i-it'll go flying!

[18:03] Yu

Hey, how far will this thing fly?

[18:05] Umika

Huh? Um...

[18:06] Umika

It'll fly pretty far.

About a hundred meters!

[18:10] Yu

A hundred meters?

[18:12] Yu

Which planets are in that range?

[18:15] Group

She wants to go to space with this?!

[18:17] Haruno

I don't think a bottle rocket will
be quite enough to reach outer space.

[18:21] Yu

What?!

[18:22] Umika

Sh-She's disappointed?!

[18:25] Yu

I see.

[18:26] Yu

I still can't remember my home planet
or why I came to Earth.

[18:31] Yu

I wasn't sure what I'd do
if we really went to space.

[18:34] Yu

Honestly, I'm a little relieved.

[18:37] Yu

Besides, there's still lots
I wanna learn about Earth!

[18:40] Yu

And about the two of you, of course!

[18:44] Yu

Though I feel like I've gotten a pretty
good grasp on you, Umika!

[18:48] Haruno

Whoa! Foreheadpathy up close!

[18:51] Yu

Still...

[18:52] Yu

Is it weird that I feel relieved
that I can't go back to space?

[18:57] Haruno

I, for one, think it's lovely.

[19:03] Yu

I see!

[19:05] Yu

I'll go and fill the rocket up with water!

[19:08] Umika

Th-Thanks!

[19:11] Haruno

It seems that Yu-chan has
taken a liking to this planet.

[19:16] Haruno

Say, Umika-chan.

[19:17] Haruno

If you went to outer space, and you
met some aliens, what would you do?

[19:23] Umika

*I want to escape the oppression
and agony of Earth*

[19:28] Umika

and make friends with aliens.

[19:31] Haruno

In my case,

[19:33] Haruno

I want everyone to find out,
like Yu-chan did,

[19:38] Haruno

about the wonderful places
and people on this planet.

[19:44] Umika

Takaragi-san's unclouded words,

[19:47] Umika

for someone like me, who thought of
nothing but escaping this planet,

[19:52] Umika

came as a breath of fresh air, as a shock,

[19:55] Umika

and as a brilliant flash that
seared itself into my mind.

[20:00] Umika

I can feel a prickling in my chest.

[20:04] Haruno

I'm sure that she'll look back on
today as a wonderful memory!

[20:09] Yu

I'm back!

[20:16] Yu

Okay!

[20:17] Yu

We're good to go!

[20:19] Yu

You two, let's all grab the handle together!

[20:21] Umika

U-Um...

[20:23] Yu

Let's count down and press the launch button all at once!

[20:26] Yu

Well?

[20:27] Haruno

Sounds great!

[20:28] Haruno

I'm all for it!

[20:29] Yu

C'mon, now!

[20:31] Yu

It's our second step toward our dream!

[20:33] Yu

Ladies! Are you ready?

[20:35] Yu

Here we go!

[20:35] Umika

Our dream...

[20:37] Yu

Three!

[20:38] Yu

Two!

[20:39] Group

One!

[20:57] Yu

Wow! It's beautiful!

[20:59] Haruno

We really did it!

[21:01] Umika

Before I knew it,

[21:02] Umika

the prickling in my chest, amidst the countless sparkles that surrounded me,

[21:08] Umika

melted away into nothingness.

[21:10] Haruno

Perhaps this was the wonderful feeling

that Takaragi-san mentioned.

[21:16] Yu

Let's go again!

[21:17] Yu

Let's launch it again!

[21:20] Haruno

Um, unfortunately,

[21:22] Haruno

the rocket landed in the ocean.

[21:23] Yu

Dang it!

[21:25] Yu

I really liked that design, too.

[21:28] Haruno

We'll need to go get it back somehow.

[21:30] Yu

Oh! I have a net!

[21:32] Yu

Hey, you think that flew
a hundred meters just now?

[21:35] Haruno

We should measure it next time!

[21:43] Umika

It's sparkling.
