[00:02] Luciel

Good evening!

[00:05] Adventurer A

A healer...

[00:06] Adventurer B

What does he think he's doing here?

[00:09] Luciel

*Maybe it's because of my robe,
but I can feel them all staring.*

[00:14] Luciel

Is the master available?

[00:16] Luciel

Here, too?

[00:17] Master

Hey, Luciel. What's going on?

[00:20] Luciel

I'd like ten barrels of Substance X, please.

[00:23] Master

Ten?! If you say so...

[00:26] Luciel

*I think they're all staring
for a different reason now.*

[00:31] Master

By the way, since you're the maso-zombie
healer, I have a favor to...

[00:35] Master

er, a request to ask of you.

[00:37] Luciel

What kind of request?

[00:39] Master

I'd like you to take up your trade here
like you did in Merratoni.

[00:44] Luciel

Unfortunately, I don't think I can

[00:48] Luciel

since I'm currently working
at church headquarters.

[00:51] Master

Hmm, then what if I request
treatment from you as an adventurer?

[00:57] Luciel

*If there are adventurers in trouble,
I should lend a hand.*

[01:00] Luciel

That's what I promised in Merratoni.

[01:04] Luciel

*And maybe I can repay Master Brod
and the others this way.*

[01:08] Luciel

I'm also an adventurer, after all,

[01:10] Luciel

so if you call on me as such,
I can accommodate.

[01:13] Master

Really?! All right, first, your Substance X!

[01:16] Master

Wait right there.

[01:19] Luciel

What's going on?

[01:21] Milty

Recently, some very high-level
monsters have been appearing.

[01:24] Milty

Lots of folks have suffered grave injuries.

[01:26] Luciel

Is that why the master is looking so down?

[01:29] Milty

The adventurers are like family to him.

[01:32] Luciel

Why don't they go to a clinic?

[01:35] Milty

You expect them to cough up gold
when they're terribly injured?!

[01:38] Milty

Do you *want* them to
become slaves or something?

[01:41] Master

Milty. That's enough.

[01:43] Master

It's hard to explain.

Will you fulfill my request?

[01:48] Luciel

I don't come cheap.

[01:50] Luciel

It'll cost one silver coin per person.

[01:53] Luciel

I won't charge any more than that.

My price is firm!

[03:36] Elitz

Hey, hang in there!

[03:38] Adventurer C

It's too late... I'm done for...

[03:42] Elitz

We're out of options.

I'm taking you to a clinic.

[03:45] Adventurer C

Idiot... I ain't made of money.

[03:50] Adventurer C

I really had a blast with you guys...

[03:53] Elitz

Hey!

[03:56] Elitz

I don't care who...

Please, somebody help!

[04:00] Master

There's quite a few of them.

[04:02] Master

Can you handle it?

[04:03] Luciel

Yes. Let me take a look first.

[04:06] Elitz

Hey! What the hell're you doing here?!

[04:08] Adventurer D

It's one of those cold, heartless healers!

[04:11] Adventurer

Go to hell!

[04:12] Elitz

Get out of here!

[04:13] Adventurer E

No, kill him!

[04:15] Luciel

Ek!

[04:16] Master

Quiet down, you fools!

[04:20] Master

This guy... I mean,

this distinguished individual

[04:24] Master

is the very urban legend from Merratoni!

[04:26] Master

The maso-zombie healer!

[04:31] Master

He says he'll help for a single silver coin.

[04:33] Master

If you got a problem with that,
you get out of here!

[04:36] Adventurer G

Is he truly the legendary
maso-zombie healer?

[04:39] Adventurer F

So those weren't just tall tales?

[04:41] Adventurer D

Will you really help us for one silver coin?

[04:44] Adventurer E

If he's seriously the legendary maso-zombie,
we might all be saved!

[04:48] Adventurer C

Maso-zombie-sama...

[04:51] Cat person B

Maso-zombie-sama! Hurry and treat us!

[04:54] Luciel

Wait a—

[04:55] Adventurers

The masochist! The masochist!

[04:56] Luciel

Eh?

[04:58] Luciel

What?

[04:58] Adventurers

Zombie! Zombie!

[05:01] Adventurers

The masochist! The masochist!

[05:02] Luciel

I don't like this one bit!

[05:04] Luciel

*At this rate, I'll be stuck with
the zombie nickname forever!*

[05:09] Luciel

Please listen!

[05:11] Luciel

I do not wish to take work away from clinics,

[05:14] Luciel

so I will not be able to treat you every time,

[05:18] Luciel

but please don't riot or attack the clinics
for being too expensive.

