**[00:12] Paula**

Training with Rin-san, huh?

**[00:15] Paula**

What's she like anyway?

**[00:17] Ys**

She drew out Hayato and Prontea,  
and taught them how to fight.

**SIGN** #2 The Black South

**[00:22] Ys**

She's also a survivor of the Idaten who  
battled the demons 800 years ago.

**[00:26] Ys**

The only living being to truly understand  
the demonic involvement of the past.

**[00:29] Ys**

She's the strongest Idaten  
in current existence.

**[00:32] Ys**

If we're going to learn how to fight,  
she's the best person to turn to.

**[00:36] Ys**

Plus, at the moment, it's dangerous to be  
apart from either her or Hayato.

**[00:41] Ys**

According to Hayato,  
that doctor was a robot...

**[00:44] Ys**

We can assume whoever was controlling it

**[00:46] Ys**

is now in possession of all the data  
it collected during our battle.

**[00:50] Ys**

Suppose they have a minion even more  
powerful than that demonic beast,

**[00:53] Ys**

and it were to attack.

**[00:55] Ys**

We'd be done for.

**[00:56] Ys**

If we stick with Hayato and Rin-san  
under the premise of training,

**[00:59] Ys**

we can probably avoid getting done in.

**[01:01] Paula**

Probably?

**[01:02] Ys**

Well, the plan doesn't preclude the  
possibility of getting killed by Rin-san...

**[01:08] Ys**

To be honest, I'm not thrilled about this.

**[01:12] Ys**

I used to train alongside Hayato,

**[01:14] Paula**

*At the time, I thought to myself,  
"What's the big deal?"*

**[01:14] Ys**

and as embarrassing as it is to admit,

**[01:16] Ys**

it was so harsh that

I turned tail after three months.

**[01:17] Paula**

*"Why is Ysley exaggerating so much?"*

**[01:19] Ys**

I haven't seen Rin-san since.

**[01:27] Hayato**

Time to die, you old—

**[01:57] Ys**

Just as brutal as I remember.

**[03:37] Rin**

What... What was that?! You call that training?

It looked like a beating!

**[03:42] Ys**

Well, er, theoretically.

It's the proper way to train an Idaten, but...

**[03:49] Ys**

*The problem is that Rin-san  
doesn't understand the theory.*

**[03:51] Ys**

*She's just doing what she wants.*

**[03:53] Ys**

*And that's terrifying!*

**[03:55] Paula**

Come on, Ysley. Wouldn't it be safer  
to go learn from Prontea-san?

**[04:02] Paula**

She vanished!

**[04:06] Rin**

Well, well... We meet again, Ysley.

**[04:10] Rin**

It's been, what, fifty years?  
And you have the nerve to show up now?

**[04:16] Paula**

*What's with this unbelievable bloodlust?!*

**[04:19] Ysley**

*Shit. She's even angrier than I anticipated.*

**[04:24] Ysley**

*The wrong answer here means death,*

**[04:26] Ysley**

*and no excuse will be enough  
to make a difference.*

**[04:29] Ysley**

*That being the case...*

**[04:31] Ysley**

*I have only one option!*

**[04:34] Ysley**

Rin-san!

**[04:37] Ysley**

I can't deny that I ran  
from your training once before,

**[04:39] Ysley**

and I know how presumptuous  
it may seem after all this time,

**[04:42] Ysley**

but please teach me how to fight again!

**[05:00] Narrator**

*To Rin, who was driven by her

**[05:03] Narrator**

*an Idaten who shirked his training  
in order to learn in the human world*

**[05:07] Narrator**

*was essentially the same as a shut-in

**[05:11] Narrator**

*But when Ysley spoke, it was as if*

**[05:14] Narrator**

*that sort of fail-son suddenly  
put on a business suit...*

**[05:18] Ys**

I'm so sorry for everything  
I put you through!

**[05:20] Ys**

Starting today, I'm going to turn  
over a new leaf and look for a job!

**[05:23] Narrator**

*And the degree to which this affected Rin  
was not unlike that of a mother.*

**[05:29] Rin**

I see, I see! So you've  
finally realized your duty!

