[00:00] Helpart

I will not let you get in the way. My partner is risking life and limb...

[00:04] Orphen

...Sword of Light!

SIGN The Most Powerful White Sorcerer

[01:55] (Flashback) Ryan'S Mother

Ryan, you are going outside of this world.

[02:00] Ryan

What? Why am I remembering this?

[02:04] (Flashback) Young Ryan

Outside?

[02:06] (Flashback) Ryan'S' Mother

Are you surprised? Yes, I said outside.

[02:10] (Flashback) Ryan'S Mother

Out there, our powers do not work.

[02:14] (Flashback) Ryan'S Mother

That's why I'm giving you this.

[02:17] (Flashback) Ryan'S Mother

You see, this armor is the most powerful armor in the world,

[02:22] (Flashback) Ryan'S Mother

and can be used as a weapon as well.

[02:25] (Flashback) Young Ryan

Armor?

[02:26] (Flashback) Ryan'S Mother

It will bring out its utmost potential by responding to your emotions and will.

[02:30] (Flashback) Ryan'S Mother

To make sure you don't get hurt,
To make sure you don't die,

[02:34] (Flashback) Ryan'S Mother

It'll keep working forever...

[02:36] (Flashback) Young Ryan

Well, if it's that amazing, why

didn't you give it to me sooner?

[02:40] (Flashback) Ryan'S Mother

There's nothing the Celestials'
Sorcery cannot create.

[02:45] (Flashback) Ryan'S Mother

But you see, none of their
creations were complete either.

[02:51] Ryan

What...

[02:54] Ryan

What am I doing?

[03:02] Orphen

I unsheathe thee, Sword of Light!

[03:13] Orphen

*This is a guy who can dodge a blast
shot directly at him like that.*

[03:17] Orphen

That means there's no good strategy here.

[03:20] Orphen

We won't get anyone interfering in here.

[03:23] Orphen

*Lottecia's one thing, but that
Winona woman isn't stupid.*

[03:27] Orphen

I'm sure she'll get the hell outta here.

[03:29] Orphen

*Hopefully she'll get
Claiomh outta here, too.*

[03:32] Helpart

I intend on killing you.

[03:34] Orphen

Heh. Is that so?

[03:37] Helpart

I do have my reasons.

[03:38] Helpart

It would be easier for me
to kill your friends first,

[03:42] Helpart

but it would prove difficult to deal with
you after you've lost your friends,

[03:47] Helpart

judging from earlier.

[03:49] Orphen

It's too late for that.

[03:51] Orphen

You've already messed
with Claiomh and Majic.

[03:55] Orphen

Why did you go after them?

[03:57] Helpart

You seem to be misunderstanding something.

[04:00] Helpart

Our top objective this mission was to retrieve that Deep Dragon.

[04:07] Helpart

We need his power in the sanctuary.

[04:10] Helpart

As a part of that plan, Ryan Killmarked challenges the Deep Dragon.

[04:16] Helpart

We are using our most effective weapon against it.

[04:22] Helpart

We ended up involving the whole city because of that, but I hope you understand.

[04:27] Orphen

I don't care about any of that, but is that really Leki?

[04:33] Orphen

Do Deep Dragons get that big overnight?

[04:38] Helpart

You know nothing about Deep Dragons, the Fenrirs.

[04:42] Helpart

There are many things even we don't understand.

[04:47] Helpart

Deep Dragons are a race that have been freed from many of the conventions

[04:51] Helpart

that apply to other living creatures.

[04:53] Helpart

They know nothing of totality or individuality, nor do they need food or sleep.

[04:57] Helpart

They don't breed, either.

[04:59] Helpart

Meaning, they don't grow in numbers,

[05:00] Helpart

but they also never decrease in numbers.

[05:03] Helpart

After that unexpected day with the destructive gods,

[05:06] Helpart

all that remains is their immense power.

[05:10] Helpart

Well, I'm sure they are
worthy of that power.

[05:14] Helpart

If the Weird Dragons inherited that power,

[05:17] Helpart

they would've been destroyed
in a matter of days.

[05:20] Orphen

And what if it was you guys?

[05:22] Helpart

The same thing probably would've happened.

[05:24] Helpart

You don't know the weight we
bear for the powers we gained.

[05:28] Helpart

Not when you only think of Sorcery
as an extension of your limbs.

[05:33] Helpart

You are just dangerous children.

[05:35] Orphen

What the hell's with that look?

[05:37] Orphen

Why are you in such despair?

[05:40] Helpart

Ryan Killmarked is a human
that understands that.

[05:45] Helpart

That's why I think of him as a comrade.

[05:49] Orphen

Yeah, keep feeling sorry for him, I guess.

[05:51] Orphen

I unsheathe thee... Sword of Light!