[05:22] Luciel

I can only help out because I happened
to be here picking up Substance X.

[05:27] Luciel

Now, I'll treat you all with three conditions.

[05:31] Luciel

It's one silver coin per person.

[05:33] Luciel

And if someone with the church,
like the pope, the Valkyries,

[05:38] Luciel

or I get into trouble, I ask that
you do what you can to help.

[05:41] Luciel

Lastly, nicknames involving "zombie"
and "masochist" are now off-limits!

[05:44] Luciel

I need you to call me something
I can actually go by!

[05:47] Luciel

Are we clear?

[05:49] Adventurers

Yeah!

[05:51] Luciel

In that case, I'll begin the treatment.

[05:55] Luciel

O holy touch of healing.

[05:57] Luciel

O breath of the mother of this great land.

[05:59] Luciel

O Lord, I offer up my magic...

[06:02] Luciel

Bring relief as from the breath of an angel.

[06:05] Luciel

Area high heal!

[06:11] Adventurer F

It's gone! The pain's gone!

[06:13] Adventurer C

All right! I'm healed!

[06:15] Adventurer E

Thank you, Masochist-sama!

[06:16] Adventurer C

Idiot! "Masochist" is off-limits!

[06:21] Adventurer C

[07:53] Cattleya

So you're heading to the labyrinth now?

[07:56] Cattleya

Will you be returning around the usual time?

[07:58] Luciel

Actually, I'm thinking about staying there for a while.

[08:02] Cattleya

I can't allow you do to something that dangerous!

[08:04] Luciel

But I really only come back to sleep. I have plenty of food in my magic sack.

[08:10] Cattleya

That isn't the issue!

[08:12] Luciel

It'll be fine. If I defeat the monsters in the main chamber,

[08:15] Luciel

there aren't any more until I open the door.

[08:20] Cattleya

In that case, just be sure to return here once a week.

[08:24] Cattleya

And don't overdo it. I don't want to see you dead.

[08:29] Luciel

You got it!

[08:30] Luciel

My mottos are "make it out alive"

[08:33] Luciel

[08:38] Cattleya

Then take care. See you soon.

[08:40] Luciel

Yeah. I'm off now!

[08:44] Cattleya

Don't you die on me, Luciel-kun.

[08:49] Luciel

Heya, I'm back!

[08:51] Cattleya

Already?! It hasn't even been a week yet!

[09:27] Luciel

Wow!

[09:29] Cattleya

So, what will you do for the rest of the day?

[09:31] Luciel

I'm going to go buy some food
and then head back in.

[09:34] Cattleya

I know I keep saying this,
but don't overdo it.

[09:37] Cattleya

And be sure to come back within one week.

[09:40] Luciel

Understood!

[09:44] Master

I thought you'd be back.

[09:47] Master

Isn't today St. Weirdo's free day?

[09:50] Luciel

St. Weirdo's free day?

[09:52] Master

Yeah. I reckoned you'd be out of Substance X,

[09:55] Master

and you mentioned you get one day off a week.

[09:57] Luciel

I'm surprised you remembered.

[09:59] Master

If I couldn't remember that much, I wouldn't be worth my weight as guild master.

[10:03] Luciel

So why are you always in the kitchen?

[10:07] Master

I enjoy it!

[10:08] Luciel

I see...

[10:10] Luciel

Oh, right. May I ask you to send another letter?

[10:13] Master

Yeah, sure, sure.

[10:15] Luciel

I haven't gotten any responses yet, though.

[10:17] Adventurer

Oh, it's St. Weirdo.

[10:20] Adventurer C

Today after healing, you're joining a mock battle, right?

[10:23] Adventurer D

Nice! I can show St. Weirdo how much the training has helped me.

[10:27] Adventurer E

Whatever we call him, there's no way I'm gonna lose to a healer.

[10:30] Adventurer C; D; E

Yeah!

[10:31] Luciel

I guess that St. Weirdo thing is gonna stick...

[10:34] Master

They're all worked up since they get to fight you.

[10:38] Luciel

Is that right?

[10:39] Master

Since they've been training
and practicing more,

[10:42] Master

the number of deaths and failed
missions has dropped sharply.

[10:45] Luciel

I'm very glad to hear that.

[10:47] Master

To prepare for this day, they've
all been taking high-ranking jobs

[10:50] Master

and fighting strong monsters.
It's been nothing but good news.