**[05:33] Rin**

Oh, Grandfather! I've never been happier!

**[05:38] Rin**

Now then, Ysley, who's the girl?

**[05:42] Ys**

Oh, right. This is a new Idaten...

**[05:44] Paula**

My name is Paula. It's nice to meet you.

**[05:47] Rin**

Really? Did you draw her out?

**[05:49] Rin**

Or was it Hayato?

**[05:51] Paula**

Oh, no, I was drawn out by Prontea-san.

**SIGN** "Drawing Out"

**[05:55] Narrator**

*Idaten are naturally occurring entities.*

**[05:58] Narrator**

*If they are left alone, they will still manifest within a few centuries.*

**[06:02] Narrator**

*But with the intervention of another Idaten,*

**[06:04] Narrator**

*they can be drawn out in an instant.*

**[06:08] Narrator**

*Those drawn out in this fashion often take*

**[06:11] Narrator**

*the Idaten responsible as their master.*

**[06:13] Narrator**

*This is why Rin, who spends nearly all her time*

**[06:16] Narrator**

*where the demons have been sealed,*

**[06:18] Narrator**

*will occasionally travel across the world with Hayato.*

**[06:21] Narrator**

*She means to find and draw out new Idaten to join her.*

**[06:25] Rin**

Oh, Prontea, eh?

**[06:27] Rin**

That takes me back.

**[06:29] Rin**

It took me 200 years to train him into shape.

**[06:33] Rin**

Of all my students, he's the only one I'd say can stand on his own two feet.

**[06:38] Rin**

So, are you here to train, as well?

**[06:41] Paula**

*I still regret it to this day.*

**[06:43] Paula**

Well, that's what I was thinking of.

**[06:46] Paula**

*Why didn't I just say no  
and run away back then?*

**[06:52] Rin**

Very well.

**[06:56] Rin**

Come at me, then.

**[06:58] Paula**

*What? Already?*

**[06:59] Paula**

*Well, since we're just getting started,  
I should probably take it easy—*

**[07:10] Ys**

Rest in peace.

**[07:17] Rin**

Well, she's certainly fragile.

**[07:20] Rin**

What in the world did Prontea teach her?

**[07:23] Ys**

*Probably nothing in terms of combat...*

**[07:26] Rin**

Well then, Ysley, let's see what you've got.

**[07:30] Ys**

C-Certainly.

Pleasure to be working with you...

**[07:41] Ys**

You still alive, Paula?

**[07:45] Ys**

*Can't talk, huh?*

*Probably a punctured lung, I'd wager.*

**[07:52] Hayato**

I can't believe the dumb old bitch  
just chucked me like that!

**[07:56] Hayato**

My face still smarts.

**[07:59] Hayato**

Hey, it's Ysley and Paula.

What brings you guys around?

**[08:02] Hayato**

Finally decide to start training?

**[08:05] Hayato**

Oh, damn, is Paula almost dead?

**[08:09] Rin**

She won't be able to move  
for three days, I'd say.

**[08:12] Hayato**

You never hold back, do you?

**[08:14] Hayato**

Well, don't sweat it.

**[08:16] Hayato**

You get your organs mashed up enough,  
you stop worrying about it eventually.

**[08:23] Rin**

Okay, Hayato, we're sparring again.

**[08:26] Hayato**

What, already?

**[08:31] Rin**

Ysley, you're up again in two hours.

**[08:36] Ys**

*I hadn't abandoned my training  
with her previously just because it was harsh.*

**[08:42] Ys**

*I couldn't accept that this daily routine*

**[08:45] Ys**

*would amount to any real growth.*

**[08:50] (Flashback) Ys**

Why is it that we Idaten know our names  
at the moment of our manifestation?

**[08:55] (Flashback) Rin**

Couldn't say. It's a good question, though.

**[08:58] (Flashback) Ys**

How does the drawing out  
process work, anyway?

**[09:01] (Flashback) Ys**

How exactly do we appear in nature?