[05:58] Orphen

I scale thee, Heavenly Snowy Mountain!

[06:04] Orphen

*I'm going to get as far
away from him as I can.*

[06:07] Orphen

*If I don't have to worry
about my surroundings,*

[06:09] Orphen

*I don't have to worry about
attacking him head on.*

[06:11] Orphen

I'll blast you away from a

distance as powerfully as I can.

[06:15] Orphen

I unsheathe thee... Sword of Light!

[06:25] Orphen

Did that do it?

[06:36] Helpart

This morning... If I didn't experience
a similar kind of surprise attack,

[06:39] Helpart

I would've probably fallen for this one.

[06:41] Helpart

Ed, was it? It's quite peculiar,
but you and him are quite similar.

[06:47] Orphen

Well, that's not surprising. We
were taught by the same teacher.

[06:51] Helpart

If such a connection existed, we
should've known that from the network.

[06:55] Orphen

No one gives a shit about your network.

[06:57] Orphen

We got the same education, training,
learned the same fighting styles...

[07:01] Orphen

We learned the exact same thing.

[07:04] Orphen

But he learned in secret...

[07:06] Orphen

I openly learned how to
fight from our master.

[07:10] Orphen

As a result, I inherited
our master's techniques.

[07:13] Orphen

He... Corgon... inherited
our master's strength.

[07:19] Orphen

Though it was Azalie that told me all this.

[07:21] Helpart

What you're saying is hard to understand.

[07:23] Orphen

What the hell is Master's strength?!

[07:26] Orphen

Corgon managed to take your right arm.

[07:28] Orphen

I can do all the same things, but I

can't even manage to scratch you!

[07:36] Orphen

So I guess that's just how it is.

[07:39] Orphen

Master's dead, and we've all been separated.

[07:43] Helpart

Have you gone mad from the pain?

[07:46] Helpart

I'm sure you have very little strength left.

[07:48] Orphen

What's even the point now?

[07:51] Helpart

I'm going to finish you off now, but

I suggest that you don't resist.

[07:55] Orphen

This is my strength.

[07:58] Orphen

The things I want to protect can
only be protected by my strength!

[08:09] Helpart

Why won't you stop?!

[08:16] Orphen

I unsheathe thee...

[08:18] Orphen

Sword of Light!

[08:32] Orphen

Hell no...

[08:34] Orphen

I don't have time to have a draw
with this assassin like this...

[08:41] Orphen

I have a mountain of stuff I've gotta do...

[08:47] Damian

Then stand.

[08:53] Orphen

Master...?

[09:07] Volkan And Dortin

One-two! One-two! One-two! One-two...

[09:08] Ed

He should be somewhere around here...

[09:16] Volkan

What do you think you're doing?!

[09:22] Volkan

Dortin! Did you do something to
make this plant hate you?!

[09:28] Dortin

How the heck would I know?!

[09:30] Ed

I intone thee, Holy Song of Destruction!

[09:44] Ed

I know I jumped in here, but if I'm no match for it, I'll just have to retreat.

[09:50] Ed

I unsheathe thee, Sword of Light!

[10:04] Ed

It regenerates faster than my attacks!

[10:06] Volkan

Hey! Why are you giving up?!

[10:09] Volkan

If you don't at least try to save me, it'd be extremely rude towards me!

[10:14] Ed

I never said anything about giving up.

[10:16] Volkan

R-Right. Well, good, then.

[10:18] Ed

I just have nothing else I can do.

[10:21] Volkan

What?!

[10:22] Volkan

Well, that's no good!

[10:27] Volkan

You! No one gave you permission to

[10:29] Volkan

kick around the Bull Dog of Masmaturia's personal belongings!

[10:32] Ed

So these are the Celestial weapons the XX were gathering.

[10:36] Ed

Hopefully something is useful in here.

[10:38] Volkan

Those are for me, the hero of the people, Vulcano Volkan, to get rich off of—

[10:43] Volkan

Damn it! I'm telling you to stop! You fool!

[10:54] Ed

This is...

[10:57] Ryan

Those are things that we have gathered.

[11:00] Ed

Ryan?

[11:01] Ryan

We spent the last ten years gathering those.

[11:04] Ryan

Return them to us.

[11:06] Ed

I'm not actually interested in these things,

[11:09] Ed

but I'm going to use them when I need them.

[11:19] Ed

I guess that wager paid off.

[11:25] Sorcerer 1

The southern half of the city has
been engulfed by the forest!

[11:29] Sorcerer 2

Spread the evacuation order
throughout all of Urbanrama!

[11:37] Leticia

Seriously...

[11:39] Leticia

Could you not just suddenly appear
on people's desks like that?

[11:54] Orphen

*What's going on here? I'm
completely unharmed.*

[11:59] Damian

My name is Damian Rue.

[12:02] Orphen

Damian?

