**[00:02] Gobo**

Sup, nerds! Gobo here!

**[00:04] Gobo**

Here's a recap of  
everything that's happened so far!

**[00:07] Nishime**

Who are you even talking to?

**SIGN** Tasuketsu: Fate of the Majority

**[01:41] Gobo**

*It all began on June 5,*

**[01:43] Gobo**

*with a mysterious message that appeared  
before Saneatsu Narita as he was in class...*

*What ensued the next day was a series  
of sudden massive fatalities all over the globe.*

**[01:55] Gobo**

*Social infrastructure came to a halt.*

**[01:58] Gobo**

*After receiving a call from his friend,  
Kazuhiko, Saneatsu made his way to school.*

**[02:04] Gobo**

*The following day,*

**[02:05] Gobo**

*a mysterious figure calling themselves  
the Emperor appeared,*

**SIGN** Tasuketsu

**[02:11] Gobo**

*Participants couldn't choose their responses.*

**[03:06] Gobo**

*As for what was inside...*

**[03:09] Gobo**

*Nishime, take it away!*

**[03:11] Nishime**

You're making *me* explain?!

**[03:12] Gobo**

I mean, you're an adult! 21 years old, right?

**[03:15] Gobo**

I'm still in 8th grade, ya know.

**[03:16] Gobo**

Make it easy and concise, will ya?

**[03:19] Nishime**

I'm not sure age is the issue here...

**[03:21] Nishime**

Fine, if I have to...

**[03:25] Nishime**

*Prime Rights are extremely powerful magical powers.*

**[03:30] Nishime**

*But obtaining one requires the sacrifice a human body part.*

**[03:35] Nishime**

*For example, Omi lost hearing in his right ear,*

**[03:37] Nishime**

*Shinozaki lost his right eyesight,*

**[03:39] Nishime**

*and Rika Suzuki lost her right leg.*

**SIGN** Right

**[03:43] Nishime**

*Rights, on the other hand, don't require any sacrifices.*

**[03:46] Nishime**

*While less enforceable and powerful than Prime Rights, they can be effective if used right.*

**SIGN** Die

**[03:52] Nishime**

*According to a woman named Miwa Isshiki,*

**[03:56] Nishime**

*the Rights fall under three attributes: Permission, Transmutation, and Production.*

**SIGN** Permission

**SIGN** Transmutation

**SIGN** Production

**[04:02] Nishime**

*Permission Attribute: Rights that exercise powers relating to approval.*

**[04:07] Nishime**

*Some examples include the Rejection Right and Compliance Right.*

**[04:13] Gobo**

My Presentation Right falls under  
the Permission Attribute, too!

**[04:15] Nishime**

Transmutation Attribute: Rights that  
bring about certain changes or phenomena.

**SIGN** Permission

**SIGN** Transmutation

**SIGN** Production

**[04:22] Nishime**

*Examples include Ryuta's Fusion Right  
and Shinozaki's Visualization Right.*

**SIGN** Permission

**SIGN** Transmutation

**SIGN** Production

**[04:29] Nishime**

*Production Attribute: Prime  
Rights that produce phenomena*

**[04:31] Nishime**

*that far surpass those of  
the Transmutation Attribute.*

**[04:34] Gobo**

*Like Souma's Materialization Right!  
His powers are crazy!*

**[04:38] Nishime**

*However, Rights under the  
Production Attribute come with risks.*

**[04:42] Nishime**

*They require the user to announce  
their Prime Right with each use.*

**[04:45] Nishime**

*And it drains a huge amount of energy.*

**[04:48] Nishime**

*Souma looks exhausted after every use...*

**SIGN** Exclusive Prime Right

**[04:50] Nishime**

*And finally, what's referred to  
as the "Exclusive Prime Right".*

**SIGN** Parental Authority

**[04:54] Nishime**

*The Prime Right of Parental Authority  
apparently belonged to Saneatsu, but...*

**[04:58] Nishime**

*who knows where he's at right now...*

**[05:00] Gobo**

The strongest Prime Rights are under  
the Permission Attribute, ya know!

**[05:04] Gobo**

Omi's quasi-major Prime Right of Rejection  
and the major Prime Right of Obedience!