**[09:04] (Flashback) Ys**

It should be impossible for organisms  
to simply appear from nothing.

**[09:08] (Flashback) Rin**

We're gods, so doesn't that explain it?

**[09:12] (Flashback) Ys**

Then, as deities, why do we  
have human appearances,

**[09:15] (Flashback) Ys**

manifest wearing human clothing,

**[09:18] (Flashback) Ys**

and communicate with human language?

**[09:21] (Flashback) Rin**

No clue.

**[09:24] Ys**

*I also thought talking to her  
was a waste of time.*

**[12:31] Ys**

That said, weight training

**[14:46] Ys**

Paula, remember how I told you we're born from the thoughts of living creatures?

**[14:52] Ys**

The thing is, thoughts alone don't make us manifest.

**[14:56] Ys**

It takes an additional element...

**[14:59] Ys**

A desire for salvation.

**[15:05] Mom**

It's okay. Don't be scared.

**[15:09] Grandma**

Dear God...

**[15:14] Father**

Please, God...

**[15:21] Gill**

Please... grant us salvation...

**[15:25] Gill**

God!

**[15:30] Paula**

That doesn't make any sense, though.

**[15:32] Paula**

You said human desire for salvation  
is what makes Idataen appear,

**[15:36] Paula**

but we don't help humans at all.

**[15:39] Ys**

That's not so strange. It's other humans  
who make humans suffer in war, right?

**[15:45] Ys**

What sense would it make  
to fight humans to save humans?

**[15:50] Paula**

I guess you're right...

**[15:51] Ys**

Two human nations fight,  
and one is destroyed...

**[15:55] Ys**

The victor grows in its place,  
so it's not a problem.

**[15:59] Ys**

It's not as if the humans care about how  
the composition of a forest might change

**[16:02] Ys**

as long as there are still plants there.

**[16:04] Ys**

And if an invasive species wipes  
out the native wildlife of a lake,

**[16:08] Ys**

they'd just think of it  
as a good fishing spot.

**[16:10] Ys**

This is all to say that,  
while we're in a different position,

**[16:13] Ys**

our thought process isn't  
so different from the humans'.

**[16:18] Ys**

Still, there's a condition under which  
we will fight to protect them.

**[16:21] Ys**

Consider the demons...

**[16:23] ---**

For example, say you happened upon that Gyudo  
monster attacking some humans.

**[16:29] ---**

If you were as powerful as Rin-san,  
what would you do?

**[16:32] Paula**

I think I'd get rid of him.

**[16:34] Ys**

Yet why would you help humans  
that you normally just ignore?

**[16:39] Paula**

Huh, that's a good question...  
I wonder.

**[16:41] Paula**

I guess because I'd feel  
compelled to fight the monster?

**[16:45] Ys**

Wrong. It's because if you do nothing,  
the humans would be wiped out.

**[16:49] Ys**

Humans are similar. If a forest they  
normally don't care about catches on fire,

**[16:53] Ys**

they'll make an effort to put it out.

**[16:55] Ys**

But right now, mankind is distinctly  
*not* on the brink of destruction.

**[16:59] Ys**

They're prosperous enough

**[17:00] Ys**

to kill one another for simple  
self-interest, of all things.

**[17:04] Ys**

And as humans engage in pointless  
wars to amuse themselves,

**[17:08] Ys**

the collective thoughts of those  
caught in the crossfire

**[17:11] Ys**

is what calls us forth... to do nothing.

**[17:14] Ys**

Thus we do nothing.

**[17:16] Ys**

I suppose you could say we're a generation  
of Idateen deities who only know peace.

**[17:27] Gill**

*Is there no God after all?*

**[17:31] Ys**

Still, there's something I don't understand.

What purpose do the demons serve?

**[17:36] Ys**

Did you know, Paula?

**[17:38] Ys**

If left uncontested,  
they'd continue to predate and destroy

**[17:42] Ys**

until the world was completely barren

**[17:45] Ys**

and they ultimately died from starvation.

**[17:49] Ys**

It doesn't make any sense.

**[17:51] Ys**

If there are any intelligent  
demons out there...