[12:04] (Flashback) Winona

My superior, Damian Rue, is
an authority on this kind of thing.

[12:09] Orphen

So you're the White Sorcerer...

[12:12] Damian

I'm quite surprised. I honestly thought
only Yuis could defeat this monster.

[12:20] Damian

Though this wasn't the
most elegant victory...

[12:24] Orphen

If you only healed me so you could
condescend, I'm not gonna thank you.

[12:28] Damian

He seems to be very dead.

[12:31] Damian

I heard that you were an assassin
who couldn't kill, Krylancelo.

[12:36] Orphen

Well, I didn't have a choice.

[12:40] Damian

I should praise you for your decision.

[12:43] Damian

Though it would've been
pointless if you also died.

[12:47] Orphen

What do you want with me?

[12:48] Orphen

According to Winona, you seem to
know the most about this situation.

[12:53] Damian

Do you have any intention of using
your own powers for a greater good?

[12:59] Orphen

Nope.

[13:00] Orphen

But if we want to strike a deal, I
did just talk to Winona about that.

[13:05] Orphen

The deal is you fix Claiomh.

[13:08] Damian

I don't like such deals.

[13:12] Damian

A huge risk comes with
trying to heal that girl.

[13:16] Damian

This is my own person opinion,

[13:18] Damian

but your powers and your sister's
powers don't seem fit for that.

[13:24] Orphen

Then get the hell outta my face.

[13:27] Damian

But this is what the lord wants.

[13:30] Orphen

Make up your damn mind! This is annoying!

[13:33] Damian

It looks like you realize that
neither of us have any time.

[13:38] Damian

Very well.

[13:40] Damian

What I said about risk is not a lie.

[13:42] Damian

How much of a risk are you willing
to go through for that girl?

[13:46] Orphen

What is that girl to you?

[13:49] Orphen

Claiomh is...

[13:55] Orphen

I made up my mind.

[13:57] Damian

Made up your mind?

[13:59] Orphen

I just made up my mind. I'm going to protect the things I want to protect.

[14:04] Orphen

All of them.

[14:06] Orphen

She usually does something stupid, causes a bunch of trouble,

[14:09] Orphen

drags everyone else into her troubles, and she just smiles about it.

[14:13] Orphen

That's for the best.

[14:15] Orphen

That's why I'm going to return things to that state.

[14:19] Orphen

I was a fool. I should've been more careful.

[14:24] Orphen

She'd been acting weird lately...

Like she knew all this would happen.

[14:29] Damian

She might be right.

[14:32] Orphen

What?

[14:33] Damian

Or rather, it probably means that the Deep Dragon predicted this danger.

[14:39] Damian

Since it had a run in with other XX,

[14:42] Damian

he should've been able to tell that something was going on in the sanctuary.

[14:47] Damian

The Deep Dragon was preparing.

[14:50] Damian

If he only had to worry about himself, there'd be nothing to worry about.

[14:54] Damian

The problem is the Achilles'

heel he had suddenly gained.

[14:59] Orphen

Are you talking about Claiomh?

[15:02] Damian

You, as well.

[15:05] Damian

And that blond-haired boy.

[15:08] Damian

Basically, everything that exists that would hurt that girl if she lost them.

[15:13] Orphen

Huh?

[15:14] Damian

In the thoughts I had seen... Ryan, was it?

[15:19] Damian

That XX was involved in this, as well.

[15:22] Orphen

Ryan? He's an enemy, isn't he?

[15:25] Damian

That is a matter of how you view the situation.

[15:28] Damian

That girl's senses are very sharp.

Or rather, she's very wise.

[15:32] Orphen

I know you're a stranger and all,

[15:35] Orphen

but I don't like you trying to sound like some expert.

[15:38] Orphen

It's true that she's extremely aware, but so what?

[15:43] Damian

She's not so foolish that she could instantly kill a man who favors her

[15:48] Damian

just because he's her enemy and feel carefree about it.

[15:52] Orphen

You mean Ryan?

[15:54] Damian

She says that she wants to see you.

[15:57] Damian

Go over there.

[15:59] Damian

She can tell you the rest.

[16:11] Orphen

Spirit form...

[16:14] Orphen

The ultimate form of a White Sorcerer

[16:16] Orphen

who completely disconnected
from their physical body.

[16:23] Orphen

He was never physically
here in the first place.

[16:36] Damian

*It looks like you realize that
neither of us have any time.*

[16:40] Orphen

When did our time become limited?

[16:44] Orphen

*Everything started to get weird
when I saw Corgon in Nashwater.*

[16:50] Orphen

*This outline is pretty simple. The sanctuary
and the Imminent Domain are fighting.*

[16:56] Orphen

But something doesn't make sense.

[16:59] Orphen

*There's something that doesn't
fit in this diagram.*

[17:04] Orphen

Oh, that's right. Their marriage.