**[05:11] Gobo**

*When Tasuketsu killed off all the men,  
Omi used his Rejection Right to survive,*

**[05:16] Gobo**

*then submitted a question to revive us  
so we could make it out alive.*

**[05:23] Gobo**

*At this point, it was midnight on June 10.*

**[05:26] Gobo**

*There were 2.21 million survivors in Tokyo.*

**[05:31] Gobo**

*The group then went on to gain  
new members and work together*

**[05:34] Gobo**

*to move closer to beating the Emperor  
and ending Tasuketsu.*

**[05:40] Gobo**

*And finally...*

**[06:35] Raion**

There's a lot of blackouts, but  
we still have electricity and water.

**[06:39] Raion**

The phone lines are down...  
same with the internet.

**[06:43] Raion**

The only reception we get are  
one-way transmissions from the Emperor.

**[06:47] Raion**

But... the radio still works.

**[06:50] Raion**

There was that one weird transmission  
in code... something about "NS" and "FS".

**[06:56] Raion**

So I could use radio waves if I wanted to.

**[07:02] Raion**

I think I just got an idea!

**[07:12] Kirishima**

My Queen, Lady Kisaragi.

**[07:15] Kirishima**

We are nearing distribution time  
for the Emperor's message,

**[07:19] Kirishima**

so I turned on the in-house power generators.

**[07:21] Kisaragi**

How many times must I tell you?

**[07:25] Kisaragi**

The electricity isn't just for distribution  
of the fake Emperor's messages.

**[07:30] Kisaragi**

At the very least, this room where I reign  
should be able to use electricity at all hours.

**[07:35] Kirishima**

As you wish...

**[07:37] Kisaragi**

Besides, it's too soon  
for the title of "Queen."

**[07:40] Kisaragi**

I cannot become the ruler  
until I lay the Emperor to rest.

**[08:06] Hikari**

Hikari coming in with the regular update.

**[08:10] Hikari**

Lots of weird stuff but  
nothing out of the ordinary.

**[08:12] Eren**

*Roger that.*

**[08:16] Shinozaki**

So...

**[08:17] Shinozaki**

What did you want to talk about, Gobo?

**[08:20] Gobo**

I want to leave Tokyo.

**[08:22] Eren**

What?! Is your head screwed on right?!

**[08:25] Eren**

What do you wanna leave Tokyo for?!

**[08:27] Gobo**

Talking with Nishime got me thinking...

**[08:31] Nishime**

It's already been a month  
since Tasuketsu ended.

**[08:34] Nishime**

There's no more food left in Tokyo.

**[08:37] Nishime**

Our only path to survival is to escape Tokyo  
and make our way around Japan to find food.

**[08:43] Eren**

But what will happen  
if we just up and leave?

**[08:47] Eren**

It'll be the end of Tokyo for real this time!

**[08:50] Shinozaki**

You have a point...

**[08:51] Shinozaki**

Electricity supply is maintained by  
Souma's materialized beasts right now.

**[08:55] Shinozaki**

Without Souma, electricity supply in Tokyo  
will come to a complete halt.

**[08:59] Souma**

Meaning it'd be  
a lost civilization, literally.

**[09:03] Gobo**

But think about it...  
Where are we headed right now?

**[09:07] Gobo**

Preserving the peace is great and all,

**[09:08] Gobo**

but how long are we gonna  
pretend to be the Emperor?

**[09:11] Gobo**

After looking back on everything,  
I'm not sure what's right anymore.

**[09:16] Shinozaki**

*"Defeat the Emperor."*

**[09:17] Shinozaki**

*I suppose the only thing propelling us  
forward was that shared mission...*

**[09:22] Shinozaki**

*But without a tangible goal,  
we're all left simply exhausted.*

**[09:28] Shinozaki**

*Perhaps this is the end of the road...*

**[09:33] Nishime**

Hey, Gobo! We've got an  
incoming signal from tablet D!

**[09:36] Gobo**

D? It's Ryuta!

**[09:38] Ryuta**

There! That should send the signal to Gobo!

**[09:42] Omi**

Mm-yup!

**[09:44] Omi**

Looks like they're working hard every night.

**[09:47] Omi**

I hope they're holding up okay.

**[09:48] Ryuta**

I can't wait to finally  
talk face-to-face again!

**[09:51] Rika**

Jeez, you two are as carefree as ever.

**[09:55] Ryuta**

You think so?

**[09:57] Omi**

Mm-ya?

**[09:59] Ryuta**

Well, we've got all this to take home.  
That should make them happy.

