a result, the point outside their
world they were able to reach—Japan,*

[05:34] D

on Earth—there was an explosion.

[05:39] K

And that must have been...

[05:41] D

*Exactly! The classroom in
the school you were in.*

[05:44] K

These guys sound like a
real pain in the butt!

[05:46] D

Oh, very.

[05:48] D

The Hero and the Demon Lord go crazy,

[05:51] D

and I end up having to inspect the system that had been working fine,

[05:54] D

with no help, since I got it up and running...

[05:56] K

Wait, you just let it run by itself?!

[05:57] K

That's a classic lazy developer move!

[05:59] D

The regular administrators are the ones who are supposed to actually take care of the world.

[06:03] D

I'm just an outsider who proposed the system.

[06:07] K

You seem to be pretty... administery, in spite of all that.

[06:10] D

Well, come on, a bunch of totally innocent high schoolers

[06:14] D

were killed because of the system I created.

[06:18] K

High schoolers? More than one?

[06:21] D

Right.

[06:22] D

There were 25 people lost in the explosion that hit the classroom.

[06:26] D

I collected their souls, left their memories intact,

[06:30] D

and provided them with skills so that they could survive in that world.

[06:34] D

Beyond that, I provided a special skill to each of them, based on compatibility,

[06:38] D

along with making sure that everyone would end up

[06:41] D

as a race that best suited their soul's frequency.

SIGN "Skanda"

[06:44] K

Y-You know I'm a spider, right?

[06:46] D

Well, it must really suit you, then!

[06:50] D

*Almost everyone else reincarnated
as a human, you know.*

[06:52] K

No! Why me?!

[06:54] K

I wanna be a human, too!

[06:57] D

*Still, considering the early start you've got,
you're going to be in the swing of things*

[07:02] D

much faster than everyone else.

[07:04] K

Swinging?

[07:09] D

The others are all still infants.

[07:11] K

Oh, that kind of early start.

[07:14] D

*Even your birth was faster than
it would've been for a human.*

[07:19] K

So I've been growing like crazy while
everyone else is still sucking their thumbs?

[07:25] K

Wait, you said there were 25
people who reincarnated, right?

[07:29] D

Yes, that's right.

[07:30] K

Wouldn't it be 26, including the teacher?

[07:33] D

*Oh, that's because
I didn't reincarnate, myself.*

[07:37] K

Wait, you were in the class?!

Who were you?! What's your name?

[07:41] D

That's a secret!

[07:44] D

Putting my name aside,

[07:46] D

*my presence is what made the Hero and the
Demon Lord's magic affect the classroom.*

[07:52] K

So you're partly responsible.

[07:56] D

*It's likely that they
were trying to kill me.*

[08:00] K

Why?

[08:01] D

*There seems to be a faction that considers
the administrators their enemy.*

[08:05] D

*My theory is that the previous Demon Lord
and Hero were instigated by that group.*

[08:10] K

Well, that was a dumb move.

[08:12] D

*That said, now that you've reincarnated,
you're all free to do whatever you want.*

[08:17] D

*And it's my hope that it
continues to be amusing!*

[08:21] K

Quit watching, seriously.

[08:22] D

*I'll be praying for your
victory against her.*

[08:26] D

*I'd just love it if you managed to survive
to entertain me for another day!*

[08:33] K

This just leaves me with more questions.

[08:42] Hyrince

This village was founded by people
offering shelter and goods

[08:46] Hyrince

to people who intend to take
on the Great Elroe Labyrinth.

[08:50] Fei

Hey, how long do I have to stay hidden?

[08:54] Shun

Just hold on for a bit.

You'd draw too much attention.

[08:58] Fei

Actually, about that, I think—

[09:00] Hyrince

Here we are.

[09:05] Shun

Sorry. We'll finish talking later.

[09:14] Hyrince

It's good to see you again, Goyef-dono.

[09:18] Goyef

Hyrince-sama...

[09:21] Hyrince

This is Goyef-dono, a labyrinth guide.

[09:24] Hyrince

He helped Julius out a few times.

[09:27] Shun

He knew Nii-sama.

[09:28] Hyrince

This is Julius' younger brother, Schlain.

[09:31] Hyrince

He's the real Hero,
following in Julius' footsteps.

[09:34] Shun

My name is Schlain.

[09:39] Goyef

You should all come inside for now.

[09:44] Goyef

Crossing through the Great Elroe Labyrinth
to get to the Ksanagaran continent?

[09:49] Hyrince

Right.

[09:50] Hyrince

The entrance to the labyrinth is
already guarded by imperial soldiers.

[09:55] Hyrince

As you know, we're currently
fugitives from the empire.

[10:00] Katia

But for a crime that we didn't commit.

[10:03] Katia

We were not involved in a plot
to overthrow the kingdom.

