[00:15] ---

Anyone here who is not
following this animation?

[00:24] ---

Richman, what... what are you doing?

[00:28] ---

I understand it now, finally.

[00:32] ---

Our real enemy is not
the Sun's descendants.

[00:35] ---

It's that sidekick.

[00:37] ---

He is the real wolf
pretending to be a dog.

[00:41] ---

But you can't destroy
the human world like that.

[00:44] ---

We must conquer it.

[00:45] ---

My counsellor, let him go.

[00:49] ---

Well...

[00:52] ---

Yes, Your Majesty.

[00:54] ---

Thank you...

[00:57] ---

...Your Majesty.

[01:02] ---

This time I'm on it personally.

[01:05] ---

I will not miss it again.

[01:10] ---

While I die, I will drag the
human world along with me.

[01:37] ---

"Songhai Department Store"

[01:52] ---

"Little Raccoon"

[02:05] ---

Richman.

[02:07] ---

My counsellor,
light the dimensional lamps.

[02:11] ---

Yes, Your Majesty.

[02:22] ---

Brother Wang,

[02:23] ---

it's not easy to come
up to Fort Skyloop.

[02:26] ---

Why don't we hang around here
for a while before we go back?

[02:34] ---

Let's go, Brother Wang.

[02:40] ---

I have a strange feeling.

[02:42] ---

What happened to us?

[02:44] ---

We've...

[02:46] ---

...become three-dimensional.

[02:47] ---

Wait a minute.

[02:48] ---

It is still normal outside the window.

[03:00] ---

[04:34] ---

"Episode Eleven: The Coming"

[04:43] ---

Why didn't you set up a spiritual

formation and have this meeting online?

[04:46] ---

I was practicing cultivation
hard in my retreat.

[04:48] ---

I almost got bewitched breaking
out of retreat all of a sudden.

[04:52] ---

It must have been the interferences
from the meteor shower

[04:54] ---

that cut communications
from Fort Skyloop.

[04:57] ---

It's such a critical moment
and you only think of you retreat.

[04:59] ---

The demons are rushing
to the human world.

[05:03] ---

Send the Seven-Star Squad.

[05:05] ---

What does the Department
of Cultivation feed you for?

[05:08] ---

Most of the squad members
are busy evacuating citizens.

[05:11] ---

They can't launch an
effective counter strike for now.

[05:14] ---

Are we just going to
sit here, to be beaten?

[05:17] ---

I've got a plan, but--

[05:18] ---

Say it.

[05:22] ---

The spatial crack through which
the demons invade us this time

[05:24] ---

is right above Faction 60.

[05:27] ---

And on the schoolyard is a
doom breaking formation I set up.

[05:30] ---

Three months ago in this formation,

a cultivation practitioner

[05:33] ---

initiated unbelievable
thunder strikes.

[05:35] ---

Do you mean

[05:36] ---

if we find a powerful
cultivation practitioner

[05:38] ---

and put him in the formation
to function as a battery,

[05:40] ---

we'll be able to initiate
thunders and kill the demons?

[05:43] ---

That's right.

[05:44] ---

This plan requires
massive spiritual energy.

[05:47] ---

However, we've lost contact
with world's No. 1 practitioner

[05:48] ---

"World's No. 1 Practitioner"
However, we've lost contact
with world's No. 1 practitioner

[05:49] ---

"World's No. 1 Practitioner"

who has excessive spiritual energy.

[05:51] ---

"World's No. 1 Practitioner"
What do we need that coward for?
He never shows up.

[05:54] ---

You want spiritual energy,

[05:56] ---

and I have it.

[05:59] ---

But your status is not high
enough to be world's No. 1.

[06:01] ---

Shut up!

[06:02] ---

I'll show it to you

[06:04] ---

that I am as good as
this No. 1 practitioner.

[06:15] ---

Go, Ocean.

[06:24] ---

Ocean has completed a loop.

[06:27] ---

That means

[06:28] ---

we cannot get out of this
passage, forward or backward.

[06:31] ---

Let's try the sides.

[06:32] ---

Sides?

[06:35] ---

I'll break through the wall.

[06:37] ---

But it's outer space outside the wall.

[06:39] ---

Don't worry.

[06:41] ---

The Guardian Light will protect you.

[06:53] ---

Great. There's a passage next door.

[06:56] ---

Wait a minute.

There's somebody over there.

[07:00] ---

This is... This is impossible.

[07:03] ---

What is going on?

[07:05] ---

We are trapped in a spatial cycle.

[07:08] ---

What are we going to do?

[07:09] ---

Jingke could break the
dimensional wall if he were here.

[07:15] ---

Master, why did you throw me so far?

[07:20] ---

My counsellor's
dimensional seal is a wonder.

[07:23] ---

It traps our greatest threat
from the human world

[07:26] ---

with just 3,090 dimensional lamps.

[07:30] ---

My noble Emperor of Demons, Sire,

[07:33] ---

Apart from dimensional
spiritual treasures,

[07:36] ---

nothing can break my
three-dimensional seal.

[07:41] ---

But 30 of the lamps were
knocked over accidentally.

[07:46] ---

The remaining 3,060 lamps cannot power
the formation to its full function.