**[10:04] Omi**

Let's take flowers to Saneatsu  
up in the tower, too.

**[10:07] Ryuta**

Yeah, let's do that.

**[10:11] Rika**

Umm... Yeah, about that...

**[10:14] Rika**

Weren't they left up there in the tower?

**[10:17] Rika**

Are you sure they haven't decomposed by now?

**[10:22] Rika**

Don't tell me you forgot...

**[10:26] Shinozaki**

W-What's wrong, Gobo?

**[10:28] Eren**

Don't just sit there in silence, you dummy!

**[10:30] Gobo**

Ryuta and the guys are coming back!

**[10:32] Gobo**

Omi and Rika are doing okay too! For real!

**[10:37] Eren**

Yay! So we get to see them again?!

**[10:39] Souma**

C'mon! Not in front of—

**[10:43] Gobo**

And they're bringing food too!

**[10:45] Gobo**

There aren't many people in the countryside,

**[10:46] Gobo**

so they haven't touched  
the preserved foods yet.

**[10:49] Gobo**

They're bringing fresh vegetables  
from farms, too!

**[10:51] Nishime**

T-They're heroes! Thank God!

**[10:55] Gobo**

And...

**[10:56] Gobo**

They found a clue on what to do next!

**[10:59] Souma**

L-Looks like we survived for good reason.

**[11:01] Eren**

So things should look up!

**[11:05] Gobo**

No way! We only have five minutes until  
today's Emperor announcement, for real!

**[11:09] Gobo**

This is a tablet for outgoing  
communication. Where's my laptop?!

**[11:13] Nishime**

Shoot, I left it charging in the basement!

**[11:16] Eren**

This pair just can't get it together.

**[11:20] Gobo**

Can't be helped! We'll use the TV screen!

**[11:23] Gobo**

Nishime, turn on the switch!

**[11:25] Nishime**

Roger that!

**[11:26] Souma**

Will they make it in time?

**[11:27] Eren**

Well... worst case scenario, we could just say there's no announcement today.

**[11:31] Gobo**

Come on, guys! Somebody come up with a message, for real!

**[11:34] Gobo**

I can only come up with inappropriate jokes under pressure!

**[11:37] Eren**

That's why I'm saying, why not just skip—

**[11:51] Raion**

Good evening, this is your Emperor.

**[11:54] Raion**

Time to announce today's results.

**SIGN** Tasuketsu: Fate of the Majority

**[12:04] Nishime**

He's back from the dead?

**[12:06] Souma**

This can't be real!

**[12:08] Eren**

W-What do we do now?!

**[12:12] Gobo**

*That's impossible... we defeated the Emperor!*

**[12:15] Shinozaki**

Calm down!

**[12:17] Shinozaki**

This isn't necessarily the Emperor.

**[12:19] Shinozaki**

And it hasn't come up on our phones!

**[12:20] Shinozaki**

Which means...

**[12:22] Gobo**

It's a TV broadcast?

**[12:24] Gobo**

That's it! Display each station's broadcast screen!

**[12:27] Gobo**

Nishime! Turn on the other TVs!

**[12:30] Shinozaki**

It's only on TSK Broadcasting?!

**[12:33] Gobo**

Yeah...

**[12:36] Gobo**

What the hell is going on?

**[12:41] Eren**

Hey, what about our announcement?

**[12:44] Gobo**

Shoot!

**[12:48] Raion**

*So no usual Emperor announcement today...*

**[12:51] Raion**

*Just as I thought.*

**[12:53] Raion**

*The current Emperor saw  
the television broadcast tonight.*

**[12:57] Raion**

*And they canceled the usual announcement...*

**SIGN** TSK Broadcasting

**[13:01] Raion**

from the one that conducted Tasuketsu.*

**[13:10] Raion**

*I only broadcast from here  
at TSK Broadcasting.*

**[13:15] Raion**

*As long as they notice that,  
they'll make a move for sure.*

**[13:19] Raion**

*Until then, I'll keep this up  
for as many days as it takes.*

**[13:25] Raion**

Emperor?!

**SIGN** Welcome to TSK Broadcasting!

**[13:31] Raion**

Just kidding. No way they'd be that quick.

**[13:37] Raion**

I'll be waiting, Emperor.

**[13:40] Raion**

To hear out your truth.