[10:53] Elitz

Look, it's St. Weirdo.

[10:56] Luciel

Oh, Elitz-dono.

[10:58] Master

You getting buddy-buddy with A-ranks?

[11:00] Elitz

Yeah, ever since this
guy treated my injuries.

[11:03] Luciel

Well, you've also taught me
a lot since then.

[11:07] Elitz

How about that physical
enhancement skill I showed you?

[11:10] Luciel

That's still difficult for me.

[11:12] Luciel

I have to focus my magic
and quickly circulate it through my body...

[11:17] Luciel

Physical enhancement!

[11:21] Luciel

But it isn't as easy as it sounds.

[11:25] Elitz

Yeah, even though your
magic control skill is so high.

[11:28] Elitz

Also, are you still stuck at level 1?

[11:32] Elitz

That doesn't seem right.

[11:34] Luciel

It's because I haven't defeated any monsters.

[11:36] Luciel

I mean, I have, but they were all illusions.

[11:40] Elitz

Man, what a waste!

[11:42] Elitz

If you can fight that well,
you'd be a real diamond in the rough!

[11:47] Milty

St. Weirdo!

[11:48] Milty

Everyone's ready for their treatment.

[11:50] Luciel

Okay! I'm on my way.

[11:56] Luciel

Purification!

[11:57] Luciel

Recover!

[11:59] Luciel

Dispel!

[12:00] Luciel

Area high heal!

[12:05] Luciel

Okay, all done!

[12:07] Luciel

Everyone feels better now, right?

[12:09] Adventurers

Yes! Thank you very much!

[12:12] Luciel

Okay, if any of you have news of Merratoni

[12:14] Luciel

or word about the Valkyrie paladin
regiment, raise your hand.

[12:18] Cat person B

I do!

[12:19] Cat person B

I've heard that the Valkyries are all safe.

[12:22] Luciel

Phew. That's good.

[12:24] Adventurer G

But I heard that there were
deaths among the templars.

[12:28] Adventurer D

Over here! I know something about Merratoni.

[12:32] Luciel

Go ahead.

[12:33] Adventurer D

I've heard that the Whirlwind
is out of control.

[12:35] Luciel

The Whirlwind?!

[12:36] Adventurer D

He keeps kidnapping adventurers and dragging them to his training hall.

[12:41] Luciel

Master Brod!

[12:43] Adventurer E

Hey, I heard that he used to be focused on one disciple,

[12:46] Adventurer E

so things were okay then.

[12:48] Adventurer D

But then that disciple left and now other adventurers are taking the heat.

[12:52] Luciel

Sorry, guys...

[12:54] Adventurer C

Then there's that bear chef!

[12:56] Luciel

Bear chef?

[12:57] Adventurer C

He isn't just making people drink Substance X.

[12:59] Adventurer C

He's been inventing new recipes with it to make people eat!

[13:03] Luciel

Gulgar-san, what are you thinking?

[13:06] Adventurer A

Oh, and another thing. A receptionist at the Adventurers' Guild is getting married.

[13:12] Adventurer A

Actually, multiple receptionists are.

[13:14] Luciel

What was that? Tell me more.

[13:16] Adventurer A

Well, it sounds like the guys who captured the receptionists' hearts

[13:19] Adventurer A

are A-rank beastfolk adventurers or something.

[13:22] Luciel

But who? Which receptionists?!

[13:25] Adventurers

Um, I don't actually know.

[13:27] Luciel

Who is it?!

[13:28] Luciel

"Multiple" means at least two of them!

[13:30] Luciel

So who and who else?!

[13:32] Luciel

*If they're marrying beastfolk,
could one of them be Nanaella-san?*

[13:36] Luciel

*Now that I think of it, is this why
they haven't responded to my letters?*

[13:41] Luciel

Huh?!

[13:44] Luciel

At least...

[13:46] Luciel

*At the very least,
please invite me to the wedding.*

[13:51] Luciel

*It's been half a year since
I beat the level twenty boss.*

[13:55] Luciel

Area high heal!

[14:01] Luciel

Phew. Looks like a total victory this time.

[14:05] Luciel

*Thanks to all my training, I finally
vanquished the boss on the thirtieth level.*

[14:13] Cattleya

I'm so glad you're all right.

[14:15] Cattleya

Thank you for coming back to me alive.

[14:17] Luciel

Please... This is embarrassing.

[14:21] Cattleya

You really did an amazing job this time.

[14:23] Cattleya

You earned 426,549 points.

