[00:46] ---

This is our secret.

[00:49] ---

Promise.

[00:57] ---

He is only a primary phase.

[01:00] ---

How can he have such
a terrible spiritual force?

[01:06] ---

Are you crazy?

[01:08] ---

Reversing the timeline
is against the law of nature.

[01:11] ---

You will be tampering
with cause and effect.

[01:12] ---

Against the law of nature?

[01:14] ---

Does it matter?

[01:25] ---

Besides, I believe that

[01:28] ---

no matter how timeline is altered,

[01:30] ---

my thoughts of you will
transcend time and space

[01:33] ---

and bring me back to your side.

[01:47] ---

Lingling.

[01:50] ---

Thank God I made it.

[01:51] ---

Otherwise, the world will be destroyed.

[02:04] ---

Finally, the spiritual figure is applied.

[02:06] ---

The world is saved.

[02:09] ---

But don't you do such
foolish things again.

[02:13] ---

You acted against the law of nature
and restarted the world so many times.

[02:18] ---

The annihilation of positive and
negative spiritual forces has caused

[02:20] ---

immeasurable damage to the total
value of the world's spiritual force.

[02:27] ---

It's so difficult to maintain world peace.

[02:31] ---

"Episode One:
Wang Ling Wants To Lead A Quiet Life"

[02:42] ---

Chief,

[02:43] ---

Jiang Liuying has been
taken into custody

[02:46] ---

and will be transferred to
the supreme jail tomorrow.

[02:49] ---

Thank you, Master Zhuo.

[02:50] ---

"Year 4396 Spiritual Sword Competition
Incident Investigation Report"
All thanks to you,

[02:52] ---

we were able to exterminate
the Shadow Faction.

[02:54] ---

My pleasure, Chief.

[02:55] ---

However, we haven't found out

[02:57] ---

who is the mysterious party that
wanted to assassinate Miss Sun Rong.

[03:06] ---

Hello?

[03:07] ---

The Spiritual Sword Competition?

[03:10] ---

Yes. I understand.

[03:14] ---

You heard it, Zhuo.

[03:17] ---

More assassins?

[03:19] ---

No.

[03:20] ---

The space station detected
a spiritual force tsunami

[03:23] ---

centered around Faction
59's competition field.

[03:25] ---

Gross National Spiritual
Force Product dropped sharply.

[03:28] ---

Some of the spiritual energy
vehicles are already down.

[03:31] ---

The cause?

[03:32] ---

Unknown. Still under investigation.

[03:35] ---

My superiors are
not happy about this.

[03:37] ---

They have given the Department
of Cultivation a lot of pressure.

[03:40] ---

You mean... that...

[03:43] ---

The total value of the world's
spiritual force has dropped to 4.8.

[03:46] ---

This is a figure too low.

[03:47] ---

"World's Spiritual Force Level"

This is a figure too low.

[03:48] ---

"World's Spiritual Force Level"

Is there a way to cure it?

[03:50] ---

"favorite"

Either forwarding, rewarding,
or putting into your favorites will do.

[03:52] ---

"added"

Either forwarding, rewarding,
or putting into your favorites will do.

[03:53] ---

I got it.

[03:54] ---

I'm going right away
to find out the cause.

[03:57] ---

Wait a minute, Zhuo Yi.

[03:58] ---

Go and call off the
Spiritual Sword Competition.

[04:07] ---

"Congratulations
on making it to the TOP 10!"

[04:12] ---

"Everyone's Golden Pill"

[04:13] ---

"Everyone's Golden Pill"

What a pity!

[04:15] ---

"Class Elite"

We had overwhelming advantage
over Faction 59 in the preliminary.

[04:18] ---

"Duty" "Table Honor Roll" "Congratulations!"

We would have made it to the
finals if it had not been called off.

[04:22] ---

Come on. Making it into
Top 10 is already not bad.

[04:25] ---

Right.

[04:26] ---

Don't forget that we
have a Value 5 laggard.

[04:29] ---

"Knowledge Has No Boundaries."

[04:30] ---

"Knowledge Has No Boundaries."

Brother Wang hasn't
talked much since then.