**[14:15] Gobo**

All right...

**[14:17] Gobo**

I'm sure you guys can guess today's agenda.

**[14:20] Gobo**

And that's the broadcast  
from last night, for real!

**[14:24] Nishime**

You know, I have a feeling  
we screwed something up...

**[14:28] Gobo**

Screwed up? You saying I should  
have my laptop on me at all times?

**[14:32] Nishime**

You're worried about that?!

**[14:33] Shinozaki**

First and foremost, let's state the obvious.

**[14:36] Shinozaki**

The Emperor is dead.

**[14:40] Shinozaki**

As the ones who fought him,  
we're the only ones aware of that fact.

**[14:47] Shinozaki**

It's been a month since then, and...

**SIGN** Good evening, this is your Emperor.

Today's results are as follows.

**[14:51] Shinozaki**

For now, Gobo is disguised as the Emperor

**SIGN** Today's execution has been determined to be Tamataro Yamada  
(age 33), who killed three people in Meguro Ward. Goodbye.

**SIGN** Please bear in mind to refrain from evil,  
and work to live as long as possible.

**[14:55] Shinozaki**

to send out scripted distributions  
to maintain the peace.

**SIGN** Please bear in mind to refrain from evil,  
and work to live as long as possible.

**[15:01] Shinozaki**

But after giving it some thought...

**[15:02] Shinozaki**

it's possible that someone  
has caught on to our façade.

**[15:07] Shinozaki**

As it stands, the current Emperor  
executes criminals on a daily basis.

**[15:13] Shinozaki**

Most people would assume deceiving  
the Emperor would result in their execution.

**[15:17] Shinozaki**

Yet they went through with the broadcast.

**[15:21] Nishime**

You mean they did it because they know?

**[15:23] Shinozaki**

To top it off, we ended up skipping our announcement.

**[15:27] Shinozaki**

We got distracted, and they probably realized that.

**[15:31] Gobo**

T-That sounds really bad, for real!

**[15:34] Nishime**

What now? Is it something we can just ignore?

**[15:37] Gobo**

S-Sure, why not? If we keep ignoring them, I'm sure they'll stop!

**[15:42] Nishime**

The only one who'd get assassinated is you, being the fake Emperor and all.

**[15:46] Gobo**

Wait! Ignoring is bad news, for real!

**[15:53] Souma**

Geez, you're so loud you woke me up.

**[15:57] Shinozaki**

Souma! Shouldn't you get some rest?

**[16:00] Souma**

Hikari is guarding the area...

**[16:02] Souma**

Eren's always up in arms about something, so it can't be helped.

**[16:05] Souma**

Why didn't you just wake me up, Shinozaki-san?

**[16:08] Souma**

I'm your best weapon.

**[16:11] Shinozaki**

You don't look so well.

**[16:13] Shinozaki**

Get some more rest.

**[16:14] Gobo**

You've been using your Materialization Right to the brink every day...

**[16:18] Nishime**

Don't push yourself too hard.

**[16:20] Nishime**

We can't afford to lose either you or Gobo.

**[16:24] Nishime**

The Materialization Right is the source

of all our necessary materials,

**[16:27] Nishime**

and your beasts provide essential labor.

**[16:29] Nishime**

Get as much rest as you need.

**[16:33] Souma**

I'm the only one who can make it happen.

**[16:35] Souma**

There's no way I'd give up that easy—

**[16:37] Nishime**

You've got it all wrong, you macho!

**[16:40] Nishime**

You gotta rest for all our sake, idiot!

**[16:44] Souma**

I hear ya...

**[16:46] Souma**

Hey Shinozaki-san, I got an idea.

**[16:50] Shinozaki**

What's that?

**[16:51] Souma**

Let's cut to the chase.

**[16:53] Souma**

They purposely broadcast to one station

**[16:55] Souma**

so we could narrow down  
their location, right?

**[16:58] Souma**

Why not just take the bait and go find them?

**[17:03] Shinozaki**

But what if it's a trap?

**[17:05] Souma**

We'll cross that bridge when we get to it.

**[17:08] Souma**

I can unleash my beast, put  
a materialized transceiver on it,

**[17:13] Souma**

and, if there's any danger, we can  
undo the materialization. How's that?

**[17:20] Shinozaki**

Fine. Let's go to the roof.

**[17:23] Shinozaki**

I'll take a look at the station  
with my Visualization Right.