[14:27] Luciel

*So that robe I bought the other day
after five trips to the labyrinth...*

[14:30] Luciel

I could afford another one of those?

[14:33] Cattleya

You sure could.

[14:34] Cattleya

And if you have points left over, you might

think about stocking up on magic potions.

[14:38] Luciel

Good idea.

[14:40] Cattleya

Your magic sack can fit as many as you want,
so it wouldn't hurt to have them.

[14:44] Luciel

I depend on magic for most fights,
so that could be a real lifesaver.

[14:48] Luciel

Just this run, I would've been
in trouble without area high heal.

[14:52] Cattleya

What? You're so young
and you can use area high heal?

[14:55] Cattleya

Luciel-kun, have you
been lying about your age?

[14:58] Luciel

The first time I visited
the Healers' Guild at age fifteen,

[15:01] Luciel

I didn't even know how to use heal.

[15:04] Cattleya

Then have you gotten your hands
on some kind of strange drug?

[15:08] Luciel

Huh? No, that's not even...

[15:10] Luciel

Oh!

[15:30] Pope

I must say, I never expected this.

[15:33] Pope

I applaud your efforts.

[15:35] Pope

It seems your magic powers have also grown

[15:38] Pope

much more powerful since we first met.

[15:41] Cattleya

I have a report to make regarding that.

[15:44] Cattleya

He's apparently been drinking a beverage called Substance X for two and a half years.

[15:49] Luciel

This is it.

[15:51] Cattleya & Pope

Gross!

[15:53] Cattleya

Put that away immediately!

[15:54] Luciel

A-All right!

[15:55] Cattleya

Is it poison?

[15:56] Luciel

N-No.

[15:58] Luciel

Maybe I should cast purification anyway...

[16:01] Luciel

It's not poison. It's something they serve at the Adventurers' Guild.

[16:06] Luciel

They say it's produced when you cast magic on a special item crafted by a sage.

[16:11] Pope

At the Adventurers' Guild?

[16:13] Pope

Wait. What is the name of this drink?

[16:16] Luciel

I know it as Substance X.

[16:19] Luciel

It's something they force new adventurer's to consume.

[16:22] Pope

Hmm. I believe it was originally created

to awaken people's latent talents.

[16:28] Pope

It's made from medicinal herbs,
dragon's heart, and spirit water,

[16:33] Pope

and crafted into a pill.

[16:35] Luciel

A pill? That'd be much easier to take.

[16:38] Pope

A sage claimed to have developed

[16:40] Pope

a magical device to replicate
the recipe at any time.

[16:45] Pope

But what came out instead was a liquid,
so he renamed it.

[16:50] Luciel

Why?

[16:51] Pope

I believe it was called Substance X
when it was in pill form,

[16:57] Pope

but the liquid version of it
was so unpalatable

[17:00] Pope

that its creator changed its name to...

SIGN God's Lament

[17:04] Pope

God's Lament.

[17:06] Luciel

It certainly tastes horrible.

[17:08] Luciel

I would believe even God
would lament its flavor.

[17:11] Luciel

I drink three mugs a day after my meals,

[17:13] Luciel

and I've been doing so for two and half years.

[17:17] Cattleya

Huh?

[17:18] Pope

Is that the truth?

[17:20] Luciel

Yes. Life in this world is so fragile,

[17:23] Luciel

so I felt I should do
whatever I could to survive.

[17:26] Pope

Hmm.

[17:27] Luciel

There are no side effects and just drinking it makes you strong, so how could I not?

[17:32] Pope

I see now.

[17:34] Pope

Your efforts and that hardship are what have allowed you to grow so.

[17:39] Cattleya

I can't believe you can drink that sludge.

[17:41] Cattleya

Pretty impressive, Luciel-kun.

[17:43] Luciel

Cattleya-san?

[17:45] Pope

So, Luciel, will you tell me what kinds of monsters you encountered this time?

[17:50] Luciel

Yes. There were three wights and five ghost knights.

[17:54] Luciel

I evaded them, eventually defeating them with area high heal.

[17:57] Pope

You're able to use that at your age?

[18:00] Pope

You may yet become a sage yourself one day.

[18:04] Luciel

I will do my best.

[18:05] Pope

Now then, bring me the items the monsters dropped.

[18:13] Pope

Oh, these are from... those three girls.

[18:16] Luciel

What three girls?

[18:18] Pope

That is all for today.

[18:20] Pope

I will deliver your reward to Cattleya in good time.

[18:23] Pope

Do continue to explore the labyrinth.