[04:32] ---

"Knowledge Has No Boundaries."

Has he become withdrawn?

[04:34] ---

"Knowledge Has No Boundaries."

He doesn't have many lines anyway.

[04:36] ---

"Diligence Pays Off"

[04:37] ---

"Diligence Pays Off"

I don't why, but ever since
we won the competition,

[04:41] ---

"Diligence Pays Off"

he has become like this.

[04:43] ---

"Crispy Little Raccoon"

[04:44] ---

"Crispy Little Raccoon"

Wang Ling is just
enjoying his quiet daily life.

[04:50] ---

However, the gear wheel of destiny
is unnoticeably starting to turn.

[04:55] ---

I'm going back to my seat.

[05:07] ---

Very good. Everybody has handed in
his homework for the summer vacation.

[05:11] ---

You deserve to be a
member of the Class Elite.

[05:14] ---

Thank goodness I finished
drawing it on the last day.

[05:17] ---

I'm exhausted.

[05:19] ---

I believe every one of you
worked hard during the vacation.

[05:22] ---

The Cultivation Curriculum requests

[05:23] ---

that students of Phase 2 should
have broken through the bottleneck

[05:25] ---

and reached intermediate
foundation phase.

[05:27] ---

In the past, we lacked academic
disciplines and faction rules.

[05:30] ---

After we beat Faction 59 in the
Spiritual Sword Competition,

[05:33] ---

the Department of Education has
turned much of their attention on us.

[05:35] ---

Therefore, we will have a
Spiritual Force Test this afternoon.

[05:38] ---

Anyone who is not qualified
for intermediate foundation phase

[05:41] ---

will be expelled from Class Elite.

[05:46] ---

No.

[05:50] ---

By the way,

[05:52] ---

excelled Class Ordinary students on
this test will be moved up to Class Elite.

[05:56] ---

So, get ready to bid farewell
to the old and greet the new.

[06:00] ---

Does that mean that none of you has
reached the intermediate foundation phase?

[06:04] ---

Sister Sun,

[06:05] ---

not everyone has the talents
and family background like you.

[06:08] ---

I worked hard the
whole summer vacation,

[06:10] ---

and I have only just broken through.

[06:12] ---

That's right. It's obvious that they spent their summer vacation the easy way.

[06:17] ---

Wait.

[06:18] ---

What about Wang Ling?

[06:23] ---

Brother Wang.

[06:26] ---

If you don't mind,

[06:28] ---

I can perfuse my spiritual energy into you.

[06:39] ---

Brother Wang,

[06:40] ---

my father has taught me a set of Mercy Palms,

[06:43] ---

which can help with the breakthrough.

[06:46] ---

Time is short, so let me give you one of the palms.

[06:48] ---

No, you can't.

[06:50] ---

Forcible breakthrough will harm Brother Wang's meridians.

[06:53] ---

My father has been doing it all summer,

[06:55] ---

and nothing happened to me.

[06:56] ---

Perfusion.

[06:57] ---

Breakthrough.

[06:59] ---

Perfusion.

[07:00] ---

Breakthrough.

[07:01] ---

Perfusion.

[07:03] ---

Breakthrough.

[07:04] ---

Stop it, both of you.

[07:08] ---

Wang Ling is gone.

[07:12] ---

"GENTLEMEN"

[07:16] ---

Master, what are you going
to do about the test?

[07:19] ---

The test is for status, not strength.

[07:22] ---

It's going to be hard to disguise myself.

[07:29] ---

Brother Wang,

[07:30] ---

I know the test came
too unexpectedly,

[07:33] ---

but I can help you
through the difficulties.

[07:35] ---

During the vacation, I happened to
find out how to make foundation pills.

[07:39] ---

If we cooperation
like we did before,

[07:41] ---

we can make some
pills before the test.

[07:44] ---

After we take the pills,

[07:45] ---

our spiritual energy will
burst within one hour.

[07:48] ---

Then we will be able
to pass the test.

[07:51] ---

Guo Hao,

[07:53] ---

are you sure you have reached the
intermediate foundation phase?

[08:03] ---

So you knew it?

[08:05] ---

Brother Wang, you must help me.