[10:07] Hyrince

Would you be willing to help
us enter the Great Labyrinth?

[10:11] Shun

Please!

[10:15] Goyef

I'm sorry, but I can't help you.

[10:18] Hyrince

Goyef-dono...

[10:20] Goyef

I understand that you're all innocent.

[10:24] Katia

Then why—

[10:25] Goyef

If I help you and attract
the empire's attention,

[10:29] Goyef

I'll endanger my family.

[10:33] Goyef

I'm sorry.

[10:38] Basgath

If this coward doesn't wanna help you,

[10:44] Basgath

then I'll do it myself.

[10:46] Goyef

Dad...

[10:48] Basgath

The name's Basgath, and the
spineless one here is my son.

[10:52] Basgath

If the emperor gives you any trouble,

[10:55] Basgath

just tell them a senile old man ran
off before you could stop him.

[10:57] Goyef

But—

[10:59] Basgath

You want a taste of Basgath's
Bastardgath Punch, boy?!

[11:04] Basgath

If you don't mind a washed-up old man
like me showing you the way, I'm yours.

[11:07] Basgath

How about it?

[11:13] Shun

Thank you for helping us.

[11:17] Shun

Fei, once we're ready, we'll head your way.

[11:20] Fei

Before that, could you put Sensei on?

[11:23] Shun

Sensei? Why?

[11:25] Fei

Just do it!

[11:29] Shun

Sensei! Fei wants to talk to you.

[11:32] Fil

With me? I wonder what it could be.

[11:35] Shun

No idea.

[11:40] Basgath

Anyone else here been in the labyrinth before?

[11:43] Hyrince

There's me, and...

[11:45] Anna

I've been once before.

[11:47] Basgath

Good to have the help, lass.

[11:50] Fil

I'm off to see Fei-chan!

[11:54] Fil

Katia-san, could you come along?

[11:57] Katia

Me?

[11:59] Shun

I'll go, too.

[12:00] Fil

That's a big no, Shun-kun!

[12:03] Shun

What is going on?

[12:08] Katia

Here we are. This is it.

[12:10] Fei

Ugh, walking is wearing me out...

[12:14] Fil

Shun-kun's in for a surprise!

[12:20] Fil

We're back.

[12:21] Shun

That took a while.

[12:23] Fil

Shun-kun, do you have a second?

[12:29] Fil

What is it now?

[12:31] Fil

Did something happen with Fei?

[12:33] Fil

You could say that!

[12:45] Fei

Ta-dah! It's the grand premier of Fei-chan's humanoid form!

[12:52] Shun

Uh... Shinohara-san?

[12:55] Katia

The resemblance is definitely there.

[12:56] Fei

Quite a surprise, right?

[12:59] Fei

All thanks to this new skill I've got!

[13:02] Fei

"Humanification"!

[13:04] Katia

We were buying clothes
for her in the village,

[13:06] Katia

and it took a while because we
weren't sure about the sizes.

[13:10] Shun

Oh, that's why you didn't want me to come.

[13:14] Shun

So that means when she evolved...

[13:16] Shun

Or rather, when you were
clothes shopping, she was naked?

[13:20] Katia

What exactly are you imagining?!

[13:21] Shun

I didn't mean anything weird by it.

[13:26] Shun

Besides, how is it a problem
for me and not you?

[13:29] Katia

Because it's not a problem for me.

[13:31] Shun

But you used to—

[13:33] Katia

It's fine.

[13:34] Shun

Then it's fine. Okay.

[13:39] Shun

Well, you look good.

[13:40] Fei

I do, don't I?!

[13:41] Fei

I'm downright radiant!

[13:44] Fei

It's like, "Hey there, pretty lady!"

[13:46] Fei

I guess I'm just destined to
be hot, even after reincarnating!

[13:47] Fil

Fei-chan started acting like Shinohara-san again the second she turned human.

[13:48] Fei

That's fate for you!

[13:52] Fei

Are you all dazzled? Because it's totally okay if you are.

[13:53] Katia

Why do you suppose she looks so much like she did before reincarnating?

[13:56] Fei

I'll allow it!

[13:57] Fil

A good question!

[14:01] Katia

Shun?

[14:02] Shun

It's just... seeing Fei like this reminds me of how she used to be.

[14:09] Shun

It really drives home how we all died... and were born again.

[14:20] Shun

I wonder how the others are.

I do.

[14:46] Shun

How are the others?

[14:48] Shun

And who's that Sophia woman?

[14:51] Fil

There are some things you're
better off not knowing.

[14:55] Fei

Well, considering the
Hero is a reincarnation,

[14:58] Fei

maybe the Demon Lord is
someone from our class, too!

[15:01] Fil

Who could say?

[15:13] Gasbath

All right, you've all got your
swimming clothes, yeah?

[15:17] Fei

You bet! We made sure they were cute.