[18:35] Luciel

Good morning!

[18:37] Cattleya

Luciel-kun? Morning.

[18:41] Cattleya

The pope sent this letter.

[18:44] Luciel

What is it?

[18:45] Cattleya

It details the effects of God's Lament,
also known as Substance X.

[18:50] Luciel

Wow. I'll read it later in the labyrinth.

[18:54] Luciel

I'm off.

[18:56] Cattleya

Um, Luciel-kun?

[18:58] Luciel

Yes?

[18:59] Cattleya

Good luck.

[19:01] Cattleya

If you're ever having a hard time,
I'll be here for you.

[19:04] Luciel

Sure. Thanks a lot.

[19:10] Luciel

Now then, what's it say?

[19:12] Luciel

"This is a direct reproduction of the notes
on God's Lament, also known as Substance X.

[19:20] Luciel

Humans have three major primal urges.

[19:22] Luciel

They desire sleep, they desire food,
and they desire sex.

[19:26] Luciel

But those desires tend to wane
in those who devote themselves to the Church.

[19:31] Luciel

I thought this medicine could be as a beacon to such devotees

[19:34] Luciel

to prevent them from losing
the joys of living.

[19:38] Luciel

It has the effect of amplifying
the three primal urges.

[19:42] Luciel

It also produced some unexpected side effects.

[19:45] Luciel

It seems to protect the body from various maladies, revitalize cells while sleeping,

[19:50] Luciel

and facilitate skill growth as well."

[19:54] Luciel

Wow, Substance X is this amazing?

[19:58] Luciel

"However, a tragedy occurred.

[20:02] Luciel

There was a wave of criticism due to its unbearably bad smell.

[20:05] Luciel

It was deemed unfit for the Church and slated for disposal.

SIGN Gong!

[20:09] Luciel

Yet this medicine was the reason I was allowed to become a sage.

[20:14] Luciel

So I asked the Adventurers' Guild headquarters if I could leave it with them.

[20:18] Luciel

If any beginners are curious about the effects, I'd like it to be available for them to drink.

[20:22] Luciel

I pray that this God's Lament may one day become the item that saves the world."

[20:30] Luciel

Huh. What's on this other page?

[20:34] Luciel

The results of a study on Substance X's effects, huh?

SIGN Desire to Sleep

SIGN Desire for Sex

SIGN Desire to Eat

[20:39] Luciel

The actual effect of Substance X is increasing one of the three primal urges

SIGN Desire to Sleep

SIGN Desire for Sex

[20:45] Luciel

and transforming that energy to enhance one's overall physical ability.

[20:52] Luciel

That's a pretty big secret.

So it sacrifices a primal urge, eh?

[20:57] Luciel

Come to think of it...

SIGN Desire to eat

[20:59] Luciel

I've got an appetite.

SIGN Desire to sleep

[21:02] Luciel

I love to sleep.

SIGN Desire for sex

[21:06] Luciel

And sexual desire... Wait, sexual desire?

SIGN Sexual

[21:11] Luciel

Sexual desire...

SIGN Sexual Desire

[21:14] Luciel

Now that I think about it, I've got none.

[21:22] Luciel

Absolutely none! Not any at all!

[21:25] Luciel

Wait, was that because she felt sorry for me?!

[21:28] Luciel

Does she basically think

I'm impotent or something?!

[21:32] Luciel

Like I'm already in celibate sage mode?!

SIGN I'm in sage mode?!

[21:34] Luciel

I mean, this world is full of babes.

[21:37] Luciel

But I've never once felt

turned on around them!

[21:41] Luciel

S-Still, even if I haven't been turned on,

[21:43] Luciel

they've definitely caught my eye before.

[21:46] Luciel

Absolutely. Definitely. So I'm okay.

[21:49] Luciel

I'm... totally okay.

[21:52] Luciel

Okay.

[21:54] Luciel

Once I make it through the labyrinth,

I'm going to fall in love!

[21:57] Luciel

Oh yeah!

[22:00] Luciel

Except I still haven't gotten responses
to any of my letters...

[22:09] Luciel

Training! Training!

[22:12] Luciel

It's training time!

[22:14] Luciel

All for my future!

[23:55] Pope

Oh, dear Luciel.

[23:58] Pope

You drank all that Substance X
and now have zero sex drive?

[24:02] Pope

Next time: "Trouble in St. Shurule."

SIGN #11 Trouble in St. Shurule

[24:05] Pope

At this rate, you might
change jobs and become a sage.
