[00:04] Emma

Noir, do we really have to go?

[00:08] Noir

Well, Lola's our designated receptionist.

[00:14] Lola

What?! Who do you think you are?!

[00:17] Lola

I've had enough of you!

[00:18] Luna

Lola, calm down!

[00:20] Lola

[02:46] Noir

It's a little embarrassing...

Oh, fine.

Hey, morning.

[03:04] Maria

Good day, Noir and Emma.

[03:07] Amane

Thank you for the other day.

[03:09] Noir

No problem at all. Miss Maria,
you seem to have recovered completely.

[03:13] Maria

Yes. It's all thanks to you, Noir.

[03:16] Noir

Huh?

[03:18] Noir

U-Um...

[03:21] Amane

Anyway, I'm glad she got better

[03:25] Marie

Indeed.

Huh? Exam?

[03:29] Elna

All right, pipe down and get to your seats!

[03:32] Elna

Before we start class,
I'll explain your exam.

[03:36] Elna

This is your first exam
after entering this school,

[08:42] Lola

[08:47] Noir

Wait, you're coming with us, Luna?

You see, I'm also an adventurer.

[08:51] Luna

I didn't want to be hit with Cowardice while on a quest with others,

[08:54] Sign

I don't want to die

[08:55] Luna

so I'd been working solo for years.

[08:58] Noir

So that's why you joined Odin?

[09:00] Luna

Yes. I still do my clerical duties as I take care of quests.

[09:05] Luna

So I would love to be your slave...

[09:08] Luna

That is, I would love to join your party.

[09:10] Noir

I'm pretty sure I just heard her say "slave"!

[09:12] Noir

O-Of course! I'd be honored to go on adventures with you, Luna!

Anyway, we can't let that chick take Noir!

[09:26] Lola

Yes! Let's show Sarah who's boss!

[09:29] All

Yeah!

[09:38] Noir

Thus we completed Lola's quests, one after another,

[09:45] Noir

and tried to come up with a plan to take down a dragon

[09:47] Noir

as we gathered materials for our exam.

[09:51] Luna

According to an adventurer I met in the mountains,

[09:53] Luna

it was an Earth Dragon.

[09:56] Emma

But I heard they hate humans and will try to kill them without warning.

[10:00] Emma

Rawr!

[10:01] Noir

It'd be dangerous to fight one head-on...

[10:05] Noir

What about using a pitfall?

[10:08] Emma

Hey, that's a great idea!

[10:10] Luna

If we're going to attack it after it falls in,

[10:12] Luna

using a spear would probably be optimal.

[10:14] Emma

We're gonna stab it to death!

[10:19] Noir

So then we used the money we received from the duke

[10:23] Noir

to buy long spears and such.