[07:52] ---

Just a few lamps.

[07:54] ---

No hurt will be done.

[07:56] ---

How is the battle going
on in the human world?

[08:27] ---

Master Zhuo,

[08:28] ---

you have successfully
attracted the demons' hatred.

[08:31] ---

Have the civilians
been evacuated?

[08:33] ---

Almost.

[08:35] ---

And the doom breaking formation?

[08:36] ---

Is it ready?

[08:37] ---

Construction will be completed soon.
We just need to wait...

[08:41] ---

Hello? A-34. Hello?

[08:44] ---

A huge portal formation has
just appeared above Songhai.

[08:46] ---

Thousands of demons are rushing

in through this spatial crack.

[08:49] ---

At the moment, the Seven-Star Squad
is fighting the demons in the urban area.

[08:53] ---

All citizens, please follow
the Squad's instructions

[08:54] ---

and evacuate the central area.

[08:57] ---

We must go now, darling.

[09:00] ---

Lingling. Where is Lingling?

[09:03] ---

You're not supposed
to worry about him.

[09:06] ---

Sounds right.

[09:10] ---

Back to where we started.

[09:13] ---

Brother Wang,

[09:15] ---

are we going to be trapped
here for the rest of our life?

[09:17] ---

Moreover,

[09:19] ---

even if we were able to get out of here,

[09:20] ---

the human world would
have been destroyed.

[09:24] ---

I got it.

[09:26] ---

You got what?

[09:27] ---

"Setup"

"Visual | Interface | Audio | Operation"

I've pulled up the control panel.

[09:30] ---

Control panel. What is it?

[09:33] ---

Edit.

[09:34] ---

Polygon.

[09:49] ---

Brother Wang,
we are high modulus now,

[09:52] ---

and our actions are smooth like silk.

[09:57] ---

I've adjusted to
highest picture quality

[09:59] ---

and removed the limit on frame rate.

[10:02] ---

Wait.

[10:05] ---

What is happening now down there?

[10:16] ---

You foolish humans. You are surrounded.

[10:19] ---

Put down your weapons
and surrender to me.

[10:22] ---

Surrounded?

[10:25] ---

Don't you see you are
the ones that are surrounded?

[10:40] ---

Thunders biblibablibo. Go!

[10:52] ---

These are doom breaking
thunders of the highest level.

[10:55] ---

They are catastrophic to you demons.

[11:06] ---

Attention, Seven-Star Squad.

[11:08] ---

Protect the great master.

[11:09] ---

Yes.

[11:14] ---

"IMMORTAL"

[11:16] ---

One of the great masters
is taking action.

[11:17] ---

We will win soon.

[11:19] ---

Something is not right.

[11:20] ---

Brother Wang,

[11:21] ---

how can we possibly lose
with the thunders to our aid?

[11:24] ---

They erected the flag.

[11:28] ---

It's getting interesting.

[11:42] ---

What the...

[13:17] ---

Finished. All finished

[13:20] ---

The world... is destroyed.

[13:23] ---

Wait. It can still be saved.

[13:27] ---

Brother Wang,

[13:29] ---

we have tried it many times.

[13:30] ---

We can't get out of here by lift.

[13:32] ---

The lift is not the point.

[13:36] ---

Brother Wang,

[13:37] ---

what do you take off the mirror for?

[13:42] ---

This seal is like a
3D game in principle.

[13:45] ---

The world as we see it
is rendered in real time.

[13:50] ---

I see. No wonder it stuttered.

[13:53] ---

There was some frame loss.

[13:57] ---

I got it.

[13:58] ---

If we overload the graphics card,

[14:00] ---

the seal will crumble.

[14:02] ---

That's right.

[14:03] ---

What crashes rendering

most effectively is...

[14:06] ---

...a mirror.

[14:11] ---

What... What is going on?

[14:13] ---

It's working, Brother Wang.

[14:15] ---

Frame loss is becoming
more and more apparent.

[14:18] ---

Sun Rong, call out your Ocean.

[14:26] ---

Now I see it.

[14:28] ---

Brother Wang wants to utilize
Ocean's particle effect.

[14:32] ---

Damn it.

[14:33] ---

Air cooling is not sufficient.

[14:36] ---

Ray tracing...

[14:38] ---

...on.

[14:43] ---

What the...

[14:45] ---

This is impossible.

[14:48] ---

My 3060!

[14:54] ---

We did it, Brother Wang.

[14:56] ---

The spatial seal is removed.

[14:58] ---

Sun Rong, wait here.

[15:00] ---

I'm going to save the world.

[15:03] ---

If you go back now,
your identity will be revealed.

[15:07] ---

I don't care.

[15:09] ---

It's showdown time.

[15:50] ---

Master.

[15:52] ---

My master is back.

[15:56] ---

The battle in Songhai
took a sharp turn.

[15:58] ---

The demon carrier
that had just landed

[15:59] ---

was sunk by a
mysterious practitioner.

[16:03] ---

Who is he?

[16:26] ---

Breaking news.

[16:27] ---

The mysterious practitioner who
had just sunk the demon carrier

[16:29] ---

was taken away by a butterfly girl.

[16:31] ---

Master. Where has he gone?