[17:06] Orphen

*Marriage is the last thing I'd
ever expect from Corgon,*

[17:11] Orphen

especially with Lottecia.

[17:14] Orphen

*If he just wanted the sword, there were
plenty of ways he could've gotten it.*

[17:18] Orphen

I guess I'm just gonna have to find
him and ask him some questions.

[17:22] Orphen

No! First, I'm gonna punch him—

[17:28] Orphen

An enemy?

[17:29] Ed

I see.

[17:31] Ed

I thought this was

[17:33] Ed

a training item that sent the user
to somewhere far more dangerous...

[17:37] Orphen

C-Corgon?

[17:40] Ed

Hey, it's been a while.

[17:42] Orphen

Th-That's a rather light hello!

[17:44] Ed

I'm pretty heavily armored.

[17:46] Orphen

Actually, you are pretty
heavy. Get off me already!

[17:48] Orphen

You just appeared outta thin air!

[17:51] Ed

Well, this Celestial Artifact sent me here.

[17:55] Ed

Which means it's an evacuation device
that sends the user to the relative

[18:01] Ed

that's closest to them when there's danger.

[18:04] Orphen

I don't give a damn.

[18:06] Orphen

More importantly, Corgon, what
are your motives right now?

[18:12] Orphen

Say something. Ed? Or is it Yuis?

[18:16] Ed

I don't want you teasing me
about my multiple names.

[18:20] Ed

I'm Corgon to you, but
according to Damian,

[18:24] Ed

Yuis is my oldest name, so that's
apparently my real name.

[18:28] Orphen

What does this lord call you?

[18:31] Ed

He'd call me an old friend.

That's not a joke.

[18:35] Ed

Anyway, he's never called me by
my name when I'm around him.

[18:41] Ed

He's probably the most correct.

[18:44] Ed

And I've only ever called him the lord.

[18:47] Orphen

So you're working for this guy
you say is the most correct

[18:50] Orphen

and acting as an assassin for him?

[18:52] Ed

No matter what you think, all
I can do is whatever I can.

[18:58] Ed

I'm not going to let you all die.

[19:00] Ed

I ended up involving all of you
because of the lord's request,

[19:03] Ed

but I never wanted to bother any of you.

[19:07] Ed

Because... you're my family.

[19:10] Orphen

Then why did you cut down Lottecia?

[19:13] Orphen

You guys were married, weren't you?

[19:15] Ed

For my goal.

[19:19] Orphen

Okay, enlighten me.

[19:20] Orphen

You cut her down for your goal?

Or you married her for it?

[19:23] Ed

Both.

[19:24] Orphen

Don't lie to me!

[19:26] Orphen

What you're doing with Lottecia
is insane and makes no sense!

[19:32] Orphen

You might've had some motive other
than the sword, but I can't understand it!

[19:36] Orphen

There are too many things
that you'd never usually do!

[19:41] Orphen

Are you hesitating? What are
you hesitating about then?!

[19:44] Ed

Stop asking me so many questions! I'm not Childman!

[19:50] Orphen

Is that so? If you don't want to answer, fine.

[20:05] Winona

Hey, wake up already.

[20:09] Lottecia

Where's Orphen?

[20:10] Winona

Who knows? I got the hell outta there carrying you and that girlie over there.

[20:16] Winona

Who knows who won?

[20:21] Lottecia

Orphen wouldn't lose.

[20:24] Lottecia

He has the same smell as him.

[20:27] Winona

You mean Yuis?

[20:28] Lottecia

No matter what I do, Ed always manages to win in the end.

[20:32] Winona

You seem to speak rather highly about the guy who dumped you.

[20:36] Lottecia

I'm not! I'm just...

[20:39] Winona

You hate Yuis so much you wanna kill him? Is that it?

[20:43] Lottecia

I...

[20:44] Winona

Or do you want to see him so much you could die?

[20:51] Orphen

What now?

[20:52] Ed

I'm getting away from the city.

[20:54] Ed

If you're going to the Imminent Domain, I'll probably see you again.

[20:57] Ed

The lord isn't a bad guy. I'd like for you to help him out.

[21:03] Orphen

Will you let me see that Celestial Artifact?

[21:07] Ed

This?

[21:08] Orphen

I unsheathe thee...

[21:11] Orphen

Sword of...

[21:17] Orphen

Don't go asking people for things if
you're not gonna answer their questions.

[21:22] Orphen

Take care of your own shit yourself.

[21:38] Ed

So that's what he meant.

[21:41] Ed

Curse him.

[23:31] Orphen

What are you going to do?

[23:32] Claiomh

*What do you think? I have
to be the one to do this.*

[23:35] Ed

*Don't ever appear in front of me
again. I'll only warn you once.*