**[17:58] Ys**

I would love to ask what they want.

**[18:01] Nickel**

Hey! Pi-chan, Pi-chan!

**[18:04] Nickel**

Long time no see!

You been doin' good, yeah?

**[18:08] Nickel**

It's been a few years since

I last saw you, right? Right?!

**[18:11] Piscala**

*The way she talks is still annoying.*

**[18:14] Piscala**

Nickel!

**[18:15] Piscala**

You need to show more respect  
to a superior officer!

**[18:21] Nickel**

Come to think of it, you're right!

**[18:23] Nickel**

I need'st be formal with my manner  
of speech, do I not, General Piscalat?!

**[18:29] Troop**

How'd she survive a fall from that height?

**[18:31] Nickel**

Putting that aside, this meeting  
should be of incredible import!

**[18:36] Nickel**

I dare say we're in for the first  
meeting of substance in quite some time!

**[18:43] Biarov**

Your Majesty,

**SIGN** Prime Minister of the Zoble Empire

Biarov

**[18:45] Biarov**

why am I not a part of this meeting?

**[18:48] Takeshita**

Because it has nothing to do with you.

**SIGN** Emperor of the Zoble Empire

Takeshita

**SIGN** Empress

Brandy

**[18:51] Brandy**

That's right. Your job is running  
the government, isn't it?

**[18:54] Brandy**

Just focus on policy and diplomacy.

**[18:57] Biarov**

*What the hell kind of diplomacy could a  
war-mongering nation like this manage?*

**[19:00] Biarov**

As you wish, ma'am.

**[19:05] Nickel**

Hey there, Your Majesty the Emperor!

**[19:07] Nickel**

You're looking as miserable as ever!

**[19:11] Nickel**

We'll be waiting in the  
meeting room! Bye-bye!

**[19:15] Nickel**

I must say, formal language is most tiring,  
don't you think, General Piscalat?!

**[19:19] Piscalat**

You're not even pulling it off.

**[19:21] Brandy**

Nickel certainly seems to be in high spirits.

**[19:24] Brandy**

We should get going ourselves.

**[19:26] Takeshita**

Yes, I suppose we should.

**[19:29] Biarov**

*This meeting was called by Obami,  
head of weapons development...*

**[19:33] Biarov**

*What is that madman's game now?*

**[19:36] Biarov**

Kagekiki.

**[19:37] Kage**

Sir?

**[19:38] Biarov**

I want you to look into this.

**[19:41] Kage**

By your command.

**[19:43] Sign**

**[19:55] Takeshita**

The doctor's not here yet.

**SIGN** PM Biarov's Personal Agent

Kagekiki the Ninja

**[19:58] Kage**

*What a bizarre assemblage...*

**[20:01] Kage**

*What do they mean to discuss?*

**[20:05] Obami**

Sorry about the delay, folks.

**SIGN** Head of Weapons Development

Doctor Obami

**[20:09] Obami**

Let's get this meeting underway.

**[20:17] Piscalat**

What happened to you...?

**[20:19] Obami**

Shut it! My usual body got wrecked by that Idaten brat!

**[20:24] Kage**

*His "usual body"? It was wrecked?*

**[20:27] Kage**

*And what exactly is an Idaten?*

**[20:29] Obami**

Granted, that's part of why we're having this meeting.

**[20:33] Obami**

First, let's start with...

**[20:35] Nickel**

Oh, can I take care of one thing first?

**[20:38] Obami**

What is it, Nickel?

**[20:47] Nickel**

Would you look at that!  
If isn't Kagekiki-kun!

**[20:50] Nickel**

Look, I understand being curious...

**[20:53] Nickel**

But eavesdropping is just rude!

**[20:59] Nickel**

Oh, sorry about that, Take-kun.

**[21:01] Takeshita**

Try to be more careful.

**[21:05] Brandy**

Now, we're ready when you are...

**[21:07] Brandy**

O great Demon Lord who granted us human forms and intelligence.

**[21:13] Obami**

All right, let's start by reviewing the footage of the Idaten.