[08:08] ---

If my parents get to know
I am expelled from Class Elite,

[08:11] ---

they will break my legs.

[08:15] ---

If... If we are able to
make the foundation pills,

[08:17] ---

we will be able to stay
in Class Elite together.

[08:33] ---

Students of Phase 2,
come to the field now.

[08:36] ---

The test will start right away.

[08:40] ---

I can't find the dog
intended for the test,

[08:42] ---

so we will use Doomsday for today's test.

[08:46] ---

The student who number is called

[08:48] ---

will come onto the stage
to the center of the formation

[08:51] ---

then concentrate his spiritual energy.

[08:54] ---

Based on the testee's energy strength,

[08:56] ---

the formation will adjust
its power automatically.

[08:59] ---

Then...

[09:07] ---

...those who are struck
by the thunderbolt

[09:09] ---

but whose bodies do not
explode pass the test.

[09:13] ---

Explode?

[09:14] ---

This is nothing but a
Doom Breaking simulator.

[09:16] ---

Do I still have a chance?

[09:18] ---

In ancient times, if someone failed in
doom breaking, he lost his life right away.

[09:21] ---

You don't have to worry.

[09:22] ---

Modern cultivation is different.

[09:25] ---

The voltage of the formation
is limited to the safety level.

[09:28] ---

Even if someone fails
in the doom breaking,

[09:30] ---

we have had every
precaution prepared for him.

[09:33] ---

I thought we wouldn't do doom breaking
until the end of the semester.

[09:35] ---

I haven't broken through yet.

[09:36] ---

Me neither.

[09:37] ---

I only broke through last night.
Hell knows if it will work.

[09:40] ---

You traitor.

You did your training behind us.

[09:43] ---

We will conduct the test
in the order of classes.

[09:46] ---

Students from other class
can take the time to warm up.

[09:49] ---

Phase 2, Class 1. Ku Xuan.

[09:57] ---

Ku Xuan.

[10:00] ---

Where is Brother Wang Ling?

[10:02] ---

The test has started.

[10:04] ---

Don't worry, Sister Sun.

[10:06] ---

Guo Hao is looking for him.

[10:08] ---

Our class will be the last one.

[10:09] ---

We have plenty of time.

[10:25] ---

Thanks to the help of
Brother Wang and Froggy 2,

[10:27] ---

the pills will be ready
when the rinds are baked.

[10:31] ---

The pills burst your
energy for only one hour,

[10:32] ---

so remember to take
them right before the test.

[10:36] ---

I still remember what
happened last semester

[10:38] ---

when we were having
the pill refining class.

[10:40] ---

You put your finished
vitality pills into my furnace

[10:44] ---

and handed in the wasted pill
Chen Chao made as your work.

[10:47] ---

I decided right at that moment

[10:49] ---

that you were my pal for my lifetime.

[10:57] ---

Wait. The footsteps.

[10:59] ---

It's... Instructor Pan.

[11:02] ---

What shall I do? What shall I do?

[11:03] ---

She is supposed to
be supervising the test.

[11:05] ---

What is she doing here?

[11:06] ---

"Condensate Water"
Oh shit. Shit.

[11:08] ---

What am I going to do?

What now?

[11:10] ---

What are you doing, Brother Wang?

[11:12] ---

"Pill Refining Room"

[11:30] ---

Everybody is at the test now. What are the two of you doing here naked?

[11:34] ---

Sorry, Instructor Pan.

[11:35] ---

We fell into the pool.

[11:37] ---

We are drying our clothes.

[11:39] ---

Are you?

[11:42] ---

What is in the furnace behind you?

[11:44] ---

Well...

[11:46] ---

Madam, please don't.

[11:52] ---

Madam, I can explain. I...

[11:58] ---

How come there is a dog here?

[12:05] ---

Move away.

[12:10] ---

What... What the hell is this?

[12:11] ---

Madam, we wanted to dry our socks quickly,

[12:14] ---

so we put them in the furnace.

[12:16] ---

Go to the test as soon as you've dried your clothes.

[12:24] ---

We muddled through it.

[12:27] ---

Where are the pills?

[12:28] ---

Well...

[12:29] ---

I hide them in my stomach.