**[17:26] Souma**

Sounds good.

**[17:30] Gobo**

Is Souma okay? Like, for real?

**[17:37] Nishime**

*The key to information control:

**[17:41] Nishime**

*The key to ground search:  
Visualization Right.*

**[17:43] Nishime**

*The key to attack, defense, and  
arsenal: Materialization Right.*

**[17:47] Nishime**

*The key to enforcement: Compliance Right.*

**[17:51] Nishime**

*This group has all the tools it needs!*

**[17:53] Nishime**

*My role is to keep things together  
so it doesn't fall apart...*

**[17:59] Kisaragi**

I see... they used TV broadcasting.

**[18:02] Kirishima**

Yes, my lady.

**[18:04] Kisaragi**

What an interesting idea.

**[18:08] Kisaragi**

Very well then...

**[18:22] Raion**

*Let's see now... Okay then...*

**[18:25] Raion**

*Looks like I better make sure  
that this is real.*

**[18:29] Raion**

*How about if I pinch myself?*

**[18:32] Raion**

*What's this? A summoning spell?*

**[18:34] Raion**

*This feels just as surreal as Tasuketsu...*

**[18:38] Raion**

*Or is this the real Emperor?*

**[18:41] Raion**

*Shoot, I'm starting to doubt myself.*

**[18:43] Raion**

*Wait, something feels off...*

**[18:48] Raion**

*Is it not gonna move?*

**[18:50] Raion**

*Its hair is flowing but... that's it.*

**[18:53] Raion**

Um, are you the Emperor's pawn?

**[18:59] Raion**

Well... if I may, I'd like you to take me—

**[19:04] Raion**

*It responded.*

**[19:06] Raion**

I'd like... you to... take me.

**[19:12] Raion**

*So that's what's going on.*

**[19:13] Raion**

*It's supposed to guide me  
somewhere given my request.*

**[19:17] Raion**

*Or at least that's what  
it's being commanded to do.*

**SIGN** Take

**[19:19] Raion**

*It recognizes that "take" is part of the  
command to "take me to a certain place".*

**SIGN** Take me to...

**[19:25] Raion**

*But technically, the word "take" by itself  
isn't a complete command.*

**[19:28] Raion**

*It either responds to a strict set of orders  
or it's unable to make its own decisions.*

**[19:32] Raion**

*In other words, a complete pawn.  
But hang on...*

**[19:36] Raion**

*How can it answer my request  
to take me somewhere*

**[19:38] Raion**

*but have no decision-making abilities?*

**[19:41] Raion**

*That would be an oxymoron.*

**[19:42] Raion**

*What happens if I were someone dangerous?*

**[19:46] Raion**

*If decisions were up to the Emperor,*

**[19:49] Raion**

*they would set a transceiver to  
monitor me through visuals or audio.*

**[19:54] Raion**

*So they set this thing up  
just to drop me off...*

**[19:58] Raion**

*I'll try messing with them.*

**[20:01] Raion**

Um... Pardon me! Hello, Mr. Emperor!

**[20:05] Raion**

Can you hear and see me?

**[20:09] Raion**

Um, as you can see, I'm not armed  
and I mean no harm!

**[20:13] Raion**

Sorry if there was no need for me  
to get fully naked... Pardon me.

**[20:17] Souma**

How did he figure out  
there was a transceiver?!

**[20:21] Shinozaki**

Sounds like he assumes we can see him.

**[20:25] Nishime**

So they're unarmed for sure?

**[20:26] Gobo**

And butt naked. For real.

**[20:29] Raion**

Um... I plan to head your way now, so...

**[20:36] Raion**

I guess I'll see you soon?

**[20:36] [Messenger] Sign**

If you can see through my lie just now,  
abandon this beast and send over a second beast.

Once I confirm you've done this, I'll bring you vital information on the Emperor.

**[20:45] Souma**

I don't sense any danger, do you?

**[20:47] Shinozaki**

Right. Let's bring him over.

**[20:50] Raion**

Please take me to where  
Mr. Emperor is waiting.

**[20:56] Raion**

*There's a good chance  
they have no visual on me.*

**[20:59] Raion**

*That means I still have  
plenty of opportunities to lie.*

**[21:08] Raion**

*Whoa...*

**[21:14] Raion**

*This beast has really soft boobs...*