[15:20] Shun

Uh, why are we doing this, exactly?

[15:22] Fei

Do I get to strut my stuff at the beach now?

[15:22] Shun

Aren't we headed for the
Great Elroe Labyrinth?

[15:25] Fei

Then again, this suit is
a little plain for...

[15:25] Hyrince

We're going through the sea, then?

[15:26] Fei

Wait, through it?

[15:28] Fei

U-Uh, maybe I could just
carry you all there.

[15:33] Basgath

The seas here are water dragon territory.

[15:36] Basgath

They'll sink any boat, and shoot
down anything that flies.

[15:41] Basgath

But... there's an entrance
to the Great Elroe Labyrinth

[15:44] Basgath

not far from the bottom of this cliff.

[15:47] Katia

So we aren't crossing the sea,
but swimming to an underground entrance?

[15:51] Basgath

No other way to dodge the imperials.

[15:54] Fil

I think I might prefer the imperial
soldiers to water dragons.

[15:58] Basgath

We know that there are gonna be troops
stationed at the entrance to the labyrinth.

[16:02] Basgath

But there's no guarantee we run into
water dragons if we go this way.

[16:06] Basgath

Which means it's a gamble.

[16:09] Basgath

Everybody here can swim, right?!

[16:14] Fei

Well... I... might not be able to swim.

[16:22] Shun

We can't leave Fei behind.

[16:24] Shun

I'll help her along.

[16:26] Katia

Fei, swim like your life depends on it.

[16:28] Fei

You've got a scary look in your eyes.

[16:30] Hyrince

Okay, we'll let Shun take care of Fei.

[16:34] Basgath

All right, look lively, people! Come on!

[16:38] Hyrince

I don't think how lively we are will make a difference against water dragons.

[16:43] Fil

We're going on ahead.

[16:50] Shun

Okay, let's go, Fei.

[16:52] Fei

R-Right.

*I'll be praying for your
victory against her.*

[19:52] (Flashback) D

*I'd just love it you managed to survive
to entertain me for another day!*

[19:58] K

Well, as far as Mother goes,

[20:00] K

the best move would probably
be to buy some more time,

[20:04] K

so my Parallel Minds can
wear her psyche down more.

[20:07] K

And in the meantime, I can start
thinning out her minions.

[20:16] K

Fishing's nice. Gives you the chance
to think all kinds of stuff over.

[20:21] K

Whoa! Did I get one? I think it's a big one!

[20:23] K

I wonder what it is?
A swordfish or something?!

[20:28] K

Maybe a tuna?!

[20:30] K

Come on!

[20:35] K

That's a little bigger than
I wanted! A water dragon?!

[20:40] K

Looking back, I've fought
all kinds of dragons.

[20:44] K

Rend... Araba... You guys were worthy opponents.

[20:49] K

Compared to that...

[20:51] K

You really think you're
cutting it as a dragon?!

[21:00] K

I don't think so!

[21:02] K

Don't think you can screw with a spider
who's killed fire and earth dragons!

[21:09] K

I remember now that I have something
to do that takes priority over fishing.

SIGN <Teleport>

[21:16] K

First is the puppet spider!

[21:19] K

And now the battle continues!

[21:25] K

Wait!

[21:25] K

Slow down!

[21:27] K

I said freaking hold it!

[21:32] K

This isn't getting me anywhere!

[21:34] K

Which means it's time to use my head!

[21:38] K

Come on, my Miami ocean resort!

[21:41] K

You're wondering if I'll drown, too?
I wouldn't worry!

[21:49] K

Because I can float!

[21:51] K

Not to mention I'm immortal!

SIGN <Immortality>

[21:57] K

Got 'em!

[21:59] K

If I can keep undercutting
her forces like this...

[22:01] K

I can win! Because, after
all, I'm a Champion!

[22:06] K

Cham-peen!

[22:09] K

Man, fishing is the perfect way to settle
down after getting worked up in a fight.

[22:16] Magic 1

I'm finally through!

[22:17] K

Holy crap, you scared me!

[22:18] K

Hey, the artist formerly known as
Magic Brain 1! Good to see you again—

[22:22] Magic 1

You need to run now!

[22:23] K

What brought that on?

[22:25] Magic Brain 1

There's a serious monster headed your way!

[22:27] K

Who? Mother?

[22:28] Magic Brain 1

No! We were wrong all along!

[22:31] Magic Brain 1

We thought Mother was the top of
the food chain, but we were wrong!

[22:34] Magic Brain 1

There's an even bigger threat than her!

[22:35] K

Wait, what? I don't follow at all.

[22:47] K

That... wasn't teleportation, was it?

[22:50] K

Did someone just run here?

[22:54] K

Appraise!

SIGN <Appraisal was blocked.>

[22:56] K

Seriously?

[22:58] K

Wisdom, activate!