[12:37] ---

The pills are being digested.

[12:38] ---

The spiritual force is beginning
to pound on my meridians.

[12:41] ---

If it is not unblocked,
I will break up.

[13:01] ---

Guo Hao. Wake up.

[13:03] ---

Guo Hao. Wake up. It's your turn.

[13:07] ---

What... What am I doing here?

[13:10] ---

What... is this place?

[13:12] ---

Class Elite. Guo Hao. Is he here?

[13:15] ---

You will be disqualified
if you don't show up.

[13:18] ---

Here. Here. Here I come.

[13:22] ---

Don't worry. I've take some pills.

[13:24] ---

If I can do it within one hour...

[13:27] ---

Damn it. It's over one hour now.

[13:30] ---

The pills are no longer effective.

[13:32] ---

Guo Hao, stand up for the test.

[13:35] ---

Sorry, Mom and Dad. Sorry, everyone.

[13:38] ---

I will work hard next semester and
make my way back to Class Elite.

[13:53] ---

Guo Hao is fabulous.

[13:55] ---

Have I... Have I made it to the
intermediate foundation phase?

[13:59] ---

I didn't expect my pills
would have such qualities.

[14:03] ---

Master, it seems your hit has pushed him right through the bottleneck.

[14:08] ---

Phase 2, Class Elite. Wang Ling.

[14:11] ---

Oh no. I've swallowed Wang Ling's pills too.

[14:14] ---

What is he going to do with the test?

[14:17] ---

Now that Wang Ling's spiritual force is of a very low level,

[14:19] ---

we allow him to wear a safety helmet in the test.

[14:25] ---

Brother Wang.

[14:33] ---

Master, there is a bug in the formation.

[14:35] ---

What is it?

[14:37] ---

There is an upper limit for the formation's voltage,

[14:39] ---

but they didn't set a time threshold for it.

[14:41] ---

The sea of your spiritual force is too vast.

[14:42] ---

When they designed the formation,

[14:43] ---

they didn't take into their consideration a cultivator like you.

[14:45] ---

Is he going to be all right?

[14:52] ---

Wh-What the...

[14:55] ---

What is going on?

[14:58] ---

Master, you are like a capacitance without limits.

[15:02] ---

I got it, Jingke.

[15:03] ---

How long with
the thunderbolt last?

[15:05] ---

Until the formation has exhausted
all the spiritual impulses around it.

[15:09] ---

Brother Wang.

[15:10] ---

Come back.

[15:12] ---

It's too dangerous
to meddle with it now.

[15:13] ---

We must do something.
Otherwise, he will be killed.

[15:18] ---

Help me unplug it.

[15:21] ---

Master, you've burned
too much spiritual energy.

[15:24] ---

It doesn't matter.
Unplug it and it will be fine.

[15:28] ---

"Pill Prices Soar"
The Gross Local Spiritual Force
Product is dropping...

[15:37] ---

Oh, no. The total value of the world's
spiritual force is dropping again.

[15:41] ---

What will happen
if it keeps dropping.

[15:43] ---

Update stops.

[15:49] ---

Master, it will be the
end of it if you go on.

[15:53] ---

I have an idea.

[16:02] ---

Sun Rong,

[16:03] ---

use him.

[16:05] ---

Peach wood swords

are insulators.

[16:25] ---

You... You broke the doom.

[16:28] ---

Sister Sun,

[16:29] ---

when did you learn such
terrible swordsmanship?

[16:35] ---

Brother Wang, are you hurt?

[16:39] ---

Sir, did I pass the test?

[16:46] ---

This incident is later classified as
malfunction of the Doom Breaking System.

[16:50] ---

However, this is just the
beginning of everything.

[16:54] ---

Jingke used so much more
force than necessary

[16:56] ---

that he ripped a crack in space.

[16:58] ---

Through this crack, the spiritual
impulses of the human world

[17:01] ---

disperse into another world.

[18:50] ---

The formation is destroyed,
but the this socket survives.

[18:53] ---

Why couldn't we unplug it?
That's not reasonable.

[18:59] ---

Pulling it up will do.

Why did you pull the cord sideways?
